Take a Leadership Role in Willowbridge/Stonebridge

By Fred Edler

The May 7th Houston Chronicle Real Estate Section was primarily devoted to "Houston Area Home Price Trends" from 2004 to 2005. The Chronicle reported the average Harris County Home Sale per Square foot in 2005 was \$70.04. The average percentage increase in value from 2004 to 2005 was 3.8%.

Willowbridge beats the Harris County percentage of increase with a significant 6.9% increase in Home Values with the average Home selling for \$77.07 per square foot.

For most of us our personal Home Value protects one of our single largest investments. You don't have to drive very far to observe what can happen when homes and subdivision communities began to age and are not cared for on a long term basis.

Fortunately the Willowbridge/Stonebridge HOA is working very hard to protect your investment. Sometimes the protection of that investment comes directly to your home in the form a "Deed Restriction or ARC Guidelines" violation. When you purchased a home in our community you signed, as part of the sale agreement, a statement that you agreed to abide by the HOA Rules.

The HOA Board is charged with enforcing those rules. The Board, ARC and PCMI look not just at the single Home in violation but how that violation effects the entire Willowbridge/Stonebridge community and how it effects the long term community property values. Please help us with your co-operation.

You're elected HOA Board and associated committees are completely made up of VOLUNTEERS. No one on the Board or serving on a committee is paid a salary.

We serve because we choose to help our community be the very best we can make it. The key words here are WE CAN MAKE IT. Since members of the Board are elected by the Home Owners, the "WE" in WE CAN MAKE IT changes every year. The "WE" is chosen by the entire community if they chose to vote and can be any home Owner in the community, even you.

Members of the Board serve for three year terms. The terms are staggered so that they are changing regularly. Personally, I believe an elected member of the Board should only be allowed to serve one term. This would allow for the constant influx of NEW ideas, thoughts, strategies, and fresh eyes looking at financials.

Unfortunately, there is a great deal of apathy in our community. At

May 2006

Pat and Jeannette Smith
9719 Rock Pass Drive

The Smiths have lived at 9719 Rock Pass Drive since April 2005. Pat is a Criminal Investigator with the Harris County District Attorney's Office. Jeannette works as a commercial insurance broker with Myron Steves Company. Chelsea, their 22-year-old daughter, is a senior at Texas State University in San Marcos. Their beautiful dog, a Labrador Retriever, appears with them in the photo.

Their front yard has completely new landscaping with Encore azaleas (Coral & Starlight), dwarf blue agapanthus and variegated ginger. Their side yard, facing Stoney Lake Drive, has pink velour crepe myrtles, dwarf blue and white agapanthus, Encore azaleas and Knockout red roses.

Safety Issues at Gleason Elementary

Providing a safe environment for students is the number one priority at Gleason Elementary. Therefore, it is important for staff, parents, and community to periodically review and revise safety procedures. The following reminders to the parents of Gleason students will help ensure their safety.

- Please get in the car rider line if you are dropping your child off in the morning. Please do not walk your child to the front door, unless you have business at the front office or a teacher conference. If you park on Willowbridge Park Blvd. and allow your child to cross over the car rider line to get to the front door, you are creating a dangerous situation for your child, as cars, day care vans, and buses enter the school drive and are moving every few minutes.

- Please do not park on either side of Willowbridge Park Blvd. to pick up your child at dismissal time for the same reason as arrival time. Your child would have to cross over moving traffic to get to your car. For this reason, at dismissal time, we do not release children to parents who are parking and waiting for their child in their cars or walking to the front entrance to pick up their children.

- One of our major concerns is the safety of the walkers and bikers because the location of the crosswalk is in close proximity of the school entrance. Many students exit the building as walkers and bikers, and it is a very congested area. Please do not park on Willowbridge Park Blvd. at the crosswalk to pick up a child who is a walker. If you are driving to the school and parking to pick up your child, then you child

is a car rider and not a walker. We appreciate the parents who get in the car rider line for pick up rather than parking on the street.

Our District does not provide trained crosswalk guards because Cy-Fair provides bus service for all students in the District, even if they live across the street from the school. School employees assist children into the building as soon as they arrive on the campus grounds and when they are leaving; but they do not direct traffic on Willowbridge Park Boulevard because they are not trained.

We are fortunate to have Constable Tracy Shillock who periodically patrols the area in and around Gleason in the mornings and helps with safety issues. He is not assigned to our campus on a daily basis, as he is responsible for all schools that feed into Cook Middle School. Constable Shillock has assured me that he does not direct traffic to use the semi circular driveway of the community clubhouse as a "turn-around."

We know that traffic conditions near schools can seriously affect the safety of school children as well as cause traffic conditions for home owners in the community. We are a team, so any safety suggestions will be well taken.

At Gleason Elementary, the administration and staff are committed to the safety of our students. We thank our parents for following the above guidelines, and we appreciate the community for helping keep our children safe.

Willowbridge Tennis – A Sport to Compliment a Fit and Healthy Lifestyle

Americans are obsessed with fitness. So we count our calories, take our vitamin supplements, and buy our treadmills that eventually end up tucked away collecting dust in the corner of a spare bedroom. The irony in all this, of course, is that we're trying to get fit in order to enjoy our lives more, but the process of getting fit is too often anything but enjoyable. That doesn't have to be the case. If you're looking for something that combines fun with fitness, you need not look any farther than your Willowbridge/Stonebridge tennis courts. Playing tennis will make you more fit—and bring you more fun. You hardly ever hear anyone say that about abdominal crunches.

Over the past year, our tennis courts have encountered increased utilization, which is a good sign. It is comforting to see that our Homeowner's fees are being used to provide an environment that allows residents to enjoy a healthy and fun sport such as tennis. In some cases, residents have been unable to play because of the high demand.

As Spring approaches and the weather improves we expect that the interest will continue to increase and have considered different ways to provide a fair and organized process to allow all interested residents an opportunity to enjoy our well-maintained tennis courts.

The Willowbridge Board of Directors have decided to implement a reservation process that will allow any Willowbridge/Stonebridge resident to reserve time on the tennis courts up to one week in advance.

This is how it will work:

1. Any resident who wishes to reserve time on the court makes the request by sending an email to willowbridge_neighbors@yahoo.com
2. Reservations must be made by Saturday at midnight for the following Monday through Sunday.
3. The reservations will be posted by the pool restrooms on Sunday for the following week.
4. Each household may reserve up to 3 non-consecutive hours per week.
5. If a reservation is made and is not claimed within the first 10 minutes then it is automatically cancelled.

To reserve court time, send your name, address, and reservation times to the email above.

Of course, if no one has reserved the courts, they can be used on a first come, first serve basis, as usual.

The first week that will be available for this reservation process is beginning Monday May 1st. In order to reserve time for Monday, May 1st through Sunday, May 7th, your reservation email must be sent Saturday, April 29th.

In addition, we are also soliciting interest for residents who may be interested in participating in a friendly neighborhood Tennis Ladder (one for Men and another for Women). If there is enough interest, we will create one. Send an email to the address above if you are interested. -Thanks, Willowbridge/Stonebridge Board of Directors

Patient Testimonials

I can honestly state that my 12 year old twins truly enjoy their visits to the dentist. Dr. Nguyen is a wonderful dentist and has the nicest staff. He is very intelligent, patient and has state of the art equipment. We have been coming to his office for over 5 years and have always received nothing but the best in service. I have and will continue to recommend Dr. Nguyen to other family members and friends.

Olga Salazar - Houston, TX USA

Dr. Nguyen is the most high-tech-savvy dentist I have ever met. I have been a patient of Dr. Nguyen for 7 years. His ability and knowledge to utilize computerized equipment and hi-tech (laser etc.) equipment have amazed me. Dr. Nguyen works hard and do the best for his patients. I highly recommend Dr. Nguyen to be your dentist.

Willowbridge - Stonebridge

Swimming Pool Improvements for 2006

The Willowbridge/Stonebridge Swimming Pool was replastered this winter, new lifeguard stands were installed and depth tile markers were replaced to meet new pool safety codes. The pool opened on Saturday, April 22 to 90 degree weather and a record crowd of excited swimmers.

Leadership Role- (Continued from Cover Page)

the annual General Meeting, in October, when elections are held, we usually have less than 150 people attend. A few more vote through a Proxy Ballot. This means the majority of Home Owners allow a small minority to elect your Board who in turn appoint committee members. The Leaders of your community.

Many Home Owners are quick to criticize, even though they don't vote or volunteer; even though they didn't take an interest in electing the Board. That's OK. Everyone is entitled to their opinion. But if you really don't like what's happening in your community there's 3 ways to have a significant voice in changing it:

1-VOTE

2-Run for a Board position

3-Get involved-Volunteer

It is unbelievably difficult to get volunteers to serve long term on a committee or short term to help with an event. It always seems to be the same people volunteering/ helping. Recently our Easter Egg Hunt was cancelled because the Home Owners who usually produce the event did not volunteer this year. The Good News is we have had two new individuals who have stepped up and volunteered to lead the Welcoming Committee and the annual Easter Egg Hunt. As soon as they are confirmed we will make their names public.

A Special Salute to that core group of volunteers who often serve unnamed and sometimes without thanks. Volunteers, who spend time away from their families and time away from doing activities that, may be much more enjoyable.

A Special Salute to those Volunteers who endure criticism, when they are trying to do what they believe is best for the community.

If you disagree with the current HOA Leaders, GET INVOLVED. My Board seat is going to be up for election in October. I will not run for re-election. HERE IS YOUR OPPORTUNITY TO LEAD!

Alzheimer's Disease: Coping with what Lies Ahead

Did you know that 1 in every 10 Americans over age 65, and half over 85, are affected by Alzheimer's? Also 7 of 10 affected live at home and are cared for by family and friends.

Jersey Village Baptist Church will present a free workshop open to the public to discuss topics including:

- Responding to a diagnosis of Alzheimer's disease
- How life changes with AD
- Caregiving needs
- Maintaining dignity
- Asking for help

Please come and learn more about this important topic.
