Splinters From the Board

By Stan Schoen

Wortham, we're doing well from all aspects and this is a wonderful community to live and to raise a family. I am proud to be able to say this after living here for over 10 years, I was able to say it then and I can state it today and it's all because of we who live here.

There are many challenges today and if you turn on a radio or television you cannot escape news from anywhere. While most of us cannot control most situations outside of our community we can take part in somewhat controlling our small piece of the world and that can only be done with all of our help via committees.

One example is what the recreation committee has done with our pool area. We had issues with this area in that it is the first thing you see as you enter our community. Think quality of life for those that live here and eye candy to those who are looking to live here. That committee has done wonders with our limited resources to make it into a showplace that is beautiful as well as functional and this was done solely with residents! We need that energy in all facets of our community to help decide what we/you want with the resources we have to represent all of us. Some of this is fun, some very functional and some for our safety.

Safety is the one closest to my heart because we have been most fortunate in that we have had been spared stories you might hear elsewhere, but we're not exempt! We have had our share of problems with security and while they are small as perhaps compared to other communities, they are there and we should at least be aware of what is going on in our neighborhood. I am going to ensure

WOW – Lookin' Good in Pink

By Reschele Lawrence

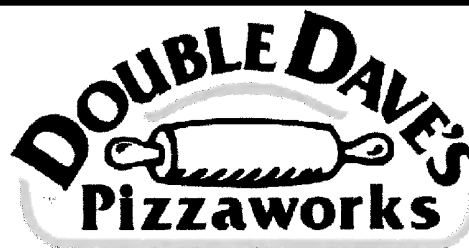

Kudos to Lisa White for hosting an excellent Spring Gift Exchange and get together in March. The gifts were all Springdiliumptious and the snacks, as always, were yummy. There were a few new faces welcomed into the fold and some old friends that returned. Everyone had a great time (maybe that was because of the PPPs)!

At 7pm, on Wednesday, April 27th, WOW will be held at Donna Sommer's house (13114 Sycamore Heights Street). Bring an appetizer to share and hopefully more friends will tag along. Keep an eye on the signs and the newsletter for updates and reminders.

On Saturday, April 23rd, WOW moms will be meeting at the Wortham Park (by the retention pond) from 10-11am for a "Toddler Play Day." All toddlers interested in sliding and swinging, and all moms who want to mingle with other moms should plan on attending.

Also mentioned at WOW was the need for a coordinator to head up the 4th of July Party. Currently, as there is no coordinator, there will be no party! If you are interested, please contact Karen Watson at 281-469-4219.

Dates April 23 – Toddler Day at the Park
 to April 27 – WOW at Donna Sommer's
remember: April 30 – Wortham's 2nd Annual Fun Run
 May 7 – Adult Crawfish Boil
 May 24 – WOW at Las Rosas (FM 1960 & Hwy 290)

that we have more specific information as to what goes on in our neighborhood with the help of future newsletters and our sheriff's department. Stay tuned to future newsletters as this is something that we do need to keep us informed. Staying safe means lots of things and they are preventative measures that I am talking about. Keeping us 'looped' with block captains in whatever format we can such as e-mails and telephone trees are examples of what we can do and we need new energy in this area and I will have addressed this by summer because this is very important to us all. For now there are simple things we can do to help ourselves such as not leaving important items in our vehicles at night, locking your cars even in your garage, locking your garage, locking your doors in the house and having a monitored alarm system. These are examples of simple things that can keep you from becoming a victim. Keeping your car parked in your driveway or garage is another way of staying out of harms way. It's getting close to summer and kids will be out of school before we know it and that means young people with a lot of free time on their hands.

Our hike/bike trail is being well utilized and that is a wonderful thing. We encourage clubs (Wortham residents) for runners, perhaps a jogging club or walking club, where residents can gather and do activities there together. There have been kindergarten 'clubs' where Moms get together with their under school age children and visit, there's all kinds of ideas with this and it's up to you to get this put

together. E-mail any board member and we will do whatever we can to help support the efforts of any Wortham resident looking to do something positive in our community. The women's tennis team has been just wonderful in their activity and we support them and they have prospered in their own success and we just think that is another great example of what you can do if you want to.

We just want to be the 'best' and stay the best place to live and we want to do this proactively.

We're doing great Wortham and I thank all of US for accomplishing that.

We continue to wish the men and women of our Armed Forces well and thank them for all they do to protect all of us.

The Social Section

Thank you **Emily Heineman** for coordinating the Easter Egg Hunt this year. You have done an awesome job two years in a row! Next year we will be looking for a new volunteer to coordinate this event. Please let us know if you are interested.

In lieu of the Adult Pool Party, plans are in the works for an Adult Crawfish Boil. Come and enjoy a night out and let someone else cook for you! The Crawfish Boil will be held at the Clubhouse parking lot come rain or shine on Saturday, May 7th from 6 to 11p.m. Please see the ad in this newsletter for more details. Don't forget to send in your registration.

We are still looking for an event coordinator for the 4th of July Parade and Picnic. This event will be canceled if there is no one to coordinate the activities.

Funding for these events is provided by the Wortham Social Committee. We just need volunteers with great ideas to make the events happen! Please consider taking time this year to volunteer in your community.

FERTILIZE: Trees. Preferable method is done by making series of holes 3' apart with crowbar or similar tool to depth of 18" — 2" in diameter, just inside drip-line of branches. Fill half full with fertilizer, balance with soil, then water thoroughly.

All **roses, shrubs** and **plants**. **Azaleas** *AFTER* blooming. **Camellias** lightly.

PEST CONTROL: Spray **roses** and **shrubs** if infested with scale. Watch closely for aphids, red spiders, and cut worms on new growth. Treat immediately with formula recommended by your favorite nurseryman. Spray **azaleas** 2 or 3 times a week during blooming season to avoid petal blight. Spray **camellias** for tea scale.

PRUNE: Finish pruning **roses** and **dormant shrubs** and **trees**. **Azaleas** *AFTER* blooming.

GARDENING HINTS & TIPS

BULBS: Plant **gladioli** every two weeks through May for succession of summer blooms. Planting may be resumed in July, continuing through September for fall blooms. Bed should be of rich, sandy garden soil in a location that is well drained and has at least 6 hours of sun. Work lots of organic matter and bonemeal into soil. **Avoid fresh manure with all bulbs.** Select bulbs that are an inch thick and about 1½ inches in diameter. Dust bulbs with insecticide before planting. Water freely and feed with a liquid fertilizer once a week from the time the stalks begin to lengthen until they show color. Bulbs should be lifted **after foliage has dried**. Remove old foliage before storing and treat with insecticide.

As the spring flowering bulbs fade, remove flower heads to prevent going to seed. **Cut foliage after it has turned brown and dried.** The leaves on bulbs produce the food for next year's flowers. Feed each bulb as soon as blooms fade with about three heaping tablespoons of bonemeal.

Extraordinary SERVICE. Extraordinary RESULTS.

Way to Go Cypress Falls "A" Color Guard

Last year, the "A" guard brought new recognition to Cypress Falls High School by not only placing first in every competition they competed in, but also by taking first place at the WGI Houston Regional, the WGI Dallas Regional, and at the Texas Color Guard Circuit State Championships held in March 2004 in San Marcos. In April 2004, the "A" guard traveled to San Diego to compete for the first time ever on a national level at the Winter Guard International Championships. The "A" guard competed against a total of 124 color guards from all over the United States and placed 7th overall! Not bad for their first venture in the national arena.

This year, the "A" guard has kicked off their 2005 season with a first place win at the TCGC competition at Cypress Springs High School, and a first place win at the WGI Houston Regional, second place at the WGI Dallas Regional, and First Place at the San Antonio Power Regional.

All of these young ladies spend an enormous amount of time practicing, they work extremely hard, and they also maintain excellent grades. We are very proud of their efforts and accomplishments!

Cypress Falls High School Band

The Cypress Falls High School Band has already had a record-setting year and the semester still has 10 weeks to go. In addition to advancing to the UIL State Marching Contest in November, the Cypress Falls Symphonic Band was a featured performer in December at the prestigious Midwest Clinic, and international band and orchestra conference held annually in Chicago. While in Chicago, Professor Johann Moesenbichler, President of the Mid-Europe Conference and a resident of Linz, Austria, served as a guest conductor. After working with the students and hearing them perform, he waived the audition requirement and invited the Cypress Falls Band to perform at the Mid-Europe Conference to be held in Schlading, Austria in July of 2006.

In January, 13 members of the Cypress Falls Band further distinguished themselves by advancing to the Area level in All-State Band competition. They were Stephanie Rice, flute; Catherine Dorsi, clarinet; Ryan Kresta, alto saxophone; Andrew Zarazee, tenor saxophone; Bryan Menelas, baritone saxophone; Jonathon Gregory, trumpet; Alexis Escobedo, French horn; Brian Wood, trombone; Chris Hale, bass trombone; Irving Ray, euphonium; Raul Escobedo, tuba; Alfredo Guerrero, tuba; and Nicholas Brown, percussion. Of those 13, eight advanced to All-State. These All-Staters were Stephanie Rice, Catherine Dorsi, Ryan Kresta, Andrew Zarazee, Jonathon Gregory, Irving Ray, Alfredo Guerrero, and Nicholas Brown.

For two consecutive years, the Cypress Falls Band has held the most All-State chairs in Region 23 which spans the Cy-Fair, Spring Branch,

Greater Houston Pool Management/Wortham

Believe it or not, summer is quickly approaching, and soon you'll be lounging around the pool. The management team of Greater Houston Pool Management, Inc. is delighted to be returning to Wortham.

Our goal every summer is best defined by our mission statement: **SAFETY IS OUR #1 PRIORITY!!!** We are also committed to treating our customers with a pleasant and courteous service, as they enjoy their clean swimming environment. We feel communication is the key. Please don't hesitate to contact our office at anytime concerning our service (713) 771-POOL.

To help assure a safe and fun summer for everyone, Greater Houston Pool Management would like to remind you of a few facility and safety reminders:

1. Parents must closely supervise their children at all times. Remember, it only takes seconds for a child to drown.
2. Don't allow children to play with or around the main drain. The main drain suction can be very powerful, and has been known to cause severe injuries, and in some cases death.
3. The safety of the children in the baby pool are the parents or guardians responsibility. The lifeguards will always enforce the pool rules throughout the facility, but children who cannot swim must have an adult within arms reach at all times. The same rule applies even if the child is wearing a floatation device.
4. Define a safe zone for your children where they can always touch the bottom. One of the most common saves a lifeguard must make is when a swimmer strays to an area that is too deep for them to stand.
5. Do not dive in areas marked "NO DIVING". Nearly 90 percent of all spinal injuries occur in the shallow end of the pool.
6. Breath holding games can be very dangerous and may cause cardiac arrhythmia or seizures. Games like who can hold their breath the longest, and swimming the longest distance underwater should be avoided at all times.

The information in the Wortham Village Newsletter is exclusively for the private use of Wortham Village residents only.

7. Pool passes will be strictly enforced. It is the member's responsibility to bring them to the pool. It is a very awkward and uncomfortable situation for everyone, when the lifeguard must ask a member to go back home to get his or her pool pass.
8. Remember that there are several different types of people who like to use the pool throughout the summer. Both young and old, everyone wants to have a good time.
9. If you should ever have a question about the pool rules, ask a lifeguard or manager. It is better to be safe then sorry!!!
10. Have a safe and enjoyable summer.

Our staff at Greater Houston Pool Management is committed to making sure the homeowners of Wortham have a great summer at the pool. Please take the time to introduce yourself to the pool staff. We would love to know the clients we so proudly serve.

Pool Parties

The pool will be available this summer for private after hour pool parties. Pool party request forms will be available at the pool or register on our website at greaterhoustonpool.com. To make sure we are able to staff your party, we need a minimum of two weeks advance notice.

For more information concerning pool parties, check with the pool manager, or contact our pool party hotline at (713) 464-7946.
