Wortham Villages Fall Festival 2004

Hello Neighbors! It is that time of year again when we start to look forward to cooler weather ...and the Fall Festival! The Fall Festival is a wonderful afternoon filled with carnival type games, prizes, refreshments, pumpkin decorating, a moonwalk, and an opportunity for the kids to show off their Halloween costumes!

Unfortunately, last year the Fall Festival was cancelled due to bad weather. I have put my request in early with the weatherman and told him that this year we wanted a nice day!

The Fall Festival is a lot of fun and needs great neighbors like you to help make it an enjoyable afternoon for everyone! The Fall Festival will be held on October 23rd from 3pm-5pm right here at Wortham Village's Clubhouse and surrounding grounds.

The Fall Festival needs volunteers to help set up tables, decorate, run a booth, sell tickets, set out refreshments, and clean up. If any of these areas speak to your heart to help- even if you can only donate 30 minutes of your time- You will be a wonderful part of making the Wortham Fall Festival an exciting event to make cherished memories for the kids!

I appreciate any assistance you can donate. Give me a call at (832) 912-1447 Rachel Gerhardt-Fall Festival Coordinator email: rgerhardt@houston.rr.com

Security Committee Chairperson Needed

The Wortham Board of Directors is looking to fill the Security Committee Chairperson position. If you are interested in this position, please contact a board member immediately.

Splinters From the Board

By Stan Schoen

There is an important election in November that I hope you all participate and vote. It is hard to criticize the selection, especially if you help make it, unless you vote. In that case there is much mud slinging and charges as to who did what and did they do it at all? On a much smaller scale we are having our own election in October. We are having our annual homeowners meeting and when you read this you should have received a letter giving you all the details including time and place. Please join us at this meeting as this is our opportunity to exchange information, face to face. We will have elections for two board seats of a total of five so forty percent of your board could change. I was hoping we would have some interested people to run for office but I have not been made aware of any.

As mentioned in the last newsletter, we are looking for committees to get recharged, in part, to ensure that any funds available are used with all residents' best interest in mind. In plain speak, this means getting the best 'bang' for our buck much as the tennis committee and the recreation area committee have done. Those committees have made a big difference in providing input as to what the needs of the community are. Because of this we have a great looking and functional pool area and the women's tennis has grown and very successful servicing those people who want to be involved in these activities. I have been asked what our needs are and security would be our most pressing need at this time. We need a chair to keep this committee going and to coordinate all the block captains to do their

important jobs serving our community.

By now you know the La Madeline is in the Academy shopping center as well as Skeeters which should be open or about to open as you read this. Home Depot and Super Target is allegedly being developed across from Wal-Mart with Pei Wei being built by NTB. Pei Wei is a restaurant owned by PFChangs, Chinese Bistro. This is a casual dining restaurant with the closest now in the Champions area. It seems with all the rooftops we have here many people are taking interest in our neighborhood.

We have had many outside solicitors in our area. Just a reminder that the best way to keep unwanted guests, like these, out of here is don't buy from them. If you encourage them with a purchase why wouldn't they keep on coming?

Speaking of guests, we are inviting some to paint our curbs with your home address. We have been doing this for several years now and our motivation is simple. First, our safety! With the numbers painted in an bright paint the numbers can be seen in the dark and there will be consistency, painting in the front of each house would make it easier to find your address in the event of an emergency and the color and size would be the same as well.

To keep everything in prospective, our neighbors to the east of us are about to be hammered by Hurricane Ivan as I write this and our thoughts, hopes and prayers are for all those affected by this.

Make it a great day! See you at my table.

Arnold Middle School

L.I.F.T. (Leadership Inspiration Facilitation Team) is a new leadership program for eighth grade students that began last spring. Students were selected because two or more teachers felt they would benefit from the opportunity to develop and exercise their leadership skills. The purpose of L.I.F.T. is to give these students a chance to be part of something larger than themselves. Our goal is to train leaders for tomorrow and help the students learn more about their own strengths through teaching and mentoring Arnold's youngest students.

In June, each L.I.F.T. member attended a three-day R.O.P.E.'s camp which enhanced their problem-solving, leadership, and cooperation skills. The games and activities that the students played enabled them to take abstract ideas such as responsibility, respect, and diversity and apply them to concrete experiences they may encounter both in school and at home. All of the members were able to shine in ways beyond their own expectations, and the camp set an enthusiastic tone for the upcoming school year.

L.I.F.T. students currently visit sixth grade advisories each Friday, and we call it The Friday Experience. Now, they are leading and facilitating the same games they learned during the summer camp. After the games are completed and before ending advisory, members reflect with the sixth graders. They help the students connect the themes from the game to life lessons and skills everyone needs to be successful. These discussions are the key to unlocking the leaders within our L.I.F.T. members and building mentoring relationships with their advisory students.

One of the most unique aspects of L.I.F.T. is the program's reliance on student input and feedback. Already, our members selected incentives for a school wide survey; they chose twelve fellow members to attend the Superintendent's Student Leadership Conference, and they are currently brainstorming ideas to raise money for the Ataxia-Telangiectasia (A-T) Children's Project. Future L.I.F.T. endeavors include field trips, visits from guest speakers and fund raisers such as a Fall Fun Run and a Messy Olympics. We are all looking forward to a dynamic and rewarding school year.

Northwest Private School Preview

Mark your calendar for the 3rd annual **Northwest Private School Preview** November 7, 2004 from 3:00 pm to 5:00 pm at Champion Forest Baptist Church 15555 Stuebner Airline Rd. This **FREE** event is open to the public. With over 300 private schools in Houston, and more under construction everyday, the choice of where to send your child for an education is overwhelming. Parents are constantly searching for information on the options available to their family. For this reason, the Northwest Private School Preview was formed. This event was designed to bring local families together with private schools, in one location, to make it easier for the parents to get a good overview of what is available. Parents can speak with representatives and obtain information to review at their convenience. Houston Family Magazine will be passing out goodie bags to all attendees. There will be a coloring contest for children, light refreshments will be served and families can enter drawings to win prizes!
