

CIRCLE C RANCH NEWSLETTER

Volume 2, Number 5

May 2005

www.circlecranch.info

A Letter from your HOA President

Dear Neighbors,

Thanks very much to those who participated in our annual election and homeowners meeting. The meeting was attended by about 175 people and about 14% of our homes voted in the election (either via early voting, proxy voting or by meeting attendance).

For this election we had five neighbors who volunteered to run for the CCHOA Board of Directors. These neighbors were Matt Cano, Mike Price, Scott Dorf, Marty Gibbs and Bill Gammon. We should all thank these folks for their offer of service to Circle C Ranch. All five of them represented themselves and the neighborhood well both before the election and during our annual meeting.

Matt Cano and **Mike Price** were elected to serve as CCHOA Directors for three years. The Board looks forward to working with Matt and Mike. You can see more election results in a separate article.

We also offered twelve amendments to the CCHOA Bylaws. All of the amendments passed. Most of the amendments were simple corrections to the existing documents—i.e. one corrected the address of the Association, one corrected a reference to the Travis County Clerk and one made the language of the Bylaws themselves gender-neutral. There are several amendments that are worth describing in more detail.

- CCHOA Directors must be members of the Association.
- CCHOA may use electronic voting. This should reduce costs and simplify future operations.
- CCHOA may keep our list of email addresses confidential. We are no longer obligated to provide the list to anyone who requests it (short of a court order.) We hope this change helps us rebuild the neighborhood email address list. Email is a normal part of life for many of us and should be an effective tool for CCHOA communications.

We had a low turnout for our election. The election was decided by 14% of the total votes possible. We hope to increase neighborhood participation and voter turnout for future elections – perhaps with the introduction of electronic voting. Thanks also to the nominating committee for their work—Steve Urban, Grady Bible and Annegret Pfeiffer.

Please remember to vote in the May 7 municipal election. Austin voters will fill three city council seats (places 1, 3 and 4), as well as decide the fate of a modified smoking ordinance and a referendum that may expand the tax area for Austin Community College to include parts of the Eanes, Pflugerville and Round Rock school districts. You might find the League of Women's Voters guide helpful at <http://www.leaguewv.austin.tx.us/votersguide/VotersGuideMay7th.pdf>. The Circle C Political Action Committee has provided their recommendations on page 13.

We have not finalized the pool lease contract with UT Longhorn Aquatics. Fortunately we *have* made progress. UT is paying us the new rate (\$4500/month, up from \$2500/month) and the terms have all been agreed upon. Once the contract is signed it will be in force until 31 March 2006. That is, the delay in signing the contract will not translate into an extension of the contract at the other end. Thanks to Mary Goehring and the pool committee for their work on the contract.

I had the pleasure of recognizing four of our former directors for **extraordinary achievement** on behalf of Circle C Ranch. Their names are familiar to most of you: Steve Bartlett, Ken Rigsbee, Jim O'Reilly and Susan Hoover. They have all contributed to Circle C since 1988. We gave them each a small souvenir, and will give them each a nicer gift just as soon as they are delivered (unfortunately I ordered the nicer gifts too late for the annual meeting.) We owe Steve, Ken, Jim and Susan a debt of gratitude for their years of hard work for Circle C Ranch.

Your neighbor,
Quentin Fennessy

Annual Meeting Election Results

Submitted by Quentin Fennessy

These tables summarize the election results. At the time of the meeting there were 6,233,345 total eligible votes. The total votes cast were 873,427. Matt Cano and Mike Price were elected to the board for 3 year terms. All bylaw amendments passed.

Candidate	Total Votes For	% Votes For
Matt Cano	642644	73.6%
Mike Price	581319	66.6%
Scott Dorf	228826	26.2%
Marty Gibbs	153779	17.6%
Bill Gammon	125532	14.4%

Bylaw Prop. #	Summary	Total Votes For	% Votes For
Article I	Correct the CCHOA street address	821526	94.1%
Article II, Section 6	County Clerk correction	832403	95.3%
Article III, Section 1	Annual meeting date flexibility	800625	91.7%
Article III, Section 4	Membership class correction	824758	94.4%
ARTICLE IV, Section 1	Directors shall be homeowners	795384	91.1%
ARTICLE IV, Section 3	Correction due to board size	812375	93.0%
ARTICLE V, Section 1	Nomination of members only	806114	92.3%
ARTICLE V, Section 2	Permit electronic voting	803539	92.0%
ARTICLE VI, Section 2	Called special meeting correction	814550	93.3%
ARTICLE VII, Section 2a	Membership class correction	830734	95.1%
ARTICLE X	Email list privacy	805879	92.3%
ARTICLE XIII	Gender neutrality	826576	94.6%

Summary of the March Board Meeting

Submitted by Quentin Fennessy

The March board meeting was brief. Steve Shannon of BFI explained the rate increase and described their ongoing problem with fee collection from Circle C homeowners. We decided to replace the shade tarp at the south end of the pool (This work is still not done—it has become more complicated.) Our revenues exceeded expenses for 2004 by \$142,000. We allocated \$25,000 of the excess for general amenity improvements. Susan Hoover reported on the progress of replacing photinia around the neighborhood, and presented the framework for the long-term landscape improvement plan. We discussed the damage to the Slaughter/Mopac monument and why the repair was taking so long—and the reason for the delay was rain, rain and more rain. The damage was caused by an automobile accident and has since been fixed.

Circle C Landscape Update

Submitted by Susan Hoover, Circle C Landscape

We are very busy on the commons areas of Circle C this time of year. The results of the early Spring work are finally upon us. Over the past month, the landscape crew has fertilized all of the commons areas, done a lot of trimming and weeding, and are adding to our existing native plant beds throughout the neighborhood.

Some of our favorite perennial plants are listed below. They are well suited to the Central Texas Hill Country environment, a drought resistant and provide blooms even through the hottest part of the year.

Knock Out Rose—we introduced these on the commons areas last year. If you like the looks of a traditional rose with virtually no care, this is the one for you. These ended up blooming late into December and popped out early this spring. They require no special care at all.

Salvia Greggii (Autumn Sage) These shrubs grow to about 2.5 feet, are nicely shaped and produce small blooms in a variety of colors. They need to be trimmed back in late January.

Mexican Bush Sage. Those nice spiked blue/purple blooms and its distinctive leaf make are good in the back of a garden border.

Blackfoot daisy. For the front of the border, this sprawling little white daisy does the job.

Verbena. This is a flowing plant that can add bright color to your garden. Coming in purple and hot pink, among others, it stands out. It is a big attractor for the dragonfly hummingbird, a little tiny hummingbird that looks like a dragonfly.

Mexican Mint Marigold. If you like a nice bright yellow long bloomer, these plants are hardy and keep blooming all summer and fall.

The above plants are all good in our hot Texas sun. Next month, we will discuss some good shade varieties.

Community Fire Ant Prevention

The first two weeks of May are devoted to Community Fire Ant Prevention in Circle C. At this time, the CCHOA encourages each of you to treat your yards with a fire ant bait product. The Travis County Extension Bureau encourages communities to work together to treat fire ants, which has been found to be highly effective when the entire community participates. For more information on Fire Ant Treatment and choices on methods and products go to www.fireant.tamu.edu, the site sponsored by the Texas A & M extension service.

This year, we will be using a relatively new product on the commons areas called Top Choice. It has been found to be highly effective and lasts a year.

Speed Limits and Traffic Concerns Within Circle C

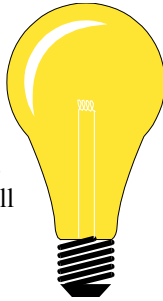

Submitted by Gale Foster, CCHOA Staff

We have heard from the City of Austin that the traffic study on Spruce Canyon has been completed. Based on the City's parameters, 30 mph speed limit signs will be erected in the near future. We all need to be mindful that school lets out in a few weeks and many many more children will be out and about. Thanks to the Circle C Safety Committee for requesting the traffic study.

Street Light Outages

Submitted by Gale Foster, CCHOA Staff

We have received several calls about street lights being out. The most efficient way to handle this is to jot down the number mounted on the pole and call the City of Austin at 505-7617.

Please Help your HOA

Submitted by Citizens for a Cleaner Circle C!

We would like to encourage all residents to help keep Circle C Ranch a beautiful place to live by doing the following:

- 1) **Make sure that no one in your family throws their trash out the car windows.** It takes about 3 hours daily to pick up street trash in Circle C.
- 2) Take your newspaper plastic bag with you when you walk your dog and please **scoop the poop** on the commons areas. Slip the bag on like a glove, scoop the poop, turn it inside out over your hand, tie it in a knot and throw it in your trashcan when you return home. We have had a lot of complaints about this. Be nice to your neighbors and pick up after your dog.
- 3) Please **do not tape signs to the street light and street sign poles.** Removal strips the paint, takes time to take them down and trashes out the neighborhood.

Thanks for your help.

Swim Center Manager Position Available

Submitted by the CCHOA Board of Directors

Job Definition

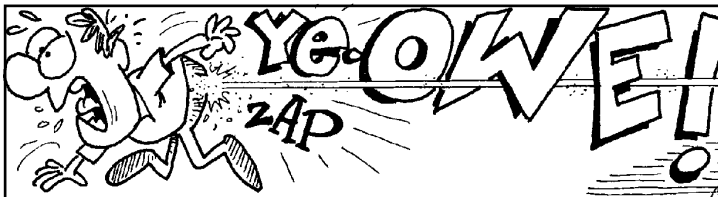

Plans, organizes, and controls the budgeting, staffing, and administration for the Association's swim center (pool). Reviews, schedules, and conducts regular maintenance of pool and pool area and supervises lifeguards and other water safety staff. Conducts regular tests of water quality to ensure a safe swimming environment. Plans and coordinates other community events as designated by community management or BOD.

Minimum Qualifications

- High school diploma, GED, or equivalent
- Three years of progressively responsible experience at a pool facility including at least two years of management.
- Must have a current Pool/Spa Operators License
- Water Safety Instructor
- Lifeguard Instructor
- Lifeguard or National Pool and Water Park Lifeguard License
- First Aid/CPR certificate
- Red Cross AED and O2 Administration certification/training
- Red Cross (or equivalent) Preventive Disease Transmission training
- Demonstrated ability to supervise
- A valid, unrestricted Texas driver's license and availability of personal vehicle.
- At LEAST ONE of the following: Certified Pool Operator (CPO), Aquatic Facilities Operator (AFO), or YMCA Aquatic Facilities Operator.

Preferred Qualifications:

- College Degree in recreation or related field.
- At least one year of programming experience. (Ex. scheduling swim lessons, planning private parties, coordinating/scheduling swim lessons, swim teams, recreational swimming, lap swim, etc.)
- CPR for Professional Rescuer

The laser stands for Light Amplification by Stimulated Emission of Radiation.

The Phoenicians and Romans made a purple dye from Murex sea snails. Cloth colored with this dye was more valuable than gold.

Essential Functions:

1. Develops and conducts training and testing programs for pool staff.
2. Supervises pool staff and facility. Selects, schedules, evaluates and disciplines employees. Reviews action with Board of Directors as necessary.
3. Responsible for training and evaluating swimming instructors.
4. Ensures that all appropriate credentials are maintained by pool staff.
5. Responsible for the pool facility and ensures that the physical structure, equipment and water quality are up to standard. Identifies maintenance and repair needs, and makes arrangements for needed repairs/maintenance.
6. Develops water related programs for the general public, businesses and special interest groups.
7. Ensures that all pool related paperwork is completed and processed correctly. Communicates with licensing and certifying agencies.
8. Oversees collection of pool user fees, statistics and related documents.
9. Deals with the public, board and various people as required.
10. Coordinates purchasing equipment for programs and maintaining the inventory.
11. Performs lifeguarding and instructing duties as necessary.

Other Functions:

Other related duties as assigned.

Hours:

Required to work a minimum of 40 hours a week. Weekends and holidays are required during the summer month. Must have ability to work flexible hours to meet needs of community as defined by the BOD. Set daily work hours, "office hours" that neighborhood associate members, BOD members and contractors can set up appointments. Must be able to attend all regularly scheduled BOD meetings and other events as assigned.

Send your resume to info@circlecranch.info or fax it to 288-6488.

Do You Want to Learn How to Build a Hiking/Biking Trail

Submitted by A. E. Martin

Circle C Residents interested in helping develop hiking and biking trails in the Slaughter Creek Water Quality Protection Lands can get hands on experience in trail building by signing up to participate in an Austin Parks Foundation or Austin Ridge Riders event. In learning the techniques of environmental friendly trail building you will become a certified trail builder and ready to help create trails planned for the Slaughter Creek Tract just west of Circle C.

To signup go to www.austinparks.org or visit www.austinridgeriders.com to see the schedule for trail building.

For other volunteer announcements check postings on the general forum of the Circle C Ranch website.

Classified

CCHOA Announcements *Continued*

RATTLESNAKE ALERT!!!!

Submitted by Susan Hoover, Circle C Landscape

The CCHOA received a report of a child being bitten by a rattlesnake in the undeveloped area near South Bay.

Please be alert, watch your children and pets, and educate their children about snakes in our area. Snakes are coming out of hibernation this time of year. If you are hiking in any areas around Circle C or if you back to a drainage or naturalized area, be on the alert for snakes.

Tips:

- Wear shoes, do not wear sandals or go barefoot in naturalized areas.
- Look for snakes sunning themselves on rocks, or around rocks and piles of debris.
- Take a hiking stick on your hike. Be aware and listen for snakes. Avoid them at all costs. Rattlesnakes are not aggressive, but will defend their area. Do not try to catch, tease or engage a snake.

If you are bitten by a rattlesnake:

Seek emergency care immediately. You must go to a hospital emergency room to receive the anti venom. The doctors will need to confirm the type of snake bite you have, so a description of the snake will be helpful.

Do Not employ the following methods:

- Do **Not** put ice on the bite.
- Do **Not** cut the wound open and try to suck out the venom
- Do **Not** use a tourniquet.

There are many internet sites which provide information about rattlesnakes and their bites.

CIRCLE C RANCH

Austin Nature Day and the Slaughter Creek WQPL

Submitted by Russ Hodes, Circle C Resident

On April 2nd, a group of 17 volunteers participated in a week-end seminar to learn about Austin's new Water Quality Protection Lands (WQPL), and the history of the Slaughter Creek tract, in particular. They included 7 neighbors from here in Circle C Ranch.

The Austin Water Utility department oversees about 11% of the sensitive land over the aquifer that flows into Barton Creek (17,000 acres), reserved just for providing clean water for the Edwards Aquifer. They chose The Hill Country Foundation to interview volunteers and then to conduct training sessions for them. The property opened up for the first guided tours, on April 16th, in conjunction with the first **Austin Nature Day** (see www.AustinNatureDay.org). Look for more guided tours and other activities coming up, including trail building and various restoration projects. Announcements can be found on the CCHOA Forum (www.circlecranch.info/forum).

We need more local volunteers to conduct the activities there and on other properties. Please contact the City of Austin (Water Dept) or CCHOA if you are interested and can devote a little of your time.

Calling All Blood Donors!!!

Submitted by Angela Schuckle, Circle C Resident

Blood Drive

May 14, 2005

9:00 – 12:00

Circle C Child Development Center

Registration forms are available in the church office and on the church's website: www.westoak.org. The church phone number is 292-6800 and the mailing address is P.O. Box 150098, Austin, TX 78715. Everyone is welcome!

Circle C Area Business Referral Breakfast

Submitted by Bob McKenna, Circle C Resident

BNI, Business Network International, is a business and professional networking organization that offers its members the opportunity to share ideas, contacts and most importantly referrals. The Circle C area BNI chapter (Live Oak Network) began operation on May 12, 2004 and now has 38 referral generating members! BNI is a non-competitive referral organization that allows only one member per professional category – therefore, once you've joined a chapter you've essentially eliminated your competition!

We still have openings across a wide variety of professions including residential, health care, and commercial business sectors. Our chapter membership should cover it all from plumbers and electricians to Doctors and Lawyers. **We are looking for one energetic person from every profession!**

Live Oak Network
Wednesday - 8:00 to 9:30 AM
The Golf Club at Circle C Ranch
7401 Highway 45, Austin, Texas 78739

The \$10.00 meeting fee is tax deductible and includes a healthy breakfast.

Bring at least 40 business cards to hand out to our members. For more information email Bob@AustinReps.com, or call me at 288-8088.

Circle C Ranch Triathlon Club

Submitted by Mike Craig, Circle C Resident

This club is dedicated to people who have done triathlons, are training for their first triathlon, or are just curious about what triathlon is all about. So far we have about twenty-five members and growing! We have an on-line forum for members to post training schedules, event reviews, ideas for the club and more. To see what we are up to, just visit www.VintagePlace.net/forum/ and click on "CC Triathlon Club."

The "tri" in triathlon stands for swimming, cycling and running. While it may sound daunting, it is actually quite fun and exhilarating when you complete your first event! The neat thing about triathlon is you start out S-L-O-W. Initially you should strive to just go a certain time period at a pace slow enough to have a conversation. If you are out of breath, you are definitely going too fast. Slow down, enjoy the scenery, and watch your body transform from couch potato to triathlete. As with all new exercise routines, it is best to consult with your physician prior to beginning.

If you are interested in attending our next meeting / joining the club or have questions just contact Mike Craig at 301-3792 or e-mail mcraig@kw.com.

Maine Coon Rescue

Submitted by Marianne Daniel, Circle C Resident

Maine Coon Rescue (www.mainecoonrescue.com) is a nationwide non-profit organization dedicated to rescuing Maine Coon and Maine Coon mix cats and kittens. Each cat or kitten is vetted and then placed into wonderful foster homes until a loving, permanent home is found. In order to continue in its mission, Maine Coon Rescue is looking for more dedicated volunteers to help. Volunteer opportunities are available for those interested in providing Foster Homes for cats or kittens, transportation, or case management. Thanks for your interest in helping Maine Coon Rescue and I look forward to working with you to help save these kitties.

No One Cleans Carpet Better! Whole House Only \$129⁰⁰

With our unique 5-step process, you can count on your carpet being thoroughly deep cleaned, soil resistant, and looking like a million bucks!

Here is what we do...

1. **All the carpet is pre-treated.** The pretreatment spray is our own special combination of all purpose carpet cleaner, degreaser, deodorizer and color brighteners. This is applied at high pressure and high temperature to help disolve embedded soils.
2. **All stains and spots are pre-treated.** Pre-treatment helps to remove tough stains that often do not come out with regular cleaning. This may include rust, blood, urine etc.
3. **Pre-Scrubbing.** Pre-scrubbing does a great job of loosening the deep down soil, and restores the pile in heavy traffic areas. This usually includes hall-ways, traffic lanes and the area in front of the sofa.
4. **Steam Cleaning.** Our high-powered truckmounted steam cleaning systems operate at extremely high pressure and temperature. This type of cleaning is what carpet manufactures recommend because it does, by far, the BEST job of getting soil, and residue completely out of the carpet. This leaves the carpet soft and soil resistant, as left over residue are the number one cause of re-soiling.
5. **Grooming.** Grooming helps to restore the pile and gives the carpet a brand new look.

Appointment Times are Limited!!!

5 rooms are okay. Rooms over 250 sf count as two.

Circle C Political Action Committee Endorsements – Election May 7th

Submitted by Ken Rigsbee, Chairman, CC PAC

A cross-section of your Circle C Political Action Committee board of directors, and a representative of the CCHoA board met with and visited with candidates for proposed positions on the Austin City Council on February 21, 2005 at the Circle C Golf Course clubhouse. On the basis of their discussions about what is important to Circle C, and what they each stood for on behalf of the interests of residents of Southwest Austin, the CC PAC Board hereby endorses the following candidates for the MAY 7, 2005 ELECTION:

Place 1: Lee Leffingwell
Place 3: Gregg Knaupe
Place 4: Betty Dunkerley

In the event any resident of Circle C has any questions, the CC PAC board recommends first that you communicate with any and all of those endorsed, principally at their respective websites: leeffingwell@leeffingwell.com, info@greggknaupe.com, betty@bettydunkerley.com.

The board did not make a recommendation on the proposed smoking ordinance.

Circle C has long been acknowledged as one of the strongest voting neighborhoods in the community – and we believe that, and encourage the continuance of that. Together, we can achieve virtually political “miracles” – which we have before. Many on your CC PAC Board want to continue that level of performance – with your help.

Early voting begins Wednesday, April 20, 2005 through Friday, April 22, 2005, and resumes Monday, April 25 through Tuesday, May 3, 2005. Our closest locations are ACC Pinnacle, 7748 Hwy. 290 West, Student Commons, and Randalls, 6600 S. MoPac at Wm. Cannon.

The Circle C Tennis Club

Summer Tennis Lessons

The Circle C Tennis Club will be offering lessons for both adults and children beginning the week of June 6, 2005. Lessons are available to both members and non-members of Circle C Tennis Club. Tennis pros teaching these sessions are Fernando Velasco, Darin Pleasant, Mandon Maloney, Brent Smiga and Brantley Harrison. For schedules and fees, contact us at 301-8685

Membership Special

Join before June 1st and your sixth month as a Member, will be free. Presently there is no Initiation Fee and Membership Fees are \$110.00 a month for a family, and \$100.00 a month for Seniors and Singles. For an additional \$35.00 optional membership, you may be able to use some of the finest Country Clubs in Austin. This fee allows you to join the "Austin Society" of Clubs, giving you privileges to play golf, tennis, swimming and dining in many of the Private Clubs, not only in Austin, but also in many parts of the country. For more information, call Kathi at 301-8685.

Guest Pass

If you are interested in trying out the tennis facilities, please give Fernando a call to receive a complimentary guest pass for you and your friends. To make arrangements, please call him at 301-8685. Passes will be provided based on open court availability.
