Yard of the Month February 2005

Mike & Sharolyn Wood and Betty Petty
8714 Hardeman Court

Mike and Sharolyn Wood purchased their Willowbridge home in 1996. Sharolyn's mom, Mrs. Betty Petty (also in the photo), lives with the Woods and is retired from American General and HL&P. Mike Wood is a Probate Judge and Sharolyn Wood is a Civil Court Judge. The Woods have two sons who have graduated from college and a daughter, Laura at Texas A&M University.

The Wood's front yard is landscaped with Heirloom roses, Gerber daisies and a small thorny plant with bright red blooms called Crown of Thorns. These were all blooming in late January when I awarded them the Yard of the Month.

Recycling – Just Do It!!

Recycling is a convenient service offered weekly in our neighborhoods. If you don't have a recycle bin assigned to you, just buy a cheap plastic bin, trashcan or laundry bin to use. Most plastic containers have a triangular shape on the bottom with a number inside. Any plastic that has a 1 or 2 on it is recyclable. This includes plastic milk cartons, detergent containers and bags from Kroger, WalMart, etc. They also take soda cans and tin cans (canned vegetables, soup) as long as they are rinsed out. Recycling pick up is every Friday, same as trash day.

Although our neighborhood recycling company does not take paper or cardboard, the nearby schools and churches have recycle bins in their back parking lots. Why not keep a bag in your laundry room or garage for clean cardboard boxes, empty food boxes, newspaper and trash mail. You can even add old homework papers your kids throw out. When the bag is full, put it in your trunk and drop it off. The schools and churches earn extra money based on the pounds of paper recycle they collect. Old phone books and magazines are great!!

It's an easy way to do something small for the environment. Why not?!!

Winter Festival Success!

Some of you may not know it takes 26,000 pounds of ice to make the snow piles. 500 drinks were served and 500 cookies/cup cakes and 500 hot dogs (I am not sure how many pizzas). In addition to all this, we have the music. For many of our events, Any Mears acts as our "Tunes Smith". When he cannot be present at an event, he graciously lends us the use of his equipment. He entrusts good friends like Ron Callaway and Greg Gilmour to set it up and provide us with great sounding music! Ron and Greg did a wonderful job! Thanks for your help and thanks Andy for letting us repeatedly use your stuff and thanks to all the HOA BOD who made this event run smoothly!

Texas' Curfew

Spring is rapidly approaching and now is a good time to refresh our memory about the Texas Curfew.

The curfew includes all areas located in unincorporated Harris County. Juveniles under the age of 17 are subject to the Juvenile Curfew order. The curfew is enforced seven days a week. The hours of enforcement are 12 midnight to 6 a.m. in the morning.

If the Juvenile is taken into custody he/she is transported to the processing center. While there, the juvenile's parents, guardian or custodian can not pick up the juvenile. They will be transported to the Chimney Rock Center operated by Children's Protective Service.

The parent of guardian or custodian may also be issued a citation if they knowingly allow the juvenile to violate curfew.

The fine listed by the county ranges between \$155 and \$500.

The following are exceptions to curfew law:

- Accompanied by a parent, guardian or custodian
- Engaged in lawful employment or traveling to and from employment.
- Participating or traveling to or from school or church affiliated

activities, recreational activities supervised by adults and sponsored by non-profit organization or similar entity that takes responsibility for the juveniles.

- On sidewalks of juvenile's residence or sidewalk of next door neighbor as long as neighbor does not complain.
- Involved in an emergency situation.

This ordinance is in place as a means to deter juvenile crime, reduce the number of juvenile crime victims, reduce injury from accidents involving juveniles and assists parts in the supervision of their children.

The Ideas of March

Students at Cypress Christian collect “Pennies for Patients”

K-5th grade students at Cypress Community Christian School recently collected donations for the Leukemia & Lymphoma Society. They raised a total of \$3,396.58! All of the monies donated will be utilized right here in Houston. Hopefully, there will soon be a cure for these diseases: leukemia, lymphoma, melanoma, & Hodgkin's disease. A special thank you to everyone for their contribution!

The mission of Cypress Community Christian School is to “academically prepare students from Christian homes with a biblical worldview to take their place in the world as servants for Jesus Christ.” Service projects like “Pennies for Patients” and other community projects help to encourage students to make a difference in the lives of others both now and throughout their lifetime.

If you have a service project in which our students could get involved, please email Lynnette Anderson at landerson@cccs-hou.org. Cypress Community Christian School is located at 11123 Cypress N. Houston Rd. at Jones Road and serves families of K-12 students in northwest Houston. For more information, call 281-469-8829 or www.cccs-hou.org.

Come See The Magic Mountain The People's Choice Award 2005 Banff Film Festival

The Willowbridge Club House - Monday, March
27th - 7:30 PM

Many of you know Grandma Ellen — volunteer at Gleason, loud cheerer at swim meets, baseball, basketball and football games. And some know that she is a world-traveling backpacker. The award-winning 50 minute documentary film, The Magic Mountain, is about Ellen's dearest friend and hiking companion, Cynthia Hunt.

Cynthia has dedicated her life as an artist, author and educator to facilitate grassroots initiatives in health, nutrition and education in remote Himalayan villages in Northern India. Her amazing work is captured in this beautiful, inspirational film by Pat Marrow — photojournalist who has scaled Mt. Everest in 1982 and subsequently climbed the highest peaks on each of the seven continents. Go to www.patmorrow.com for more about Pat's amazing adventures. Dr. and Mrs. Hunt, Cynthia's parents, will join us at this event. For more information on Cynthia's work see www.health-inc.org or call Ellen at 281-807-9925.

Winter Festival Success!

We had another wonderful Winter Fest! Adults and children played in the snow, drank hot chocolate and ate hot dogs, pizza, snowcones cotton candy, cup cakes and cookies. The air had just enough chill to get everyone in the spirit. Once again, Kroger was a tremendous help with the cookies, cupcakes and drinks. Back Yard Grill provided those tasty hotdogs and pizzas and First Bank made the rich hot chocolate. Lets not forget the snowman, Matthew Louderbach!

I want to thank my volunteers and sponsors: the Louderbach family, Kroger, First Bank, Gracie Galvan with Remax, Back Yard Grill and Amanda Galvan and the Hope Club of Jersey Village High School. The Hope Club made the event possible with all of their hard work. Thank you for all that you did! I also want to thank Mark McShaffry who chaired the event with me. He was a great help and a major contributor. He is proving to be a great asset in the HOA.

If there is anyone I missed, I apologize! Thanks again to everyone who made this event possible !!!
