Neighborhood Watch News

Hi Neighbors,

Summer is here and many of you are planning vacations. Remember that the Block Captains have a Vacation Watch Form that you can complete for your time away from home. Deputies Polk and Thomas will keep an eye on your home during this time.

National Night Out is in the final stages of planning with many exciting and fun things to do. This will be August 1, 2006, Tuesday, 6:00-9:00 P.M. at the Clubhouse and across from it at the Lake. Food will be catered by James Coney Island, refreshments will be on hand and dessert will be available. The pool will be open with additional lifeguards on duty. There will be moonwalks for the kids and the Harris County Deputies Reserve Unit will be available to fingerprint the children. Motorcycle officers will be with us with their bikes and we are planning to have firefighters and their engines. We are looking into having a helicopter just for viewing. Door prizes will be awarded, so sign in and obtain your tickets at the clubhouse. More details later but be sure to reserve that date to meet new neighbors from other streets that you may not know.

We hope this will be the most successful event for our community ever.

Block Captains are still needed to help on the following streets: Harvest Dale, Timberland Trace and Wortham Blvd. Please help our existing block captains by volunteering.

Have a safe and fun summer.

Wortham Villages Signs Guidelines

Our community has two signs, each with two sides, available to post community related messages. One is located near the pool clubhouse on Wortham Boulevard and the other is at the Wortham Ridge and North Eldridge streets intersection. Each side can accommodate a maximum of twenty characters per line, including spaces, for a total of 100 characters on five lines. Keep in mind that many sign requests want to identify specifics by using only a few characters per line as "attention grabbers". Selecting this scheme obviously reduces the total quantity of letters that can be posted. Also, Phyllis Giblin and Fred Trascher, our sign caretakers, have the option to edit requests for brevity and content. Requests via E-mailings are preferred but phone requests are also accepted. However, E-mails provide Phyllis and Fred with a record of the content, especially those containing event times and dates sensitivity. At least a one-week notice is encouraged with the more advance notice provided the better. And a "first come first served" order will be honored, unless superceded by board request, due to important community announcements.

See IMPORTANT NUMBERS on Page 2 of this Newsletter on how to reach Fred and Phyllis. We trust these guidelines will aid sign requestors and help the caretakers to better serve the community.

A Herstory of WOW

By Reschele Lawrence

What began as a baby sitting co-op many years ago, has evolved into one of Wortham's premiere social organizations. Under the leadership of Suzanne Jones, and the presidents that came before her, it served its purpose by getting moms together to make new friends and switch off baby-sitting duties.

Barb Ramage-Thornton took Mom's Club one step further. She turned MOM upside down and created WOW. This opened the organization up to all women in Wortham. Barb organized the Spring and Fall Markets so the Women of Wortham could display their talents and sell their wares. She also provided activities for kids during Christmas and gathered goods through WOW for the Mission of Yahweh, a haven for homeless and abused women and children (www.missionofyahweh.org). Since moving from Wortham in December, she has been greatly missed.

WOW is still evolving today. WOW can become whatever the Women of Wortham need it to be. If it needs to become more focused on family, it can. If women need a night out to relax and de-stress for a few hours, WOW can provide that. If you're a new member of the Wortham community, we welcome you to our neighborhood and extend the invitation to join us in June at the next WOW meeting. Let's take WOW to a new level. I challenge the Women of Wortham of come out, meet the current members of WOW and join the group. I've built life-long friendships with the awesome women I've met through the organization and I want that for each of you. Ladies, consider yourselves challenged!

WOW will be held at Karen Costa's house (11106 Lark Brook Lane) Tuesday, June 20th, at 7pm. There will be a \$10 Summer Gift Exchange and special gifts for all WOW ladies who bring a friend. Please bring your favorite appetizer or dessert to share. I can't wait to make new friends!

Neighborhood Recreational Facilities Corner

By Rick Anderson

Continuing on from my May article here is an update of what is going on with the recreational facilities we have in Wortham Villages. These facilities include the pool, clubhouse, tennis courts and playground areas. Several things have been accomplished over the last few months for the facilities.

The swimming pool season is well under way and the pool officially opened on April 29, 2006 with our annual Pool Opening Party. We had a great turnout, good food and lots of fun for the whole family. We had several door prizes to hand out and we would like to thank the following businesses or individuals for donating prizes; La Madeleine, McNeil's Creamery, Piccomolo, Echo Lane Management, Sierra Resources LLC, Kroger, Chick-fil-a, Carrabas, Rachel's Hallmark, Jocelyn Sciatino (Wortham resident), Margo Horton (Wortham Resident) Gary Green Realtors, and Greater Houston Pool Management.

I also want to thank the members of the Recreational Facilities Committee who helped put this event together. They are: Bea Robertson, Cindy Byrnes, Bob Paziteney, Jean Otto and Michael Patrick. We also had several volunteers who helped setting up and during the event that we want to thank. We want to add our thanks to Greater Houston Pool Management who provided staff and coordinated all the games for the kids during the party. We look forward to doing it again next year.

The board of directors, once again as a courtesy, handed out pool tags for the residents in late April. If you were not able to pick up your tags at those times, you will need to contact Crest Management to get your tags.

Again, we are still looking for new members of the Recreational Facilities Committee to help us as we continue to look at ways we can effectively maintain, utilize and upgrade our facilities. I have been notified by three residents who are willing to help and I am looking for more. If you are interested please contact Rick Anderson at 281-890-4878 or email to rick_anderson@efiglobal.com. We had our first meeting in early April and will have another as the summer progresses.

Have a great month at the pool.

Located at 11202 Huffmeister, Cypress Assisted Ministries exists to provide a safe place for individuals or families to tell their story and be offered hope during difficult times. CAM focuses its efforts on helping families become totally self-sufficient by offering a variety of life-enhancing services.

Families of hundreds of school-aged children in the Cypress/Northwest Houston area are depending on CAM to assist them with necessary school supplies for their children. These start-up supplies can be impossible to fit into an already strained budget. Your donations of pocket folders with brads, washable markers, large & small packages of manilla paper, large & small packages construction paper, writing tablets, spiral notebooks and pencil boxes would be greatly appreciated.

Operation Jobs offers networking, counseling and resume writing as well as interview and job search techniques for unemployed and underemployed persons in the community. Beginning in the spring, Operation jobs also helps college students find summer jobs in order to offset high college tuition costs. If you are an employer and will be hiring students for the summer or a job seeker looking for employment, please call Loretta Nixon at 281-955-5895.

CAM's Angels' Attic Resale Shop is open to the public and carries a wide variety of household items, clothing, and furniture, as well as, craft items and new jewelry. Your donations of gently used clothing, household items and furniture stock this beautiful resale shop and help support the ministry work and food pantry at CAM.

Donations of peanut butter, jelly, snack foods, presweetened drink mixes, pasta, Spaghetti O's, and cold cereal will feed families with children home from school for the summer: The Food pantry can also use shampoo, bar soap, and toilet paper. Of course meat is a luxury; therefore, hot dogs, hamburger and chicken are always appreciated.

Donations can be made Monday through Wednesday from 10AM – 6PM and Thursday through Saturday from 10AM – 3PM.

If you need further information, please give us a call at 281-955-7684 and ask for Kelly or Lisa.

Fit Facts™

FROM THE AMERICAN COUNCIL ON EXERCISE®

A Walk A Day

The popularity of walking as a fitness activity is growing by leaps and bounds. Low risk and easy to start, walking has proved its health benefits in numerous studies.

An eight-year study of 13,000 people found that those who walked 30 minutes a day had a significantly lower risk of premature death than those who rarely exercised.

A regular walking program can help:

- Reduce blood cholesterol
- Lower blood pressure
- Increase cardiovascular endurance
- Boost bone strength
- Burn calories and keep weight down

Get ready

A walking program is simple to start. All you need are comfortable clothes and shoes. Layer loose clothing, keeping in mind that exercise elevates the body's temperature. Shoes specifically designed for walking are best.

Every workout should begin with a brief warm-up and a few simple stretches. Walk around the house or in place for a few minutes to get the blood flowing to the muscles before you attempt to stretch them. Although walking primarily works the major muscles of the legs, don't forget to stretch your back, shoulders and arms. This will help to loosen up any tension you may be carrying and make your walk more enjoyable as well as more effective.

Get moving

Beginning walkers can make their workouts less strenuous by limiting how fast and far they walk. Keep in mind the following:

- Walk short distances

Begin with a five-minute stroll and gradually increase your distance.

- Forget about speed

Walk at a comfortable pace. Focus on good posture, keeping your head lifted and shoulders relaxed.

- Swing your arms naturally

Breathe deeply. If you can't catch your breath, slow down or avoid hills.

- Be sure you can talk while walking

If you can't converse, you are walking too fast.

Get fit!

Walking is one fitness activity that allows you numerous options. Once you have reached a point where you can walk a few miles with relative ease, you can start to vary the intensity.

Walking hills, in addition to increasing your cardiovascular endurance, is a great way to tone the legs. Concentrate on lengthening your stride or increasing your speed. And don't forget to reward yourself after each workout with a few minutes of relaxing stretches to help prevent sore muscles.

Listening to lively music while you walk is also a great way to energize your workout. But if you wear headphones, keep the volume down and watch out for traffic that you may not hear.

Keep track of your progress. Many experts recommend that you walk a minimum of 20 minutes a day. But there are no hard and fast rules. Fit walking into your schedule whenever you can. That may mean two 10-minute walks each day, or even hour-long walks two to three times a week. The best schedule is one that keeps you walking and keeps you fit!
