Board Notes April 2005

The board of directors of Lakes on Eldridge Community Association met on April 18, 2005. The following is a summary of what was discussed.

The Board reviewed the financial statements for the month ended March 31, 2005. The Association had cash balances of \$448,975 in the Operating Fund and \$131,559 in the Replacement Fund. For the three months ended March 31, 2005 the Association had Total Income of \$212,091, Total Expenses of \$217,320 and an Operating Deficit in the amount of \$5,229. The financial statements were accepted. The managing agent was asked to investigate why landscape charges in March were over budget.

On a motion duly made the Board accepted the insurance appraisal from Fisher-Smoucha and instructed the managing agent to have the insurance agent increase coverage from \$1,000,000 to \$2,000,000. The additional premium was \$4,000 annually for the increased coverage.

MUD 341 denied the request for the removal of the no fishing/no swimming/no boating signs around the lakes due to liability concerns.

The managing agent reported on the completion of action items from the March meeting and reported that the mirrors in the outside restrooms were being replaced with superior mirrors at a total cost of \$580. Exterior Options was power washing the breezeway and outside area of the Beach Club in preparation for the swim season.

The managing agent reported there were 261 active service requests and that 77 had been closed and 130 new items opened during the month of March 2005.

Board meetings are generally held on the third Monday of the month at 6:30pm at the Beach Club. It is recommended that homeowners who wish to attend confirm the dates with AMI since they change occasionally. In addition, homeowners are welcome to bring business before the Board but are required to inform AMI of their intention to do so in order to be placed on the agenda.

Yard of the Month at Lakes on Eldridge

It's time for yard of the month. LOE would like to recognize those neighbors whose yards stand out from the rest. The extra time, energy and money these residents expend on their lawns, and the imaginative touches they bring to their landscaping not only enhance the value of the homes around them, but also foster a positive image of the entire neighborhood. If you would like to

nominate one of your neighbors for the Yard of the Month please contact one of the Yard of the Month coordinator: Michelle Perez 832-731-0943 or mperez51@houston.rr.com. First yard to be selected in June. Watch for June winners in July newsletter.

Do You Have A Multi-colored Awning Or Cover?

Several years ago, the LOE Board decided that only earth-tone colors would be allowed for awnings or other fabric outdoor covers (i.e.; tan, brown or green). Accordingly, no non-compliant awnings were approved anywhere within LOE, and existing violations were expected to be phased out by attrition. There are, however, still some homes that have rainbow or other bright multi-colored ones. The Board discussed this at a recent meeting and decided that a reasonable phase-out period was the best approach. All rainbow or multi-colored awnings or other fabric outdoor covers must be changed to earth-tone colors by the end of 2006. If you have a multi-colored awning or cover, please plan to change it to earth-tone by that time.

Lakes on Eldridge

Gate Repair Group Report

The Gate Repair Group, which operates under the Crime Awareness Committee, has been in operation for about a year in Lakes on Eldridge. The main objective of the Gate Repair Group is to keep the entrance/exit gates at Eldridge Parkway and the two Tanner Road gates operational as much of the time as possible. A second objective is to minimize the need to call for professional maintenance to keep our gates functioning and thus reduce costs. We reasoned that there should be a number of residents in LOE with the necessary knowledge and skills to make minor repairs on the gates who would be willing to volunteer their time and expertise for this cause. There are currently several residents providing this valuable service to the residents of LOE, helping to improve gate reliability and reducing expensive maintenance call-outs.

There are two types of gates in use in LOE. The "swing" type which is employed

at the entrance from Eldridge Parkway, and the "draw" type which rolls on track and is used at the Eldridge Parkway exit and the two Tanner Road locations. A major maintenance problem with the gates results when careless or impatient motorists hit the gates with their vehicles and damage the mechanism or knock the wheels off the track. Please drive slowly and carefully to avoid damaging the gates or scratching your vehicle. When trucks, RVs or heavy SUVs speed across the tracks, the tracks are subjected to excessive wear and tear with resulting downtime and increased maintenance costs. We hope it will not be necessary to install additional "speed bumps" to control this problem.

High traffic volume during summer rush hours often causes the electric motors to overheat and shut down, resulting in the gates becoming stuck partially open or closed. If you observe this condition, please notify the gate attendant (713-937-8825) or AMI

(713-932-1122). The Gate Repair group will investigate and attempt to make repairs, or if necessary, call for professional maintenance. If you have trouble getting the gates to open using your remote "clicker", check your battery before calling AMI to arrange to re-program or replace your clicker.

The entrance side of the Tanner Road/Ginger Ponds gate has recently been upgraded to a new two-motor system. Each of the other gates employ a single ½ hp motor to both open and close the gate. We believe that the two-motor system will provide better service and reliability, especially during afternoon rush hours.

We ask for your continuing cooperation and patience as we continue our efforts to make our community safer through good gate maintenance.

LOE Dolphin Season is Underway

By the time this goes to print, the Dolphin Swim Team will have had their first few swim meets. Coaches Sabrina and Angie have all of the swimmers motivated to do their best and most importantly have fun. Our swimmers are strong and competitive. Keep up the good work! The first pizza party was held on Friday May 6th. The swimmers had fun building sand castles together for the annual sand castle contest. Everyone was a winner! Time trials were held on May 13th to set the standards for the first meet. Everyone tried their best.

Divisionals and the Red, White, and Blue Invitational meet are coming up at the end of June. The End of Season Party will be held at Pecans Grill and Bar (on Tanner) Monday June 27th @ 6pm.

Listed below are the wonderful Dolphin sponsors. Please patronize these businesses whenever possible.

Learn What God Is Like At The Summer Bible Study

Many people know about God, but they don't really know what God is like. The Ladies' Bible Study at Lakes On Eldridge will answer the questions, "What Is God Like?", "Where is God?", "Does God Know Me?", "Who Can Know God?", and "How Can I Please God?" in a six week study by Stonecroft Ministries. Stonecroft is an interdenominational organization dedicated to bringing God's Word to the people.

The study will be held in the Beach Club at Lakes On Eldridge every Tuesday from 10:00-11:30 am, beginning June 7 and running through July 12, 2005. All L.O.E. ladies, their friends, and teenage daughters are invited to attend. Seating is limited so make your reservations now by calling Stephanie at 713-560-0042 or sending an e-mail with your name and the names of anyone you wish to bring to sableggett@aol.com. The study guide costs \$3.00.

LOE Book Club

We get together in the clubhouse the 4th Thursday of each month at 7:30 P.M. Call or e-mail Celeste Fritz, 713-896-6942, cfritzt@houston.rr.com for additional information. Discussion is usually led by the person who nominated the selection for the month.

June 23rd - *Stolen Lives* by Malika Oufkir. On August 15th, 1972, Malika Oufkir was probably the most privileged teenager in all Morocco. The eldest daughter of King Hassan II's top aide, she had been raised in the opulent seclusion of the monarch's harem. But within 24 hours, her father would be tried and summarily executed for treason, and she and her entire family would be arrested and imprisoned in a remote desert penal colony. For the next 20 years, her accommodations would only grow worse. Malika Oufkir's memory of her 20-year incarceration -- most of it in vermin-infested solitary confinement -- rivets your attention and educates your senses.

July 28th - *The Other Boleyn Girl* by Philippa Gregory. When Mary Boleyn comes to court as an innocent girl of fourteen, she catches the eye of Henry VIII. Dazzled by the king, Mary falls in love with both her golden prince and her growing role as unofficial queen. However, she soon realizes just how much she is a pawn in her family's ambitious plots as the king's interest begins to wane and she is forced to step aside for her best friend and rival: her sister, Anne. Then Mary knows that she must defy her family and her king, and take her fate into her own hands.

A rich and compelling tale of love, sex, ambition, and intrigue, *The Other Boleyn Girl* introduces a woman of extraordinary determination and desire who lived at the heart of the most exciting and glamorous court in Europe and survived by following her own heart.

What is Lampe Berger?

People are talking about this thing called Lampe Berger but what is it?

During formal dinners in France and through out Europe, the hint of rose in the room had long been a ritual for centuries and often coincided with the lighting of the after-dinner cigar. The pure and light scent of the rare rose perfume comes from the Lampe Berger.

As common as afternoon tea in Britain or dinner by candlelight, the Berger Lampe is a long time French tradition. Not only is the fragrance of rose delightful year 'round, but it also destroys smoke and unpleasant odors.

Over one hundred years ago Maurice Berger, a pharmacist, discovered the catalytic qualities that enable Lampe Berger to absorb and destroy offensive odors and tobacco smoke. Today, they continue to operate according to this same unique method.

What is Lampe Berger and how does it work?

Lampe Berger is a decorative fragrance lamp that effectively destroys odors and bacteria in the air while increasing oxygen levels and perfuming your environment. Lampe Berger uses a catalytic burner that reaches 140 degrees Fahrenheit to combust a special alcohol based liquid fuel. The burning fuel releases molecules into the air that capture and destroy odors while dispersing essential oils.

Are there benefits in using Lampe Berger? Yes! Within just a few minutes of use Lampe Berger purifies the air by destroying odors and airborne bacteria. It increases oxygen levels in the air. The fuels contain essential oils that are made from natural botanical extracts. These oils perfume the air and provide aromatherapy.

The history of Lampe Berger: Maurice Berger patented the Lampe Berger in Paris in June of 1898. During the early 1900's, French institutions where hygiene was most important such as hospitals and mortuaries. At that time the lamps used methyl alcohol, which gave off formaldehyde on combustion. It was efficient but smelled unpleasant.

In 1927, Maurice Berger sold the company to Jean-Jacques Falliot. He changed the process to use ethyl alcohol, which has the sent of apples on combustion. This change moved Lampe Berger into the consumer market. Falliot began collaborating with the great bottle designers of the period including Galle, Lalique, Baccarat, Saint-Louis, Sabino and Tharaud. In the 1930's sales reached approximately 20,000 lamps a year. Exports began, but had mixed success. Many failed because ozoalcohol was considered a perfume product and was taxed as a luxury item.

Lampe Berger suffered during WWII. Falliot died in October 1940. His son, Gilbert, succeeded him. To further the company's problems, raw materials became almost unobtainable, and then bombing in

1943 damaged the factory. Following the war, production began gradually since raw materials were still difficult to find. The war resulted in a lower standard of living, therefore production of luxury crystal models were abandoned and the porcelain and earthenware models were created.

By 1973, Lampe Berger was producing 80,000 lamps per year and the company was sold to the retired industrialist, Marcel Auvery. His son Phillippe took over in 1989 and in 1992 he set up the first Lampe Berger subsidiary in New York. In 1998, Lampe Berger began the prestigious signature line of lamps by famous designers. They also began using new materials such as enamel, pewter and opaline.

Over the years, Lampe Berger pieces have become highly sought after and collectible. While new styles are introduced each year others are retired making them much more valuable and much more difficult to obtain. There is a Lampe Berger for every budget with prices ranging from about \$45 for a complete kit to several thousand dollars. Many people buy several lamps to use in different areas of their home or offices and many people purchase them just to collect the unique and beautiful designs.

As for fragrances, there is a choice of 43 fragrances, all natural, floral, ambers, sweet, spicy, classic, and contemporary, to help create a special atmosphere in homes, offices, waiting rooms, and wherever there is a need for comfort and well-being.

When opening my store in 1995, I researched this product through the library's archives. I contacted the distributor in New York and sought after a product that would bring my customers back to me month after month. After reviewing the Houston market I found that no-one in Houston was carrying these little beauties, I was willing and able to give them a chance when no one else wanted to invest. I did!!! Now after 10 years it's the latest craze. My philosophy about Lampe Berger is: "If they didn't do what they were designed to do, they would not still be on the market after 100 years."

To see more than 130 designs, and to view my retired lampes collection, stop by **Burning Desires 6370 N. Eldridge pkwy. @ the kroger signature, 713-937-4600**, Monday – Saturday 10:00 am – 7:00 pm. We will be happy to demonstrate how the lampes work.

Exclusive offer for LOE & LOEN residents, The first 10 residents that purchase a Lampe Berger will receive a **free** demonstration DVD about the history of Lampe Berger..

Lakes on Eldridge

Northwest Harris County Division Heart Walk

Terry Wheeler, President and CEO of the Cypress Fairbanks Medical Center, will chair the 2005 Northwest Harris County Division Heart Walk on Saturday, October 29, at Cy-Fair College. Incoming Division President Patricia Harless announced today.

"We are particularly proud to announce that Terry has made this commitment to our division and to our community," Harless said.

Wheeler said he is excited to chair because the event will not only raise funds for research and education but it will also "creates awareness of heart healthy habits like regular exercise".

"There is nothing better than cultivating a healthy habit like walking and combining that new habit with raising funds for the lifesaving research and public and professional education programs the American Heart Association provides for our community," Wheeler added.

Wheeler hopes sponsors and walkers will be able to raise \$125,000 for the American Heart Association. His organization, both through sponsorship and walkers, has committed to raising \$25,000.

The American Heart Association raises money for the fight against heart disease, the leading cause of death and the number one congenital birth defect. Research is the center of their mission. By the year 2010, the American Heart Association will strive to reduce death and disability from cardiovascular disease and stroke by 25 percent.

Interested walkers, team leaders and sponsors can contact Carly Person at 713.610.5000 or at carly.person@heart.org.

June "Perspective"

In an effort to provide you with important information about Cy-Fair College, "Perspective" was developed. This column provides the latest information about news and events. Here is a sampling of what's going on:

Don't Miss Out on Our Summer Reading Programs

Cy-Fair College's Summer Reading Program for youth up to age 13! Sign up at the Cy-Fair College Branch Library to get cool stuff to read this summer. There will be many free programs and activities. Pick up a Summer Reading Program calendar for details. The Teen Summer Reading Program runs from June through July. There will be library book clubs, online book clubs and a variety of interesting and fun activities. The full schedule will be on the Teen Activity web site in May: <http://faculty.nhmccd.edu/elsheppard/activities.htm>.

Add a Little L.I.F.E. to Your Week

The Learning, Inspiration, Fellowship and Enrichment (L.I.F.E.) programs are free and held Wednesdays at 10 a.m. in the Cy-Fair College Branch Library (Room 131.) Past programs have included digital photography, cooking lessons, holiday crafts, internet use, Forbidden Garden field trip, book discussions and more. Call the library at 281-290-3213 for L.I.F.E. program information or check the library web page online at cy-faircollege.com/library.

Classic Summer: Thrills, Chills and Chuckles

The Cy-Fair College's Summer Film Series kicks off June 9 at 7 p.m.

with "All About Eve." The series will feature seven classic Hollywood films with a special emphasis on Alfred Hitchcock, including "The Birds", "Rope", "Rear Window" and "Vertigo." The series ends in August with "Harvey" and "Casablanca." The series should be "an entertaining ride through American cinema from the 1940s to the early 1960s." Films, shown as a continuing education class, are held and discussed at Barker Cypress campus, Art 102, at no charge to students or the community. Go online at: http://faculty.nhmccd.edu/roboobrien/Film_Series.html for information.

Help Our Community Garden Grow

The Community Garden is under way at Cy-Fair College. Radishes, lettuce, tomato plants and spinach are flourishing. Produce has been donated to an area food pantry. Join this group Saturdays at 9 a.m. in the garden (west of the library) or in the Cy-ber Café when raining. Anybody interested in helping out Wednesdays at 1 p.m., contact Charles Beresford at charles.e.beresford@nhmccd.edu or 281-550-7338. Enrollment in the "Community Gardening" CE course is required for membership, but volunteers and the "just curious" are always welcome. Old muddy shoes and work gloves are recommended. For information, contact Rob Coyle at robert.a.coyle@nhmccd.edu or visit <http://faculty.nhmccd.edu/rocoyle/Garden.htm>.

Christian Women's Club Meets At Pine Forest County Club

Christian Women's Club meets on the third Wednesday of every month at the Pine Forest Country Club. The meeting includes a special feature, guest speaker, and luncheon. The cost is \$17.00. You do not have to be Christian to attend. Complimentary childcare is provided at a nearby church facility. For more information or to make reservation, e-mail SABLeggett@aol.com or call Mary at 281-277-7090.

LOE Stitchers

The stitchers are having a great time. We will be starting a "new resident" welcome committee soon, so watch for information in the newsletter.

Currently, stitchers are working on grandbaby sweater sets, newborn baby caps for the hospitals, afghans, quilts, fun fur scarves and needlepoint.

If you would like to learn how to knit, crochet, or any other needlework, we would be glad to help you learn. And even if you don't do any needlework, please come and join us for refreshments, fun conversation and neighborhood fellowships on any Thursday at the clubhouse from 9:30am-12:00pm.

For information call Catherine Spellings at 713-896-1652 or 713-628-7083.

Need To Post A Sign??

Every now and then you need to get information to the community in a quick manner. You type up your sign and tape it to the gates. It usually rolls or folds back because it is not very secure. Then when you are done, more than likely, there is tape residue left on the gate. Not a very pretty sight.

So here is a somewhat better solution. There will be black magnetic clips, and small poster board donated at the guardhouse. Type up your sign as usual, drop by the guardhouse, tape your sign to the poster board, and pick up 4 clips for each sign that needs to be posted. Use the clips at each corner of your sign and magnetically adhere to the gates. It's less messy, looks prettier and gives us a uniform style of posting information. When you are finished, please return all clips to the guardhouse.

If you need help typing up a sign, you can contact Michelle at 832-731-0943. If you would like to donate some clips or poster board, drop off at the guardhouse. (clips should be the black magnetic kind)

Also, get your information to the Webmaster to post your information on our website. See article about website for information.

Vehicle Decal

We cherish our life behind our gated community. It's quiet, pleasant, and private and it limits the amount of people who can come in. Therefore, all resident vehicles must display the proper LOE decal to enter the community. This is in effort to reduce the amount of unauthorized traffic in the community.

Vehicles that do not have a proper vehicle decal displayed will be asked to show identification to enter the community. If you need a decal, you can contact AMI at 713.932.1122.

www.maids.com

Because a cleaner home is a healthier home, and Nobody Outcleans The Maids.®

Our patented **Back Pack Vacs** can capture up to 99% of dust, allergens, bacteria, pet dander, pollen and other pollutants. And by taking them out, your family can't breathe them in.

Also, our Vacs extend to clean the tops of ceiling fans, along baseboards, and to reach deep under beds and other places that often don't get cleaned at all.

Plus, our Vacs are just part of what we do.

- Our uniformed teams are bonded, insured and thoroughly trained.
- Our standards are so high, our teams actually clean kitchen and bathroom floors on hands and knees.
- Our 22-Step **Healthy Touch® Deep Cleaning System** is your reassurance that we'll clean every area.
