## Child Safety

Dear neighbors,

I hope this is nothing, but the last few days I've been seeing a Cadillac in the neighborhood parked in different locations just watching. One day when I came home from work, the car was parked in front of pool two between the tennis courts and the pool looking up at the pool area. My two boys, ages nine and ten wanted to go swimming, so when I took them, I saw the car still parked there. I circled the block to get his license plate number and he took off. Later that evening, my kids wanted to roller blade and as we were going out the door, they came back in and told me, "Mom, someone is here." When I went outside I realized it was the same car and the man took off. Again, I was unable to get the license plate number. Earlier, my kids had left the garage open; hopefully, this guy is looking for something to steal and is not some sort of child predator, but this has really upset me. Constable Ron Hickman's office has been contacted and they are aware. Please, everyone, watch your kids close.

## Cypress Mill Mako Sharks Swim Team Season Update

The Cypress Mill Mako Sharks had an impressive season this year! In it's second year, the neighborhood swim team had over 70 participants (ages 5 to 15) and improved by scoring over 100 points per meet. Not only did the swimmers improve performances and increase participation, improved confidence, sportsmanship and team camaraderie was also gained. Twenty swimmers qualified for post-season invitational meets, nearly double the number from last year.

Thanks go to all the parents for their dedication and volunteer time to make the season possible. Thank you also to the community for your patience and support during practices and meets. We look forward to next year's season as many residents have found swim team to be a great way to meet other residents and share in a team sport that brings the community together. ## DR. A. SUNDRANI

### Dental Tip of the Month.

#### Is Overwhitening a Concern?

By: Dr. Asim Sundrani

Many folks that are teeth whitening are aiming for an unnaturally white shade by overusing the products. Excessive use of bleaching products can damage tooth structure and gums. Some overly enthusiastic patients experience tooth sensitivity, blisters and discoloration on teeth and gums.

Custom-fitted trays are used to hold the gel, reducing risk of hydrogen peroxide leakage; with over-the-counter products, the trays are usually not form-fitting. But even under ideal conditions, studies show that often less than 50% of the whitener is still in the trays one hour after application, indicating a lot of leakage.

I do caution against buying tooth whitening products over the counter. The ingredients may be correct but the balance of the ingredients may be improper, resulting in a low pH, thus damaging the enamel of the teeth.

Make sure whatever whitening product you get, it has an ADA (American Dental Association) seal of acceptance. Most over the counter products do not have that seal, thus may cause an unknown harm.

If you have any further questions, please email me at [sundranidds@yahoo.com](mailto:sundranidds@yahoo.com), and I will be happy to respond to your inquiries

#### Storm Water Pollution

Have you ever seen someone pour motor oil into a storm sewer? Use the nearest storm drain to dispose of grass clippings with the leaf blower? Did you ever wonder where it all ends up? Our bayous and Galveston Bay - that's where. Virtually anything that touches the ground can make its way into the storm water drainage system and flow directly into our bayous, streams and ultimately, into the bay. If storm water is contaminated by contact with pollutants, it stays contaminated because storm water is not treated at a treatment plant.

Urban storm water runoff is a serious concern because storm water runoff may be contaminated with pesticides, fertilizers, animal droppings, trash, food wastes, automotive by-products and other toxic substances, as well as floatable trash that are all part of the urban environment. Storm water runoff that flows over streets, parking lots, construction sites and industrial facilities can carry these pollutants through the storm water drainage system directly into local rivers, bayous, channels and ditches.

The contaminated storm water may affect commercial fisheries, restrict swimming areas or affect the navigability of the regional waters.

The sole purpose of a storm water drainage system is to transport storm water to the nearest waterway. Dumping trash, pollutants and debris into the storm drain is illegal and is a violation of the Clean Water Act. To report violations call the Harris County Environmental Enforcement Division at 713-463-4619.

## Van Arsdale Presents Overview Of Special Session, School Finance Reform

HOUSTON (June 23, 2006) – Texas House District 130 Representative Corbin Van Arsdale can finally get back to his routine at home – at least until early next year when the 80th Legislature convenes.

Van Arsdale, who spoke at the June 20 general membership luncheon of the Cy-Fair Houston Chamber of Commerce at Raveneaux Country Club, joked that when people ask the two-term legislator how long he has served in the House, he tells them nine sessions – two regular sessions and seven called sessions.

At the Chamber luncheon, he presented an overview on the recently concluded special session at which legislators finally hammered out school funding laws to replace the so-called “Robin Hood” plan.

“The problem with Robin Hood is that over the years more and more of the burden of financing schools has fallen to the local level,” Van Arsdale said. “As long as the local portion is going up and up, you’re going to have more redistribution. The only way to fix this is to push more from the local level to the state level. When you start pushing things to the state level, the state can’t tax property or income.”

Van Arsdale noted that the governor’s school finance panel, headed by former state comptroller John Sharp, did in-depth studies and hired economists to examine the issue. The final result, adopted by the House and Senate and signed into law by Gov. Rick Perry on May 31, was a mixture of consumption taxes, revamping of the franchise tax and use of budget surplus to reduce school property taxes for

property owners.

The consumption tax increases affect cigarettes and smokeless tobacco but not cigars, Van Arsdale said. Because private-party automobile transaction prices are virtually impossible to document, all used car sales taxes will now be based on a vehicle’s so-called “blue book” value.

The franchise tax, which only about 6 percent of Texas businesses paid because they found loopholes, was scrapped in favor of a “margin” tax. However, the margin tax will not apply to sole proprietorships, charities, general partnerships or companies that earn less than \$300,000 in gross revenue, Van Arsdale said. The tax will not be payable until 2008.

According to Van Arsdale, all the new revenue will be channeled into a special fund that is separate from the regular budget. The school finance fund will reduce property taxes 11 percent this year and another 22 percent by 2007. The bill signed by Perry also included a \$2,000 raise for teachers.

The legislation also included incentive pay for teachers, a mandatory four years of math and science courses for high school students, a mandatory late-August start date for schools, sanctions for low-performing charter schools, a provision that school elections must be held on the same day as city or county elections, and a requirement that districts post their financial information on their Web sites.

## Cypress Assistance Ministries - Volunteers Needed

A heartfelt "thank you" to all the wonderful people who donated school supplies and volunteered time to make this year's school supplies drive one of the most successful ever. Volunteers and staff passed out school supplies to hundreds of children.

The services provided at Cypress Assistance Ministries, CAM, are made possible by many dedicated volunteers. If you enjoy working with the public, decorating or merchandising, then serving in our busy resale shop, Angels' Attic, is the place for you. Want to help fulfill a family's most basic needs? Come serve in the Food Pantry by restocking shelves, packing groceries, or picking up donations from local grocery stores or restaurants. Our busy community donation area, the Cellar, is looking for people willing to serve by processing donations and restocking Angels' Attic. Do your skills include math and teaching? Our Operation Jobs Program has a need for that certain person that would consider "one-on-one" math tutoring for GED students that are having difficulty.

Stop by and see the newly remodeled Angels' Attic Resale Shop. Angels' Attic is stocked with quality merchandise at resale prices. Our racks are full of children's back-to-school clothing and shoes in all sizes. New costume jewelry and sterling silver, fill the jewelry cases for any special occasion. You will also find household items and furniture to redecorate your home for fall. Ask for a calendar of the upcoming sales next time you visit the store. Services at Cypress Assistance Ministries are funded from the proceeds of Angels'

Attic along with contributions from local churches, businesses and individuals.

Cypress Assistance Ministries, located at 11202 Huffmeister, exists to provide a safe place for individuals or families to tell their story and be offered some measure of hope during difficult times. For a description of all our services as well as volunteer opportunities and Food Pantry requests please see our Web site, [www.cypressassistanceministries.com](http://www.cypressassistanceministries.com)

Donations can be made Monday through Wednesday from 10AM – 6PM and Thursday through Saturday from 10AM – 3PM.

If you need further information or would like to volunteer, please give us a call at 281-955-7684 and ask for Kelly or Lisa.

## MOMS Club of Cypress-North

Are you an at-home mom (either full- or part-time) looking for some fun activities for your kids, interesting activities for yourself, or just some good adult conversation? If you live in the 77429 zip code, why not try out MOMS Club of Cypress-North!

MOMS (Moms Offering Moms Support) Club is a national, non-profit organization that gives at-home mothers the opportunity to share activities and discussions with other mothers and their children. Upcoming activities include outings, playgroups and MOM'S Night Out, as well as scrapbooking, craft days, a cooking group and monthly mixers where moms get to chat while the kids play. And best of all, the activities and meetings are held during the day, when at-home mothers need support and interaction with others. We also perform service projects throughout the year to help needy children and organizations in the community.

Most of the club activities are held in Cypress. You can choose the activities that interest you and that are convenient to your schedule. Meetings are held on the 2nd Tuesday of each month at 10:00 a.m. If you are interested, please come to one of our next meetings on August 8th or September 12th at 10 a.m. Please call Gina Garnett, Membership VP, at 281-256-3995 (gkgarnett@sbcglobal.net) or Susan Norris, President, at 281-225-6450 (mjn1@ev1.net) for location, directions, or any questions. We are happily welcoming new moms at each meeting. Hope to see you there!

## Fountain of Life Fellowship - Non Denominational - Spirit Filled Church

### Vacation Bible School (VBS)

Our Vacation Bible School was a blessing to the community. Our kids got fired up for Jesus as they rotated every 20 minutes through Maraca Munchies, Hot Bible Adventures, Grande Games, Chadder's Desert Drive-In Theater, and Cactus Crafts and Missions. Operation 2006, Kid-to-Kid missions program warmed kids' hearts and minds and allowed them to share the joy of God's love. The kids learned what it means to help others as they created a special blanket that says, "Jesus loves me", in both English and Spanish. Plus, every participant personalized a Spanish Bible Book that we sent along with the blanket to a child in Mexico. The children in our VBS became a part of the world's largest focus to mobilize kids in serving others around the world.

### Youth And Kids – Have We Got Fun For You!

Youth and Kids get excited for Jesus in an atmosphere that is magnetically charged with "Holy Spirit" power. Bible centered but fun and exciting. We have two exciting groups to tell you about. One, Kidz Klub, for k - 5th graders geared toward the active, "bouncing off the walls" temperament of the elementary aged kids. The other, Youth Group for 6th – 12th graders, especially geared toward Youth, with the vibrant today's sound and Christian lyrics, Bible study and activities.

### Ladies Bible Study

Ladies, make your plans now to attend our exciting Ladies Bible study starting Thursday, September 7th. We will be studying Beth Moore's book, Believing God. Our studies will be every Thursday morning at 10:00 am and we will share lunch and fellowship following the Bible study; all ladies 18 years of age and older are welcome. Call the church for location (281) 373-9337.

### Come Grow With Us!

September 15, 2006, we celebrate 15 years of service to this community. We thank God for our growth and development these past 15 years and look forward to the future and how the Lord will use Fountain of Life Fellowship in the furtherance of kingdom work. You may become an integral part of our future growth, just come and enter in.

Our Sunday morning service starts at 10:45 a.m. Service begins by entering into God's presence through praise and worship. Then, our Pastor delivers a powerful Word on how to live a Christian life in a materialistic world.

We offer a toddlers church for ages 2 – 5 and a separate nursery for the wee ones under 2 years of age. Come join us and experience how the Holy Spirit equips Christians to live victoriously in today's challenging world. We are located a short 1.5 miles off Hwy 290 at 15010 Mueschke Rd.
