*Dear Fairfield Residents,*

*As you all know our son, Michael, passed away on May 28, 2006. We want to express our heartfelt thanks to all of you who sent food, cards, flowers & prayers on behalf of our family. Michael was loved by so many that we were taken back by the tributes made to him. He left behind a wife, Chessa, and two daughters, Taylor, age 5, & Shelby, age 2. Mike was 26 years old and he had just graduated from Redstone Institute, specializing in airplane mechanics. He had such hopes & dreams. He's in the arms of Jesus now and is in no more pain. We will be reunited with him one day. I also want to thank my Pastors, John and Kerry LaLonde and my church family for the spiritual and emotional support which meant so much to us. We wouldn't have made it without them.*

*Sincerely,*

*Jack & Donna Welch & Family*

## CUB SCOUT PACK #1533

### WHERE HAS THE SUMMER GONE?

Wow, summer sure flew by for the **Cub Scouts of Pack #1533** who have enjoyed every minute of their vacations.

The boys enjoyed a **Pack Family Pool Party**, **Rising Star District Cub Scout Day Camp** and other great summer activities both with their **Dens** and the **Pack**. A lot of the Scouts traveled with family and all of the boys were able to spend time with friends.

One of the highlights of the summer, of course, was the **Cub Scouts** participation in **Fairfield's Annual 4<sup>th</sup> of July Parade**. Despite the looming rain clouds, the boys gathered early to decorate the **Pack #1533** trailer and the parade went on without a hitch. Lots of candy was thrown (and consumed) along with trinkets and beads. What a wonderful way to proudly celebrate the birthday of our great nation.

Now that August is here, school will be starting and **Cub Scout Pack #1533** will be hosting their annual **Rally Nights**. Please be sure to watch for those dates to be announced soon. Remember, **Scouting** is open to every boy beginning in 1<sup>st</sup> grade. **Cub Scouts** is open to boys in 1<sup>st</sup> through 5<sup>th</sup> grades. **It is never too late to join!!**

Do you know a boy who likes to have fun, learn new things and make lifelong friends? Then you know a boy who may be interested in **Scouting!** If he is in grades 1<sup>st</sup> through 5<sup>th</sup>, please feel free to contact Pack Committee Chairman, **Tom Huber** at [tomh@tdspecialty.com](mailto:tomh@tdspecialty.com) for more information. **Every boy is welcome; regardless of what school he attends.** Be sure to check out **Pack #1533's** website at [www.pack1533.org](http://www.pack1533.org) for more news and more great photos.

## CONGRATULATIONS MUSTANGS!

### *All the Way to the 9U National Championships!*

We want to congratulate a very special group of 9-year boys from the Fairfield area for another outstanding baseball season! They played over 60 games this season at a very competitive level in both 9U AAA and 10U AA leagues. The team achieved many great accomplishments including a 2<sup>nd</sup> place finish in the State Championships in DeSoto, TX!! They were also able to earn first place finish at the Brenham, TX, Super Series tournament and a 3<sup>rd</sup> place finish at the Super Series Qualifier in McKinney, TX. It is now on to the Super Series American League National Finals!

The Mustangs are a terrific group of boys that have learned much about baseball, friendship, teamwork and growing up through these many games and challenging times. The Mustangs include: Cameron Grier, Cameron Guerra, Eric Albarn, Jared Shearer, Austin Haines, Trent Stumbaugh, Coltin Zievert, Trevor McKinney, Ryan Arocha, Bryce Saracene, Mason Hibbeler and, of course, Elijah MacNamee. All of the Mustang parents are very proud of our boys and wish them well in the National Tournament. Keep it up team! We also want to recognize and thank the coaches for all of their dedication and hard work: J D Grier, Matt Albarn, Mike Guerra, Phil Horton and Phil McKinney.

## Fairfield's Annual July 4<sup>th</sup> Celebration

We were able to hold the rain off long enough to for everyone to come out and enjoy our fun filled annual parade. Lots of excited neighbors participated in the morning parade and many more lined the parade route to cheer and catch candy, necklaces & even jar openers! The parade was lead by our very own Station "7" Volunteer Fire Department. Thanks to all of you involved with the Fire Department for helping to make this a memorable event. The Grand Marshall, Lisa Schneider of the Fairfield Athletic Center, was chauffeured by Tim Bone. Thanks Tim! Other parade participants included: Boy Scouts, Girl Scouts, Fairfield Women's Club, All-Star Baseball teams, Papa Fajita waiters/waitresses, as well as many, many more. Many thanks to Michael Urban and the other Houston Police Officers for their guidance and protection!

After the parade the day became a washout with all of the rain. The band was here and ready to play, but an electric guitarist cannot play in the constant rain we experienced. Luckily, the fireworks were able to go off as planned, and Texas Lite & Pyro did an awesome job. It was a full 20 minute show of spectacular fireworks.

**Most importantly thanks to our sponsors for the evening:**

**AMI – Associated Management, Inc.  
Don & Jeanne Machrowicz – Re/Max Preferred Homes  
Fairfield Athletic Center  
Havin' An Affair – Event Planning  
Horizon Lawn & Landscape  
PEEL, Inc.**

Also, a special thanks to Jackie Welch with Gambino's Pizza for selling pizza by the slice for all to enjoy and for allowing us to use his trailer for the band.

We would like to thank the Fairfield Women's Club who braved the rain and sold slushies to the brave souls who came out to watch the fireworks and also to Ranch Community Fellowship who came out and gave away Hotdogs & Water bottles!

Thank you to Bob Elberger & Butch Callegari along with all the tenants at the Fairfield Market Center for allowing us to use the parking lot for this event.

**Thanks to Friendswood Development/AMI for sponsoring the fireworks!**

### AUGUST TRIP PLANS:

**Tuesday, August 22<sup>nd</sup>: Houston Museum of Nature Science.** Body Worlds 3 presents more than 200 specimens, including organs and whole body specimens that have undergone Plastination. This process gives you an opportunity to learn about anatomy, physiology and health. The specimens are viewed without skin so that you can see the bones, muscles, tendons, nerves, blood vessels and organs. Plastination also allows bodies to be fixed into life-like poses, illustrating how our bodies are structured and how they function when performing everyday activities. Our ticket admission to the Houston Museum of Nature Science also includes the permanent exhibition halls and "The royal tombs of Ur and ancient treasures from modern Iraq." The cost is \$20.00 plus your lunch at the Katz Deli. **Call Skip or Kaye Wheeler @ 281-890-1934** to get your name on the list. Make checks out to: Fairfield 50 Plus. Bus departs at 9:00am from the Fairfield Village parking lot. However, be there by 8:45am.

### SEPTEMBER TRIP PLANS:

**Friday, September 22<sup>nd</sup>: Houston Heights**

The September trip will be a driving tour of the Houston Heights, to learn more about Houston. We will meet our "step-on" tour guide, Mr. Dean Swanson, at the Hickory Hollow Restaurant where we will get "free" coffee. This tour will include visits to the Eyeglass Center, the Heights Church of Christ, a return to view the Presidential Heads, and a local spice shop.

**Note:** The Eyeglass Center is the regional center for eyeglass recycling. The center accepts for recycling; eyeglasses, hearing aids, cell phones (for battered woman to use for emergency numbers only), postages stamps, greeting cards and note cards. These donations are always appreciated and are tax deductible.

The cost is \$9.00 per person, plus the cost of your meal. We will be going back to the Hickory Hollow Restaurant, for lunch. **Call Kay or Skip Wheeler @ 281-890-1934** to get your name on the list. Make checks out to: Fairfield 50 Plus. Bus departs at 8:30am from the Fairfield Village parking lot. However, please be there by 8:15am.

### AUGUST ACTIVITIES PLANS:

**Thursday, August 10<sup>th</sup>:** The Monthly Pot Luck at the Lakeside Trails Club House, it starts around 6:30pm; but, plan on being there early for some socializing and fellowship. Then plan on staying, we are having many stay and play games after the meal and to finish up the deserts.

**Tuesday, August 15<sup>th</sup>:** Game Night at the Cooks' starts around 6:30pm. Directions are posted on the Activity details page of our web site. This is always a fun night with great fellowship, just bring a little snack.

**Thursday, August 24<sup>th</sup>:** Game Night at Lakeside Trails Club House starts around 6:30pm. There is plenty of room at the club house, and we would like to see even more come out for this very enjoyable evening of games and fellowship.

## DR. A. SUNDRANI

### *Dental Tip of the Month.*

#### **Is Overwhitening a Concern?**

*By: Dr. Asim Sundrani*

Many folks that are teeth whitening are aiming for an unnaturally white shade by overusing the products. Excessive use of bleaching products can damage tooth structure and gums. Some overly enthusiastic patients experience tooth sensitivity, blisters and discoloration on teeth and gums.

Custom-fitted trays are used to hold the gel, reducing risk of hydrogen peroxide leakage; with over-the-counter products, the trays are usually not form-fitting. But even under ideal conditions, studies show that often less than 50% of the whitener is still in the trays one hour after application, indicating a lot of leakage.

I do caution against buying tooth whitening products over the counter. The ingredients may be correct but the balance of the ingredients may be improper, resulting in a low pH, thus damaging the enamel of the teeth.

Make sure whatever whitening product you get, it has an ADA (American Dental Association) seal of acceptance. Most over the counter products do not have that seal, thus may cause an unknown harm.

If you have any further questions, please email me at [sundranids@yahoo.com](mailto:sundranids@yahoo.com), and I will be happy to respond to your inquiries

## Cypress Assistance Ministries Volunteers Needed

A heartfelt "thank you" to all the wonderful people who donated school supplies and volunteered time to make this year's school supplies drives one of the most successful ever. Volunteers and staff passed out school supplies to hundreds of children.

The services provided at Cypress Assistance Ministries, CAM, are made possible by many dedicated volunteers. If you enjoy working with the public, decorating or merchandising, then serving in our busy resale shop, Angels' Attic, is the place for you. Want to help fulfill a family's most basic needs? Come serve in the Food Pantry by restocking shelves, packing groceries, or picking up donations from local grocery stores or restaurants. Our busy community donation area, the Cellar, is looking for people willing to serve by processing donations and restocking Angels' Attic. Do your skills include math and teaching? Our Operation Jobs Program has a need for that certain person that would consider "one-on-one" math tutoring for GED students that are having difficulty.

Stop by and see the newly remodeled Angels' Attic Resale Shop. Angels' Attic is stocked with quality merchandise at resale prices. Our racks are full of children's back-to-school clothing and shoes in all sizes. New costume jewelry

and sterling silver fill the jewelry cases for any special occasion. You will also find household items and furniture to redecorate your home for fall. Ask for a calendar of the upcoming sales next time you visit the store. Services at Cypress Assistance Ministries are funded from the proceeds of Angels' Attic along with contributions from local churches, businesses and individuals.

Cypress Assistance Ministries, located at 11202 Huffmeister, exists to provide a safe place for individuals or families to tell their story and be offered some measure of hope during difficult times. For a description of all our services as well as volunteer opportunities and Food Pantry requests please see our Web site, [www.cypressassistanceministries.com](http://www.cypressassistanceministries.com)

Donations can be made **Monday through Wednesday from 10AM – 6PM** and **Thursday through Saturday from 10AM – 3PM**.

*If you need further information or would like to volunteer, please give us a call at 281-955-7684 and ask for Kelly or Lisa.*

## Harvest Bible Church

Worshipping the Lord is so much more than simply singing songs on Sundays. Jesus, in the book of Revelation told the spiritually dead church in Sardis: *Remember, then, what you received and heard. Keep it, and repent. If you will not wake up, I will come like a thief, and you will not know the hour I will come against you (3:3).*

After commanding the sleeping church in Sardis to “wake up” from their spiritual slumber (Rev. 3:2), Jesus gave them a sharp command and warned them that if they failed to wake up he would come suddenly and rise up against them. His name was a stake, and he would never allow sin to continue without severe consequences – both then and in the present-day.

There are five noteworthy verbs in Rev. 3:3 that call believers to worship. First, the command to “remember.” This present-imperative Greek verb tense implies an urgent *continual* remembrance whereby the church gathers together repeatedly to recall God’s past, present, and future works. The second verb to note is the verb “received” (“remember what you received”). This perfect-indicative verb tense denotes a present state of being based on past action. In other words, since the church had “received” the free gift of salvation as a once-and-for-all-time event, their present state of being was to reflect that. Like a wide-receiver who had caught the football down field (one-time event) he’s supposed to run toward the end-zone (present state of being). The Sardis church caught the ball, as it were, but they were sitting on the ball without advancing it. They needed to run!

The third verb in v. 3 is “heard” (“remember what you received and heard”). This aorist-indicative Greek verb refers to a snapshot of past action. All it

means is that the church at one time heard the gospel, but it seems clear that what they heard they indeed believed because they had “received” it, for they had converted to Christ. Now they just needed to remember it all so as to wake up from their slumber. The fourth verb is “keep it” (“remember what you received and heard... keep it”). This is another present-imperative like “remember.” The church was to remember who Christ was to them, recall his commands, and continually “keep” them. Finally, they were commanded to “repent” (“remember what you received and heard... keep it, and repent”). This verb is an aorist imperative, and it signifies urgent and time-critical action (cf. Matt. 28:19-20). The church was in danger of Christ’s discipline, and they had to the count of three, so to speak, to repent, or Christ would rise up against them.

Revelation 3:3 is a design for Christian worship. Remembering who God is comes from singing praises to Him and studying His word. Of course praise can only come from those who have heard and received God’s unconditional grace. This leads to a revival of believers and then to repentance of sins. That’s what worship is and what it accomplishes.

If you’re looking for a church where the worship of Jesus Christ is done in spirit and truth come visit us at Harvest Bible Church on Sunday mornings at Ault Elementary. We have Sunday School for children and adults at 9:30 and corporate worship for all ages at 10:30. Our website is [www.harvestbiblechurch.net](http://www.harvestbiblechurch.net)

## Catholic News

GOD IS LOVE- As Saint Paul says:

If I speak in the tongues of men and of angels, but have not love, I am only a resounding gong or a clanging cymbal. If I have the gift of prophecy and can fathom all mysteries and all knowledge, and if I have a faith that can move mountains, but have not love, I am nothing. If I give all I possess to the poor and surrender my body to the flames, but have not love, I gain nothing. *1 Corinthians 13:1*

"Discovering the Heart of Christ, in the Heart of Fairfield."

"Changing Doubt to Hope" "How long, O lord? Will you forget me forever? How long will you hide your face from me?" —Psalm 13:1 NIV

Have you ever felt this way? Have you prayed and prayed, but it seemed that no one was listening? Psalm 13:1 is part of a psalm written by David in the midst of his troubles. From the time he was a child, David trusted in God. He didn't fear Goliath, for he trusted the Lord. He led his troops against the Philistines, for he trusted the Lord. Yet in this Psalm he is expressing doubt that God even remembers him.

I don't know about you, but it is very encouraging to me to know that the heroes of scripture were weak humans also. They had their down times the same as we. But even though David began his psalm in misery, he ended it with these words: "But I trust in your unfailing love; my heart rejoices in your salvation. I will sing to the Lord, for he has been good to me." (Vss. 5-6). David continued to trust God! Why? Because David remembered all the times God had been good to him.

So when you are in the depths of despair and it seems that you're getting no answers to your prayers, do as David did. Remember all the times that God has come to your rescue and guided you out of sticky situations. Thank him and praise him for his help in the past. You will begin to have a hopeful attitude and think clearly. -copied

We invite you to come to church this Sunday and join in on celebrating and adoring God almighty who has done, and will do, great things in the lives of believers.

Each week we also have continuing events and activities as follows: Sunday mornings; **Bible Classes** for babies to adults begins at 9:30am. Each bible class is taught by loving, well prepared, Christians utilizing the latest in educational techniques and finest bible curriculums.

**Worship** is at 10:30am and each service is carefully thought out and planned by our worship ministry leaders. Every service is meant to bring glory to the name of Jesus and help each person realize how wonderful it is when you fall in love with Jesus as your savior.

At 5:00pm on Sunday evenings we spend time in prayer, praise, and casual conversation about God's word and how it applies to our daily lives.

Mid-week **Bible studies** are also offered every Wednesday at 7:30pm. This is a great time to pause in the middle of a busy week and be re-energized by fellowship, prayer, and study of God's word.

We also offer free of charge in-home, personal, one-on-one Bible studies and for those who wish to study alone, Bible correspondence lessons as well.

If you have a prayer need of any kind please let us know by calling the church office or visiting our web site at [www.fairfieldchurch.org](http://www.fairfieldchurch.org). You may also call the church office and set up a time to come into our sanctuary for a personal time of prayer and reflection. We are available to meet your prayer needs 7 days a week, 24 hours a day, holidays and weekends included.

At Fairfield Church of Christ it is all about Heart.

## Fairfield Family Church

*A Spirit Filled Non-Denominational Ministry*

**“Just what does it mean to be a Christian?”** Have you ever asked yourself this question? In fact, just out of curiosity, I looked up the phrase “What is a Christian?” on [www.askjeeves.com](http://www.askjeeves.com). Ironically enough, did you know that you can even find Christianity on E-Bay? It came up as the second listing. It was preceded only by the term “Christianity” as defined by Wikipedia. In reviewing the term Christianity on [www.wikipedia.com](http://www.wikipedia.com) I came no closer to a deeper understanding of the term. From all indications it seems there is a very loose definition of Christianity in our society.

So many times we determine our own definition of Christianity by looking at others around us who call themselves “Christian”. While this is a natural inclination it only provides a skewed perspective of Christianity. We make Christianity such a complex issue when in reality it is very simple. In fact, Jesus put it very plainly in John 13:34-35 (MSG), “Let me give you a new command: Love one another. In the same way I loved you, you love one another. **This is how everyone will recognize that you are my disciples—when they see the love you have for each other.**”

Today it is imperative that we who call ourselves Christians have a firm understanding of what it truly means to be a Christian. It is not a title or a denomination. It is not religion, nor is it tied to a church. Christianity is the very essence, the very core of who and what you are as an individual. It completely defines your walk, your talk, your way of life. Many have looked upon Christianity as a list of rules or

the “do’s and don’ts” of life. Speaking of life, Jesus said, “I came so they can have real and eternal life, more and better life than they ever dreamed of.” (John 10:10, MSG)

In light of this dilemma and misunderstanding of Christianity we have began an extensive study on the Concepts of Christianity. Through this study we are exploring God’s Word to come to a deeper understanding of what it really means to be a Christian. We encourage you to consider your own relationship with Christ. Ask yourself, “What is my definition of Christianity?” It is more than obligatory service to the community, it is more than good works and it is even more than just going to church. For more information you can follow this study along with us by reviewing our weekly Bible Study notes which can be found on our website ([www.fairfieldfamily.org](http://www.fairfieldfamily.org)).

Fairfield Family Church meets weekly in various homes right here in the Fairfield community. We join together for a time of praise and worship followed by Bible study and fellowship. No hype and no pressure, just an opportunity to build relationships with one another and ultimately to build and strengthen our relationship with God. Our goal is to make the word of God relevant to the entire family.

We invite you to join with us as we discover Christianity together through the study in Concepts of Christianity. Send us an email at [contactffc@fairfieldfamily.org](mailto:contactffc@fairfieldfamily.org) or call us at 281-256-0031 to learn more.

## Fountain of Life Fellowship Non Denominational – Spirit Filled Church

### Vacation Bible School (VBS)

Our Vacation Bible School was a blessing to the community. Our kids got fired up for Jesus as they rotated every 20 minutes through Maraca Munchies, Hot Bible Adventures, Grande Games, Chadder's Desert Drive-In Theater, and Cactus Crafts and Missions. Operation 2006, Kid-to-Kid missions program warmed kids' hearts and minds and allowed them to share the joy of God's love. The kids learned what it means to help others as they created a special blanket that says "Jesus loves me" in both English and Spanish. Plus, every participant personalized a Spanish Bible Book that we sent along with the blanket to a child in Mexico. The children in our VBS became a part of the world's largest focus to mobilize kids in serving others around the world.

## Beat The Heat Before It Beats You

### *Keeping cool when the weather is hot*

It's summertime and you head out for a run. Before you even finish the first mile, your body feels as though it might ignite from the heat.

It's not your imagination. Fifteen minutes into your run and your body temperature could be as high as 5° F above normal. If you were to continue at this pace, fatigue and heat illness would no doubt take over.

### *Strategies to protect yourself from heat illness*

The above scenario doesn't have to happen. Drinking enough fluid, whether it be water or a sports drink, is imperative for exercising in hot or humid weather.

Maintenance of body fluids is essential to maintaining proper body temperature. Sweat dispels heat through your skin. If you let your body become dehydrated, you'll find it much more difficult to perform even the lightest of workouts.

But don't wait until you're thirsty to start replenishing those fluids. Chances are, by the time you actually feel thirsty, your body is well on its way to becoming severely dehydrated.

The following strategies will help you protect yourself from the onset of heat illness:

#### 1. Hydration

Fluid replenishment before, during and after exercise is essential to avoid progressive dehydration. Always consume more fluids than you think you need before and after exercise, and strive to drink six to eight ounces of fluid every 15 to 20 minutes during exercise.

#### 2. Exercise Intensity

You should probably reduce the intensity of your workout, particularly the first few times you are exposed to higher temperatures.

Heat Stress Index		Air Temperature (F)					
Relative Humidity		70°	80°	90°	100°	110°	120°
	0%	64°	73°	83°	91°	99°	107°
	10%	65°	75°	85°	95°	105°	116°
	20%	66°	77°	87°	99°	112°	130°
	30%	67°	78°	90°	104°	123°	148°
	40%	68°	79°	93°	110°	137°	
	50%	69°	81°	96°	120°	150°	
	60%	70°	82°	100°	132°		
	70%	70°	85°	106°	144°		
	80%	71°	86°	113°			
	90%	71°	88°	122°			
	100%	72°	91°				

#### Heat sensation risk of heat injury

90° - 105° Possibility of heat cramps

105° - 130° Heat cramps or heat exhaustion likely. Heat stroke possible.

130°+ Heat stroke a definite risk.

#### 3. Temperature

Use the heat stress index table to determine the risk of exercising at various combinations of temperature and humidity. While a 90° F outdoor temp is relatively safe at 10 percent humidity, the heat stress of 90° F at 50 percent humidity is the equivalent of 96° F. When the heat stress index rises above 90° F, you may want to consider postponing your exercise session until later in the day. Or, plan ahead, and beat the day's heat by working out early in the morning.

#### 4. Fitness

Physical training and heat acclimation can increase your blood volume, helping to regulate body temperature more effectively.

Interestingly, the acclimatization process can be completed in 7 to 14 days of repeated heat exposure. However, you must always continue to drink fluids before, during and after exercise.

#### 5. Clothing

Wear minimal clothing to provide greater skin surface area for heat dissipation. Your clothing should be lightweight, loose fitting, light colored to reflect the sun's rays, and of a material that absorbs water, such as cotton.

#### 6. Rest

Know when to say 'no' to exercise. Using common sense is your best bet for preventing heat stress when Mother Nature turns up the heat.

## Tomatoes-No Refrigeration Required

(NAPSA)-Did you know that one of the most popular vegetables in the United States is actually a fruit? Categorized by botanists as a fruit but eaten by consumers as a vegetable, tomatoes are appreciated for their combination of sweetness and acidity.

Any way you slice it, tomatoes are a delicious way to add nutrients to the diet. They are rich in vitamins A and C and are a good source of potassium. Tomatoes are also naturally low in sodium and contain no cholesterol.

Many people store tomatoes alongside other vegetables in their refrigerator's crisper drawer, but that's not the best place for them. Tomatoes should be stored at room temperature to maintain maximum flavor. Cool temperatures inside your refrigerator will stop the ripening process and begin to decrease the flavor and change the texture. Try storing your tomatoes in a decorative bowl on the counter.

Tomatoes and bananas help each other ripen quicker. Tomatoes and bananas emit a naturally occurring ripening gas called ethylene and when you store the two together they both ripen rapidly. If you need to ripen a

tomato quickly, store it in a closed paper bag on the counter. The ethylene gas speeds up the ripening process when confined around the fruit in a closed bag.

Although tomatoes are native to Central and South America, they are now eaten throughout the world and are an ingredient in countless recipes. Many people consider tomatoes an essential part of their vegetable gardens each summer and they are available at your local market year-round.

For more information about tomatoes online, log on to [www.sunripeproduce.com](http://www.sunripeproduce.com). For more recipes and information on how to incorporate a variety of fruits and vegetables into your diet, visit [www.5aday.org](http://www.5aday.org).

# TIPS ON TRIPS

(NAPSA)-There are two kinds of travelers in the world: those who pack light and those who wish they had. The key is to include everything you need in as little space as possible.

Some of the most travel-savvy people in the world-travel agents-offer some helpful tips and techniques for efficient packing for all types of travel:

- Make a plan and stick to it. As an architect plans a building, so must you plan the contents of your suitcase. A packing list eliminates the panic of last-second packing, serves as a handy guide for repacking at the end of the trip and can be beneficial in the unfortunate event of lost or stolen luggage.
- Check the weather forecast of the destination and plan accordingly. Also, be sure to know the local traditions. Although many places have relaxed their dress codes, a T-shirt for dinner could be a serious blunder, or bare shoulders may bar your entrance into such places as St. Peter's Basilica in Vatican City. Bare legs for men and women are strongly discouraged if not prohibited at holy sites in many religions. For

almost all outdoor activities, take pieces that can be layered.

- Lay out the items you intend to take and reexamine your list. If possible, weed out single-use items and extras.
- Travel kits are best for toiletries. Having a travel kit perpetually stocked in a waterproof case will save packing time before the trip and aggravation after arrival. Most personal toiletry items come in inexpensive travel sizes, so purchase these whenever you see them, so as not to arrive with a half-empty bottle of your favorite hair gel.
- Iron everything before packing. If it goes in crisp and clean, odds are more in its favor of coming out the same. Button all buttons and zip all zippers.
- Know when to fold 'em. Practice folding like it's done in clothing stores-that method is used for a reason. The better the fold, the fewer the creases.
- Try to think chronologically, placing the items to be worn first on the top. This will prevent rooting around the suitcase for a specific item

## Pack More Stuff In Less Space

*Packing efficiently is the first step to truly enjoying a relaxing vacation.*

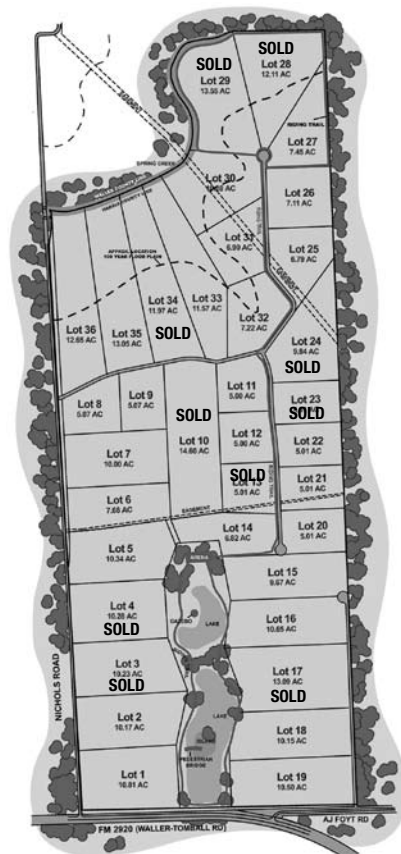

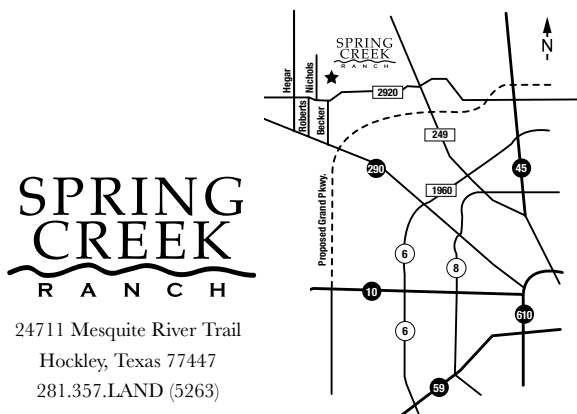

while disrupting the rest.
