BOARD NOTES - MAY 2005

The Board of the Lakes on Eldridge Homeowners Association met on May 16, 2005. The following is a summary of the matters discussed.

The Board reviewed the financial statements for the month ended April 30, 2005. The Association had cash balances of \$03,323 in the Operating Fund and \$131,664 in the Replacement Fund. For the four months ended April 30, 2005 the Association had Total Income of \$301,048, Total Expenses of \$284,224 and an Operating Surplus in the amount of \$16,824. The financial statements were accepted.

The Board agreed to exercise its option to increase the rate of the certificate of deposit expiring in February 2007. The managing agent was to so instruct the bank.

The managing agent reported that additional coverage had been obtained for the increased valuation of common property.

On a motion duly made the revised Architectural Guidelines were approved. The managing agent is to submit the approved guidelines to legal counsel for recording. The Board also discussed distribution of the guidelines to the owners via compact disk. The managing agent is to investigate.

The Board agreed with the committee that owners with "good neighbor" fences visible from streets or common areas will be notified that upon repairing or replacing the fences must have all the pickets facing the street or common areas.

The Board approved the committee's newsletter article and recommendation that owners with multi-colored play structure tarps must have them replaced with earth tone tarps by the end of 2006.

The gate committee reported that the Ginger Ponds entry gate motor had been replaced with a larger motor and was working well. He also advised that the Committee was to repaint the speed bumps at the North Eldridge exit gate.

The managing agent reported that following an inspection of the pool area, it was clear that the previously proposed repairs and additions were necessary to comply with the State Health Code. The work was authorized and had been completed. At the recommendation of Greater Houston Pool, a tile line separating the deep and shallow areas of the pool will be installed in the fall after the pool season.

The managing agent reported there were 256 active service requests and that 115 had been closed and 90 new items opened during the month of April 2005.

Board meetings are generally held on the third Tuesday of the month at 6:30pm at the Beach Club. It is recommended that homeowners who wish to attend confirm the dates with AMI since they change occasionally. In addition, homeowners are welcome to bring business before the Board but are required to inform AMI of their intention to do so in order to be placed on the agenda.

National Night Out 2006

Mark your calendars, on Tuesday, August 1, 2006 neighborhoods throughout Houston will turn on porch lights for National Night Out, an annual, nation-wide event designed to promote neighborhood safety. This is the 23rd Annual National Night Out.

LOE Book Club

Join us the 4th Thursday of each month at 7:30 P.M. for the L.O.E. Book Club. We try to read a wide variety of material, so if this month's selection doesn't appeal to you, maybe next month's will. Do join us when we tackle a book on which you have comments or opinions. We will again be meeting in various members' homes, so call or e-mail Celeste Fritz, 713-896-6942, cfritztx@houston.rr.com for additional information.

July 27th - *The Wild Girl*, *The Notebooks of Ned Giles*, 1932 by Jim Fergus When Ned Giles is orphaned as a teenager, he heads West hoping to leave his troubles behind. He joins the 1932 Great Apache Expedition on their search for a young boy, the son of a wealthy Mexican landowner, who was kidnapped by wild Apaches. But the expedition's goal is complicated when they encounter a wild Apache girl in a Mexican jail cell, victim of a Mexican massacre of her tribe that has left her orphaned and unwilling to eat or speak. As he and the expedition make their way through the rugged Sierra Madre mountains, Ned's growing feelings for the troubled girl soon force him to choose allegiances and make a decision that will haunt him forever.

In this novel based on historical fact, Jim Fergus takes readers on a journey of magnificent sweep and heartbreaking consequence peopled with unforgettable characters. With prose so vivid that the road dust practically rises off the page, *The Wild Girl* is an epic novel filled with drama, peril, and romance, told by a master.

August 24th - *Mountains Beyond Mountains* by Tracy Kidder. Tracy Kidder is a winner of the Pulitzer Prize and the author of the bestsellers *The Soul of a New Machine*, *House*, *Among Schoolchildren*, and *Home Town*. This powerful and inspiring new book shows how one person can make a difference, as Kidder tells the true story of a gifted man who is in love with the world and has set out to do all he can to cure it. At the center of *Mountains Beyond Mountains* stands Paul Farmer. Doctor, Harvard professor, renowned infectious-disease specialist, anthropologist, the recipient of a MacArthur "genius" grant, world-class Robin Hood, Farmer was brought up in a bus and on a boat, and in medical school found his life's calling: to diagnose and cure infectious diseases and to bring the lifesaving tools of modern medicine to those who need them most. This magnificent book shows how radical change can be fostered in situations that seem insurmountable, and it also shows how a meaningful life can be created, as Farmer--brilliant, charismatic, charming, both a leader in international health and a doctor who finds time to make house calls in Boston and the mountains of Haiti--blasts through convention to get results.

Community Emergency Response Team – CERT

Cy-Fair CERT classes now have 53 team members in your neighborhood. These new team members are not only from Copperfield, but Katy, Bear Creek, Cypress, Alief, Tomball, and Sugarland. More trained CERT members will be needed in each of these areas to form teams.

CERT training is designed to prepare you to help yourself, your family, and your neighbors in the event of a catastrophic disaster. Because emergency services personnel will not be able to help everyone immediately, you can make a difference by using this training to save lives and protect property.

This 8 week course (24 hours of training) covers basic skills that are important to know in a disaster when emergency services are not available. You are taught skills about disaster preparedness, small fire suppression, urban search & rescue, medical operations and more. With training, practice and working as a team you will be able to do the greatest

good for the greatest number of people after a disaster, while protecting yourself from becoming a victim.

In 2003 President Bush asked Americans to volunteer to serve others. The Harris County Citizen Corps www.harriscountycitizen corps.com was created to help our citizens find volunteer and training opportunities. CERT training is just one of the programs created. Training courses are provided throughout Harris County. There is no cost for this course. A backpack of supplies is provided to all CERT team members during training. This program is brought to you by Harris County Judge Eckels.

For more information on how you can become involved in CERT and to register contact:

Sue Zahn Lucas (Cypress Mill Resident), 832-687-5778 or email suezahn58@yahoo.com or Teri Shamlian, 713-594-1159 or email at tshamlian@sbcglobal.net
