Recycle

It is such an easy thing to do! Residents can simply call Waste Management, log onto their website at www.wastemanagement.com to get started. WM will deliver a recycling bin to your home. You simply throw all your newspapers, aluminum cans, and plastics in a single bin. You set the bin out with your trash on Friday, and someone will pick it up. There's no excuse not to! With so many parents in the neighborhood, this is an easy thing we can do to help make the world a better place for our kids.
