Meet the Teacher Night

*Monday, August 15 for MW, WF, MWF and M-Th Classes
Tuesday, August 16 for MTTH and TTH Classes*

It is hard to believe that another school year is right around the corner. Our teachers and staff are getting ready to welcome all the new children to their classes. Our students should be receiving a postcard this week letting them know which classroom they are in. We are looking forward to Meet the Teacher Night and the first day of school!

Little Lambs Mother's Day Out and Preschool is a weekday ministry of Good Shepherd United Methodist Church serving children 18 months of age to 5 years old. We offer two, three and four day program options depending on your child's age. We have a couple of openings in our 3's WF classes and 4's TTH classes.

Please visit our website at littlelambsmdo.org for more information about our program. If you are interested in enrolling your child in our program, please call 281-373-0052.

Teachers to be Honored at "Salute"

Cypress Ridge High School's cafeteria will be transformed on Oct. 20 into a ballroom with cloth-covered dining tables and guests resplendent in black tie and evening gowns for the eighth annual Salute to the Stars gala. Sixty-three outstanding teachers from Cypress-Fairbanks Independent School District will be honored while funds are raised for Cypress-Fairbanks Educational Foundation.

Both live and silent auctions will be held during the event. Table sponsorships and program ads may be purchased through Sept. 9. People interested in providing items for the auctions, sponsoring a table or purchasing an ad should contact CFEF Executive Director Becky Daniels at 832.615.5730. More information is available on the CFEF Website, www.thecfef.org.

Funds raised from the event support the Instructional Excellence Grant program; more than \$500,000 has been donated to CFISD since 1998.

CFEF has also awarded more than \$2.2 million in scholarships to more than 680 CFISD graduates since 1970, when the Cypress-Fairbanks Educational Foundation was established.

Cypress-Fairbanks Educational Foundation invests in the future by providing scholarship funds for qualified students seeking education beyond high school and by funding instructional programs and projects for the Cypress-Fairbanks Independent School District.

www.FairfieldSeniorsGroup.com A Fun-Loving Over Fifty Group

The Seniors of Fairfield are an active, fifty plus, fun-loving group of couples and singles who enjoy fellowship, monthly trips, and activities together. ***If you or your spouse are fifty or older***, a newcomer to Fairfield Village or have lived here in the Wonderful World of Fairfield for some time, but have never attended one of our functions you are cordially invited. ***Come and be a part of our fun-loving group.***

JULY HAPPENINGS:

We did not have enough people for the July trip to Bob Bullocks Museum and it had to be cancelled. We just had too many last minute cancellations. However, we had just enough for our June trip to the Kings Orchard, in Plantersville. The pictures from that trip will be posted under Trip Pictures / Kings Orchard.

AUGUST ACTIVITIES PLANS:

Thursday, August 11th: Our Potluck Night at the Lakeside Trails Club House starts around 6:30pm; plan on being there early for some mixing and fellowship. No theme for the August potluck. Just bring something to share like a meat dish, casserole, salad, or a desert. Then plan on staying and enjoy some games, after eating. We've had many stay the last few month and play various games, while finishing up the deserts.

Tuesday, August 16th: Game Night at the Cook's 6:30 pm. The directions are posted on the Activity Details page of our web site and will also be put in our August 14th weekly planner. This is a pleasant gathering with great fellowship, plan on being there.

Thursday, August 25th: Game Night at Lakeside Trails Club House 6:30 pm. We would like to see even more come out for this very enjoyable evening. We now have two tables playing dominos and a table playing Sequence. If you have a favorite card or board game, bring it and teach the rest of us how to play; but be sure to get there.

For All Activities Other Than Trips: Call Mary Lou Cook for more details at... 281-304-8359

We recommend that you check our web site regularly, for the latest information. Things change from the time an article must be submitted to the Gazette and when you receive the Gazette.

Our Web Address: www.fairfieldseniorsgroup.com

AUGUST TRIP PLANS:

Friday, August 26th Port of Houston. This trip is on an air-conditioned boat, so we will be out of the Houston heat. However, we need to know who is going by August 2nd no later, because of the high security, the names of those going need to be turned in three weeks prior to the trip, no additions can be accepted after that. Call Shirley Hearst at 281-373-4432 to sign-up. Cost is \$2.00 plus lunch at the Monument Inn. The departure time is 8:00am. Be there by 7:45am.

ADDITIONAL TRIP PLANS:

Wednesday, September 28th we go to NASA. In October we will have a Ghost tour. Then for November we plan a theater trip and December we will go back to San Antonio to see the Christmas lights on the boardwalk.

FAIRFIELD SENIORS WEEKLY PLANNER:

A planner each week is emailed to our members. It provides the latest information for the upcoming weeks events: activities, member birthdays, and other news of interest.

If you would like to receive this weekly email, send your email address to: Fairfield-Seniors@houston.rr.com.

School Supplies Needed Cypress Assistance Ministries

Time is getting nearer and we are counting on your community support. Families of hundreds of school aged children, in the West Houston, Cypress area, are depending on Cypress Assistance Ministries to give them assistance with the necessary school supplies.

As a parent you know how costly these start-up supplies can be. We are requesting your help with: Crayola Crayons, Washable Crayola markers, construction paper, 12 x 18 manila paper, 3/5-subject spiral notebooks (wide rule). Any other items would greatly be appreciated. Should you and your family, organization or church wish to make a cash donation towards school supply purchases, a tax receipt will be given.

Our volunteers will purchase, package and handle distribution. Donations need to be in no later than July 15. Should you wish to become a part of this wonderful experience, please give us a call at 281-955-7684, ask for Kelly Thomas, our coordinator. Your continued support makes our goals attainable. Thanks and as always, God bless.

Texas Terrapins

Our first year as the Texas Terrapins went very well. We had a TAGS qualifier for both seasons. Joey Bell qualified in the breast for the March (short course) meet and Courtney Connelly qualified in the 50 breast for the July (long course) meet.

We had two swimmers at the Gulfmps meet July 7 - 10th, Andrew Tharp and Courtney Connelly.

The Terrapins had a very successful and fun first Swimathon and other activities like field trips (we jogged to Toll House and Subway), Wacky Wednesday and Fun Friday throughout the year.

NEW SEASON APPROACHING

—Come and experience the Terrapin way! Registration for the short course/long course 2005-06 season is Tuesday, August 23rd, from 5:30 PM - 7:30 PM at the Lakeside Trails club house (Country Fair at Country Fair North).

For new swimmers, we offer a special deal. Get the first month's tuition free. Simply pay the USA registration and the team registration, and fill out all registration forms by August 31st.

Swimming year round is not only very beneficial, but flexible too. With group levels ranging from 45 minutes 2 days per week to 2 hours 5 days per week, it's easy to pick the group that will best fit your family's and your athlete's needs. Swim meets are about once per month (sometimes two) beginning in October and go through February (beginning of March for some) for short course, then pick up near the end of April for long course. Summer league swimmers CAN do both, but must give up USA meets during the NWAL meet season.

NEW THINGS THIS YEAR

Stroke & Turn - for those not desiring competition during the school year, this class is offered once or twice per week on a session basis. Swimmers should know 3 of the 4 competitive strokes for this class.

Special Olympics - if you have a special needs child that needs to learn to swim or to swim better, this is the program for you. We'll have athlete mentoring with our Junior level swimmers and lots of fun.

Parent/Child Class - this class will teach parents of children ages 4 and younger what they can do on a year round basis to help their children retain the comfort in the water they have gained over the summer. Safety and swimming development are well covered. Schedule is August 8 - 25, Tuesday and Thursday, from 6:30 - 7PM. **THIS IS THE ONLY TIME WE WILL OFFER THIS CLASS FOR 2005!**

Texas Terrapins Learn to Swim program offers mostly 5 week sessions on a year round basis. We offer group classes for ages 4 years & older, semiprivate for 3 years & younger and private classes for those age 11 and older.

FOR ADULT SWIMMERS

The Terrapins are offering a three week clinic for adults in August (August 8 - 25th, from 7:00 - 8:15 PM Monday through Thursday). We will then determine the need for a USA Master's Swimming program. We will offer adult swim lessons on a year round basis as needed.

For more information, visit our website, www.texasterrapins.com or email Coach Barbara @ swimbarb@igg.net.

Harvest Bible Church

Did You Know... Acts 2:42 says, “They [the church] were devoting themselves to the apostles’ teaching and to fellowship, to the breaking of bread, and to prayer.” Many churches today refer to themselves as “Spirit-filled” churches. Typically this means that they speak in ecstatic utterances (tongues) and/or play loud upbeat music in their worship gatherings. This, however, is not what was happening in the early church which had just been baptized by the Holy Spirit. Acts 2:42 reveals exactly what a true Spirit-filled church really is.

First, a Spirit-filled church is a Scriptural church – a Bible-centered church. The believers in Acts 2 *gathered around the apostles and their teaching*. They weren’t looking for esoteric experiences to boast of, rather they sought God through the study of theology! Anti-intellectualism and the fullness of the Spirit are mutually incompatible, for the filling of the Spirit and its subsequent fruits (Gal. 5:22) come as a result of studying biblical truth (Col. 3:16). The apostles’ teaching continues today in the pages of the New Testament which, along with the OT, is given for instruction, reproof, correction, and training for righteousness – so that Christians will be equipped for every good work (2 Tim. 3:16-17).

The second trait of a Spirit-filled church is the fellowship of believers. Fellowship is about partnering and sharing together. Hebrews 10:24-25 expresses fellowship well: “Consider how to stimulate one another to love and good deeds, not forsaking our own assembling together, as is the habit of some, but encouraging one another...” So it’s about being together and holding one another accountable. It’s certainly not about living the Christian life on an island, as it were.

Third, the Spirit-filled life is Christ-centered. This is clear in v. 42 in that the early church “broke bread” together. This can signify a regular meal together

(as part of fellowship), but more likely it has to do with the observance of the Lord’s Supper which is given by Christ as a remembrance of his death. Thus, the church gathering is Christ-centered, remembering the cross.

Finally, the Spirit-filled church prays (also part of its fellowship). Jesus had told the disciples to pray to the Lord of the harvest to send out workers into the harvest (Matt. 9:37-38; Luke 10:2), that is, pray to God that more people would believe. They knew that they were to be witnesses for Christ even to “the remotest part of the earth” (Acts 1:8), and more workers would be needed. Thus, a healthy church prays diligently for the things Christ told them to pray for.

The underlying theme in Acts 2:42 is Christian activity following the Spirit’s baptism which comes at the moment a person places their faith in Jesus Christ alone for salvation. The life that follows is a Spirit-filled life, and Galatians 5:22-23 says that the fruit of the Spirit is “love, joy, peace, patience, kindness, goodness, gentleness, faithfulness, and self-control.” We invite you to join us for worship at Harvest Bible Church each Sunday at 10:30 as we worship Christ through a study of the Scriptures. We are currently meeting at Ault Elementary. Call us at 281-304-1441 or consult our website at www.harvestbiblechurch.net

The Little Wet Gift

A mom in Indiana was always on the lookout to find a way to share the love of God with her children everyday. She soon came up with the idea of "The Little Wet Gift from God". Every night when the kids got out of the tub they would crouch down low, grab their knees, and tuck there heads. Then Mom would wrap a towel around them and scoop them into her lap. And then slowly and with much joy she would uncover their heads and say "Oh look at the present Jesus gave me!" Then after the little wet gift was dried and dressed she would take their hands and thank God for the wonderful gift He had given her. It became the highlight of the kids nightly routine.

Always remember to look for the little ways to put God into your everyday life!

Non Denominational Spirit Filled

School Bells are Ringing!

The lazy days of summer are coming to an end, time is flying and the countdown to back to school is well on its way. Schedules are becoming more hectic as calendars are loaded with shopping trips for new clothes, books, uniforms, and school supplies. For every two steps forward, you take four steps back-wards. Life is no longer a rat race, but an endless merry-go-round ride.

You need a break and that break is as close as Fountain of Life Fellowship, 15010 Mueschke Road. You are probably thinking, "Oh no, I don't have time to go to church. I simply can't add one more thing to my calendar." Wait!! What if attending a church worship service or a mid-week bible study could be like a breath of fresh air or better yet, offer a place of rest? Shake up your family's life and take heed of God's advise to "*Come to Me, all you who labor and are heavy laden, and I will give you rest.*" (Matt 11:28)

Come, enjoy the fellowship, peace and love offered by our heavenly Father through His church. We are the church for you and your family!

Ministry The Heart of Worship

The first week of each month we take the opportunity to reach out into our community through ministry. Our current ministry paths are crisis pregnancy center ministry, nursing home ministry, and foster home ministry. We reach out into our community through groups we call Care Groups. What an important time of refreshing, to feed our body, Soul, and Spirit. We get together in members' homes and sing God's praises, study God's word, pray for those with needs and party hardy in food and fellowship. This is a great way to get strengthened, re-charged, and renewed in our Christian walk and to make new godly friends. Come join us in fellowship and study and in reaching out into our community with the hands of Jesus.

YOUTH AND KIDS – HAVE WE GOT FUN FOR YOU!

Youth and Kids, are you looking for a positive atmosphere that is magnetically charged with "Holy Spirit" power. Have we got the place for you – Fountain of Life Fellowship. For 6th – 12th graders, we have a dynamite *Youth Group*, especially geared toward Youth, upbeat Christian music, Bible study and activities. Our youth ministry is to those in an assisted living facility who have no family to visit them. Our youth share the love of the Lord with those who need the sweet smiles and warm cheer that our "youth" can bring. For kindergarten – 5th graders, we have a *Kidz Klub*, geared toward the active, "bouncing off the walls" temperament of the elementary aged kids. The *Kidz Klub* ministry is a local foster home of special needs kids.

PRAYER CHANGES THINGS

"The family that prays together, stays together." We understand and believe in the power of prayer. As a result of that belief, we offer prayer on Sunday morning at 10:00 am to prepare our hearts to worship God and receive the "Word" in our morning service at 10:45 am. Sunday night we have corporate prayer at 6:30 pm to take charge of our week through God's commanding power if prayer. In addition, we pray twice on Wednesday. First, at 7:00 pm as we open our hearts and minds to receive the "Word" in our Mid-Week connection groups. Second, at the end of the lesson, to bring individual prayer needs to the Lord. Instead of charging yourself up with a caffeine "fix," plug in to the power of the universe and get the "fix" only God can give you, as you are connected with Him in prayer. If you are in need of prayer, please call your prayer request in to our church office and we will stand with you before God and petition Him together.

Fairfield Church of Christ (Mason Road and Chappell Knoll)

"Discovering the Heart of Christ, in the Heart of Fairfield."

Encouragement is one of the greatest gifts one can give and it costs absolutely nothing. Tom Rath, who works with the Gallop Poll organization, says that companies lose between 250 and 300 billion dollars a year in lost productivity because of dissatisfied employees.

They found that 65% of people polled claimed they received no recognition for good work during the past year.

Rath said that when he was 10, his grandfather encouraged him to start a small business — a snack stand. When he made his first sale, his grandfather said, "Your first sale! That's fantastic, Tom!" He said those encouraging words meant everything to him.

Someone can be feeling depressed and a good word can buoy them up. Others can be lonely and a word of praise can surround them with love. A few encouraging words can make someone's day. And you'll be surprised at the joy it brings into your life. Ben Sweetland said, "We cannot hold a torch to light another's path without brightening our own."

Our lives can be filled with sunshine for both our neighbors and ourselves when we hold out our hand instead of pointing a finger. —copied

"You must encourage one another each day. And you must keep on while there is still a time that can be called 'today.' If you don't, then sin may fool some of you and make you stubborn." —Hebrews 3:13

I want to personally invite you and your family to take a little time out this Sunday and come to church and receive the personal touch from the Holy Spirit of God that will change your life forever. Come and join us on Sunday, August 21 for a special "Back to School" Sunday morning service. The service will focus on prayers and blessings for the children of Fairfield and surrounding communities to have a blessed and safe school year.

Also, please take a look below at our worship times and other activities we have and drop by some time. We would love to meet you.

On Sunday mornings; **Bible Classes** for babies to adults begins at 9:30am. Each bible class is taught by loving, well prepared, Christians utilizing the latest in educational techniques and finest bible curriculums.

Worship is at 10:30am and each service is carefully thought out and planned by our worship ministry leaders. Every service is meant to bring glory to the name of Jesus and help each person realize how wonderful it is when you fall in love with Jesus as your savior.

At 5:00pm on Sunday evenings we spend time in prayer, praise, and casual conversation about God's word and how it applies to our daily lives.

Each Tuesday is a special "Ladies' Brown Bag Lunch and Prayer." Ladies come together at 12 noon and spend time eating and fellowshiping and then a time of prayer. Everyone in the community is invited to come.

Mid-week **Bible studies** are also offered every Wednesday at 7:30pm. This is a great time to pause in the middle of a busy week and be re-energized by fellowship, prayer, and study of God's word.

We also offer free of charge in-home, personal, one-on-one Bible studies and for those who wish to study alone, Bible correspondence lessons as well.

If you have a prayer need of any kind please let us know by calling the church office or visiting our web site at www.fairfieldchurch.org. You may also call the church office and set up a time to come into our sanctuary for a personal time of prayer and reflection. We are available to meet

Messiah Lutheran Church

ALPHA IS COMING!

Alpha? Alpha is for anyone interested in finding out more about the Christian faith—people investigating Christianity or Christians who want to brush up on the basics. Adults of all ages are welcome. Alpha is about learning and laughter. It is about meeting people and discussing questions in a non-judgmental environment. No question is regarded as too simple or too complex. Topics discussed include: Who is Jesus? Why and how do I pray? Who is the Holy Spirit? Does God heal today? And more.

The Alpha course is being hosted by Messiah Lutheran Church on Tuesday evenings beginning August 23 for 12 weeks, 6-8:30 PM. The evenings begin with a shared supper provided by the church. Childcare is provided. All people are invited to participate in the Alpha course. Bring a friend. Register by calling the church office.

RALLY DAY

Messiah Lutheran Church will be hosting 'Rally Day Sunday' on August 21, 2005. Rally Day is the opening event to kick-off the new 2005-2006 year. The day begins at 9:15AM in the church sanctuary to introduce our theme for this year

and provide some special entertainment. There will also be some award presentations and the introduction of this year's staff. After our 10:30 worship service the Education Ministry team will be sponsoring a "kid friendly" catered lunch in our Fellowship Hall. Tickets will be on sale in early August, watch for more information to be posted on our church sign or call the church office at the number listed below. Everyone is invited to join in this fun-filled event.

Messiah Lutheran Church is a grace place, a congregation of the Evangelical Lutheran Church in America (ELCA). Messiah is located at 11522 Telge Road, ½ mile north of Highway 290. Regular worship times are 6PM on Saturday evenings (a casual service of song and sacrament), and traditional worship at 8 and 10:30 AM on Sundays. The Education Hour is 9:15-10:15 AM on Sundays. For more information, 281-890-3013 or www.messiahlc.org. All people are welcome at Messiah.

FROM THE AMERICAN COUNCIL ON EXERCISE®

Managing Cholesterol with Exercise

by Ralph La Forge, M.S.

Approximately 38 percent of Americans have excessively high blood cholesterol levels. The National Cholesterol Education Program (NCEP) states that a sound diet, weight loss and physical activity are the cornerstones of therapy for many individuals with cholesterol disorders.

(Cholesterol-lowering drug therapy is reserved for those who have the very highest lipid levels or for those who have diabetes or coronary disease.)

Atherosclerosis is a costly and fatal disease. Although there is no known cure, new evidence suggests that intensive lowering of serum total cholesterol, or more specifically, LDL cholesterol may retard the progression of coronary artery disease.

The box included in this article contains the NCEP cholesterol guidelines authored in 2001 by a panel of physicians and lipid experts.

Reducing cholesterol through exercise, particularly LDL cholesterol, can be quite labor intensive. When individuals accumulate a sufficient weekly volume of exercise they can lower both total cholesterol and LDL-cholesterol and increase HDL-cholesterol (the "good" cholesterol).

Exercise itself does not "burn off" cholesterol like it can with fat tissue. However, when exercise is of sufficient volume, for example, an adequate weekly frequency and duration, it can significantly reduce triglycerides and stimulate several metabolic enzyme systems in the muscles and liver to convert some of the cholesterol to a more favorable form, such as HDL-cholesterol.

Reducing triglycerides decreases triglyceride-rich particles that are known to promote the growth of fatty deposits on artery walls.

For many people with cholesterol disorders the first choice of therapy is dietary modification. In general, reducing high-glycemic carbohydrates reduces triglycerides, and reducing saturated and trans-fat foods decreases LDL-cholesterol. If LDL cholesterol (the "bad" cholesterol) is high enough, dietary therapy is often supplemented with cholesterol-lowering drug therapy.

Exercise is of tremendous benefit when used in combination with either of these two forms of therapy. For those who maintain a frequent and sufficient level of exercise, it is possible that their physician will reduce their cholesterol-lowering medication and in some cases stop it altogether.

Here are guidelines that outline a systematic approach for favorably altering cholesterol levels with

National Cholesterol Education Program Adult Treatment Panel III Guidelines

Total Cholesterol
<200 Desirable
200–239 Borderline high
≥240 High
LDL Cholesterol
<100 Optimal*
100–129 Near Optimal
130–159 Borderline High
160–189 High
>190 Very High
* <70 mg/dL is a therapeutic option for very high-risk patients
(i.e., those with established CHD plus diabetes or multiple risk factors such as the metabolic syndrome)
HDL Cholesterol
<40 Low
>60 High
Triglycerides
<150 Normal
150–199 Borderline High
200–499 High
>500 Very High

Non-HDL Cholesterol (This is a secondary target of therapy when fasting triglycerides are >200 mg/dL)

Non-HDL Cholesterol is calculated as follows:

Total Cholesterol – HDL-C

Non-HDL goal: Same as LDL-C goal plus 30 mg/dL (e.g., if LDL-C goal <130 mg/dL then Non-HDL goal is 160 mg/dL)

All values are expressed in milligrams per deciliter.

regular exercise:

- If you do have a less-than-desirable cholesterol level, or your doctor has told you have a cholesterol disorder, have your physician establish your cardiovascular health status before engaging in a vigorous exercise program. Your physician may elect to perform additional blood tests (e.g., C-reactive protein) and/or a graded exercise test with an ECG (treadmill stress test) on you first.
- Choose dynamic forms of exercise that tend to last at least 20 to 30 minutes and are performed at moderate intensities. Moderate exercise intensities

would be an approximate effort of four to seven, on a scale of one to ten with ten being near maximal exercise.

- In general, for exercise to significantly lower cholesterol levels, a relatively high volume of exercise is recommended (e.g. 1,500 kcal or more per week). In 12 to 16 weeks this volume of exercise can reduce total cholesterol by 10 to 20 percent. Fifteen hundred calories expended during exercise is equivalent to about three to four hours per week for the average unfit person performing moderate intensity walking, swimming, walk-jogging or cycling.

This volume of weekly exercise is approximately the same volume of physical activity required to lose weight. As a result, fat weight loss tends to be associated with increases in HDL-cholesterol and reductions in total cholesterol and LDL-cholesterol levels, especially fat lost around the waist and abdomen.

A sample program would be to start with walking 20 minutes per day, four days a week. Over six to eight weeks graduate this program to one hour, six to seven days a week of walking over hilly (variable) terrain or walk-jogging over relatively flat ground. An alternative would be to walk 50 to 60 minutes three days a week and take an aerobics class three days a week and perhaps two to three sets of singles tennis on the seventh day.

It is important to know that lower volumes of weekly exercise can still produce many other benefits, such as improved fitness and overall health, reduced blood pressure, and increased psychological well being. An ACE-certified Clinical Exercise Specialist can help you make the connection safely and effectively.

A Convenient Way To Keep Young Athletes Hydrated

(NAPSA)-Any way you slice it, watermelon can be a healthful snack, particularly when you want to make sure young athletes are getting enough liquids.

Parents are often concerned about the amount of fluids their children get before, during and after sporting activities. These liquids can come in the form of water, sports drinks and fresh fruit snacks, such as slices of watermelon.

As any mom or dad with a young athlete can tell you, parents of team members often take turns providing snacks for their young athletes. "Ideally, these snacks should be a fruit with a high water content," says Barbara Levine, Ph.D., Associate Professor of Nutrition in Clinical Medicine and Director, Nutrition Information Center, Weill College of Medicine of Cornell University, New York, NY.

"Watermelon," says Levine, "is a favorite fruit among kids and is called the natural hydrator because it's 92 percent water. For sports activities, watermelon served in slices is easy for children and teens to eat. An inch-

wide slice contains about a cup of fruit.

"And watermelon is more than a delicious thirst quencher," adds Levine. "It contains important vitamins and phytochemicals for growing bodies. A two-cup serving of watermelon has 20 percent of the daily recommended intake of vitamin A and 25 percent of the daily value of vitamin C. It's also a source of potassium and a leader in the powerful antioxidant lycopene."

Keeping children well hydrated should be a priority, especially when they are members of competing sports teams.

Suzanne Nelson Steen, D.Sc., R.D., head of the Husky Sports Nutrition Services in the Department of Intercollegiate Athletics at the University of Washington in Seattle, offers excellent advice on the subject on the Web site www.momsteam.com. "Kids should drink on a schedule, not just when they are thirsty," says Steen.

"By the time your child says he is thirsty, he is already dehydrated," she advises. She says that children should be reminded to drink five to nine ounces of water (10 to 18 half-ounce "gulps") every 20 minutes during activity and teenagers should drink more.

Finally, Dr. Steen reminds parents that kids' fluid intake needs to be supervised because children do not instinctively drink enough fluids to replace water losses.

With a little planning, you can help ensure that your children are well hydrated and happy.

The Hidden Dangers Of Computer Disposal

(NAPSA)-To millions of computer users worldwide, an outdated or malfunctioning computer is no different than a broken toaster; they simply toss it in the trash and buy a new one. However, unlike a busted kitchen appliance, a computer should not be thrown away for two critical reasons: it can lead to identity theft and poison the environment.

Protect The Environment

Some pieces of hardware may contain toxic materials. Much like used motor oil or old paint, certain computer parts must not be disposed of in a public landfill in order to prevent toxic substances from leaching into the ground and contaminating water supplies. These components should be disposed of properly by trained professionals who participate in computer recycling.

Protect Your Identity

The hard drive inside your computer contains an extensive amount of private

information, such as financial records, personal e-mails, family photos and critical documents. To prevent this data from falling into the wrong hands—which could lead to identity theft—it is imperative that you delete it prior to selling, recycling or disposing of your computer.

To erase files in a safe, permanent manner, you must do more than delete them and empty the Windows “recycle bin.” While these actions may remove the information from Windows, they do not expunge the files from the hard drive itself. The only ways to ensure that your private files are permanently erased are to use special “shredder” software programs.

A word of caution: if your hard drive is on the fritz or appears to be “dead,” don’t assume that your data is incapable of being retrieved. A crafty thief could rummage through your trash, steal the malfunctioning hard drive you threw out, then use special hardware or software tools to recover your data. Before throwing away any hard drive that appears to be inaccessible or severely damaged, make certain the drive is truly dead by physically smashing it several times with a hammer or similar tool.

Life is full of compromises.
You shouldn't have to live in one.

“If I just have the salad I can order the cheesecake.” Trade-offs. We face them every day. Sometimes it works out for the best. Sometimes you’re left wishing you’d ordered the filet mignon.
