Fairfield Charity Golf Classic

September 11, 2001

On behalf of the Fairfield Charity Golf Classic committee, we would like to take this opportunity to thank everyone for making our tournament a success. The proceeds from the tournament are being used to fund the Fairfield Women's Club college scholarships, the Fairfield Sports Association's general fund for capital improvements, the American Red Cross in Florida for the hurricane relief and other charitable organizations as deemed appropriate by our memberships.

We would like to extend a huge THANK YOU to our community! Due to your incredible generosity, we were able to make this event fun and enjoyable for our players. All of the golfers were very appreciative of the wonderful prizes and donated items. A special thank you is also given to Cypress Lakes Golf Club for the warm hospitality.

Our day began with a moment of silence to remember all of the loved ones who lost their lives in the tragedies of September 11, 2001.

Then the competition began!

We would like to CONGRATULATE the WINNERS of the tournament:

1st Place: Mark Cowie, Bret Marquis, Jeff Flinn, & Jim Thomason

2nd Place: Todd Henke, Joe Connelly, Mark Lundquist, & David Touns

A very special thank you is given to **FRIENDSWOOD DEVELOPMENT** for being the Longest Drive and the Closest to the Pin Sponsor. Hats off to Wells Fargo Bank for sponsoring the Putting Contest, won by Russell Wells, and to Bill Heard Chevrolet for sponsoring the Driving Range.

All 91 golfers are to be commended on a job well done. Without the support of all of you, the tournament would not take place. We sincerely appreciate the continued support and we are looking forward to our next tournament in March of 2006!

We could have never had a successful tournament without our 18 wonderful hole sponsors. Thanks to all of you for your very generous support:

WASTE DISPOSAL

We have received reports that residents as well as their landscapers are using vacant lots as dump sites. These lots belong to somebody; they will be someone's future home and should not be used to dispose of your clippings or debris. With the weather as hot as it's been, the trash in the vacant lots will smell very quickly. Please advise your contractor(s) to dispose of the clippings and debris in the proper manner. It costs your assessment dollars, which can be used to further beautify Fairfield, to assist in cleaning up the mess they're leaving behind.

Thank you for your cooperation in this matter.

MDA Fill the Boot

It's time once again for Cy-Fair Volunteer Fire Department's annual food and toy drive. The event collects non-perishable food and new, unwrapped toys to be distributed to the area's less fortunate families at the holidays. In the upcoming weeks, we will be distributing paper bags to put your donations in. We will collect the bags a few weeks later. Your generosity always makes our drive a huge success.

FOSTERING THOSE LOST PETS!*

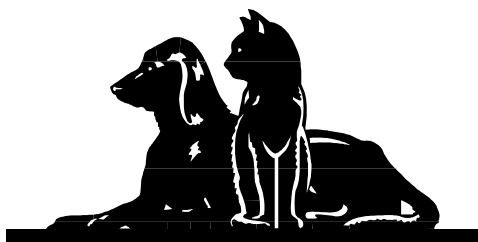

For all you animal lovers: There are many times, in our community, when people find a lost animal/pet and can't pick it up because they have no place to shelter the animal until the owner is either found or notified and comes to claim it.

This is where your kind help is needed. We are asking for residents in the Fairfield community to volunteer their homes and backyards to foster a lost animal for 1 to 2 days – until the owner is located and the animal is returned to that owner.

Not only will this keep the animal from being injured, killed, impregnating another stray, or being picked up by Animal Control, it will insure the children and families of the community are kept safe also.

If you are interested in being a foster home for someone's lost animal/pet, please call me, Geri Bishop, at 281-304-0283.

Thanks so much!

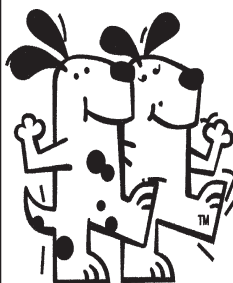

Blessing of the Animals

Dear Fairfield Residents,

Have you noticed the yellow ribbons around our neighborhood? These pretty ribbons show support for our military men and women serving our nation. I enjoy and appreciate seeing these ribbons on a daily basis. You see, our son is a medic in the U.S. Army stationed in Iraq and these yellow ribbons speak to me. Each ribbon represents a heart. Thus, I'm asking you to display yellow ribbons in your yard to remind us all of the efforts these people do to provide us the freedoms we enjoy daily.

With the recent deaths of several area service men, these ribbons take on a very personal meaning. This letter is not intended to state whether or not our troops should be in Iraq; it is much more personal than that. It is intended to persuade you to join together to make Fairfield a premier neighborhood whose voices reach personally to individual service personnel showing words of acknowledgement, appreciation, and encouragement.

Therefore, I am also asking individuals, Boy Scouts, Girl Scouts, Women's clubs, sports teams, senior clubs, and churches to take time to send cards or letters to a specific service person until they come home. If you would like an individual name and address to send your words to, just call me (281-373-0142) and I'll gladly provide you with one. I'm sure there are other families in Fairfield who have loved ones and friends serving in the military. If you would like to submit a person's name and address as a recipient, drop their information into the decorated box at the Fairfield Athletic Center.

Together we can reach around the world and bring Texas to those protecting us all!

Sincerely,
Peggy Gardner, Fairfield Resident

Let's Show Our SUPPORT!

Here's one of our brave countryman over in Iraq; please show your love and support by sending Kevin cards, letters, care boxes, whatever you can to show him he's in our hearts, thoughts and prayers:

Moms In Touch International

Every week, in every state of the U.S. and in 85 countries around the world, thousands of mothers meet to pray for their children and their schools. They gather in Mexico, New Zealand, China, Germany, India, Uganda, Egypt, Romania, Russia and many other countries. They are all part of *Moms In Touch International*, an interdenominational, non-profit ministry of women who believe prayer makes a difference.

The group was founded in 1984 by Fern Nichols while she was stationed in Abbotsford, British Columbia with a Christian ministry. She had two sons entering junior high school. Nichols knew her boys were going to face their greatest test yet in resisting immoral values, vulgar language, and peer pressure. She found other concerned mothers, and they began meeting for prayer.

The following summer Nichols and her family moved to Poway, California, where by the fall of 1985, a group was established at Poway High School. The women met once a week and prayed for a full hour for their children and the school. They prayed for a *Moms In Touch* group for every school in their district, and they shared the concept with their friends and other moms they met. Two years later, Nichols published a *Moms In Touch* booklet, and the following January the first *Moms In Touch* retreat was held. Today there are thousands of *Moms In Touch* groups meeting worldwide.

The organization's goal is to have a group of two or more moms praying for every school in this country and throughout the world. We know our children face many challenges at school (academics, drugs, peer pressure and violence), and to stand in the gap for them through prayer is our highest calling.

The mothers meet once a week to pray for teachers, principals and administrators, conferences, respect for authority, curriculum choices, holiday situations, coaches and athletic programs, high standards, family values, after school programs, problems faced by the students and for the specific needs of the children of the mothers in the group.

If you are interested in joining a Moms In Touch group, please call Alecia Mallett at 281-256-0433

Family Friends

We Need Volunteers and Families!

Family to Family Network is an organization that empowers families of children with disabilities by providing information, training, referral and support. We are initiating a new project in the Houston area called **Family Friends**. It is an intergenerational program that matches volunteers (age 55+) with children with special needs and their families. The Family Friend (volunteer) will visit the home once a week for a couple of hours to offer support and encouragement by reading a book, playing, and become a friend!

The family gains from the emotional support provided by the volunteer. Their visits often give family members a break from caring for their child with disabilities, all the while knowing the child is in good hands.

The Volunteers offer their special skills, wisdom, support and life experiences. They gain a sense of pride knowing that they are making a difference in the family's life.

The Community is strengthened by volunteers providing supportive services that would otherwise prove too costly for the families.

If you are 55 years or older or have a child with a disability and are interested in this wonderful program, Please call Patricia McMahan or Aline Houston at Family to Family Network (713)-466-6304

TERRAPIN TALES!!

LEARN TO SWIM LESSONS:

Fairfield's **Texas Terrapins Swim Team** continues to grow by offering "Learn to Swim" Lessons right here in our neighborhood. The first six-week session is already completed with registration on-going for our second session beginning this week!

The Fairfield Athletic Center's heated pool gives families the perfect opportunity to fit lessons in during winter's short daylight hours in a warm pool. Classes are offered in private, semi-private and group lessons once or twice a week in a both AM and PM sessions.

SWIM-A-WHAT?!?:

On a quiet Tuesday in September, the **Texas Terrapins Swim Team** took to the waters in our first-ever "Swimathon." Similar to the idea of a walk-a-thon, jump-a-thon, etc., – the USA Swimming "Swim-a-thon" has swimmers collect pledges based on swimming a certain number of pool lengths within a certain amount of time. A portion of the donations go directly to the USA Swimming organization while other funds raised purchase needed swim team equipment, including new backstroke flags, hand paddles, water polo balls, and more.

The kids began at 4:30 pm and swam for a maximum of 2 hours or 200 laps (which ever came first.) Pizza and prizes were awaiting them when they stepped out of the water – but we STILL had a hard time getting them out! When it was all over, 67 swimmers and 1 coach had accom-

plished 4558 laps or 9116 lengths! Congratulations to all that participated – what a great show of Terrapin Teamwork! (At this article's deadline, donations were still being collected and tallied with final numbers being announced in December.)

The Texas Terrapins Swim Team (TTST) of Cypress, Texas is a year-round competitive swim team offering instruction and competition to swimmers of all ages and abilities. The Texas Terrapins Swim Team provides a positive, supportive and fun-filled environment where swimmers can improve their skills and meet their individual goals. Through the guidance of trained, experienced coaches, coupled with the support of the families, we encourage team spirit, sportsmanship and a life-long love of the sport of swimming. Also, please visit our team website at: www.TexasTerrapins.com or contact our Head Coach, Barbara Harold, at swimbarb@igg.net.

Little Lamb News

Our students are having so much fun celebrating fall at Little Lambs. We had a great time at our fall festival. The huge slides were a big hit again this year! All of our classes heard some stories out by the pumpkin patch and picked out a special pumpkin to take home. Our 3-5 year-old classes also participated in the Little Lambs Olympics at Cypress Academy of Gymnastics. They are very proud of their gold medals! We would like to thank Cypress Academy for the wonderful experience our students had.

Now with the month of November here, we are ready to begin our Thanksgiving, nutrition and family theme units. We will celebrate Thanksgiving with our little pilgrims and Indians at our annual Thanksgiving feast. Our students are looking forward to the yummy treats at the feast.

Little Lambs Mother's Day Out and Preschool is a weekday ministry of Good Shepherd United Methodist Church in Fairfield serving children from 18 months of age to five years. We have two and three day program options in our mother's day out and preschool. We also have a four day bridge program for children who are already five but are waiting another year before starting kindergarten. We will be conducting registration for the 2005-2006 school year in February. Watch for registration dates in upcoming newsletters. If you would like more information about our program, please visit our website, littlamlamsmdo.org or give us a call at 281-373-0052.

Fairfield Kids Club Preschool

We have openings in the 2's 3' and 4's and if you want to give us a call we can give you more information about the days that are available. Please ask to speak to Charlotte Byrne at the FAC at 281-373-0834.

CY-FAIR PROJECT PROM 2005 NEWS

The Cy-Fair Project Prom 2005 Committee wrapped up several fundraisers in October. We would like to thank the Senior parents and those of you in the community who so generously supported those fundraisers. For those who ordered the fresh pies, they will be ready to pick up at the next Project Prom Parent meeting on **November 8, 2004**.

Our next big fundraiser is **Tin Hall Night** on **January 22, 2005**. This event is a fun filled evening that includes dinner, dancing and a silent auction. If you would like to donate items for the silent auction, please call Amy Eagan at 281-373-5882 or email to ajeagan@swbell.net.

The cookie dough fundraiser was postponed to start in January. This date should be available in the December newsletter. We still have several ongoing fundraisers. If you have not planted your fall bedding plants then there is still time to buy a coupon from a senior parent for \$15 for a coupon of 18 count flat of plants from Buds and Blossoms on Cypress North Houston. You may also email Kathy Kleppel at Katkleppel@aol.com to purchase the coupons. This fundraiser will be in effect until **December 31, 2004**. Used cell phones w/batteries and ink cartridges can be turned into the library at Cy-Fair HS. They must be individually packaged with the senior student name on the outside to receive credit. The next Market Day orders are due **November 23, 2004** with a delivery date of December 7th. Susan Kubacak is collecting gently used prom dresses, shoes, suits and accessories to be sold in the Prom Dress Boutique. If you are interested in donating a tax deductible item, please call Susan at 281-373-3312. Every Saturday Rudy of **Rudy's La Maria Cantina** will contribute 10% of your bill to project prom. Coupon's can be picked up at the parent meetings or you can print one off of the project prom website. The coupon must be presented with the bill.

We would love to see you at the next Project Prom parent meeting on November 8, 2004. This also happens to be the deadline for the 9th, 10th & 11th grade student pictures for the senior video. Your senior will receive 2000 project prom bucks if they meet this deadline. For information please check out our website at www.cyfairprojectprom.com or call Debbie Grosskopf at 281-225-9414.

CY-FAIR KIWANIS CLUB OF HOUSTON

The Cy-Fair Kiwanis Club, an affiliate of the International Kiwanis organization, meets three times a month at the Hearthstone Country Club in Hearthstone from 12:15 p.m. to 1:15 p.m. for lunch, fellowship, the reporting of progress of the Club's sponsored children and youth projects, and programs by guest speakers on subjects involving community affairs.

Officers for 2004-2005 were installed at the October meeting of the Cy-Fair Kiwanis Club. John Overton, attorney, is the president; Peggy Presnell, immediate past president; Eric Reed and John Strohm, vice-presidents; George Cowl, Secretary, and Jim Meadows, treasurer. Board members are John Carroll, Steve Caton, Larry Zarker, Mike Hagan, and Jim Ramsey. Jesse Lucas, Lieutenant Governor of the Texas-Oklahoma District, conducted the installation.

Two new members, Steve Geisner of Fairfield, and Kathleen DeShazo were initiated in September. Programs addressed the issues of Fire Ants and Other Lawn Pests; Marketing Your Business on the Internet; and An Overview of the Duties and Responsibilities of the Constable Office Precinct 5. Deputy Brandon McIlwain was honored as Officer of the Quarter.

Although it may well have been the hottest day of the year, Kiwanians and supporters turned out to play in the annual Cy-Fair

Kiwanis Club Golf Tournament. Eight teams participated. The Club raised approximately \$4000 that will all go to support community services in the Cy-Fair area.

Kiwanis, International is a worldwide service organization with "Children, Priority One" as its primary focus. Kiwanians work for a better quality of life for the citizens of the Cy-Fair area, the state, the nation, and the world. This Club is a "Service Club," rich in tradition and pride in its accomplishments. Members engage in various fund raising events to support youth organizations, such as Key Club, the high school division of Kiwanis; Boy Scouts; and Girl Scouts, as well as other charitable organizations that assist families. An annual golf tournament is one of the primary fund-raisers along with a few sales projects. Kiwanis is a nonprofit organization and all funds raised are used to support these organizations and charities.

Membership in Kiwanis is open to persons of good character who adhere to the standards of good conduct in their community and believe in and subscribe to the objects of Kiwanis International. If you would like to know more about Kiwanis and the service programs it promotes, call Peggy Presnell, at 281-304-7127, John Overton at 281-890-0541; or George Cowl at 832-467-1998.

CAMP 4 CHRIST DECEMBER 4-5

Camp4Christ is a student mission to collect bedding, coats, clothes, shoes and toiletries for the area homeless and exposes the students to a taste of the difficulties that the homeless endure.

ALL AREA STUDENTS ARE INVITED TO JOIN US

Camp4Christ takes place over 4 consecutive weekends. The help dates are Sun. 11/14 1:30-3:30, Sat. 11/20 from 11:00-1:00, and Sun 11/28 from 1:30-3:30. You must be present at least one work day to attend the Camp4Christ weekend. On the help dates, students deliver flyers and trash bags to neighborhood houses asking that donations be placed in the trash bag for pickup on the 4th weekend. A medical release form must be on file at Good Shepherd United Methodist Church. They are available on the website (www.cypressg.net) and at the office.

The actual Camp4Christ will be held on Saturday 12/4. We arrive at the church with nothing but the clothes on our backs. Students pick up the donated items. Then they spend the night "as a homeless person", sleeping in a cardboard box with their Camp4Christ family. That night is filled with worship, music, speakers and fun.

Cypress Assistance Ministries

Community Buck(s) Donations

Holidays, Special Days and Everyday, we need your support. The following is a brief outline of how you may contribute to Cypress Assistance Ministries. We look forward to your visiting our facilities and hope that we will continue to do God's work together.

Angel's Attic Christmas Room Opening

A Holiday Tradition at Cypress Assistance Ministries is the opening of Angel's Attic, "Christmas Room". Shoppers eagerly look forward to the vast accumulation of donated Christmas decorations, clothing and super gift items. Mark your calendar for November 1st at 10:00 a.m. Funds received through the re-sale shop are utilized through out the ministry to give assistance to those in need in the Cypress-West Houston area.

Food Pantry Needs

It is official; we are planning Thanksgiving and Christmas at the ministry. Due to the increased number of families in 2004, our demands will be strained like never before. Turkeys and hams are especially needed, as well as other meat products. Your monetary donations are always welcomed too. Money spent at the Food Bank allows us to buy \$20 for every \$1 spent. If your church, company or special group is looking for a way to celebrate this holiday season, or you need information about our programs, now is the time to start planning. Please give us a call at 281-955-7684.

Angel Tree

Each year we invite the people of Cypress-West Houston to participate in our Angel Christmas Tree. Families with special needs and their children are depending on this ministry. We offer a selection of needs (Angels) so that you may chose how you wish to help. We hope you will come in and visit our Angel Tree, adopt an Angel(s) and start your Christmas spirit early.

St. Elizabeth Ann Seton Catholic School Blessing of the Pets

Monday, October 4th, St. Elizabeth Ann Seton Catholic School celebrated their Annual Blessing of the Pets. Students, faculty, parents, parishioners and pastoral staff gathered around the St. Francis of Assisi statue to participate in the blessing. Students were able to bring their family pets from home and have them blessed. It is always a fun day for the whole St. Elizabeth Ann Seton community. Father Bob, Father Ed and Father Quang all participated in the blessing. What great pastoral support for the students and their pets. St. Elizabeth Ann Seton Catholic Community loves their pets unconditionally as God loves us unconditionally.

Congregation Jewish Community North

Located at 5400 Fellowship Lane, in Spring will hold a 3-part series in their Study on Shabbat Program. The first session will be on Saturday, November 13, 2004, beginning at 4:30 p.m. in the social hall.

Study on Shabbat is part of the congregation's Lifelong Learning project. The chair is Karen Furlin. Renewing the Ten Commandments and Ourselves will be our topic for a series of Studies on Shabbat (SOS), the CJCN lifelong learning project. The series will explore the relevance of the Ten Commandments for ourselves in today's world and will grapple with such topics as:

- How do we honor our father and mother if there has been abuse, neglect and pain on our relationships?
- What idols do we worship in today's materialistic society?
- What does it mean to steal and what do we need to be aware that we are robbing from others?
- Do we covet when we are not content with our lot?

The first session will be held on Saturday, November 13, 2004 and will begin at 4:30 p.m. at the synagogue. The discussion will be followed by Havdallah in the sanctuary led by Rabbi Mathew Michaels; then the attendees will depart to a local restaurant for a dutch treat dinner.

Other sessions will follow on February 12, 2005 and May 21, 2005.

Please contact the synagogue office office at 281-376-0016 for directions.

Harvest Bible Church

Did You Know? Jesus said, "Let the children come to me and do not hinder them, for the kingdom of God belongs to such as these. I tell you the truth, whoever does not receive the kingdom of God like a child will never enter it" (Mark 10:14-15).

Jesus obviously loved children, and he was more than willing to bless them when mothers brought them to him. But he didn't just do so simply as a routine ritual. In the midst of a generation who admired and followed the rich and famous, Jesus, on the contrary, used children to illustrate those who would actually enter God's Kingdom. Why? Because, unlike proud adults, children are humble. They have no aspirations to greatness, and the applause they seek isn't for selfish gain; it's for parental approval. Children lack pride, and this allows them to accept gifts without insisting on paying the giver back. Jesus had a gift to give, and it was his life to save sinners from the wrath of God. He gave himself on the cross in death and told everyone that if they would only believe he would save them. Children also have simple faith in that they believe what they're told. Their minds are like sponges soaking up all that is fed to them. They accept truth and error, so it's the teacher's responsibility to teach them Truth. Those who trip them up will answer to their Maker.

Jesus was not saying that only children will inherit God's Kingdom; he was saying that it takes the *attitude of a child* to enter into heaven. And he warned that those who won't receive God's Kingdom as a child won't enter it at all. Those who recognize how insignificant and small they are, however, *will* enter heaven. This is what ultimately prevents the rich and famous from entering God's presence – they're too into themselves and their own so-called significance.

Those who do come to Christ "as little children" are held in Christ's arms and blessed, for he loves them intensely. God's love for all people is one of

action as evidenced by Christ's death at the cross, but His particular love for His chosen ones, those who come to Him in faith, is especially intense – like that of a mother to her children. Childlike faith is what distinguishes God's children from the rest of the world. We may not understand all that God does or has done, but His true children know that God knows best; that He is sovereign and in control – the same way a child goes to sleep at night knowing that his mom and dad are protecting him. Christ holds those with that kind of faith close to his heart. He loves His children – those who have faith in Him alone for salvation.

If you're looking for a Bible-teaching church, then come visit us at **Harvest Bible Church** on Sunday mornings. Our worship begins at 10:30. We are also teaching through the Book of Revelation and 2 Corinthians in our adult classes during the 9:30 hour. Our children's worship time and Sunday School begins at 9:30 as well. Call us at 281-304-1441 or look at our website at www.harvestbiblechurch.net for more information.

Fruitful Word Ministries

I had a mother with a preschooler in my office this week. In the middle of our conversation her son announced that he needed to use the restroom. The woman directed her son to the restroom just outside my door and we continued with our relatively serious discussion. After a few minutes the young boy walked back into my office and enthusiastically declared, "The plunger sticks to the wall!"

Stunned, the mother and I looked at one another for a moment without saying a word. As the child's statement sunk in, I tried desperately not to laugh. The mother looked at me sheepishly. I couldn't maintain my composure another second. I laid my face down on my desk and burst into laughter.

My son turned fifteen last Sunday. I spent the entire day reflecting on precious memories of similarly embarrassing, but equally hilarious moments. When my son was three, we invited friends over who had a daughter about his age. I was horrified to find that while the adults were conversing in the living room, my rather adventurous son and the agreeable girl emptied an entire jumbo sized jar of petroleum jelly on their heads in an attempt to make their hair "shiny."

Another time, our little entrepreneur gathered acorns from the oak tree in our front yard and then unbeknownst to me went door to door selling them to nearby residents for three cents each. Remarkably our light hearted and amazingly patient neighbors bought every acorn those pudgy little hands could carry! I know the sheepish look of that young mother all too well.

Psalm 127:3 says *Children are a gift from the Lord; they are a reward from him.* (NLT)

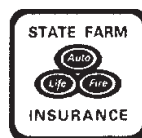

Mothering preschoolers can be exhausting and frustrating at times. How I wish I'd known how much I would treasure the memories of my son's antics. I might have laughed far more often. It's amazing how quickly Big Wheels are exchanged for automobiles and nursery rhymes are swapped for rock music.

If you have young children, thank God for His gift every single day. Relish the hugs, delight in the kisses, and laugh when faced with oddly placed plungers or greasy hair. They are part of your reward!

Good Shepherd United Methodist Church

November At Good Shepherd (With A Peak To December)

We are all just like children – we want to peek ahead to December – however, there are some exciting things happening in November at Good Shepherd. Here are just a few (plus that peek ahead)

ANNUAL COMMUNITY CHRISTMAS TREE LIGHTING:

Join us again this year on the **Sunday after Thanksgiving (11/28)** for the annual community wide Christmas Tree Lighting. This is a great chance for us to come together as a community and begin the Christmas season. As in years past there will be music (in fact if you, or your organization, would like to participate call the church office), a visit from Santa, a special time for the younger members of your family, a time for pictures, and most importantly the true message of Christmas. What a great way to wrap up the time of Thanksgiving than to begin to think of Christmas. Make sure this is on your calendar.

This Months FAQ – Do I have to be a member to participate in the programs at Good Shepherd:

In a word **NO!** We invite all people to participate in our activities. For those new to the area, what a great way to meet and make new friends! So no excuses – if you hear or see something that interests you come and join in.

COMMON GROUNDS PERKS AWAY:

Join your neighbors every Saturday evening at 5:55 for a unique and interactive worship experience. The coffee house atmosphere provides a comfortable and welcoming community from which you can question, explore, share, and grow in your ability to follow the teachings and love of Jesus in the complex world that we live in. Start with a coffee beverage – yes we can make your favorite and then participate in the service. Contact Rick Ivey for more details.

Time for the Peak Ahead:

So you can start to plan that hectic December calendar here are the dates to note:

- **First is the annual hayride on December 3rd.** This annual event will be at High Star Christmas Tree Farm in Hockley – just a 10-minute drive. In addition to all of the fun we have had in the past – who can forget those gourmet hot dogs – for those arriving a little early (before dusk) there will be craft tents and Santa will be there for some extra family fun.
- **Next up are the Sights, Sounds and Smells of Christmas on December 12th.** This is great quality family time for all ages. Join us at the church from 3:30 to 5:00. Santa will be making a special trip to Good Shepherd to visit with the children. We'll have lots of cookies to decorate and eat as well as lots of crafts to make and share. **PARENTS BRING YOUR CAMERAS!**
- **Other Christmas activities** will include Camp for Christ, music and musicals, youth gatherings, and of course Christmas Eve services. There will be more about these activities next month.

Come join GSUMC and begin the journey

Good Shepherd is located on Cypresswood, two blocks east of Mason Rd. The church family looks forward to meeting you and your family at either the 5:55 Saturday evening Common Grounds, the 8:31 Traditional Worship or the 10:59 Contemporary Praise service. Trinity Vineyard Church

Who are we?

Trinity Vineyard is a new church that is gathering in Fairfield. We love Jesus. We are growing through study of the bible. We find life and purpose in relationships. We drink coffee together and dress casually. We exist to pursue God in the company of friends.

What's on our mind this month?

This past month we have spent a lot of time talking about Jesus. His name seems to be discussed in all areas of our culture. Dan Brown's "The Da Vinci Code" remains a bestseller, George Carlin has a new book out called, "When will Jesus bring the Pork Chops?", Mel Gibson's "The Passion of the Christ" was one of the top grossing movies this year, the latest fashion trend are T-Shirts that read "Jesus in My Homeboy" or "Jesus Surfs Without a Board", Pat Green sings about "John Wayne and Jesus", popular rapper Kanye West has a song called "Jesus Walks", and Green Day has a song called "Jesus of Suburbia."

As a young boy in a small church I remember singing one particular song about Jesus:

*Jesus, Jesus, Jesus, there's just something about that name
Master, Savior, Jesus like the fragrance after the rain
Jesus, Jesus, Jesus all heaven and earth proclaim
Kings and Kingdoms all pass away
But there's just something about that name*

This past month we have explored what that something is about the name of Jesus. More specifically: Who is Jesus? Why did he die? What is he up to in the world today? Looking at Jesus' teaching, we discovered that He is the smartest man that ever lived. His words are the greatest spoken by any human being. He taught things that still shape our concept of right and

wrong 2000 years later. Looking at Jesus' works, we discovered that he is anything but boring. Imagine going to a party where he turns water in to wine, a hospital visit where he heals the sick, or a picnic that feeds 5000 without any sandwiches. Looking at His character we discovered someone who had no faults. His closest friends knew Him to have no sin. Looking at Old Testament prophecy we discovered someone who has a whole book written about Him before He was born on this earth. Over 300 prophecies were fulfilled in Jesus' life. Looking at the resurrection we discovered Jesus conquest of death and the hope of Christianity. Our discoveries have just begun to scratch the surface. The trek continues in the coming months, we would love for you to join us.

When are our Gatherings?

On Sunday evenings at 6:00 pm to 7:15pm. This Fall we will be going through a series called Alpha. Alpha is a practical introduction on the basics of the Christian faith. Come with your questions, and join us on a journey to discover the meaning of life. Children's programs are provided for those 6 months - 5th grade. Mid-week small groups are another opportunity to join us in this mission to pursue God in the company of friends. We study the bible together, pray for each other, and do life together. Email us or call for more info.

What is our Location?

Our services are currently at Fairfield Dance Studio at Lakeside Place of Fairfield office building. The street address is: 15040 Fairfield Village Place Suite 180 Cypress, TX 77429.

What is our contact information?

Tarsal Tunnel Syndrome

By now, most everyone has heard of Carpal Tunnel Syndrome. A similar phenomenon, Tarsal Tunnel Syndrome, may occur in the foot, when the nerves at the side of the ankle become entrapped. The symptoms are burning and/or tingling in the bottom of the foot. The discomfort can occur anywhere on the bottom of the foot, including the heel and toes. If diagnosed early enough, TTS may be treated nonsurgically.
