Cypress Assistance Ministries

Community Buck(s) Donations

Holidays, Special Days and Everyday, we need your support. The following is a brief outline of how you may contribute to Cypress Assistance Ministries. We look forward to your visiting our facilities and hope that we will continue to do God's work together.

Angel's Attic Christmas Room Opening

A Holiday Tradition at Cypress Assistance Ministries is the opening of Angel's Attic, "Christmas Room". Shoppers eagerly look forward to the vast accumulation of donated Christmas decorations, clothing and super gift items. Mark your calendar for November 1st at 10:00 a.m. Funds received through the resale shop are utilized through out the ministry to give assistance to those in need in the Cypress-West Houston area.

Food Pantry Needs

It is official; we are planning Thanksgiving and Christmas at the ministry. Due to the increased number of families in 2004, our demands will be strained like never before. Turkeys and hams are especially needed, as well as other meat products. Your monitory donations are always welcomed too. Money spent at the Food Bank allows us to buy \$20 for every \$1 spent. If your church, company or special group is looking for a way to celebrate this holiday season, or you need information about our programs, now is the time to start planning. Please give us a call at 281-955-7684.

Angel Tree

Each year we invite the people of Cypress-West Houston to participate in our Angel Christmas Tree. Families with special needs and their children are depending on this ministry. We offer a selection of needs (Angels) so that you may chose how you wish to help. We hope you will come in and visit our Angel Tree, adopt an Angel(s) and start your Christmas spirit early.

Submit Information for Publication in the Newsletter

Please help fill our newsletter with news of interest to Summerwood residents. Happy Thanksgiving to you and your families! This is a special time of year when we reflect on all we are thankful for. I appreciate all of your business and am grateful for your continued support. I hope you have a wonderful holiday.

Home warranty protection is very important and something I recommend for all my clients. Whether you are buying or selling, home warranties provide protection from the cost and hassle of system and appliance repairs in your home. The service is easy to use and a great value!

It's true that many home warranties appear to be similar, but the difference can be found in the service. My home warranty company of choice is Old Republic Home Protection. They always take excellent care of my clients with fast, friendly service at reasonable rates. For more information about this valuable protection, please give me a call!

Your referrals mean the world to me. If you've worked with me in the past, you have experienced my dedication and commitment to ensuring your home purchase was a smooth and positive experience. I promise to provide that same commitment to excellence for your family, friends and acquaintances. Please tell them about me!

Helpful Hints

Tips for a Great Guest Room

Is your home soon to become a "holiday hotel" for family and friends? Below are easy tips to create a comfortable room that will make your overnight guests feel welcome.

Start with a good bed. Make sure the mattress is firm and comfortable so your guests will be able to get a good nights rest. Try the mattress out for a few nights yourself.

Hot vs. Cold. Be sure to provide an extra blanket and portable fan so your guest can adjust the temperature and sleep well.

Allow room for suitcases. Make sure the suitcases can sit in a location where they can remain open and still leave space to maneuver. If possible, provide a small dresser for your guests to use.

Arm the nightstand. Keep an alarm clock, lamp, reading material and TV remote within easy reach.

Stock up on samples. Leave a basket by the bathroom sink with travel sized shampoo, conditioner, hand lotion, hair spray and a disposable razor.

Health & Safety

Smart Medicine Moves

With the cold and flu season upon us, it is important that you and your family use nonprescription, over-the-counter medicine responsibly.

- ✓ Always read the medicine label and follow the directions given. Always take the recommended dosage for the recommended period of time.
- ✓ Keep medicine in its original container so that no one will take the wrong medicine or dosage.
- ✓ Throw out medicines that have reached the expiration date printed on the package. They lose their effectiveness after this date.
- ✓ If a medicine is discolored or unusual looking, regardless of expiration date, do not take it.
- ✓ Pay attention to packaging. If there are any signs of tampering do not use it.
- ✓ Store medicines in a secure cabinet out of reach of children or animals.
