Fairfield 4th of July Parade & Fireworks Celebration Will be held on Monday, July 4, 2005

Morning Parade

The parade will begin at 9:00 a.m. in front of Ault Elementary on Vintage Falls Drive. It will follow the same route as years past: from the school, left on Maple Village Drive through Garden Grove, cross Mason Road and continue on Maple Village Drive through Inwood Park and Inwood Glen; left on Chappell Knoll Drive, cross Mason Road through Chappell Ridge and back to Vintage Falls Drive. Decorated cars, trucks, bicycles, strollers and walkers are all welcome to participate. We encourage all groups, organizations, churches and individuals to join together and enter the parade. Let's all show our community spirit! Any questions regarding the parade, please contact Kim Urban (281) 373-0014.

Evening Events

The celebration will continue at 6:00 p.m. at the Market Square parking lot and the grass field that runs between the parking lot and Good Shepherd United Methodist Church. There will be a DJ playing music new and old and great food from JusMade, Inc. such as hamburgers, hot dogs and funnel cake not to mention the smoothies, ice cream and cookies from Nestle Tollhouse. The Kids Zone will have moonwalks, slides, a rock wall, trackless trains and more! It will be a great time for all.

There will be vendor booths for those peddling their wares and for those wonderful neighborhood kids fundraising for their groups or teams. The booths are available on a first come first serve basis. The cost to reserve your spot is \$50. Please call Casey Buckley (281) 373-3870 or Karen Zientek (281) 373-4781 for more information.

Don't forget the lawn chairs and blankets to enjoy the wonderful Fireworks display! After dark (approximately 9:15 pm), Texas Lite & Pyro will start the show. Walk, bike or drive, our awesome police officers will direct you to the right spot.

If you would like to volunteer or help out in any way regarding this event, please contact Alicia Wilson (713) 922-7253.

This event has been put on annually by the Fairfield Women's Club with generous support from our community partners.

We would like to thank everyone for their continued support in this annual celebration.

Special Thanks to Friendswood Development, AMI and our local neighborhood businesses!

All net proceeds benefit charities and residents in the Cypress Area, so please come out and support this great event.

See you there, Monday, July 4th!

THE PET CORNER

ATTENTION FAIRFIELD PET OWNERS

My name is Susan Locke, I am the Lost and Found Pet Coordinator for Fairfield. I am a contact for someone that has lost or found a pet and tries to match the two together. I am unable to pick up, deliver or provide medical assistance to lost, found or injured animals but try to help locate the dog or owner when they are lost. I can be reached at **281-304-7231** or smltxag@houston.rr.com. Sign up for updates on lost and found pets at <http://groups.yahoo.com/group/fairfieldpets>.

Please report a lost or found animal as soon as possible. If you have lost an animal it is important that you keep checking the shelter at www.countypets.com daily as they only keep animals 72 hours without identification. There are additional links on the fairfield pet website as well.

YOUR PETS NAME TAG IS THEIR TICKET HOME—please ensure they have a nametag on at all times.

Outdoor Dogs

Original article from: Michigan Humane Society

Obviously, dogs can be forced to live outside, alone and away from their families. But to force this kind of life on a dog is one of the worst things you can do to him. Such a life goes against a dog's two most basic instincts: the "pack" and the "den". If you have any doubts about these ideas, think of all the whining, barking, clawing dogs you have seen from dogs tied up alone outside. Dogs trying desperately to get their human families' attention, and then just giving up to become hyperactive, listless, fearful, or vicious when the stress of **enforced solitude** becomes too much to cope with.

The rationale given by people who permanently keep their dogs outside is that they will spend time with the pet outside. Even the most well-meaning pet owner does not spend significant time outside, particularly when it is raining or cold (or hot). Consequently, under the best of circumstances for the outside dog, a bowl of food and water hastily shoved before him, a quick pat given, and his owner, his **WORLD** is gone, leaving the animal to spend another 22 or 23 hours alone.

A dog brings you the gifts of steadfast devotion, abiding love, and joyful companionship. Unless you can responsibly accept a dog's offer of these great gifts, please do not get a dog. If you already have a dog, perhaps this article will help you to see things from his point of view, and possibly motivate you to change your relationship with him. A sad, lonely, bewildered dog, kept outside, wondering why he cannot be with his family, brings only sadness and unhappiness to the world.

Little Lambs News

Our school year ended with a splash...at the bottom of a water slide that is! The children loved our water day that was complete with a car washing station, a "beach", shaving cream, bubbles, and two huge water slides. We want to thank all of our wonderful parents for allowing us the opportunity to love and care for your children this school year. We look forward to seeing you in the fall.

If you are interested in learning more about our program, please visit our website at www.littlelambsmndo.org.

Lamkin Elementary Students and Staff unveil "Wall of 1,000 Plus" self-portraits to celebrate the school's 50th Anniversary ...

Cypress, Texas – A massive tile wall decorated with more than 1,200 self-portraits of Lamkin Elementary students, teachers and staff will be unveiled in a special ceremony to commemorate the school's 50th anniversary.

Art teacher Donna Ganster conceived the idea to invite current students and staff, as well as former teachers and administrators, to create self-portraits on tile as a gift to commemorate Lamkin's anniversary. Partnering with Original Words, a school fundraising organization, the ceramic tile wall will be exhibited at Lamkin for years to come.

The school will host a sock hop complete with coke floats to celebrate the occasion, according to principal Gale Parker. "The students are so excited about this historic event and the opportunity to become part of Lamkin's heritage," she said.

The school, part of the Cypress-Fairbanks (Cy-Fair) ISD northwest of Houston, traces its roots back to 1884 when a small one-room schoolhouse, known as Big Cypress Schoolhouse No.2, Dist. 6, was built. Over the years, elementary and high school students were provided separate facilities, and in 1955 the elementary was renamed Lamkin in honor of G.A. Lamkin, Jr., who served nine years as principal of Fairbanks Elementary prior to his appointment as district superintendent in 1947.

Cy-Fair, the third largest school district in Texas, has been named a "recognized" district by the Texas Education Agency.

MAY HAPPENINGS:

At the time this article needed to be sent in, we did not have enough people signed up for the May trip. The May Pot Luck Pictures and both our Game Night Pictures along with the trip pictures, if we had one, our posted on our web site.

JUNE ACTIVITIES PLANS:

Thursday, June 9th: Our Potluck Night at the Lakeside Trails Club House starts around 6:30pm. Plan on being there early, for some mixing and fellowship. We do not have a theme for the June potluck. Just bring something to share like a meat dish, casserole, salad, or a desert. Then plan on staying and enjoy some games, after eating. We had many stay the last few month and play various games, while finishing up the deserts.

Tuesday, June 21st: Game Night at the Cook's 6:30 pm. The directions are posted on the activities page, on our web site, and will also be in our June 18th email. This is always a pleasant gathering with great fellowship, plan on being there.

Thursday, June 23rd: Game Night at Lakeside Trails Club House 6:30 pm. We would like to have even more come out for this very enjoyable evening. Each month we are having a few more come out. We now have tables playing different dominos games and one table playing Sequence. If you have a favorite card or board game, bring it and teach the rest of us how to play; but be sure to get there.

For All Activities Other Than Trips: Call Mary Lou Cook for more details at 281-304-8359.

We recommend that you check our web site regularly, for the latest information. Things change from the time an article must be submitted to the Gazette and when you receive the Gazette.

JUNE TRIP PLANS:

Saturday, June 25th Kings Orchard / Plantersville, Texas. We will pick blueberries, \$3.00 a pound, for about an hour. Then make are way to the Farmers Market, where you can pick-up some fresh fruits and vegetables. We then have lunch at Eatzi's, this restaurant is a real treat, I hear. Our last stop will be at the Central Market; and this store is a store you must see. Cost \$2.00 per person, plus your berries and lunch. NOTE: We need a minimum of 10 people for the trip or the trip must be canceled. Call Mary Lou Cook at 281-304-8359 to get your name(s) on the list, there still is plenty of room. ADULT SWIMMING IN FAIRFIELD

Lately, there have been lots of adults using the pool for exercise. Not only is swimming fun, it's very good for the mind and body. Here are some points to keep in mind:

1. Be safe (never swim alone, and learn about personal water safety).
2. Improve your stroke technique so swimming is easier (faster) and you can gain more benefits from this great sport. The Texas Terrapins coaches can help you with this.
3. Swim to help you get into shape after an injury from another sport or condition (swimming is the sport that most doctors recommend for back trouble, asthma, any bone or joint injury, etc.).

With interest in this sport growing in Fairfield, the Terrapins are considering adding a Master's program. If you are interested or would like more information on swimming, and being safe around the water, contact Coach Barbara @ swimbarb@igg.net.

WATER SAFETY – A TOPIC REVISITED

By Barbara Harold, Head Coach for the Texas Terrapins Swim Team and FAST in Fairfield

Although I have addressed this in a previous article, the subject is so important that it warrants repetition.

Flotation devices on young children must be used sparingly or not at all (except when a young child is on a boat or in and around water that you cannot see the bottom). When a child is put in a flotation device and set free to roam the pool, the child learns three things:

1. They can go anywhere in the water without help or supervision
2. When they jump in, they simply need to hang there and they will pop up
3. Swimming is a vertical movement, powered by "bicycling" the legs. So many young children that have been introduced to the water this way have extreme difficulty with:
 1. Knowing their true limits and boundaries in the pool
 2. How to swim back to the side after jumping or falling in
 3. Getting their body to balance horizontally

Many are terrified to be in the water without flotation, and others (most) will act the same way without flotation and will put themselves in extremely risky situations. They have not developed a respect for the water or simple movements that could save their life. The BEST way to protect your child in and around the water is to get into the water with them and teach them where they go independently and when they need to have parents' attention to "swim."

ALWAYS KEEP YOUR CHILD IN DIRECT EYESIGHT AND WITHIN

AN ARMS REACH.

If they accidentally fall off the steps, gently turn them back and place their hands on the top step or side. Hold their forearm when you do this as it's best for the child to not grab onto you, but the side or steps. Also, teach them to get your attention before swimming to you from the steps and to follow your commands instantly.

ALWAYS PUT YOUR CHILD AND YOURSELF IN COAST GUARD APPROVED LIFE JACKETS WHEN ON A BOAT.

Wearing a lifejacket in a boat is just like wearing a seat belt in your car – it can save your life if you get in a wreck. It doesn't matter how good of a swimmer you are if you get knocked unconscious. Many good swimmers have died this way and a few children have actually watched as their parents drown after falling off the boat without a lifejacket.

Parent/Child classes are being taught in Fairfield this summer, so check the front desk for openings.

For more information on Water Safety, go to our website to print out rules for backyard pool safety, open water safety, and more. Go to www.texasterrapins.com or email Coach Barbara at swimbarb@igg.net.

Fairfield Kids Club Preschool

We are registering for our fall 2005 program. We are offering 2,3,4 or 5 days for the 2's, 3's and 4 yr. olds. Please come into the Fairfield Athletic Club and pick up a registration packet. You can turn in your registration to the front desk anytime the club is open. We also currently have openings. If you want to give us a call we can give you more information about the days that are available. Please ask to speak to Charlotte Byrne at the FAC at 281-373-0834.

Adult Lap Swimming

If you are over the age of 18 you can sign a waiver and lap swim when the FAC is open. The only time that lap swimming is not available is when swim team practice is going on in the afternoon from 4:30 to 7:30pm. If you have any questions about lap swimming please call the FAC at 281-373-0834.

Deep Water Running and Strengthening/Toning

Class designed to welcome men who love to run on land!

Fee is 25.00 per month per person, no refunds or discounts or pro-rated amount. Class continues as long as there are 8 enrolled each ~~Before and After School Counselors~~ Please register and pay at the front desk of the FAC and show instructor your receipt.

Monday nights at the FAC from 7:15 - 8:45pm

Instructor: Michelle Guppy - MichelleMGuppy@yahoo.com

Class is designed to challenge all fitness levels - especially those who want an athletic workout without the impact of land running or land aerobics.

You do not need to know how to swim to participate. An Aqua Jogger or water "noodle" will provide buoyancy. A pair of Delta Bells, Dyna-Band, and lower body toning band, is recommended for the strengthening and toning components of class, but are not required to participate in class. Instructor will not provide those, purchase information will be provided by instructor. (instructor has a limited supply for you to purchase at a used discount... first come first serve)

Please note: Warm Up and Social time is 7:15 - 7:30.

Class starts at 7:30pm, and the pace is such that I ask participants to not congregate side by side to talk during class...So bring your water bottle, your aqua jogger or a thin water "noodle", and I'll see you in the pool starting Monday nights in May!

There will be no lifeguard on duty during class, and so each participant will need to register and sign a release waiver before participating. Please check with your doctor if you have any health concerns or possible medication issues related to aerobic exercise in the water.

Sincerely,

Michelle M. Guppy

Did You Know? *In Jesus Christ we have redemption through his blood, the forgiveness of our trespasses, according to the riches of His grace 8 that He lavished on us in all wisdom and insight. 9 He did this when He revealed to us the mystery of His will, according to His good pleasure that He set forth in Christ, 10 toward the administration of the fullness of the times, to head up all things in Christ—the things in heaven and the things on earth* (Ephesians 1:7-10).

Ephesians 1:4 says that God the Father chose some for salvation, and He did it before the foundation of the world. He did this in love for the purpose of having a holy and blameless people to worship Him. He also predestined those who would believe in Jesus Christ, in Eph. 1:5, to be His adopted sons through Christ.

Now in the same way that God the Father chose some for salvation, it was God the Son who redeemed those whom the Father chose. The second member of the Trinity, Jesus Christ, redeemed God's chosen elect *through his blood*. The term *redemption* in v. 7 concerns slavery. Slaves were bought and sold on a slave block. Those who purchased them would pay the required price, and the slave would enter into service. Jesus *redeemed* those whom God chose through his death on the cross. Jesus purchased sinners, not with money, but with his blood – with his death. This brought about the forgiveness of sins – the one thing that separates man from God. Jesus Christ the Son accomplished this in accordance with the riches of God's grace

which was *lavished on us in all wisdom and insight* (v. 8). In other words, God poured out His grace on us through Jesus Christ's death. This act was both wise and full of insight because God knew that no one would seek Him or come to Him without His grace which draws them.

God's ultimate salvation was given to His chosen children when He revealed Jesus Christ who is *the mystery of His will*. Jesus revealed the mystery of God's will by making known what was once a secret. His death and resurrection were the means by which God the Father would bring those whom He chose at the foundation of the world to eternal salvation. And it proved Jesus Christ to be the *head* over all things – the King of kings.

Salvation first comes through God the Father's *choosing* and through God the Son's *redeeming*. It's all done as part of God's perfect plan to ultimately fulfill what He has ordained to occur. Since man cannot go a day without sinning God graciously sent Jesus to save all those who would place their faith in Him alone for salvation.

Come worship at **Harvest Bible Church** this **Sunday at 10:30 a.m.** You can call our church office at 281-304-1441 or consult our website at www.harvestbiblechurch.net.

A Simple Way to Invest in Stocks

It's called dollar cost averaging. You simply invest a regular amount of money into stocks each month. Although this can't guarantee a profit or prevent a loss, your money buys more shares when prices are low and fewer when prices are high.

Call or stop by today to set up a plan that's customized for you.

Dollar cost averaging is a long-term strategy, so you should evaluate your ability to continue investing through up and down markets. Stocks are subject to market value fluctuation, and if sold, may be worth more or less than their original cost.

Fairfield Church of Christ (Mason Road and Chappell Knoll)

"Discovering the Heart of Christ, in the Heart of Fairfield."

A Touch of Kindness! It seems so natural, nannies playing with babies. But in China, reports CBS News Correspondent Barry Petersen, it's not the norm. In huge orphanages, with too many babies and too few staff, babies can get virtually no attention; left in a crib all day long, almost never talked to – or touched. Now that's changing, thanks to one woman: Jenny Bowen, of Berkeley, California.

"What we give to the children is the gift of nurture, individual care," says Bowen. What inspired her crusade was Maya. Bowen adopted Maya from China six years ago; she was expressionless, dull-eyed, locked in solitude. Bowen worried that Maya might be mentally ill. But after lots of caring and caresses, she realized she was wrong. Bowen thought that what worked for Maya could work across China. She started raising money to train and pay special nannies in a program called Half the Sky to help all the little abandoned babies who may never have parents of their own. "Once it started happening and the results were so successful, it swallowed up my life," Bowen says. "Once you start there's thousands of kids out there you can reach and whose lives you can really change."

In three years they've expanded to 13 orphanages – a drop in the bucket here, but 2,000 tiny lives changed so far. Maybe it seems obvious that touching and holding a child is a good thing, but scientific researchers have discovered that touching a child actually helps release the hormones that help a baby both mentally and physically. As one researcher put it, it's as important to touch a child as it is to

feed it. The older kids are the obvious success stories, children who got the nanny touch as babies and now seem completely engaged and playful. So maybe it's true, it is the simple things that count; as simple as a touch that can change a life forever. —copied

I want to personally invite you and your family to take a little time out this Sunday and come to church and receive the personal touch from the Holy Spirit of God that will change your life forever. Please take a look below at our worship times and other activities we have and drop by some time. We would love to meet you.

On Sunday mornings; Bible Classes for babies to adults begins at 9:30am. Each bible class is taught by loving, well prepared, Christians utilizing the latest in educational techniques and finest bible curriculums.

Worship is at 10:30am and each service is carefully thought out and planned by our worship ministry leaders. Every service is meant to bring glory to the name of Jesus and help each person realize how wonderful it is when you fall in love with Jesus as your savior.

At 5:00pm on Sunday evenings we spend time in prayer, praise, and casual conversation about God's word and how it applies to our daily lives.

Each Tuesday is a special "Ladies' Brown Bag Lunch and Prayer." Ladies come together at 12 noon and spend time eating and fellow-

VBS will take place this year during the week of June 27th - July 1st, from 9am-12pm. This wonderful program is open to children 4 yrs old (as of September 1, 2005) through those entering the 6th grade. All the workers are ready to lead you on this journey so come be a part of the safari!. If you have any questions please email our VBS Leadership Team at vbssumc@yahoo.com.

YOUTH:

Get ready for SUMMER. Yes it may be a little early for the pool, but not too early to start marking the calendar.

District Camp

For all youth entering 5th grade through those in their senior year of high school there is church camp the week of July 18th – 22nd. There

are really three different camps split between the younger campers, junior high and senior high. This always is a great way for your youth to grow his or her faith.

Summer Mission Trips

Our Senior High group is headed to Marshall, Texas July 3rd - 9th for the 2005 U.M. Army trip. Our youth will be joining with groups from other churches for a week of home repair and maintenance for those unable to manage themselves. This is a great opportunity for the kids to put meaning to their faith and to be a witness to those they serve. Of course they also have a lot of fun with plenty of fellowship time. Kids leave for their first camp with a spirit of skepticism; they return with a great servant spirit and a desire to grow in their service.

This has become a fun annual tradition at Good Shepherd. Come ready for whatever your afternoon plans include – leave the tie at home for sure on these Sundays: June 12, July 10, August 14 and September 4th. On these four Sundays everyone should pull out his or her Hawaiian shirts. It just adds color to the service and everyone feels a little more comfortable.

LIFE GROUPS

Small groups are a great way to build new relationships with people through a variety of activities such as: Bible Study, Marriage enrichment, attend sports events, date night without the kids to name a few. Many life groups meet in homes while others meet at the church or other outside locations and work together to deal with the issues of childcare if required. Register today at www.cypressgs.net or call Rick Ivey at 281 373 2273.

WE ARE A COMMUNITY THAT BELIEVES IN THE POWER OF PRAYER:

"And pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep on praying for all the saints." (Ephesians 6:18)

It is easy to become overwhelmed and discouraged in a world that seems to be coming apart at the seams. There is often so much need

around us that we wonder if there is anything we can do to make a difference and if we can stand up under the strain of life-gone-wild. But there is one thing every one of us can do and that is to pray. When you see things happening that you don't understand and can't change...pray. When you wonder if there is any sense in life and if people can get any worse...pray. When you witness awful tragedy in the lives of others and want to do something to help...pray. Prayer is the one thing that every one of us can do and prayer brings us closer to God and to an understanding that in our prayer He can use us and bring us strength. Join us in this community of prayer. If you are hurting and need someone to pray with you call the church office. If you have requests that you feel uncomfortable discussing there is even a space on our website, but regardless of how you communicate, let us join with you in asking God to come along side and ease your burden.

COME VISIT, COME JOIN

Are you looking for a vibrant church family that is growing everyday? Our church is a seven-day a week church with many activities for all. Check out GSUMC and begin the journey. Messiah Lutheran Church

Messiah Lutheran Church is a congregation of the Evangelical Lutheran Church in America (ELCA). What does that mean, you may ask? Bishop Margaret Payne, Bishop of the New England Synod of the ELCA describes ELCA Lutherans in this way: "The capsule version of what it means to be Lutheran is to live daily with an awareness of God's grace. There are other important matters. We drink a lot of coffee and we love to eat together. Also, we know that we are in right relationship to God because we are justified by our faith in Jesus Christ and not by anything we do or don't do. We see the Bible not as a handbook for moral behavior, but as a source of wisdom for life in the compassion and peace of Christ... We are a people who cherish Word and Sacrament as the center of our life of faith. Another peculiarly Lutheran trait is to see every human being as both saint and sinner. That tension is both agonizing and profoundly true. It is much easier to say: 'There is a good person' or 'Those people are evil.' But Lutherans believe that we live in the tension of knowing that there is good and evil in every human heart. We struggle to increase goodness and battle against the evil that is both within us and all around us."

Messiah Lutheran is a grace place. All people are welcome to worship, learn, sing, eat, and play with us. Upcoming special events are: Vacation Bible School, June 13-17, 9-12 noon; Camp Hope, a day camp for 1, 2, or 3 weeks, July 11-29; new adult Sunday School discussion, The History of the Bible in English beginning June 5, and

a divorce support group beginning June 7. Contact the church office for further details.

Messiah is located at 11522 Telge Road, ½ mile north of Highway 290. Regular worship times are 6 PM on Saturday evenings (a casual service of song and sacrament), and traditional worship at 8 and 10:30 AM on Sundays. The Education Hour is 9:15-10:15 AM on Sundays. For more information, 281-890-3013 or www.messiahlc.org. All people are welcome at Messiah.

Keeping Swimmer's Ear At Bay

If you've ever had swimmer's ear, chances are you've wanted to pull the plug on the pain.

"When water is trapped in the ear canal for a long time, the skin barrier is weakened," said Dr. Jeffrey Vrabec, an associate professor of otorhinolaryngology at Baylor College of Medicine in Houston. "Bacteria can then enter the skin, causing an infection that can become very painful."

Swimmer's ear, or otitis externa, is an inflammation of the outer ear that is most often caused by the accumulation of excess moisture from swimming or daily showering. Symptoms of swimmer's ear include swelling, redness, itching, muffled hearing and/or discharge from the ear. Antibiotic drops are used to treat the condition, and pain can be lessened by applying a warm cloth to the ear or by using a heating pad.
