Message from the Chairman

There are three topics I would like to touch on [briefly] this month: 1.) Capital Improvements 2.) Fall Soccer 3.) Long-term Planning.

Capital Improvements:

All of our fundraising efforts, including team sponsorship dollars for baseball, coupled with a portion of your registration fees, are what pay for the improvements you see at the various facilities we utilize for our programs. Without going into all the details — we save that for the monthly board meetings — some of the improvements you are sure to notice are: A new baseball field (soon to be formally dedicated in honor of Weston Smith); new scoreboards; new bleachers; new volleyball standards and nets; refurbishing of the gym floor in the Rec Center (although the vendor still has to come back and finish what he started) and really classy-looking uniforms for all of our sports. Some things you may not notice are the new irrigation and sprinkler systems we've added; new Thorguard Electrical Warning Systems; the increase in electrical power and the re-routing of our electrical system to eliminate blackouts; new concession stand equipment; various fertilizers and soil enhancers; and a whole host of little things (too numerous to list here ... including several things on the way!). We do this for the betterment of all of our sport's programs. It's all for the kids, folks, and we all know they don't appreciate it now, but way too quickly they will be adults with kids of their own and these are the days ... playing sports within our programs that will bring back some of their fondest memories.

Fall Soccer:

Consider this a shout-out to all soccer parents of Fairfield! The FSA board would very much like to see soccer thrive and grow into a strong program within FSA. We are hoping that with some recently added field space for this fall, the promise of an additional ten acres in 2007 and a small but dedicated soccer committee that fall soccer in Fairfield can be revitalized. But the handful — and I do mean handful — of committee members that I have seen at recent soccer meetings is not going to cut it! That is why on **Sunday, May 21, at 2:00 PM**, we will have a “soccer town hall meeting” to discuss where our program is headed. We will meet in the clubhouse at the FSA Practice Center (formerly the Golf Center). If the same handful of volunteers show up, and only those 6-7 people, then that will tell me (and the Board) all we need to know about the future of our soccer program. How much of FSA resources (dollars) we put into the soccer program will be directly attributed to how well-attended this meeting is and more importantly, how passionate you are about the future of our soccer program. I encourage you to arrange your schedule to be there — not just to listen, but to join in — volunteer and get involved! Please see below for Brian Roberts' *Soccer News*. Brian is the new Commissioner of Fairfield Soccer and his *News* serves as a precursor to the meeting on May 21.

Long-term Planning:

As most of you know, the current FSA Practice Center (formerly the Golf Center) is ours for the using, only on a temporary basis. We lease this property from the new owner and the only groups allowed to use this property, as stipulated in the lease, are FSA sanctioned teams. We do not know for certain how long we will be able to continue to lease this property. The current lease expires in December and we are hoping to extend/renew it through 2007, but again, we are uncertain at this point if that is going to happen.

To that end, we will be conducting a series of meetings to begin the process of long-term planning for our sport's programs. Anyone may attend, and all points-of-view will be encouraged. FSA will have land needs and when those needs actually come due, I will no longer be Chairman (14 more months, but who's counting). I want very much to begin this process so that you who will be inheriting this Association — particularly you parents of 4, 5 and 6 year olds! — will have as clear of a plan as possible of what to do as the needs arise. Be looking on our website — a website that will have a new, fresh look and feel by June 30, by the way — for meeting times and dates.

In the meantime, as always, all of our future board meeting dates are posted on the website (www.fairfield-sports.com), and I hope to see many of you at a future meeting or two.

Bob McInnerney, FSA Chairman

Soccer News

Attention Soccer Fans in Fairfield!

As you all know, the Fairfield soccer commissioners made a decision late last year to forgo the spring season due to the lack of playing space. We wanted to deliver a well-rounded sport and that just wasn't possible. Rather than deliver a sub-standard product, we decided to skip one off-season to prepare for the fall of 2006. For those kids that still wanted to play soccer, we invited the Cy-Fair Youth Soccer Association to hold registration in Fairfield for the first time. We felt that we should put forth our best effort to make sure that any child that wanted to play soccer would have that opportunity.

We held our first soccer committee meeting April 6th and discussed several issues regarding the upcoming fall season. We decided to make the switch to small-sided soccer this fall. After watching several 4 vs. 4 games at Dyess Park, we are convinced this is the way to go if we really want to teach our kids the passing, dribbling, and shooting skills necessary to play soccer and have fun at the same time. We also have three separate areas to play soccer for the fall: the old golf center, the large field in front of the Baptist Church, and another area in the new section where a pool is currently being built. We also discussed the possibility of affiliating with Cy-Fair, joining STYSA (South Texas Youth Soccer Association), or staying independent at least another year. Much more information will be required before any decision is made on this subject. I think we should have a great fall season, especially with the change to small-sided soccer. It is much more fun to watch, especially the 4,5, and 6 year olds.

On a bit more of a somber note, Fairfield Sports Association is holding a long-term meeting on May 21st, 2:00pm where the future plans of Fairfield soccer will be discussed at great length. We have been allocated three parcels of field space for 2006 and have been told we will have a 1—acre site that will be available by June 2007 as a possible permanent site for soccer. We have discussed bathrooms, concessions, and even the possibility of lights! I say “possible” permanent site because FSA needs to see just how passionate Fairfield folks are about soccer before committing the funds to complete a project like this.

I have heard the complaints that soccer has been treated badly in the past, but let me emphasize to ALL those that love soccer or have children that love it...**NOW** is the time to step up and attend this meeting. It is a Sunday afternoon, so there are no scheduled sports that would interfere with it. My feeling is that if there is not a sufficient number of “soccer fanatics” at this meeting, the future of Fairfield soccer will be in serious jeopardy. If you have children that enjoy soccer; then I implore you to be at this meeting. Otherwise, soccer will probably cease to exist as a Fairfield Sports program.

IS CUB SCOUTING IN KEITH PACK #533 FUN???

YOU DECIDE!

Every year in March, Pack 533 holds its Annual Cake Bake. This is a time for mother and son to have some fun baking a cake to display and auction during the Pack meeting. January has always been Pinewood Derby which is a great time for father and son to build and race their cars, so we thought that there should also be time for mothers and sons to be creative when it comes to baking a cake. There were several categories including Most Colorful, Most Delicious Looking, St. Patrick's Day, Best Scout Theme, and Most Patriotic. All the cakes were judged and the top two in each category were given awards.

Last year a new trend was begun that was such a big hit with the boys, we decided to continue it every year. Boys, parents, even an entire Den can bid for the honor of throwing a pie in the Cubmaster's face! The bidding was fast and furious, with the Webelos Den 8 group winning the bid, which included not only throwing a pie, but a cake as well. **DO WE HAVE FUN IN CUB SCOUTS....WE THINK SO!**

One of the "Scout Theme" cakes from our Pack meeting.

Cubmaster Brian Roberts taking a "pie in the eye" from the Webelos Den!

April 28-30 will be our Spring Campout at Lake Somerville State Park. This year we are going to do the "Ultimate Frisbee" challenge. Any Scout that participates in the challenge will receive an Ultimate Sports Belt Loop and Pin. There will be fishing, hiking, games, and a Pack Meeting on Saturday evening where some of the Scouts will be advancing to the next rank.

As you can tell, we have quite a bit of fun which is what Cub Scouting was intended to be. Any boy from 1st to 5th grade can join Cub Scouts and begin to join in the fun. I'll bet some your friends are Scouts and you may not even know it! If would like to join or have any questions, please feel free to contact the Cubmaster, Brian Roberts (the one "accepting" the pie) at broberts63@houston.rr.com

Pack 533 would like to thank Mark Tucker for being the Cubmaster during the past 3+ years. His leadership and dedication has been a real inspiration and he will be sorely missed.

Welcome to the new Cubmaster, Brian Roberts. As you can see from the picture, he was greeted with open arms by the Scouts... and those arms held a very large pie!

CUB SCOUT PACK #1533 "LIVE ABOARD" THE USS LEXINGTON

On March 18, 2006 the Cub Scout's of Pack #1533 experienced what it was like to "Live Aboard" the WWII aircraft carrier USS Lexington. Nicknamed "The Blue Ghost" by the infamous Tokyo Rose, is a true living legend. Commissioned in 1943, she served the United States longer and set more records than any other carrier in the history of naval aviation. The Japanese reported the "Lex" sunk no less than four times, yet each time she came back to fight again, leading to her famous nickname. Decommissioned in 1991, this 910- foot, 16-deck, 33,000-ton aircraft carrier is now berthed in Corpus Christi Bay.

The boys began their adventure with "mustering". After they were fully aware of the rules, regulations and what was expected of them it was time for "chow". The day included tours of the ship, viewing a large format movie *Fighter Pilot*, lunch, dinner and evening colors. Just before "lights out", the Scout's learned about the ghosts that haunt the ship. Sleeping quarters were triple bunks, much to the dismay of the adults accompanying the boys.

What a great experience the Scout's had on board. Not only did they have fun but also were able to learn more about the history of our great nation.

The fun doesn't stop here, though. The Scout's have big plans for the rest of the school year and well into summer.

Upcoming events include:

April 22, 2006	Scout Fair - Reliant Arena
April 28-30, 2006	Family Campout - Waller, Texas
May 19, 2006	Pack Meeting/Rank Advancement
June 5-9, 2006 &	Rising Star District Cub Scout
June 12-16, 2006	Day Camp

As you can see, the boys are looking forward to a lot of fun—just some of what Cub Scout Pack #1533 is all about. It's not too late to be a part of it all. Every boy is welcome; regardless of what school he attends. If you know of a boy (1st grade through 5th grade) who may be interested in Scouting, please feel free to contact Pack Committee Chairman, Tom Huber at tomh@tdspecialty.com or Cubmaster, Jim West at jwest@geoshack.com for more information. Be sure to check out Pack #1533's website at www.pack1533.org for more news and more great photos.

Fairfield's Fun-Loving Over Fifty Group The Fairfield Seniors

The Seniors of Fairfield is an active, fifty plus, fun-loving group of couples and singles who enjoy fellowship, monthly trips, and various activities together. *If you or your spouse are fifty or older*, a newcomer to Fairfield Village or have lived here in Fairfield for some time, but have never attended one of our functions you are cordially invited. ***Come and be a part of our fun-loving group, were sure you will enjoy it.***

MARCH HAPPENINGS:

We had over 30 members go on our Playhouse 1960 theater trip to see the murder mystery... WHO DUNNIT? Each performance had a different ending; there were six possible endings; the preacher and his wife were the murders at our performance. I don't believe we had many from our group picked them for the murders.

MAY TRIP PLANS:

Friday, May 5th: Galveston Island, first a tour of the Ocean Star Offshore Drilling Rig and Museum. You've seen the oilrigs off in the distance across the Gulf; now actually visit a real drilling rig. The Ocean Star is a retired jack up rig converted into a museum with exhibits, interactive displays, and videos explaining how oil and gas are claimed from under the sea.

Then we will have about 2 hours to explore the Strand, Pier 21 and have lunch at one of the many fine restaurants, of your choice, in the area. Our trip will end with a tour on the Duck. The Duck is a special vehicle that travels on land and water, it's about an hour trip taking us through the Strand, Offats Bayou (in the water) and then through the Historical District. During our Duck ride we will enjoy humorous-yet informative comments by an experienced captain.

The cost is \$18.00 per person, plus the cost of your lunch. **Call Shirley Hearst @ 281-373-4432** to get your name on the list. Make checks out to: Fairfield 50 Plus. Bus departs at 8:30am from the Fairfield Village parking lot. You will want to bring your camera.

JUNE TRIP PLANS:

Thursday, June 22nd: Astros vs. Minnesota. Yes. Take me out to the ball game. Hey, I think that's an old song. Well that is just what we have scheduled for June, its back to Minute Maid Park, this time to see an action packed ball game.

We will have group seating in the area adjacent to the Astros bullpen. Let's hope it's not necessary for the bull pen to be put into action; however, if it is you should be able to hear the popping sound from the bullpen catchers' mitt!

The cost is \$23.00 per person (non refundable) for the baseball tickets, plus the cost of your meal. We will have dinner at the Cleburne Cafeteria on Bissonnet, prior to the ball game which starts at 7:05pm. **Call Ed or Darlene Hofer @ 281-304-9078** to get your name on the list. Make checks out to: Fairfield 50 Plus. Bus departs at 3:30pm from the Fairfield Village parking lot.

MAY ACTIVITIES PLANS:

Thursday, May 11th: The Monthly Pot Luck at the Lakeside Trails Club House, it starts around 6:30pm; but, do plan on being there early for some socializing and fellowship. We usually play games after the meal and finish up the deserts.

Tuesday, May, 16th: Game Night at the Cook's starts around 6:30pm. Directions are posted on the Activity details page of our web site. This is always a fun night with great fellowship, just bring a little snack.

Thursday, May, 25th: Game Night at Lakeside Trails Club House starts around 6:30 pm. There is plenty of room and we would like to see even more there for this enjoyable evening of games and fellowship. Mark your calendar and make it a point to be there, just bring a snack.

For more information on all activities other than trips: Call Mary Lou Cook for more details at... **281-304-8359**

We recommend that you check our web site regularly, to get the latest information. Things often change from the time an article must be submitted and when you receive your copy of the Gazette. **www.fairfieldseniorsgroup.com**

CY-FAIR KIWANIS CLUB OF HOUSTON

Scholarship applications are now being accepted from Key Club members at area high schools sponsored by the Cy-Fair Kiwanis Club. A scholarship will be awarded to an outstanding senior Key Club member at each school: Cy-Fair; Jersey Village; Made Creek; Cinco Ranch; and Cy-Falls. The fall Golf Tournament raised over \$6000 for support of Cerebral Palsy programs. The Club is grateful for the work of Steve Caton and Steve Gleinser who co-chaired the fund raiser.

Harvest Bible Church

Now when the day of Pentecost had come, they were all together in one place. 2 Suddenly a sound like a violent wind blowing came from heaven and filled the entire house where they were sitting. 3 And tongues spreading out like a fire appeared to them and came to rest on each one of them. 4 All of them were filled with the Holy Spirit, and they began to speak in other languages as the Spirit enabled them (Acts 2:1-4).

The Jewish feasts of the OT (cf. Leviticus 23) find their ultimate fulfillment in Jesus Christ. Whereas the Passover required the death of a lamb, Jesus Christ was the perfect Lamb (1 Cor. 5:7) sacrificed once for all to atone for the sins of those who believe, and he died on the Jewish Passover! Immediately following the Passover Jews would celebrate the Feast of Unleavened Bread for seven days, and the first day of that celebration was called the Feast of First-fruits. The first-fruits were what the Jews would bring to the priest from their fields at the beginning of the harvest. They signified God's provision, and the one offering them gave to God the first of his harvest. This OT feast also pointed to Jesus' redemptive work in that his resurrection is called "the first fruits of those who fall asleep" (1 Cor. 15:20). Christians celebrate Jesus Christ as the fulfillment of the Law – and as the first-fruits of the great harvest of believers who will be revealed at his second coming.

On the Day of Pentecost in Acts 1 there were 120 believers in the church. Acts 2:2 says that a violent sound like wind came from heaven and filled the place where they were. This was then followed by the appearance of *tongues* (languages) which spread out like fire and came to rest on each one of them causing all to understand the message. The "fire-like appearance" presented itself initially as a single language, then it broke up into different parts coming to rest on each one of the disciples. The appearance of this phenomenon was one of fire which had been the symbol for God's presence in the OT. So it's no coincidence that the presence of God as the Holy Spirit came in the form of fire in the NT on Pentecost. This fulfilled John the Baptist's prediction that the

Messiah would baptize with the Holy Spirit and with fire (Matt. 3:11).

As soon as these tongues rested upon the disciples they began to speak in other languages "as the Spirit enabled them." These languages were known dialects to the thousands who were gathered that day, for Acts 2:8 reveals that there were many foreigners present who spoke different languages and who heard the disciples speaking in their own native languages.

The world changed drastically on the day of Pentecost ten days after Christ ascended into heaven. Jesus had said that power would come upon the disciples once the Spirit came upon them, and when it did they began to preach. Their audience included people groups from all over the world. All of them heard the words, and many of them took the message to their homeland and shared it resulting in many conversions. That's why there are Christians today in America – because those in Israel spread the word. And this continues to be the church's mission.

Catholic News

As we all celebrate Mother's day and enjoy this special time remembering this special person in our lives it is a good time to also remember Mary, The Mother of God. We honor her because her cooperation with God, made it possible for the Light of Salvation to come into the world.

As Pope Benedict XVI said at the end of his first encyclical "Deus Caritas Est" (God is Love):

Holy Mary, Mother of God, you have given the world its true light, Jesus, your Son – the Son of God. You abandoned yourself completely to God's call and thus became a wellspring of the goodness which flows forth from him. Show us Jesus. Lead us to him. Teach us to know and love him, so that we too can become capable of true love and be fountains of living water in the midst of a thirsting world.

God Bless all Mom's wherever they are. Next Month we will look at that particularly Catholic devotion; The Rosary.

We are an active group of Catholic's that attend and support Christ the Redeemer Catholic Church on Huffmeister. If you are new to the neighborhood, please go by the parish office and pick up a welcome packet. Mass times at CtR are Saturday: 5 pm; Sunday: 7:30, 9, or 11am and 5:00 pm. Mon., Tues, Thurs. & Fri at 9 am and Wed. at 7 pm.

We share our faith with the our neighbors in Fairfield through a local C.C.E. program K-8th grade, adult and family faith formation, spiritual

activities, etc. These activities are planned by a core group of volunteers that meet on a monthly basis. If you would like to become more involved and get to know your neighbors and Catholic community better, please call Anna Marie Novoa at 281-213-3136.

A huge thank you to all the CCE teachers that devoted their time and talent this year and lead our children in another year of learning thier Catholic faith with friends and neighbors! Best wishes 8th graders as you prepare for confirmation next year!

C.C.E. 2006-07: Registration forms for 2006-07 will be due by May 31st in the CTR office. Teachers registering to lead our children in their faith next year will have all summer to turn in forms, but please try to meet the May deadline to help coordinate the paperwork for creating classes. If you have any questions, please contact Fredna Kilcummins, Religious Education Director, at Christ the Redeemer, 281-469-5533.

Fairfield Men's Bible Study: Every Sunday night, 8:30-9:30. If you have any questions or concerns, please call Mike Rhodes at 281-373-4170.

Fairfield Church of Christ (Mason Road and Chappell Knoll)

"Discovering the Heart of Christ, in the Heart of Fairfield."

The Charles Schultz Philosophy. The following is the philosophy of Charles Schultz, the creator of the "Peanuts" comic strip. (You don't have to actually answer the questions. Just read straight through, and you'll get the point.)

1. Name the 5 wealthiest people in the world.
2. Name the last 5 Heisman trophy winners.
3. Name the last 5 winners of the Miss America pageant.
4. Name 10 people who have won the Nobel or Pulitzer Prize.
5. Name the last 6 Academy Award winners for best actor and actress.
6. Name the last decade's worth of World Series winners.

How did you do? The point is none of us remember the headliners of yesterday. These are no second-rate achievers. They are the best in their fields. But the applause dies. Awards tarnish. Achievements are forgotten. Accolades and certificates are buried with their owners. Here's another quiz. See how you do on this one:

1. List a few teachers who aided your journey through school.
2. Name 3 friends who have helped you through a difficult time.
3. Think of a few people who have made you feel appreciated and special.
5. Think of 5 people you enjoy spending time with. Easier?

The lesson: The people who make a difference in your life are not the ones with the most credentials, the most money, or the most awards. They are the ones that care. —copied

"The LORD is good, a refuge in times of trouble. He cares for those who trust in him." Nahum 1:7

We invite you to come to church this Sunday and journey with us through God's word to a better life.

Each week we also have continuing events and activities as follows:

Sunday mornings; **Bible Classes** for babies to adults begins at 9:30am. Each bible class is taught by loving, well prepared, Christians utilizing the latest in educational techniques and finest bible curriculums.

Worship is at 10:30am and each service is carefully thought out and planned by our worship ministry leaders. Every service is meant to bring glory to the name of Jesus and help each person realize how wonderful it is when you fall in love with Jesus as your savior.

At 5:00pm on Sunday evenings we spend time in prayer, praise, and casual conversation about God's word and how it applies to our daily lives.

Each Tuesday is a special "Ladies' Brown Bag Lunch and Prayer." Ladies come together at 12 noon and spend time eating and fellowshiping and then a time of prayer. Everyone in the community is invited to come.

Mid-week **Bible studies** are also offered every Wednesday at 7:30pm. This is a great time to pause in the middle of a busy week and be re-energized by fellowship, prayer, and study of God's word.

We also offer free of charge in-home, personal, one-on-one Bible studies and for those who wish to study alone, Bible correspondence lessons as well.

If you have a prayer need of any kind please let us know by calling the church office or visiting our web site at www.fairfieldchurch.org. You may also call the church office and set up a time to come into our sanctuary for a personal time of prayer and reflection. We are available to meet your prayer needs 7 days a week, 24 hours a day, holidays and weekends included.

If you have any questions or we can help you in any way please call the church office at 281-373-1900. Have a blessed day, Dr. Mike Lehew, Minister

Fairfield Family Church

A Spirit Filled Non-Denominational Ministry

The story is told of Napoleon's Austrian campaign his army advanced to within six miles of Feldkirch. It looked as though Bonaparte's men would take Feldkirch without resistance. But as Napoleon's army advanced toward their objective in the night, the Christians of Feldkirch gathered in a little church to pray. It was Easter Eve.

The next morning at sunrise the bells of the village pealed out across the countryside. Napoleon's army, not realizing it was Easter Sunday, thought that in the night the Austrian army had moved into Feldkirch and that the bells were ringing in jubilation. Napoleon ordered a retreat, and the battle at Feldkirch never took place. The Easter bells caused the enemy to retreat, and peace reigned in the Austrian countryside.

During the hustle of spring and throughout the entire year, many of us find ourselves surrounded by a little four letter word called: L-I-F-E. At times it seems that we are surrounded by all of the pressures that life brings and we forget that Christ gave His life for us so that we could have not just life...but life more abundantly (John 10:10). I encourage you to ring bells of praise this spring! In doing so, your praises will cause the stresses of life to retreat while Christ brings you peace that passes all understanding (Philippians 4:7).

Fairfield Family Church meets weekly in various homes right here in the Fairfield community. We join together for a time of praise and worship followed by Bible study and fellowship. No hype and no pressure, just an opportunity to build relationships with one another and ultimately to build

and strengthen our relationship with God. Our goal is to make the word of God relevant to the entire family.

We invite you to join with us as we journey down the "Path to Inner Peace" through the study of the Lord's Prayer. Send us an email at contactffc@fairfieldfamily.org or call us at 281-256-0031 to learn more.

Be blessed! David and Cindy Williams

Fountain of Life Fellowship Non Denominational – Spirit Filled Church

IS THIS ALL THERE IS?

Were you raised in a good Christian home? Yet, now you are examining your faith and wondering, “*Is this all there is?*” Too often our religion has left us wanting . . . questioning . . . or even feeling short-changed. We can change all that through an intimate relationship with Jesus,” the author and perfecter of our faith.” To get all there is, we must seek a closer relationship with God, believe in pursuing the fellowship of believers, and strive for the goal that Jesus has set before us. God delights in the prosperity of His people. As we grow in our Christian walk, we will walk in victory through all the trials and tribulations, we will walk in the joy that keeps us above our circumstance, and we will have “the peace that passes all understanding.” It is a journey that will bring new meaning to our lives. I encourage each one of you who is feeling “short-changed” to come and expect a new dimension to your faith walk.

MIDWEEK BIBLE / MINISTRY GROUPS

We study the Word of God together and we reach out into our community in ministry through groups we call Mid Week Connection (MWC). This is a great time to pause in the middle of a busy week and be re-energized through fellowship, praise and worship, prayer, study of God’s Word and ministry out reach. We devote the first week of each month to ministry outreach. Our

current ministry paths are going to the local hospital and praying with the patients and their families; praying with the women at Care-Network Crisis Pregnancy Center; and reaching out in tender love and care to patients of a local rehabilitation center. We pray with the patients and the staff give the patients spiritual support and encouragement and we even help the patients with basic

grooming needs – make-up and hair care. Come join us - be fed and give back to our community as Jesus commanded.

YOUTH AND KIDS HAVE WE GOT FUN FOR YOU

Come get excited for Jesus in an atmosphere that is magnetically charge with “Holy Spirit” power. We have two exciting groups to tell you about. One especially geared toward Youth, with music that is today’s vibrant sound with Christian lyrics, Bible study, and activities. The other geared toward the active, “bouncing off the walls” temperament of the elementary aged kids.

COME GROW WITH US!

Our Sunday morning service starts at 10:45 a.m. We enter into God’s presence through a powerful time of praise and worship. The message is a Word in due season. Come join us and learn how God’s Holy Spirit equips Christians to live victoriously in today’s challenging world. We offer a separate Children’s Church for elementary aged children, Toddlers Church for ages 2 – 5 and a Nursery for the wee ones under 2 years of age.

We are located just 1.5 miles off Hwy 290 at 15010 Mueschke Rd. For more details, please contact us at (281) 373-9337.

Increased Antioxidant Capacity Reverse Some Effects Of Aging

Baylor College of Medicine

HOUSTON — (April 13, 2006) – Decreasing oxidant levels by increasing the amount of an antioxidant enzyme can reverse declining memory skills and other pathological effects of old age, say researchers at Baylor College of Medicine (BCM) in Houston. The findings are reported in the current issue of *Journal of Neuroscience*.

“This is one of the first studies showing that a genetically engineered mouse that overexpresses an antioxidant enzyme actually performs better when they age with respect to memory,” said Dr. Eric Klann, principal investigator of the study and professor of molecular physiology at BCM.

The study is one of the first to assess memory performance among aging mice genetically engineered with an abundance of an antioxidant enzyme called extracellular superoxide dismutase. As this group of mice aged, they performed better on memory tasks and demonstrated cellular improvements in the hippocampus, a part of the brain required for memory.

Conversely, the same experiments in younger mice showed that high levels of the antioxidant were detrimental to memory function.

Previous studies have concluded that oxidative stress contributes to aging and aging-related impairments in memory. Klann conjectures

that high antioxidant levels, within reason, could promote longevity and reduce the risk of dementia associated with normal aging and neurodegenerative disorders such as Alzheimer’s disease.

Klann’s study advances the debate over the utility of antioxidant supplements, which some claim eliminate hazardous free radicals from the body and reduce the risk of cancer, among other disorders. On the other hand, recent reports claim that excessive intake of vitamin and mineral supplements pose no benefit and can even do harm in some cases.

“The balance of oxidants is very important,” said Klann. “In animal studies, it’s bad to have too much or too little. That could be part of the reason for conflicting findings on antioxidant supplements in humans.”

Klann says further research in mice will be necessary to approximate ideal antioxidant levels and whether antioxidant enzymes can prevent dementia and other aging-related impairments.

Daoying Hu and Dr. Faridis Serrano at BCM and Dr. Tim D. Oury at the University of Pittsburgh Medical Center also contributed to this paper. The study was funded by the National Institutes of Health and the Cynthia and George Mitchell Foundation.

Protein In Your Pantry

Pass The Peanuts, Please!

(NAPSA)-Most people are familiar with the use of peanuts in snacks, desserts and in Asian cuisine, but did you know that peanuts and peanut butter are cholesterol-free sources of protein that offer 13 vitamins and 26 minerals? Now you can enjoy them knowing that you are making smart choices. Check out the following Peanut Pointers about why you should pop more peanuts:

1. Peanuts' and peanut butter's combinations of fiber and mono-unsaturated fat satisfy for hours, which means fewer cravings for empty-calorie snacks.
2. Peanuts have no cholesterol. They are also a good source of protein, fiber and other nutrients like vitamin E.
3. Scientific evidence suggests that eating 1.5 ounces per day of most nuts, including peanuts, as part of a diet low in saturated fat and cholesterol, may reduce the risk of heart disease.

4. Peanuts contain resveratrol, a naturally occurring phytochemical also found in red wine, which has been associated with reduced cardiovascular disease and reduced cancer risk.

5. Harvard School of Public Health researchers reported in 2002 that consuming one tablespoon of peanut butter or an ounce of peanuts five or more times a week is associated with a 21 percent and 27 percent reduced risk of developing type 2 diabetes, respectively.

In a nutshell, peanuts are a sweet and savory food that you can enjoy knowing they are beneficial. Keep peanuts in your pocket, purse, desk drawer, car or even under your pillow so you can always have a natural and nourishing snack handy. Peanuts are helpful in the kitchen too-add them to meals for an extra punch of protein.

Try roasting your own peanuts at home for a personal spin on flavor:

Place raw peanuts, in-shell or shelled, one layer deep in a shallow baking pan. Roast in a 350°F oven-15 to 20 minutes for shelled and 20 to 25 minutes for in-shell peanuts. Remove from heat just short of doneness desired, as peanuts continue to cook as they cool.

Eat your homemade peanuts plain, or while they are still hot, add some extra flavor. For delicately sweet peanuts, add sugar and cinnamon. Or add grated Parmesan cheese and chopped parsley. You can spice things up by adding spices such as paprika and cayenne pepper. Be creative! One big batch of roasted peanuts can be put in separate bowls with different flavors for a peanut party.

Fit Facts™

FROM THE AMERICAN COUNCIL ON EXERCISE®

Kids In Motion

By the time they reach high school, 63 percent of children are no longer physically active. Why?

If your kids fall within this group, you don't have to shake your head sadly. You can set a good example, be a role model and do the right things so your kids will, too.

Get off the couch and on a bike with your kids. Introduce them to exercise that's fun. Eat healthy. Instead of high-calorie foods and snacks, turn to fruits and low- or non-fat foods. And once you get kids moving in the direction of fitness, chances are they'll keep going for the rest of their lives.

Start 'em young

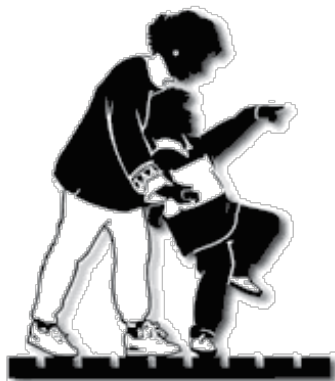

Did you know that physically active children have fewer chronic health problems than kids who are sedentary?

Children who are fit have other statistics in their favor, too. They're better able to meet the demands of daily physical activity. They do better in physical-performance tests. They have a stronger self-image and more self-confidence, and they demonstrate greater improvement in skill- and health-related fitness.

When you consider the facts, it makes good sense to encourage physical activity when your children are young. Parents, teachers and fitness professionals all have a role to play. Each can help kids think positively about exercise and motivate them to make regular physical activity a lifetime pursuit.

Mom and dad are the best motivators

As a parent, it's up to you to play the biggest part - bigger than a teacher, more important than a fitness professional. Your child looks to you for examples on how to talk, dress, act and lead a physically active - or a non-physically active - life.

Set a good example for your kids. Instead of spending the evening in front of the television, find some activity that will keep you moving. In warm weather, bike outdoors; if it's too cold, get a stationary bike, a treadmill or a trampoline.

And it's never too late or too early to help your kids build strength and endurance. Push-ups and pull-ups are an excellent way to build upper-body strength. Jungle gyms and monkey bars are great for kids because they utilize their own body weight. And they're loads of fun.

Keep in mind that kids are not always naturally limber and that their muscles may be tight and vulnerable to injury during the growth spurts that occur during the elementary years. Be sure to include stretching as a part of your fitness activities.

Make sure that you concentrate on the positive aspects of exercise. It's a chance for a family to be together, to share good times and fun. Avoid competition, discipline and embarrassment - things that can turn good times into moments of dread. And praise your children for trying. Praise them for doing.

It's really up to you

You can't tell kids that being active is fun. You have to show them. So take your kids hiking, biking, dancing, sledding, swimming and in-line skating. Skip rope or shoot baskets with them.

Plan outings and activities that involve walking, like a trip to the zoo or the park, a nature trail hike, or even a walk through the mall. It's really up to you. If you want your kids to be healthy, happy teens and adults, it's up to you to do something about it.
