## Cypress Ladies Association

Our October meeting had to be one of the most fun meetings we have had. My cheeks still hurt from smiling and laughing. After discussing some Association business, we proceeded to have our White Elephant Exchange. Let me tell you there were some pretty awful things there to receive but I think every one agreed that my item from Jeri had to be the WORST. I should have gone with the ugly item I could see instead of the unknown horror that lied in the pretty wrapped box. Needless to say no one wanted to steal my precious treasure from me. All I can say is look out next year as you may see it popping up again. That is not to say that everything was ugly, some members actually got something that they thought was not so bad and actually liked.

The other fun part of the meeting was hearing the stories as why and how they even got the treasure that they were so willing to give up. I think Laura and Joni's stories were the best and I hope Jennifer's head is feeling better as she decided to give away a painted wine box that fell on her head before the meeting. Thank you Jennifer for hosting the meeting, the Halloween decorations and goodies made the meeting very festive. Also for those who came in costumes, you all looked GREAT!

Our next meeting will be held by Marianne MacLeod. We will be making Rock Candy. Please start saving small glass jars that we will decorate and use for putting the candy in. Baby food jars work great as well as jelly, relish and mustard jars.

Note our next three meeting dates, topics and host. We welcome and encourage new members any time. You are sure to have a good time if you are able to come. Meetings are normally from 2-4 p.m. on Sunday. For more information contact Laura Graff at (281) 373-9192.

## MOMs Club of Cypress-North

Are you an at-home mom (either full or part-time) looking for some fun activities for your kids, interesting activities for yourself, or just some good adult conversation? If you live in the 77429 zip code, why not try out MOMs Club of Cypress-North!

MOMs (Moms Offering Moms Support) Club is a national, non-profit organization that gives at-home mothers the opportunity to share activities and discussions with other mothers and their children. Upcoming activities include outings, playgroups and Mom's night out, as well as scrapbooking, craft days, cooking and exercise groups, and monthly mixers where moms get to chat while the kids play. And best of all, the activities and meetings are held during the day, when at-home mothers need support and interaction with others. We also perform service projects throughout the year to help needy children and organizations in the community.

Most of the club activities are held in Cypress. You can choose the activities that interest you and that are convenient to your schedule. Meetings are held on the 2<sup>nd</sup> Tuesday of each month at 10:00 a.m.

If you are interested, please come to our next meeting on November 9 at 10 a.m. Please call Jennifer Papapanagiotou, Membership VP, at 281-374-6944 (jp@houston.rr.com), or Anabel Lenox, President, at 281-373-3252 (alenox@houston.rr.com) for location, directions, or any questions. We are happily welcoming new moms at each meeting. Hope to see you there!

## M.U.D. Property Tax Rate Reduced

Cypress Hill MUD#1 has reduced the property tax rate for 2004 from \$1.50 to \$1.43 per \$100 valuation. Because the district has been under the order of the bankruptcy court, taxes had been frozen at the \$1.50 rate. This rate could not be lowered until the original bonds issued by the district were paid, and this year the district was able to restructure debt to pay off these bonds.

## What are the Responsibilities of a Block Captain?

We still have several streets without Block Captains. Being a Block Captain requires minimal effort. Responsibilities include:

- Passing out the directory once a year, as well as, any important information our HOA Committees may need to convey to all of the residents.
- Represent your street in any concerns or ideas your neighbors may have with the board or other HOA committees.
- Promoting and having a block party on National Night Out – the first Tuesday of August every year.

We meet quarterly to discuss any new ideas on how to make our neighborhood a better place. Although the meetings are voluntary, they are beneficial, and even if you can't attend we welcome any comments or suggestions. The Neighborhood Directory should be distributed towards the end of September and beginning of October. Please contact Amanda McCumber at 713-906-7338 or e-mail [amccumber@kw.com](mailto:amccumber@kw.com).

## Cypress Assistance Ministries

### Community Buck(s) Donations

Holidays, Special Days and Everyday, we need your support. The following is a brief outline of how you may contribute to Cypress Assistance Ministries. We look forward to your visiting our facilities and hope that we will continue to do God's work together.

### Angel's Attic Christmas Room Opening

A Holiday Tradition at Cypress Assistance Ministries is the opening of Angel's Attic, "Christmas Room". Shoppers eagerly look forward to the vast accumulation of donated Christmas decorations, clothing and super gift items. Mark your calendar for November 1<sup>st</sup> at 10:00 a.m. Funds received through the resale shop are utilized through out the ministry to give assistance to those in need in the Cypress-West Houston area.

### Food Pantry Needs

It is official; we are planning Thanksgiving and Christmas at the ministry. Due to the increased number of families in 2004, our demands will be strained like never before. Turkeys and hams are especially needed, as well as other meat products. Your monetary donations are always welcomed too. Money spent at the Food Bank allows us to buy \$20 for every \$1 spent. If your church, company or special group is looking for a way to celebrate this holiday season, or you need information about our programs, now is the time to start planning. Please give us a call at 281-955-7684.

### Angel Tree

Each year we invite the people of Cypress-West Houston to participate in our Angel Christmas Tree. Families with special needs and their children are depending on this ministry. We offer a selection of needs (Angels) so that you may chose how you wish to help. We hope you will come in and visit our Angel Tree, adopt an Angel(s) and start your Christmas spirit early.

### Blessing of the Animals

Messiah Lutheran Church invites the entire community to bring their animals on Saturday, November 6 at 2 pm for a blessing service. All animals are welcome but they must be restrained.

## Cy-Fair Band Program

One of the advantages of living in the Cy Fair School District is their commitment to the school music programs. The band program is outstanding. Instrumental music begins in the 6<sup>th</sup> grade where each day students have one period of music instruction grouped within the specific instruments. For example, the flutes learn together, as do the clarinets, the trumpets, the low brass and percussion. After 36 weeks of 45 minutes a day, the student has learned many aspects of the instrument and musicianship. The students then progress to the 4 bands leveled for ability. Mrs. Pricilla Bell, the band director of Goodson Middle School said that currently there are 165 beginning band students and 235 continuing students divided into the 4 bands. This is the largest middle school program in the district. Mrs. Bell said, "We are busting at the band seams and we love it!" They have 2 other directors, Mr. Alex Hinojosa and Ms. Nicole Huerta. Throughout their middle school experience the students are able to participate in UIL contests for the bands, in which they are rated against a state wide standard with "1" being a superior rating. These bands have consistently been rated superior since the school opened in 2001. The students are also encouraged to perform in individual competitions such as solo and ensemble festivals. Goodson walked away with 200 medals this past year. Many of the students also audition for Region Band and earn a spot. One of the highlights for the year is when the 8<sup>th</sup> graders are able to perform at a Cy-Fair football

game in the stands along side the Cy-Fair High School marching band. This sets the stage for their freshman year in which they are on the field performing at halftime.

Mr. Mark Veenstra, director of the band program at the Cy-Fair High School always looks forward to each years band. This years band consists of 280 students. The directors spend a lot of time choosing the program and watching it come together. To watch the progression of the initial practices with all the students trying to learn their music and move to their designated spots for their performances on the football field, you can see all the hard work, practice and dedication that go into making Cy-Fair Marching Band one of the most respected bands in the area.

One of the exciting things for the band students is the cohesiveness. Practice begins in late July and by the time school starts, many freshmen have already made new friends. There is the big sister/big brother program which connects an upperclassman to an incoming freshman. There are the traditional get-togethers including skating parties, swim parties, lock-ins and a semi formal band banquet at the end of the year. All the students perform at the varsity football games and the competition band performs at area marching band competitions throughout the season.

### Tarsal Tunnel Syndrome

By now, most everyone has heard of Carpal Tunnel Syndrome. A similar phenomenon, Tarsal Tunnel Syndrome, may occur in the foot, when the nerves at the side of the ankle become entrapped. The symptoms are burning and/or tingling in the bottom of the foot. The discomfort can occur anywhere on the bottom of the foot, including the heel and toes. If diagnosed early enough, TTS may be treated nonsurgically.

## Cy-Fair Band - (continued from Page 12)

The color guard is a very big part of the marching band, their graceful movements with flags, rifles and swords adds to the overall performance. The color guard, under the direction of Mr. Jeremy Baudoin, continue to perform in winter competitions and this past year placed 18th in the world in their division in San Diego, CA.

After football season, all the band students continue with their 5 different leveled bands under the direction of Mr. Mark Veenstra, Mr. Skip Martin, Ms. Shirley Holstein and Mr. Chris Young. Students continue to compete in UIL competitions, solo and ensemble competitions and other band competitions throughout the U.S. Many audition and earn a spot for Region Band, Area Band and All State Band. Last school year, all the bands performed in San Antonio for the Bluebonnet Classic Band Festival and won sweepstakes in all categories. Band continues to be part of the lives for many Cy-Fair students after graduation. Many of the band's serious musicians go on to college and major in music, with some receiving full scholarships. Some students major in other areas and perform with the college marching or symphonic bands.

Come to a Cy-Fair High School Varsity football game this season and see the award winning Cy-Fair Marching Band perform their show "Heartbeat".

## Good Shepherd United Methodist Church

### ANNUAL COMMUNITY CHRISTMAS TREE LIGHTING:

Join us again this year on the **Sunday after Thanksgiving (11/28)** for the annual community wide Christmas Tree Lighting. This is a great chance for us to come together as a community and begin the Christmas season. As in years past there will be music (in fact if you, or your organization, would like to participate call the church office), a visit from Santa, a special time for the younger members of your family, a time for pictures, and most importantly the true message of Christmas. What a great way to wrap up the time of Thanksgiving than to begin to think of Christmas. Make sure this is on your calendar.

This Month's FAQ – Do I have to be a member to participate in the programs at Good Shepherd:

In a word **NO!** We invite all people to participate in our activities. For those new to the area, what a great way to meet and make new friends! So no excuses – if you hear or see something that interests you come and join in.

### COMMON GROUNDS PERKS AWAY:

Join your neighbors every Saturday evening at 5:55 for a unique and interactive worship experience. The coffee house atmosphere provides a comfortable and welcoming community from which you can question, explore, share, and grow in your ability to follow the teachings and love of Jesus in the complex world that we live in. Start with a coffee beverage – yes we can make your favorite and then participate in the service. Contact Rick Ivey for more details.

### Time for the Peak Ahead:

So you can start to plan that hectic December calendar here are the dates to note:

- **First is the annual hayride on December 3rd.** This annual event will be at High Star Christmas Tree Farm in Hockley – just a 10-minute drive. In addition to all of the fun we have had in the past – who can forget those gourmet hot dogs – for those arriving a little early (before dusk) there will be craft tents and Santa will be there for some extra family fun.
- **Next up are the Sights, Sounds and Smells of Christmas on December 12th.** This is great quality family time for all ages. Join us at the church from 3:30 to 5:00. Santa will be making a special trip to Good Shepherd to visit with the children. We'll have lots of cookies to decorate and eat as well as lots of crafts to make and share. **PARENTS BRING YOUR CAMERAS!**
- **Other Christmas activities** will include Camp for Christ, music and musicals, youth gatherings, and of course Christmas Eve services. There will be more about these activities next month.

### Come join GSUMC and begin the journey

Good Shepherd is located on Cypresswood, two blocks east of Mason Rd.
