FREE RAD CLASSES TO BE OFFERED AGAIN

Mark your calendars for the upcoming Rape Aggression Defense training in February. In the past these classes filled quickly. The classes are offered free of charge, courtesy of the Harris County Sheriffs Department. The possible release of Corol Eugene Watts should be plenty of motivation to learn these LIFESAVING skills. Corol Watts is one of the worst serial killers ever captured here in Texas, and could be released in just 18 months.

This class is offered to women only, consists of physical hands on training, in five-three hour classes. Your teachers are specially trained, actual sheriffs, with lots of experience. They will be held from 6-9 PM & the Lakeside Trails Clubhouse on Tuesday, Wednesday & Thursday, February 8, 9 & 10. To finish up the following Tuesday & Wednesday, February 15 & 16. If you have questions, or to register by phone, contact Officer Jan Brown @ 281-647-9371 during business hours of 9-5. There is not an answering service at her desk, so don't be discouraged if you don't get an immediate answer, she's just out fighting crime.

THANK YOU

In recognition of Association Management's 25th Anniversary, AMI donated a tree to each neighborhood in Fairfield Village, including the Master Association. The trees were planted at locations designated by the Board of Directors for each Village. However, this would not have been possible without the help of your community's landscaper, The Spencer Company, and their dedicated employees including but certainly not limited to Brad Wander/President, Michael Lasseter/Area Manager, Renè Reyes/Crew Superintendent and all the other men who work with them, who donated their time and effort to plant these trees at no cost.

We wish to express our thanks to all those from The Spencer Company for all their effort in accomplishing this task.

Association Management Inc.

Message from AMI:

'TIS THE SEASON FOR ARCHITECTURAL APPLICATIONS

When Santa visits your house he'll probably leave lots of presents, perhaps a basketball goal, play equipment, patio cover, storage building, satellite dish, maybe even plans for a new pool or a sprinkler system. Please remember that prior written approval of your Association is necessary before the installation of anything or anything that changes the aesthetic appearance of your home.

If you're building something that has a roof and/or sides, i.e., patio cover, storage building, you will need to include the following along with your application: materials including roofing, dimensions, height (measured from ground to peak), width and length, and a copy of your lot survey indicating the proposed location and a side view elevation drawing.

If you plan to install play equipment, please include a copy of your lot survey showing the proposed location and the dimensions of the equipment (height, width and length) as well as the type of cover for the "A" frame.

If you're painting your home, please include a sample of the color(s) you wish to use.

Basketball goals...include a copy of your recorded lot survey indicating the proposed location where you wish to install the goal.

It's a real easy process and takes no time at all to adhere to your governing documents. You can apply by mail, fax or email – whichever is easiest for you.

To obtain an application or if you have any questions regarding the process or what items to include with your application, please contact AMI at 713-932-1122.

The Houston Food Bank needs all our help...

And it's so easy!

All we have to do is go to www.chunky.com and vote for the Houston Texan Football team. And the team with the most points will get the weight of the total team in food donated by Campbell Soup to the Food Bank. Greenbay has been winning in the past, so let's get the word out and get everybody to vote so the Houston Food Bank will get the donation.

VOTE
HOUSTON TEXAN'S FOOTBALL
TEAM

Our community is to be congratulated for their outstanding patriotism...

In the latest Presidential Election, we cast 4261 votes for the candidate of our choice. This represents approximately 87% of the registered voters in Precinct 124. Working in the Poll were the following: Jim Hearst, Leland Seidl, Robert Presnell, Olive Mitchell, Ann Candela, Norita Seidl, Justina Kern, Daryn Seidl, Jo Denise Callegari, Dorthy Foushee, Shirley Hearst, and Charles Wolcott. The Church of Christ congregation expressed it's appreciation of these poll workers by preparing dinner for them. Those who prepared the meal include Reverend Michael and Jimmie Lehew, Christi Clark, and Laurie Newton. We thank these people for their thoughtfulness in this magnanimous gesture.

The Pet Corner:

A HUGE THANK YOU TO GERI BISHOP!

The Fairfield Gazette would like to take this opportunity to THANK Geri Bishop for all her kind and loving work she has put in to helping our lost and found pets in and around Fairfield...not to forget how many happy smiles she has put on many resident's faces by rescuing and literally taking care of their pets until they were returned home. Geri established and maintained the website for Fairfield residents to go to when they either lost or found pets. With Geri's constant watch and support for our pets, many residents and pets were reunited. Thank you Geri!

Geri also sends her "thank you" to all who have been so kind!

Geri is stepping down as our "Pet Guardian" and is turning her watch over to Susan Locke who has so graciously agreed to take over. Welcome Susan!

Susan can be reached through the website which is still up and running and a great way to get quick information on your pets. Susan will also be available by phone at 281-304-7231.

For lost and found pets, please contact:

***Your kind help is still needed for
FOSTERING THOSE LOST PETS!***

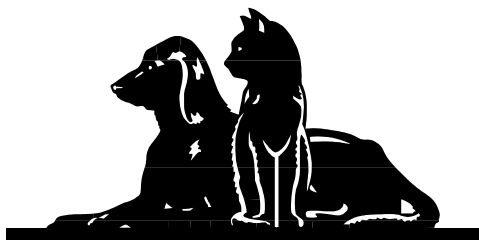

For all you animal lovers: There are many times, in our community, when people find a lost animal/pet and can't pick it up because they have no place to shelter the animal until the owner is either found or notified and comes to claim it.

This is where your kind help is needed. We are asking for residents in the Fairfield community to volunteer their homes and backyards to foster a lost animal for 1 to 2 days – until the owner is located and the animal is returned to that owner.

Not only will this keep the animal from being injured, killed, impregnating another stray, or being picked up by Animal Control, it will insure the children and families of the community are kept safe also.

If you are interested in being a foster home for someone's lost animal/pet, please call me, Susan Locke at 281-304-7231.

Thanks so much!

Thank you Geri,

***From All the Residents and Pets in
Fairfield!***

10-Acre Park Legend Moves On

On September 29, 2004, Phred, the yellow Labrador Retriever known by many and loved by all, was unfortunately put to sleep. Phred was born a Yankee on August 3, 1991, but only stayed there until she was about 10 weeks old. And Yes, Phred was a female! She lived in Virginia for the first 4 years of her life, achieving the same status that she gained in Fairfield. Phred arrived in Houston during the lovely month of August in 1995.

During the trip to Houston, she partied on Bourbon Street and traveled in taxis, stayed in hotels, swam in hotel swimming pools, and even took on the mighty Mississippi River. In her lifetime, Phred traveled on airplanes, boats and in cars, and experienced things many people never do. She was like most people. She lived indoors, loved to be outside, but hated the Houston heat.

For those who are wondering what was so special about Phred, it can be summed up in one word – COOL. When she was young and active, she was a great soccer and street hockey player. She would also catch Frisbees. She would retrieve until she dropped and any water was fair game. She was trained without a leash and did not like it when she had to wear one. Phred stayed in her yard and watched the world go by without ever being tied up. People, dogs, cats, whatever, it did not matter, Phred just stayed. People knew her for that reason. People would walk by the house and call out "Hi Phred", and we would have no idea who these people were, but they all knew Phred.

As difficult as it was to say goodbye, it was made easier with the compassion and professionalism offered by Dr. Hicks and his staff. Their understanding of the pain and sorrow that goes with such a task goes beyond words.

As for Phred, she now rests peacefully, having said farewell to the 10-Acre Park she kept watch over for 9 years.

May your
smiles be
merry and
bright!

Dear Fairfield Residents,

Have you noticed the yellow ribbons around our neighborhood? These pretty ribbons show support for our military men and women serving our nation. I enjoy and appreciate seeing these ribbons on a daily basis. You see, our son is a medic in the U.S. Army stationed in Iraq and these yellow ribbons speak to me. Each ribbon represents a heart. Thus, I'm asking you to display yellow ribbons in your yard to remind us all of the efforts these people do to provide us the freedoms we enjoy daily.

With the recent deaths of several area service men, these ribbons take on a very personal meaning. This letter is not intended to state whether or not our troops should be in Iraq; it is much more personal than that. It is intended to persuade you to join together to make Fairfield a premier neighborhood whose voices reach personally to individual service personnel showing words of acknowledgement, appreciation, and encouragement.

Therefore, I am also asking individuals, Boy Scouts, Girl Scouts, Women's clubs, sports teams, senior clubs, and churches to take time to send cards or letters to a specific service person until they come home. If you would like an individual name and address to send your words to, just call me (281-373-0142) and I'll gladly provide you with one. I'm sure there are other families in Fairfield who have loved ones and friends serving in the military. If you would like to submit a person's name and address as a recipient, drop their information into the decorated box at the Fairfield Athletic Center.

Together we can reach around the world and bring Texas to those protecting us all!

Sincerely,
Peggy Gardner, Fairfield Resident

Let's Show Our SUPPORT!

Here's one of our brave countryman over in Iraq; please show your love and support by sending Kevin cards, letters, care boxes, whatever you can to show him he's in our hearts, thoughts and prayers:

DECEMBER PLANS: Saturday, December 4. Bus Trip / Santa' Wonderland & Christmas Marketplace: Celebrate this Christmas with all of us at Santa's Wonderland. Well you can, come and join us on this fabulous trip. The Christmas Marketplace is a special area where you will be able to shop and see professional arts and crafts here in the Wonderland. Dinner will be at the O.K. Corral Café, which has sit down dining and serves the best darn vittles in the Lone Star State.

The cost for this trip includes the tax & tip for dinner. \$15.50 per person: dinner & bus tour of the light displays. \$17.50 per person: dinner & hay ride tour to see the displays. Call **Mary Lou Cook** if you have questions at **281-304-8359** and get your payment and name(s) in for this trip, early. The bus will depart the Fairfield Village parking lot at 3:30pm. Be there by 3:15pm. Be sure to bring your camera to capture the displays.

December 7: Annual Christmas Cookie Exchange. Lakeside Trails Club House -10am to noon. Open to everyone. Just bring seven dozen of your favorite Christmas cookies. Six dozen will be for exchanging and one dozen for sampling. Coffee and punch will be provided

The first person will select a gift from their gender's gift selections. They then open and show it to everyone. The following people will then have a choice, either select a gift from the unopened gifts or take one from someone, who has drawn and shown their gift. If the gift you selected is taken, you then have the choice, either select or take. This continues to everyone has a gift. However, we have limited the number of times a gift can be taken to twice, the gift then belongs that that individual.

Moms In Touch International

Every week, in every state of the U.S. and in 85 countries around the world, thousands of mothers meet to pray for their children and their schools. They gather in Mexico, New Zealand, China, Germany, India, Uganda, Egypt, Romania, Russia and many other countries. They are all part of *Moms In Touch International*, an interdenominational, non-profit ministry of women who believe prayer makes a difference.

The group was founded in 1984 by Fern Nichols while she was stationed in Abbotsford, British Columbia with a Christian ministry. She had two sons entering junior high school. Nichols knew her boys were going to face their greatest test yet in resisting immoral values, vulgar language, and peer pressure. She found other concerned mothers, and they began meeting for prayer.

The following summer Nichols and her family moved to Poway, California, where by the fall of 1985, a group was established at Poway High School. The women met once a week and prayed for a full hour for their children and the school. They prayed for a *Moms In Touch* group for every school in their district, and they shared the concept with their friends and other moms they met. Two years later, Nichols published a *Moms In Touch* booklet, and the following January the first *Moms In Touch* retreat was held. Today there are thousands of *Moms In Touch* groups meeting worldwide.

The organization's goal is to have a group of two or more moms praying for every school in this country and throughout the world. We know our children face many challenges at school (academics, drugs, peer pressure and violence), and to stand in the gap for them through prayer is our highest calling.

The mothers meet once a week to pray for teachers, principals and administrators, conferences, respect for authority, curriculum choices, holiday situations, coaches and athletic programs, high standards, family values, after school programs, problems faced by the students and for the specific needs of the children of the mothers in the group.

If you are interested in joining a Moms In Touch group, please call Alecia Mallett at 281-256-0433

Family Friends

We Need Volunteers and Families!

Family to Family Network is an organization that empowers families of children with disabilities by providing information, training, referral and support. We are initiating a new project in the Houston area called **Family Friends**. It is an intergenerational program that matches volunteers (age 55+) with children with special needs and their families. The Family Friend (volunteer) will visit the home once a week for a couple of hours to offer support and encouragement by reading a book, playing, and become a friend!

The family gains from the emotional support provided by the volunteer. Their visits often give family members a break from caring for their child with disabilities, all the while knowing the child is in good hands.

The Volunteers offer their special skills, wisdom, support and life experiences. They gain a sense of pride knowing that they are making a difference in the family's life.

The Community is strengthened by volunteers providing supportive services that would otherwise prove too costly for the families.

*If you are 55 years or older or have a child with a disability and are interested in this wonderful program,
Please call Patricia McMahan or Aline Houston at

Ways to Keep Your Children Safe...

As the holiday season approaches, the kids are excited about vacations, gifts, and playing with friends- things children should concern themselves about. As parents, grandparents, guardians, and caring friends, we should know there are other things to prepare for. We make sure that are children are dressed for the weather, wear their helmets and knee pads, and eat a healthy diet- but we also have to prepare our children for other realities.

Does your child know what to do if a stranger asks them for help? Does your child know how to reach you in the event of an emergency? Does your child know your full name? Do you have a recent color photo of your child? Do you know all the medications they may be taking? Do you know your child's friends?

We live in a time where these are just the basics. We can prepare ourselves and our children for the dangers that can be just outside our doors. With just a few basic rules, for both you and your children can better prepare you for an emergency situation.

1. Teach your children that the police are their friends and that they can rely on them if they are in trouble.
2. Set-up a password. A secret word only between you and your child. In the event someone else has to pick them up- your child knows only to go with them if they have the password.
3. Teach your children that strangers should not ask a child for assistance. Adults should ask adults for help.
4. Always accompany your child on door-to-door activities.

5. Know your neighbors and neighborhood. Regularly check for registered offenders in your area.
6. Rethink the signs on your lawns and vehicles that give strangers too much information. (Their name, team name, team number, sport, school, address, and vehicle information all in a glance.)
7. You should not put your child's name on their clothes where it is visible. Children feel more comfortable around others that already know their name.
8. Teach your children that no one should ever touch any part of their body that a bathing suit would cover.
9. Never leave your child alone in a public place, stroller, or car for even a minute.
10. Always accompany your child to the restroom in public places.

These are just a few of the basics. Too often we hear terrible stories that break our hearts. We need to start preparing our children for some of the realities that are just outside our doors. We also need to prepare them from some invaders in our homes, namely the Internet. Know where your children are going. Put a computer in a place that you as an adult can easily see where they are and what information they are giving out. Use the tools that are out there that filter out the garbage you don't want your children to see.

Some of the Benefits of Year Round Swimming

By Barbara Harold, Head Coach, Texas Terrapins Swim Team

Many people have wondered: Do they really swim in the cold??? Yes, we do. Here are some of the reasons why...

Swimming is a total mind and body sport. You use muscles for swimming that you don't use for other sports or daily activities. If you're trying to get better at it, you will also be using your mind more than with other sports and in a different way. Swimming is a multi-plane activity.

You go as fast as you can, horizontally, head first, to a concrete wall. Therefore, you need to build up these different muscles, know where the wall is without looking up, and have a different kind of balance. All of this is stimulating your mind to think in different ways. Studies have proven that swimmers make the best grades amongst athletes. Part of that is that swimmers can spend more time in the water without risking injury, therefore they need to do a better job of getting things done (like homework) to fit it into their lives. Swimming well means swimming with a rhythm. That steady beat in your head makes it easier to think logically, mathematically, and of course, rhythmically.

Swimming builds up your immune system. Because you are using more muscles and more lung power you are helping your body to defend itself. Studies with very young children (under age 4) have shown that swimming regularly can help children remain well and heal faster when they do get sick. Children that swim with a cold do tend to get better faster (do not allow your child to swim if they

have a fever, or if they are taking cold medicine). Swimmers blow out their air through their nose and while that's not very pretty, it is very effective!

Coaches of other sports love swimming. It's the best cross-trainer out there. Swimmers have more coordination, stamina and lung power - all very important in other sports. Our swimmers are continually learning more about swimming, safety and other life skills. The Terrapins are dedicated to their sport and their teammates. We also like to have a lot of fun (Wacky Wednesday and Fun Friday is common).

The Terrapins swim at the beautiful Fairfield Athletic Center with an outdoor, heated (85 - 86 degrees) 25 meter pool with a heated tent poolside for drying off and bundling up. So, we're not that crazy! We offer a two-week trial period to anyone that's not sure they want to take the plunge. Visit our website at www.texasterrapins.com. We offer year round swim lessons as well.

The **Texas Terrapins Swim Team (TTST)** of Cypress, Texas is a year-round competitive swim team offering instruction and competition to swimmers of all ages and abilities. The **Texas Terrapins Swim Team** provides a positive, supportive and fun-filled environment where swimmers can improve their skills and meet their individual goals. Through the guidance of trained, experienced coaches, coupled with the support of the families, we encourage team spirit, sportsmanship and a lifelong love of the sport of swimming. Also, please visit our team website at: www.TexasTerrapins.com or contact our Head Coach, Barbara Harold, at swimbarb@igg.net.

Little Lamb News

All the Little Lambs students and teachers had a great time celebrating the wonderful season of fall. Our annual fall festival and pumpkin patch story time was a success. The children enjoyed playing on the inflatable slides, painting pumpkins, decorating cookies, dressing up like a mummy, and getting messy with orange "gloop." The children loved picking out pumpkins and hearing special pumpkin stories in Good Shepherd's pumpkin patch. All our little "pilgrims and Indians" celebrated Thanksgiving with a yummy feast.

Now all the pumpkins and turkeys are gone and we are seeing signs of Christmas everywhere around our school. The children are busy making all those cute Christmas crafts to share with their families. Our children are also preparing for their Christmas program. They will be singing some of their favorite Christmas songs.

Registration for the 2005-2006 school year will be held at the end of January and beginning of February. Watch for upcoming registration dates in the January Gazette or go to our website littlamlbsmdo.org for more information on our program and registration dates. Little Lambs Mother's Day Out and Preschool is a weekday ministry of Good Shepherd United Methodist Church serving children 18 months of age to 5 years. We have a four day Bridge program for 5 year-old children not going to kindergarten in the fall. If you need more information, please see our website or call us at 281-373-0052.

Fairfield Kids Club Preschool

We have openings in the 2's 3' and 4's and if you want to give us a call we can give you more information about the days that are available. Please ask to speak to Charlotte Byrne at the FAC at 281-373-0834.

CY-FAIR PROJECT PROM 2005 NEWS

The Project Prom Committee for 2005 has great news to report! We are half way through the year and we are right on track. This accomplishment has been possible because of the many parents that have volunteered to undertake the enormous task that makes Project Prom a reality for our children and because of the senior parents, friends and families that have participated in our fundraisers. We cannot thank you all enough!!!!

The next big fundraiser we are all looking forward to, **Tin Hall Dinner, Dancing and Auction** night, is to be held on January 22, 2005. The theme this year is Mardi Gras and will be catered by **Boudreaux's Cajun Kitchen**. A one-week stay in a house on Kailua Beach has been donated for one of our live auction items. The silent auction committee has been collecting some wonderful items for everyone to bid on. Tickets are \$25.00 per person and can be purchased at the parent meetings or you can visit our website, www.cyfairprojectprom.com for further instructions. Get them while you can because they will go fast.

We have an ongoing need for water and soda donations. The drink donations are for the actual Project Prom event at the Sam Houston Racetrack in May. We are only allowed to donate coke products such as Coca Cola, Sprite, Minute Maid Products, Diet Coke, Dasani Water, etc. Twelve packs are preferred and can be brought to the monthly parent meetings. Labels will be available at the meetings to write your students name and phone number on so that they receive the Project Prom Bucks credit. Please wait until after Christmas to donate diet drinks due to their shelf life. If you cannot make the meetings but would like to donate please call Kathy Darner at 281-373-5378 or Janice Post at 281-373-4832.

Future fundraisers to look forward to are the Prom Dress Boutique and Tea on January 15th. This committee is currently taking donations of not only formal dresses, but shoes & accessories also. To make a tax-deductible donation, please call Susan Kubacak at 281-373-3312. The Cookie Dough Fundraiser will be kicking off at the January 10th Parent Meeting. Ordering information can be found on the Project Prom website or by calling Alisa Crosby at 281-684-7770 or Myrna Hartwig at 281-370-7449.

During the month of February, Willowbrook Mall will donate a portion of your purchases made at any of their stores. All you have to do is take your sales receipts to the information booth for them to record.

Please don't forget our ongoing fundraisers, Bedding Plant Flat sales, La Maria Cantina, Market Day, ink cartridge and cell phone recycling and Casseroles To Go. The December Parent Meeting is December 13th at 7PM in the Cy-Fair High School cafeteria. Please visit our website www.cyfairprojectprom.com for more information on these fundraisers.

Cy Fair Marching Band Advances to State Competition

After 61 years, the Cy Fair High School Marching Band earned a prestigious spot in the 2004 State UIL (University Interscholastic League) Marching Competition in San Antonio. To qualify, the band performed at the Region 23 Competition at Pridgeon Stadium on October 19th and earned "Sweepstakes" by receiving a superior rating from all of the judges.

Cy Fair then advanced to the Area E UIL Competition in San Antonio on October 25th where they placed in the top 6 against 30 other area bands. They then became eligible to compete at the State UIL competition on November 2 in the San Antonio Alamodome which had the top 31 marching bands in the state of Texas.

It was a thrill for the students to perform in a venue like the Alamodome and participate with the State's other top bands. The state marching competition is held every other year. The hard work and diligence of the Cy Fair Marching Band this season has truly paid off and they look forward to excelling at this level again in 2006.

CY-FAIR KIWANIS CLUB OF HOUSTON

The Cy-Fair Kiwanis Club, an affiliate of the International Kiwanis organization, meets three times a month at the Hearthstone Country Club in Hearthstone from 12:15 p.m. to 1:15 p.m. for lunch, fellowship, the reporting of progress of the Club's sponsored children and youth projects, and programs by guest speakers on subjects involving community affairs.

Kiwanians throughout the city and the Texas-Oklahoma District were saddened to hear of death of Ron Combs. Ron was a founding member of the Cy-Fair Club and held a record of perfect attendance of 32 years. He has served in several offices and Board positions at the local and District level. Memorial services were held at Bear Creek Methodist Church on November 20th.

Entertainment Books, featuring discounts at area businesses, grocery stores, and restaurants, are available from Kiwanis members for \$21 each. The profits from sales of these books will be used for such projects as scholarships for local high school senior Key Club members, Langham Creek High School Choir, and other community youth activities.

The annual Christmas party and gift exchange is planned for Tues-

day, December 14, at the Hearthstone Country Club. The party will be held at 6:30 p.m. in lieu of the regular luncheon meeting.

Kiwanis, International is a worldwide service organization with "Children, Priority One" as its primary focus. Kiwanians work for a better quality of life for the citizens of the Cy-Fair area, the state, the nation, and the world. This Club is a "Service Club," rich in tradition and pride in its accomplishments. Members engage in various fund raising events to support youth organizations, such as Key Club, the high school division of Kiwanis; Boy Scouts; and Girl Scouts, as well as other charitable organizations that assist families. An annual golf tournament is one of the primary fund-raisers along with a few sales projects. Kiwanis is a nonprofit organization and all funds raised are used to support these organizations and charities.

Membership in Kiwanis is open to persons of good character who adhere to the standards of good conduct in their community and believe in and subscribe to the objects of Kiwanis International. CAMP 4 CHRIST DECEMBER 4-5

Camp4Christ is a student mission to collect bedding, coats, clothes, shoes and toiletries for the area homeless and exposes the students to a taste of the difficulties that the homeless endure.

ALL AREA STUDENTS ARE INVITED TO JOIN US

Camp4Christ takes place over 4 consecutive weekends. The help dates are Sun. 11/14 1:30-3:30, Sat. 11/20 from 11:00-1:00, and Sun 11/28 from 1:30-3:30. You must be present at least one work day to attend the Camp4Christ weekend. On the help dates, students deliver flyers and trash bags to neighborhood houses asking that donations be placed in the trash bag for pickup on the 4th weekend. A medical release form must be on file at Good Shepherd United Methodist Church. They are available on the website (www.cypressg.net) and at the office.

The actual Camp4Christ will be held on Saturday 12/4. We arrive at the church with nothing but the clothes on our backs. Students pick up the donated items. Then they spend the night "as a homeless person", sleeping in a cardboard box with their Camp4Christ family. That night is filled with worship, music, speakers and fun.

Cypress Assistance Ministries

Community Buck(s) Donations

Holidays, Special Days and Everyday, we need your support. The following is a brief outline of how you may contribute to Cypress Assistance Ministries. We look forward to your visiting our facilities and hope that we will continue to do God's work together.

Angel's Attic Christmas Room Opening

A Holiday Tradition at Cypress Assistance Ministries is the opening of Angel's Attic, "Christmas Room". Shoppers eagerly look forward to the vast accumulation of donated Christmas decorations, clothing and super gift items. Mark your calendar for November 1st at 10:00 a.m. Funds received through the resale shop are utilized through out the ministry to give assistance to those in need in the Cypress-West Houston area.

Food Pantry Needs

It is official; we are planning Thanksgiving and Christmas at the ministry. Due to the increased number of families in 2004, our demands will be strained like never before. Turkeys and hams are especially needed, as well as other meat products. Your monetary donations are always welcomed too. Money spent at the Food Bank allows us to buy \$20 for every \$1 spent. If your church, company or special group is looking for a way to celebrate this holiday season, or you need information about our programs, now is the time to start planning. Please give us a call at 281-955-7684.

Angel Tree

Each year we invite the people of Cypress-West Houston to participate in our Angel Christmas Tree. Families with special needs and their children are depending on this ministry. We offer a selection of needs (Angels) so that you may chose how you wish to help. We hope you will come in and visit our Angel Tree, adopt an Angel(s) and start your Christmas spirit early.

Harvest Bible Church

Don't miss the true meaning of Christmas this year. In a sentence, Christmas is the annual time of year where Jesus Christ's birth is remembered and celebrated. Consider a few things about Christ this year. First, the Bible teaches the *family line* of the Jesus Christ. Genesis 49:8-12 (circa 1800 BC) prophesies that a ruler will come forth from Jacob's fourth son Judah: "The scepter will not depart from Judah, nor the ruler's staff from between his feet, until He comes to whom it belongs and the obedience of the nations is his." In other words, the line of the Messiah was to come through lineage of Judah (the "Jews"). It is a fact that Jesus did descend from the Jews.

Second, the Bible teaches that Jesus would be born of a virgin. Isaiah 7:14 (circa 700 BC) says, "Behold, a virgin will be with child and bear a son, and she will call His name Immanuel." The name "Immanuel" is a Hebrew word that means "God with us." That's who Jesus was and is, he is "God with us." And the Gospel writer Matthew records that Joseph, Jesus' earthly father, kept Mary as a virgin until she gave birth to Jesus.

Third, the very location of Christ's birth was prophesied in the Bible. Micah 5:2 (circa 750 BC), says that a ruler from the tribe of Judah will be born in the city of Bethlehem in Judea. The exact prophecy was quoted by the Gospel writer Matthew following Jesus' birth: "And you, Bethlehem, land of Judah, are by no means least among the leaders of Judah; for out of you shall come forth a Ruler, who will shepherd my people Israel" (Matt. 2:6). Of course Bethlehem is exactly where Jesus was born.

Fourth, the Bible prophesies the evil activity that would immediately follow the birth of the Messiah. The prophet Jeremiah wrote in 625 BC the following: "A voice was heard in Ramah, weeping and great mourning, Rachel weeping for her children; and she refused to be comforted, because they were no more." What's of interest here is the fact that King Herod the Great, the king in Judea during the days of Christ's birth, had all the little boys two years and younger slaughtered because he felt his authority was in danger by the birth of Jesus. It scared him so badly that he killed all the little boys in that land. Jeremiah saw the mourning in that region over 600 years prior to that fateful and terrible event, and he recorded those words of lament in Jeremiah 31:15. Matthew reflected back noted Jeremiah's prophecy, so he recorded that the it had been fulfilled after all those little boys died (Matt. 2:18).

Fifth, the Bible prophesied of the early activity of the Messiah. Immediately after Herod's decree of death, Joseph took Mary and Jesus out of Judea and into Egypt to flee from the danger. Once Herod was dead they came out of Egypt, and Matthew 2:15 records the fulfillment of the prophet Hosea in 11:1 (750 BC) when he says, "Out of Egypt I called my Son."

In sum, Jesus Christ can only be the Messiah predicted in the Holy Scriptures. Those who reject this must also reject Christmas because Christmas is a celebration of the fact that Jesus is God. We worship this God at Harvest Bible Church each Sunday at Ault Elementary in Fairfield. Our worship times are from 10:30-11:30 a.m. Contact us at 281-304-1441 or our web address: www.harvestbiblechurch.net

Fairfield Church of Christ

"Discovering the Heart of Christ, in the Heart of Fairfield."

Maybe it's our thoughts that need a diet! To change your life, you must get rid of old thoughts and be able to accept some new ones. One of the greatest truths is that you create your life with your thoughts. Your thoughts are what make things happen. Thoughts and words have power. Each thought in your mind is the seed for everything you do, feel, or say. Thoughts are what create our feelings. If you want to feel happy you need to change your thoughts. If you are feeling depressed, angry, jealous or sad you are the one that is causing you to feel that way with your negative thoughts. You have more control over your thoughts than over anything else in your life. When you are able to control your thoughts you will be able to control your world. Thoughts create everything that happens to you. Thoughts are what produce results in your life. You will get more of whatever you focus your thoughts on. Whatever you think about frequently will happen in your life. If you focus your thoughts on lack of money, worrying about a certain event or about becoming sick, that is exactly what is going to happen. You have a great power that needs to be used in the right way. Drop your negative thoughts today. — *written by Barb Garza*

Fruitful Word Ministries

Have you ever experienced a valley season in your life? In early 2000 I was faced with a health situation that came on suddenly and unexpectedly. Having never experienced any real health problems, I was stunned. I not only had to deal with the physical struggles, but I felt as though I had been spiritually knocked off my feet. I was deeply hurt that the Lord had allowed it to happen. Still, I knew He loved me and that He was with me.

I quoted Psalm 23 over and over, trying desperately to overcome the crippling fear that surrounded me like a dark tunnel. I spent hours in prayer on my knees before Him. The Lord spoke clearly to me through notes from friends, comments on the radio, and music. It seemed everywhere I went, I heard references to Psalm 23. God kept letting me know that He is my Lord and my Shepherd, and that He was guiding me through the darkness.

It was during this time that a song by Ginny Owens came out entitled "If You Want Me To."

In the song, Ginny sang of being in a situation she wouldn't have chosen, yet walking forward through the valley, trusting those trials would bring her closer to her Lord. Her words ministered to me and helped me put my situation into perspective. I felt like the Lord had her sing it just for me!

During the darkest periods of my valley, it was music that the Lord

used to restore my soul. We have a Shepherd who loves us more than we can imagine. He desires to comfort us with His faithful guidance and lead us in paths of righteousness.

Read Psalm 23 below:

The Lord is my shepherd, I shall not be in want. He makes me lie down in green pastures, he leads me beside quiet waters, he restores my soul. He guides me in paths of righteousness for his name's sake. Even though I walk through the valley of the shadow of death, I will fear no evil, for you are with me; your rod and your staff, they comfort me. You prepare a table before me in the presence of my enemies. You anoint my head with oil; my cup overflows. Surely goodness and love will follow me all the days of my life, and I will dwell in the house of the Lord forever. ^(NIV)

When you are broken and your dreams are shattered, He will restore your soul. When life seems out of control, He will lead you beside quiet waters. The Lord is your Shepherd, and if you follow Him, you will make it through even the darkest valleys of your life. -Excerpt from *Journey to the Promised Land* written by Mindy Ferguson.

Good Shepherd United Methodist Church

God has come to earth to dwell among His people...

We celebrate the Advent Season at Good Shepherd

On Friday Dec. 3rd we will have our **HAYRIDE AND HOTDOG ROAST** at High Star Christmas Tree Farm on Becker Road in Hockley, just a ten minute drive down the road. Again the chance for great food (ok that's a stretch – but it is roasted over open fires) and great singing as we gather from 6:30 to 8:30 to roast hotdogs, sing Christmas Carols and enjoy a hayride. This has become a great family tradition! Call the church office for details.

On Saturday Dec 4th our youth will remind us of the true spirit of the season, our ability in a small way to follow the path of our Savior who gave himself for us. These brave junior and senior high kids have set that day aside for their annual **CAMP FOR CHRIST**. Those of you who have spent at least one year in the area know, this is the culmination of a month's worth of work as our kids spread throughout the community to collect clothes, blankets, baby and personal items for the Angels Attic of Cypress Assistance Ministries. The real challenge will come on that Saturday night when, no matter what the weather, the youth camp out in boxes on the church lawn letting them experience, if even just for a day, what it means to give up their possessions.

The next Sunday (Dec 12th) is time for **SIGHTS, SOUNDS, AND SMELLS OF CHRISTMAS**. This is great quality family time for all ages. Join us at the church from 3:30 to 5:00. Santa will be making a special trip to Good Shepherd to visit with the children. We'll have lots of cookies

to decorate and eat as well as lots of crafts to make and share. **PARENTS BRING YOUR CAMERAS!** That evening our youth will have their Christmas parties with separate **PROGRESSIVE DINNERS FOR THE JUNIOR AND SENIOR HIGHS**

As we prepare for Christmas week, celebrate the birth of our Lord Jesus with two Christmas Choral presentations. First on Friday December 10th at 7:00 p.m. the Children's choir presents the "Spirit of Christmas" pageant – what a blessing this will be. Then the next week, Friday December 17th the adults and youth of Good Shepherd will present the "Heart of Christmas". What a great way to begin the week leading to the celebration of our Lord and Savior's birth.

Advent culminates with four Christmas Eve Services: At 4 pm a Family Service, at 6 pm a Contemporary Service, at 8 pm a Service of Carols and Lessons and all that jazz, and then at 11 pm a Traditional Midnight Service. All services will culminate with the lighting of candles and the singing of Silent Night.

All in all a great time to experience Good Shepherd. Join your friends and neighbors as we worship together. Good Shepherd is located on Cypresswood, two blocks east of Mason Rd. In addition to any of these programs the church family looks forward to meeting you and your family at either the 8:31 Traditional Worship, the 10:59 Contemporary Praise service, or the Saturday evening Common Grounds service which meets at 5:55 p.m. Call 281 373-CARE (2273) for more information.

Trinity Vineyard Church

Who are we?

Trinity Vineyard is a new church that is gathering in Fairfield. We love Jesus. We are growing through study of the bible. We find life and purpose in relationships. We drink coffee together and dress casually. We exist to pursue God in the company of friends.

What's on our mind this month?

We are currently going through a series called Alpha. Alpha is a practical introduction to the Christian faith. Everyone is invited to come with their questions and join us on a journey to explore the meaning of life. This past month we have explored the subjects of how to be sure of our faith, prayer, reading the bible, and how God guides us.

In December we will look at the importance of the church and conclude the Alpha series with discovering how to make the most of the rest of our lives. We will also reflect on the birth of Christ and the impact He has had in history, our culture, our churches, and our lives.

Who is invited?

Imperfect people of all ages, backgrounds, and cultures are welcome to attend.

When are our Gatherings?

On Sunday evenings at 6:00 pm to 7:15pm. Children's programs are provided for those 6 months – 5th grade. Mid-week small groups are another opportunity to join us in this mission to pursue God in the

company of friends. We study the bible together, pray for each other, and do life together. Email us or call for more info.

What is our Location?

Our services are currently at Fairfield Dance Studio at Lakeside Place of Fairfield office building. The street address is: 15040 Fairfield Village Place Suite 180 Cypress, TX 77429.

What is our contact information?

Our web page is www.TrinityVineyardChurch.cc. Our phone # is 281-256-3353. Our email is info@trinityvineyardchurch.cc
