Message from AMI:

4 Wheelers/Damage To The Common Areas...

As you may have noticed there is a great deal of damage to the common area grounds due to these 4 wheeler vehicles. We have received numerous reports of 4 wheelers being driven on the greenbelts and common areas. Fairfield has irrigation on these areas and the repair cost is passed along to you, the homeowners.

Individuals found damaging these areas will be held responsible for the damage they've caused. If you have witnessed these 4 wheelers and know who these individuals are, please let AMI know so that we can address this matter. Please also contact the Sheriff's Department at the non-emergency number, 713-221-6000.

Thank you.

To the Residents of Fairfield:

LOCK YOUR CAR DOORS!

The night of Wednesday, January 5th, my husband's truck was robbed. We didn't even realize until someone called the next morning and said he had found my husband's briefcase on Mason Road. We went outside, searched the truck and found they had stolen a palm pilot and digital camera. We called the police, and reported it. Later, we talked to others and found out that others had also had things stolen from their cars the same night. We don't even live close to each other.

How sad! I know that the days of unlocked doors are long gone, but sometimes accidents happen. The one night you don't lock up, whatever you leave in the car could be stolen. I know it's not the first time, but for several robberies to happen in one night, (blocks apart, on different sides of Mason road) we should start to take notice.

Take notice of our neighborhood, take notice of people out late at night. The police believe it to be "kids". We don't really know who is stealing from us. It could be people coming into the subdivision from elsewhere. For that reason, please take notice of what your children are doing and where they are.

Fairfield is a wonderful community with great people. Let's keep it that way.

In Loving Memory ...

Dear Fairfield Residents and Participants,

The foundation of each family and the foundation of each one of our Sport's Programs is comprised of children and parents. Over the past few months our program and more importantly our community has felt the loss of a very special young man, Weston Smith, the son of Doug and Lisa Smith; and a quiet, kind and giving man, Joe Zemba, husband of Lori and father of Craig and Brianna Zemba.

Weston and his family have been participants and actively involved in our sport's program over the past six years. Because Weston was such a fine young man and a great ball player we will be honoring Weston on opening day of the spring baseball season (March 19th) by handing out 2500 wristbands with Weston's name and his favorite bible verse engraved on the bands. The wristbands were designed by his brother Zach and the program was spearheaded by Steve Croes, Kelly Kippes and John Jenkins. In addition to the wristbands we will also be dedicating a tree, donated by Craig Harring of Cypress Landscaping, and placing that tree and a bench, donated by the Fairfield Women's Club, in a newly planned, landscaped area outside the centerfield fence of Lowe Field.

The sport's committee, along with other entities are discussing other ideas to honor Weston with Doug and Lisa. They are currently reviewing these ideas with the rest of their family — Erika, Lauren, Zach and Kyle. The ideas under review have no immediate timeline and may or may not be shared with the community before the March 19th opening day ceremony.

Joe Zemba, husband of Lori Zemba (Fairfield Sport's Equipment Commissioner), was a quiet, sharing and giving man. Lori and Joe have been extremely dedicated and involved in improving not only our program but our community as a whole. We will share how we will honor Joe at the March 19th Opening day ceremony.

The faith, hope and love shown to each of these families (Smith and Zemba) by the community has been and continues to be both heartwarming and comforting and a true testament to the people in our community.

I will finish this letter with a quote that really says it all. The quote comes from a paper that Lisa Smith, Weston's mother, let me borrow today titled "Fairfield is Awesome." Weston Smith wrote the paper two years ago in the 3rd grade:

"I really love Fairfield and I don't want it to ever change."

Please continue to keep both families in your thoughts and prayers.

Sincerely,
Tom Cunningham
Chairman, Fairfield Sports

to keep everyone in the community up to date on what's coming down the line. For starters, please join all the Baseball and Girl's Softball Teams as they kick-off the Season and PARADE down the streets of Fairfield in full uniform with cars and trucks decorated in the great spirit of team ball on March 19 at 8:00 a.m. — to be immediately followed by opening ceremonies at the Fairfield Baseball Fields! Come see a game and enjoy lots of food and great fun for the day!

If you know someone in the community, family, friends or businesses who would be interested in sponsoring one or more of Fairfield's great baseball or softball teams, please contact Cindy Mendoza, Team Manager Coordinator, via e-mail address: teammanagers@fairfield-sports.com with the information (names, addresses, phone numbers, e-mail addresses).

Also, if you know of any businesses that might be interested in BANNER advertising on the Fairfield baseball field fences, please have them contact Holly Reichert at 713-899-1650 or via e-mail address: hollyr@mmgmedia.com. For more information on banner advertising, please go to the Fairfield Sports website: www.fairfield-sports.com and click on ADVERTISING — also where the banner advertising form is located.

Weston Smith Memorial Wristbands

To all the many people that donated money for the wristbands, Thank You! We have met our goal and then some. We were able to order 2,500 wristbands instead of 1,500 we were going to order. There will be 1,500 adult size bands and 1,000 youth size bands that will be given away just after the Baseball Opening Ceremonies on Saturday, March 19th. The Fairfield Sports Association has donated a booth, next to vendors row, for us to hand out the wristbands.

Again, Thank you,
In His Honor
Steve Croes, Kelly Kippes, John Jenkins

Keith Cougar News

In Honor of Weston, a fund has been set up to donate books to the Keith Elementary Library. If you would like to contribute to the Weston Douglas Smith Library Fund, please pick up an envelope from the front office and submit your money or check to Mrs. Leanne Drake in the Library. Your funds can be sent to your teacher, the library or the front office in the designated envelope.

Thank you.

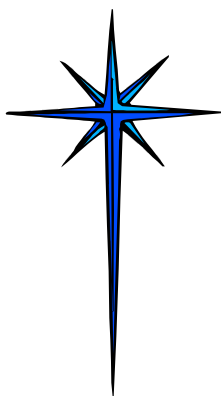

Holiday on the Square

A good time was had by all at Fairfield's Annual "Holiday on the Square"!

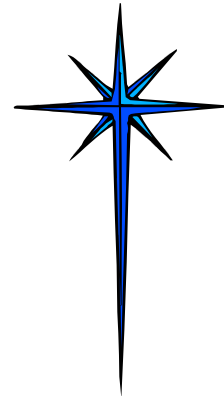

Thanks to all of you who brought canned goods and toys for our donation to Cypress Assistance Ministries, Boys & Girls Country and Casa de Esperanza. Your generosity helped many needy families in our area have a happy holiday season.

Fairfield Athletic Center would like to thank all of our wonderful sponsors whose contributions made this year's Holiday on the Square possible. Don't forget to thank these local businesses, as events like these are not possible without their willingness to give back to our community.

ATTENTION FAIRFIELD PET OWNERS ...

My name is Susan Locke, I am the Lost and Found Pet Coordinator for Fairfield. I am a contact for someone that has lost or found a pet and tries to match the two together. I am unable to pick up, deliver or provide medical assistance to lost, found or injured animals. I would like to thank ALL my neighbors that have rescued my schnauzer and foster dog for the past couple of months. Your help and patience have been greatly appreciated and possibly saved both of their lives more than once. I can only stress the importance of a name tag in addition to the rabies tag being placed on your animal with name, home phone, cell number and street address. Wal-Mart, Petco and Petsmart all have ID tag machines located within the store for less than \$10 dollars.

ID tags are your pet's ticket home when lost!

February's Pet of the Month: 9 dogs are in need of loving homes. We have a resident that kindly rescued a dog in November only to find out she was pregnant and gave birth to EIGHT puppies on Jan 6, 2004! (Mom is pictured below) Our neighbor needs your help in finding homes for the Adult dog as well as her puppies. Please call **Jenny** at 713.744.8796 (day) or 281.213.3904 (evening) and she can email you a current photo and tell you all about them.

Are there any Fairfield Neighbors that can donate their web skills to help develop a website for lost and found animals that might be more user friendly than yahoo groups to encourage more members?

Please join out Lost and Found Members list at: <http://groups.yahoo.com/group/fairfieldpets>

Dear Fairfield Residents,

Have you noticed the yellow ribbons around our neighborhood? These pretty ribbons show support for our military men and women serving our nation. I enjoy and appreciate seeing these ribbons on a daily basis. You see, our son is a medic in the U.S. Army stationed in Iraq and these yellow ribbons speak to me. Each ribbon represents a heart. Thus, I'm asking you to display yellow ribbons in your yard to remind us all of the efforts these people do to provide us the freedoms we enjoy daily.

With the recent deaths of several area service men, these ribbons take on a very personal meaning. This letter is not intended to state whether or not our troops should be in Iraq; it is much more personal than that. It is intended to persuade you to join together to make Fairfield a premier neighborhood whose voices reach personally to individual service personnel showing words of acknowledgement, appreciation, and encouragement.

Therefore, I am also asking individuals, Boy Scouts, Girl Scouts, Women's clubs, sports teams, senior clubs, and churches to take time to send cards or letters to a specific service person until they come home. If you would like an individual name and address to send your words to, just call me (281-373-0142) and I'll gladly provide you with one. I'm sure there are other families in Fairfield who have loved ones and friends serving in the military. If you would like to submit a person's name and address as a recipient, drop their information into the decorated box at the Fairfield Athletic Center.

Together we can reach around the world and bring Texas to those protecting us all!

Sincerely,
Peggy Gardner, Fairfield Resident

Let's Show Our SUPPORT!

IF YOU MISS APRIL 15TH

YOUR RETIREMENT MAY NEVER BE THE SAME.

As important as it is to put your money to work, *when* you do it can really matter.

The sooner you visit Edward Jones to open or fund your IRA, the more time your money has for potential growth. By contributing the full amount now (\$3,000 for 2004 and \$4,000 for 2005), your money has the opportunity to grow even faster for retirement. You may even be eligible to make catch-up contributions. But there's no time to waste.

To see why it makes sense to save for retirement with Edward Jones before April 15th, call me today at 281-894-1957.

Thursday, February 24th: Game Night at Lakeside Trails Club House, 6:30 pm to 11pm. We would like to have a few more members get out for this get together. It would be terrific if we could get someone to introduce a few new games. If you have a favorite card or board game, bring it and teach the rest of us how to play.

Moms In Touch International

Every week, in every state of the U.S. and in 85 countries around the world, thousands of mothers meet to pray for their children and their schools. They gather in Mexico, New Zealand, China, Germany, India, Uganda, Egypt, Romania, Russia and many other countries. They are all part of *Moms In Touch International*, an interdenominational, nonprofit ministry of women who believe prayer makes a difference.

The group was founded in 1984 by Fern Nichols while she was stationed in Abbotsford, British Colombia with a Christian ministry. She had two sons entering junior high school. Nichols knew her boys were going to face their greatest test yet in resisting immoral values, vulgar language, and peer pressure. She found other concerned mothers, and they began meeting for prayer.

The following summer Nichols and her family moved to Poway, California, where by the fall of 1985, a group was established at Poway High School. The women met once a week and prayed for a full hour for their children and the school. They prayed for a *Moms In Touch* group for every school in their district,

and they shared the concept with their friends and other moms they met. Two years later, Nichols published a *Moms In Touch* booklet, and the following January the first *Moms In Touch* retreat was held. Today there are thousands of *Moms In Touch* groups meeting worldwide.

The organization's goal is to have a group of two or more moms praying for every school in this country and throughout the world. We know our children face many challenges at school (academics, drugs, peer pressure and violence), and to stand in the gap for them through prayer is our highest calling.

The mothers meet once a week to pray for teachers, principals and administrators, conferences, respect for authority, curriculum choices, holiday situations, coaches and athletic programs, high standards, family values, after school programs, problems faced by the students and for the specific needs of the children of the mothers in the group.

Family Friends

We Need Volunteers and Families!

Family to Family Network is an organization that empowers families of children with disabilities by providing information, training, referral and support. We are initiating a new project in the Houston area called **Family Friends**. It is an intergenerational program that matches volunteers (age 55+) with children with special needs and their families. The Family Friend (volunteer) will visit the home once a week for a couple of hours to offer support and encouragement by reading a book, playing, and become a friend!

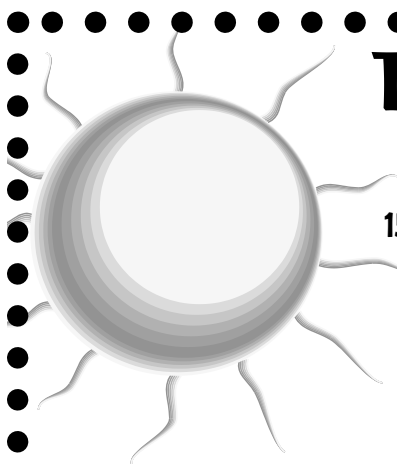

The family gains from the emotional support provided by the volunteer. Their visits often give family members a break from caring for their child with disabilities, all the while knowing the child is in good hands.

The Volunteers offer their special skills, wisdom, support and life experiences. They gain a sense of pride knowing that they are making a difference in the family's life.

The Community is strengthened by volunteers providing supportive services that would otherwise prove too costly for the families.

If you are 55 years or older or have a child with a disability and are interested in this wonderful program, Please call Patricia McMahan or Aline Houston at **Family to Family Network (713)-466-6304**

INGROWN TOENAILS

A condition characterized by redness and soreness on one or both sides of a toenail. With time, the offending nail may pierce the skin, leading to severe infection. By using safe and gentle techniques, ingrown toenails can be corrected painlessly and permanently on children and adults alike. This can be done in the office with minimal time off from work or school. If you suffer from ingrown toenails, give us a call.

Is My Child Ready for Swim Team?

This is a very common question this time of year. Here are some guidelines that will help you decide if your own child is ready for this wonderful sport.

DESIRE: This should be your first consideration. If your child doesn't have the desire to be on swim team, chances are they are not ready. Swim team takes a lot of commitment (especially on the parents' part). Practicing almost every day and doing swim meets every weekend is very tough for those not ready. Even if they just want to participate because their friends are, that will be enough desire to see them through the hard parts!

ABILITY: Some parents put their child on swim team to learn to swim. While some may be able to learn strokes from a coach on deck, it's really best to make sure your child is safe enough in the water that they can make it to the side of the pool on their own. The older the child, the easier it is for them to take in what a coach is telling them and be able to make their body do it. Younger children require more "hands on" work to help legs and arms do what they are supposed to. What is really hard is when a child learns the wrong (hard) way and practices those bad habits. Muscles have memory and it is hard to change them once a habit is set — so children that are a "clean slate" and haven't learned the strokes at all will do best with instruction from in the water.

Any child that has a fear of water can overcome it with time and patience. Sometimes those children continue to be afraid while they are still learning. Once they conquer their fear, they just take off, like a switch has been turned on — it's great! What's best for these children is parents and teachers/coaches that are very patient and encouraging. It's also important to these children to know that they are safe in the pool with their coaching

staff. If you are not sure your child has the ability, but they do have the desire, now is the time to put them in swim lessons!

FUN: Swimmers are likely to excel if they are truly having fun. Try not to be too serious about swim team. Leave your child to the coaches at practices, and at meets, only be encouraging. It is the coach's job to constructively criticize, and it will mean more to your child coming from the coach.

If you think your child is very talented and has a chance to really excel in this sport, the fun factor is extremely important. When a child reaches the age of eleven or twelve and wants to pursue swimming at a higher level, that's when the seriousness begins — on their part. The parent needs to stay in a supportive role throughout their child's swimming development.

All children can learn to love swimming and be very competent swimmers with the right balance of instructional coaching and supportive parenting. As a swim coach, I will not turn away any child (age 4 and up) that has a desire and the ability to swim. Many children need a few weeks or even a month to see if they can do this sport. While still learning, however, swim meets are best only when they can navigate the 25 meters on their own (and within a reasonable time — no 5 minute 25's!)

The **Texas Terrapins Swim Team (TTST)** of Cypress, Texas is a year-round competitive swim team offering instruction and competition to swimmers of all ages and abilities. The **Texas Terrapins Swim Team** provides a positive, supportive and fun-filled environment where swimmers can improve their skills and meet their individual goals. Through the guidance of trained, experienced coaches, coupled with the support of the families, we encourage team spirit, sportsmanship and a lifelong love of the sport of swimming. Also, please visit our team website at: www.TexasTerrapins.com or contact our Head Coach, Barbara Harold, at swimbarb@igg.net.

Little Lamb News - January

Our spring semester at Little Lambs Mother's Day Out and Preschool is off to a chilly start. During the frosty month of January, we had fun with our snowy friends, dinosaurs and discovering space. We are looking forward to in February celebrating Valentine's Day and becoming cowboys and cowgirls during our Rodeo/Texas theme.

We will begin registration for the 2005-2006 school year the first week in February. We will conduct registration online and in person again this year. Registration will begin at 9 a.m. on the following dates: January 31 - church members with children currently or previously enrolled our program, February 1 - currently enrolled students, February 2 - church members new to the program and February 3 - open registration. Little Lambs is weekday ministry of Good Shepherd United Methodist Church in Fairfield. We have two and three day program options serving children from 18 months of age to Pre-Kindergarten. We also have four day "Bridge" Program for children who are five years of age but not attending kindergarten in the fall. Please call Sheree or Claire at 281-373-0052 or go to our website littlelambsmdo.org for more information about our program.

Fairfield Kids Club Preschool

We have openings in the 2's 3' and 4's and if you want to give us a call we can give you more information about the days that are available. Please ask to speak to Charlotte Byrne at the FAC at 281-373-0834.

CY-FAIR PROJECT PROM 2005 NEWS

The Project Prom committee only has a few more months until the **BIG EVENT on May 6th, 2005**. We have had great participation from many senior parents, although there are still a lot of senior students that have not been represented either at the parent meetings or through the various fundraisers that have taken place since the beginning of the school year. We have several fundraisers that are for parents who don't have the spare time to donate. Most of our fundraisers enable the parents to earn Project Prom Bucks for their Senior(s). Some of those are:

- **Busy Parent Fundraiser** – Funds donated may be written off on your 2005 tax return. Seniors receive Prom Bucks for each \$25.00 donated.
- **Willowbrook Mall** will donate a percentage of your purchase during the month of February to Project Prom. All you have to do is present your receipts to the information booth on the day you make a purchase.
- **Market Day** – Grocery shopping via the net. Check out their website, www.marketday.com. Internet orders are due February 26th. Your order can be picked up at the school cafeteria on March 8th. Seniors receive 100 Prom Bucks per \$1.00 spent.

- **Krogers Grocery Card** – Krogers will donate a percentage of your entire purchase. All you have to do is present your Kroger Share Card to the checker at the time of your purchase. What an easy way to contribute! Please call Kay Vaul at 281-894-1697 or Myrna Piper at 281-256-1821 if you are in need of a card.
- **Corporate Donations** – We are still in need of help in this area. This is for those parents whose employer is looking for a worthy cause to donate to and earn a tax write-off at the same time. Donation forms and letters can be picked up from Cathy Havels office at Cy-Fair High School. Prom Bucks will also be earned.
- **Rudy's La Maria Cantina** – Dine in on any Saturday and Rudy will donate 10% of your total bill to Project Prom. A coupon must be presented at the time. To obtain a coupon, please visit our website www.cyfairprojectprom.com.

For those parents who were not aware of the parent meetings, they are held the second Monday of every month in the High School Cafeteria at 7PM. Our next meeting is February 21st, 2005 (due to Valentine's Day).

This Club is a "Service Club," rich in tradition and pride in its accomplishments. Members engage in various fund raising events to support youth organizations, such as Key Club, the high school division of Kiwanis, Boy Scouts and Girl Scouts, as well as other charitable organizations that assist families. An annual golf tournament is one of the primary fund-raisers along with a few sales projects. The Cy-Fair Club, an affiliate of the International organization, meets three times a month at the Hearthstone Country Club in Copperfield from 12:15 p.m. to 1:15 p.m. for lunch, fellowship, the reporting of progress of the Club's sponsored children and youth projects, and programs by guest speakers on subjects involving community affairs.

On the first Tuesday, **January 6th**, **Boy Scouts** in the Cy-Fair area will be the focus. The speaker will be Ronald George, Boy Scout District Executive Director. George Crowl is the Kiwanis Club liaison to the Boy Scouts. The Cy-Fair Club provides monetary support for several scouting activities. On **January 13th**, the Club will host a speaker from the **Salvation Army**. On **January 20th**, the speaker will be **John Devine**, former district judge and current candidate for the new Legislative District which includes the Cy-Fair area. Harvest Bible Church

Mark 13:21-23... *"Then if anyone says to you, 'Look, here is the Christ!' or 'Look, there he is!' do not believe him. 22 For false messiahs and false prophets will appear performing signs and wonders to deceive, if possible, the elect. 23 Watch out! I've told you everything ahead of time."*

One of the many things that makes the Bible unique is prophecy. Jesus spoke of the end-times in his teachings, and he was very specific about what would happen. One of those specifics is that Israel will sign a seven-year peace treaty one day with the leader of the European Union. But this man will break that treaty at the midpoint, and he will set up an image of himself in the rebuilt Jewish temple in Jerusalem. That image is called the Abomination of Desolation. When this event transpires Jesus has cautioned all Jews and Christians who live in Judea to flee, for they will be at the highest risk for arrest due to their loyalty to Jesus (Mark 13:14-23).

As they flee Jerusalem during that time many false prophets will arise. Mark 13:22 says that "they will appear performing signs and wonders." Christians will be desperate for good news, so they'll be susceptible to the claims of these false prophets. The epistle of 2 Corinthians says this about false teachers: "...such men are false apostles... disguising themselves as apostles of Christ. And no wonder, for even Satan disguises himself as an angel of light. Hence it is not surprising if his servants also disguise themselves as servants of virtue..." (11:13-16). Jesus tells us to "watch out!" The fact that he warns us of "everything

ahead of time" shows that prophetic teachings, given many years before they will actual occur, are meant to warn people about what's coming in the future. Jesus' coming will be unmistakable, and no one will miss it, for Mark 13:26 says that he will appear in the clouds, and the whole world will witness his second coming to the earth. But he's only taking Christians with him. The rest will be judged for their rejection of him most severely (cf. Matthew 25:46).

God's people must be watchful today. False teachers are everywhere – even in churches. Many believe that they are eternally saved because they think they're good. But consider Matthew 7:21-23: "Not everyone who says to me 'Lord, Lord' will enter the kingdom of heaven; but he who does the will of my Father... Many will say to me on that day, 'Lord, Lord, did we not prophesy in your name and in your name cast out demons and in your name perform many miracles?' And I will declare to them, 'I never knew you; depart from me you doers of unrighteousness.'" So beware of false prophets today, and make sure you understand what it really means to be a Christian. Your eternal destiny rides on that one bit of understanding.

If you have questions about your eternal destiny, and/or you're seeking a Bible-teaching church, call us at Harvest Bible Church at 281-304-1441. You can consult our website at www.harvestbiblechurch.net

Trinity Vineyard Church

Who are we?

Trinity Vineyard is a new church that is gathering in Fairfield. We love Jesus. We are growing through study of the bible. We find life and purpose in relationships. We drink coffee together and dress casually. We exist to pursue God in the company of friends.

What's on our mind this month?

This past month we have been talking about having the best year ever. Recently there was a popular song on the radio called *1985* by the band *Bowling for Soup*. The song tells the story of a woman who cannot seem to get out of her high school days. These are the lyrics to the chorus: *Bruce Springsteen, Madonna, way before Nirvana, there was U2 and Blondie, and music still on MTV, her two kids in high school, they tell her that she's uncool, cause she's still preoccupied with 1985*. Maybe you are not still stuck in 1985, but all of us struggle with living in the glories of the past. Wouldn't it be wonderful if 2005 becomes the best year we have ever experienced? This is also what God desires for all of us. He wants each year to have new adventures, experiences, challenges, relationships, joys, difficulties, and rewards. When we encounter these things in relationship with the maker of the universe they can amount to the best year we have ever experienced. Jesus told his followers to: seek first God's kingdom and His righteousness. At Trinity Vineyard we are learning what that statement means for our lives. If in turn, we can live what we learn, and have the support and encouragement of our friends, we hope and believe that 2005 will be the best year ever.

Who is invited?

Imperfect people of all ages, backgrounds, and cultures are welcome to attend.

When are our Gatherings?

On Sunday evenings at 6:00 pm to 7:15pm. Children's programs are provided for those 6 months – 5th grade. Mid-week small groups are another opportunity to join us in this mission to pursue God in the company of friends. We study the bible together, pray for each other, and do life together. Email us or call for more info.

Plans are now being made to begin a Sunday morning service. Contact us for more details!

What is our Location?

Our services are currently at Fairfield Dance Studio at Lakeside Place of Fairfield office building. The street address is: 15040 Fairfield Village Place Suite 180 Cypress, TX 77429.

What is our contact information?

Our web page is www.TrinityVineyardChurch.cc. Our phone # is 281-256-3353. Our email is info@trinityvineyardchurch.cc

Fairfield Church of Christ (Mason Road and Chappell Knoll)

"Discovering the Heart of Christ, in the Heart of Fairfield."

"Then Jesus said, 'What can I compare God's kingdom with? It is like what happens when a woman mixes yeast into three batches of flour. Finally all the dough rises.'" —Luke 13:20

I can't think of a more appetizing aroma than that of bread baking in the oven. And when the bread is removed, it is delicately brown and ready to be eaten. Jesus compared simple living with this bread making process. When we have the kingdom of God in our lives, we can rise above our problems, find solutions and live joyfully. God's grace causes wisdom, courage and love to abide in our lives.

How do we encourage the kingdom of God to enter our lives? A powerful way is to hear or read God's Word. Paul wrote, "What God has said isn't only active and alive! It is sharper than any double-edged sword. His word can cut through our spirits and souls into our joints and marrow, until it discovers the desires and thoughts of our hearts" (Hebrews 4:12).

A friend of mine had a double mastectomy and she was certain she was dying. No one was able to lift her from her depression, until she happened to hear Dr. Norman Vincent Peale say, "Forget the past! Press forward toward the prize of the high calling of God in Christ Jesus!" My friend responded and began to thank God for her family and to look for opportunities to be of service. She is now 85 and is still a joyful Christian.

-Jane Douglass White

Monthly activities include, "Prayer Vigil" (a time of prayer for any need), "Celebration of Life" (a time of food, fellowship and acknowledging the wonderful gift of life God gives us each day, "Acronym Sunday" (a fun time of bible study that is always full of surprises).

Each Tuesday is a special "Ladies' Brown Bag Lunch and Prayer." Ladies come together at 12 noon and spend time eating and fellowshiping and then a time of prayer. Everyone in the community is invited to come.

Mid-week **Bible studies** are also offered every Wednesday at 7:30pm. This is a great time to pause in the middle of a busy week and be re-energized by fellowship, prayer, and study of God's word.

Do You Have The Marriage You Dreamed About Before You Said "I Do?"

Many of us can admit that our marriages are not what we thought they could be. We may have set our expectations too high; we may have thought we could change our mate after we married them and now find them unwilling to change. The list of reasons normally received in marriage counseling situations is long and varied.

But the answer to all our problems and the solution to our marriage let downs is always the same. God designed and implemented the institution of marriage. His word is full of answers to our deepest problems. He wants us to have the marriage we dreamed of. He wants our marriage to be happy, fulfilling and prosperous because He designed Marriage to be a reflection of how our relationship should be with Jesus Christ.

Are you anxious to learn more? Then come to the Marriage and Family series of messages currently being given at "Fountain of Life Fellowship."

You'll find answers to questions like:

- *How can I get my husband to listen to me?*
- *Why does my wife seem to have such unreasonable expectations of me?*
- *Why do my children seem out of control and unwilling to do the simplest of chores?*
- *Why are our finances a wreck? and*
- *How can I get myself out of debt?*

Please join us this weekend and the rest of February as we cover, "Family 101, Learning God's Way." Our services are Sunday mornings at 10:45. We have a complete Children's church program for children up through 5th grade and a nursery for babies and toddlers. For more information call our church office at 281.373.9337. Fountain of Life Fellowship is a non-denominational church now in our 14th year of serving the community.

Midweek Bible Studies

We study the Word of God together in small groups called "Mid Week Connection (MWC)." This is a great time to pause in the middle of a busy week and be re-energized through fellowship, praise and worship, prayer and study of God's Word. MWC groups are comprised of singles, young married couples, adults and mature adults. These MWC groups meet on Tuesday and Wednesday nights. We have a special new believers Women's Study group which meets each Wednesday afternoon. In addition, we have a vibrant and exciting Kids Club and Youth Group which meet separately at the church on Wednesday nights. MWC groups allow everyone to be aligned with their particular marital status and age group. MWC groups allow relationships with God and God's people to grow through strong ministry in a more intimate setting. A nursery is provided for the MWC groups that meet on Wednesday evening. For more information regarding meeting days, times and locations please call our church office.

Prayer

We are God's people, called by God's name and we come together to pray each Sunday evening at 6:30 p.m. We also have a monthly "prayer vigil" to lift up prayer requests and concerns. When you have a prayer need of any kind, we are here to pray with you and for you. If you are unable to join us for prayer, please call our church office and leave your prayer request with us. Your request will be lifted up in our Mid Week Connection groups as well as our Sunday evening prayer and monthly "Prayer Vigil."

Come Grow With Us!

Come join us and learn how God's Holy Spirit equips Christians to live victoriously in today's challenging world. We are located just 1.5 miles off Hwy 290 at 15010 Mueschke Rd. Sunday services start at 10:45 a.m. For more details, please contact us at 281.373-9337. Pastors John & Kerry LaLonde
