MAY WE PLEASE HAVE YOUR ATTENTION?

It seems hard to believe that at this late date in July, some of our residents still have not paid their annual assessment. Please take a moment and check your records to make sure you are not one of these individuals. The LOE Association is run by your assessment dollars. Unpaid assessments burden the neighborhood with additional costs and may lead to legal action for those who are delinquent.

Please be a good neighbor and if you haven't already done so, get that check in the mail today! If you are having financial difficulties, please call the managing agent, AMI at 713-932-1122 to work out a payment plan. Your call will be treated with complete confidentiality.

To enjoy all of our amenities here in Lakes on Eldridge you must be in good standing and current on all your assessments. Only residents current in their assessments may reserve the Clubhouse facilities.

Thank you for making LOE a great place to live!!

Make-up Well

Many residents may have noticed the drilling rig that is currently positioned at the back of one of our southern lakes and wondered what it is doing there.

Water for our lakes comes from rainfall, street runoff and a make-up well that produces about 600 gallons per minute. This lake water is the main source for all the LOE landscape watering. Recently the makeup well failed and the problem was found to be a damaged screen at the bottom of the well and numerous corrosion holes in the wall of the well itself. The Board held an emergency meeting and, after careful consideration of various alternatives, including attempting to repair the existing well, decided to replace the entire well, but using thicker wall pipe this time in an effort to extend the life of the new well. Coating standard wall pipe was also considered as an alternative but delivery of this type of pipe was extended. Progress has been much slower than originally expected due to the recent heavy rains – the new pipe must be brought in on 18-wheelers up the side of Turkey Creek and the ground has been too soft there to support them after all the recent rain.

Fortunately, several years ago, the LOE Board instituted annual funding of a reserve fund and the \$85,423.90 cost of the new well will be paid out of this fund. Recently, your current Board authorized a detailed engineering study of anticipated annual replacement costs and will be reviewing it at a future Board meeting.

August Yard of the Month at Lakes on Eldridge

It's time for August yard of the month. LOE would like to recognize those neighbors whose yards stand out from the rest. The extra time, energy and money these residents expend on their lawns and the imaginative touches they bring to their landscaping not only enhance the value of the homes around them, but also foster a positive image of the entire neighborhood. Yard of the Month is chosen on the merits of its landscaping. If you would like to nominate one of your neighbors or yourself for the Yard of the Month, please contact the Yard of the Month coordinator: Deborah Dunaway at 713-983-9651 or dsd1951@mac.com.

Congratulations to the winners of July Yard of the Month!

LOE Fourth of July Party and Parade

his July 4th the LOE Social Committee, Greater Houston Pool Association, and the LOE Swim Team organized a 4th of July celebration at the Beach Club. Approximately 300 adults and children showed up at 10:00 am to participate in a patriotic salute to Independence Day. Everyone decorated themselves, scooters, bikes, wagons, strollers and their tricycles in red, white, and blue to parade around the front lake. Prizes were awarded for the best decorations and everyone had lots of fun.

Next we moved to the pool where Greater Houston talked about Water Safety rules followed by pool games and more prizes.

Sausages, hotdogs, chips, cookies, and drinks were provided to those who stayed through the brief shower that passed by around noon. A great time was had by all until the party ended at 2 pm. We had many residents saying they looked forward to next year's event.

We would like to express our thanks for the sponsors who helped make this years celebration a success. Kay Horsch, with Royal Oaks Fine Properties donated flags, candy, and prizes. Dee Coleman with State Farm Insurance donated goodie bags with prizes for all ages.

LOE Book Club

NEW DAY! Book club will be changing to meet on the 4th Monday of each month at 7:30 P.M. We try to read a wide variety of material, so if this month's selection doesn't appeal to you, maybe next month's will. Do join us when we tackle a book on which you have comments or opinions. We will again be meeting in various members' homes, so call or e-mail Celeste Fritz, 713-896-6942, cfritzt@houston.rr.com for additional information.

August 28th – Mountains Beyond Mountains by Tracy Kidder. Tracy Kidder is a winner of the Pulitzer Prize and the author of the bestsellers The Soul of a New Machine, House, Among Schoolchildren, and Home Town. This powerful and inspiring new book shows how one person can make a difference, as Kidder tells the true story of a gifted man who is in love with the world and has set out to do all he can to cure it. At the center of Mountains Beyond Mountains stands Paul Farmer. Doctor, Harvard professor, renowned infectious-disease specialist, anthropologist, the recipient of a MacArthur "genius" grant, world-class Robin Hood, Farmer was brought up in a bus and on a boat, and in medical school found his life's calling: to diagnose and cure infectious diseases and to bring the lifesaving tools of modern medicine to those who need them most. This magnificent book shows how radical change can be fostered in situations that seem insurmountable, and it also shows how a meaningful life can be created, as Farmer--brilliant, charismatic, charming, both a leader in international health and a doctor who finds time to make house calls in Boston and the mountains of Haiti--blasts through convention to get results.

September 25th – Back When We Were Grownups by Anne Tyler. Teen-year-old Rebecca didn't just fall for Joe Davitch, she drowned in his turbulent family during 30-plus years of marriage that squelched her once-ardent idealism and ambition. Now, at 53, she resolves to set things right in Back When We Were Grownups, a wise, moving, and sublimely lyrical novel from the Pulitzer Prize-winning author of The Accidental Tourist, and Dinner at the Homesick Restaurant.

New Lakes on Eldridge Bible Study Begins September 12

*"Therefore the Lord longs to be gracious to you,
And therefore He waits on high to have
Compassion on you.*

*For the Lord is a God of justice;
How blessed are all those who long for Him.*

Isaiah 31:18

Just think. God longs for you to come to Him. He patiently waits for you to seek Him and learn His will so He can bless you with unimaginable blessings.

Did you know that God smiles? He does. Like all loving fathers He smiles on His children, and rewards them when they are obedient and disciplines them when they are not. God's grace is the subject of the Ladies' Bible study to begin September 12 at the Lakes On Eldridge Beach Club.

The summer study, *Becoming A Woman Who Loves*, clarified the different kinds of love and the importance of loving one another as unconditionally as God loves us. The fall study, *Becoming A Woman of Grace*, illustrates how God's love and grace are intertwined, and how our lives can reap the rewards of both. Women have a unique role in developing love and grace in their families, and *Becoming A Woman Of Grace* sets a clear course for attaining that goal.

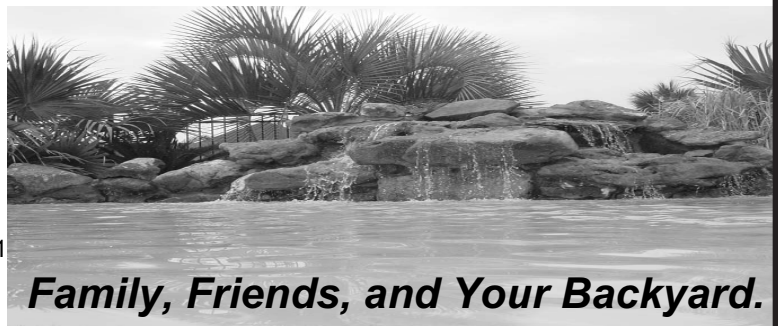

Please join us for coffee and fellowship at 9:15 and Bible study and prayer from 9:30 to 11:30 every Tuesday morning at the Beach Club beginning September 12, for this transforming journey through the biblical lessons of God's grace and the grace you can share with others.

To register for the class email your name, address, and telephone number to sableggett@sbcglobal.net or call Stephanie at 713-560-0042. The study guides cost \$10.00 and you will need a Bible. We are looking forward to being with you.

We cherish our life behind our gated community. It's quiet, pleasant, and private and it limits the amount of people who can come in. Therefore, all resident vehicles must display the proper LOE decal to enter the community. This is in effort to reduce the amount of unauthorized traffic in the community.

Pack More Stuff In Less Space

(NAPSA)-There are two kinds of travelers in the world: those who pack light and those who wish they had. The key is to include everything you need in as little space as possible.

Some of the most travel-savvy people in the world-travel agents-offer some helpful tips and techniques for efficient packing for all types of travel:

- Make a plan and stick to it. As an architect plans a building, so must you plan the contents of your suitcase. A packing list eliminates the panic of last-second packing, serves as a handy guide for repacking at the end of the trip and can be beneficial in the unfortunate event of lost or stolen luggage.
- Check the weather forecast of the destination and plan accordingly. Also, be sure to know the local traditions. Although many places have relaxed their dress codes, a T-shirt for dinner could be a serious blunder, or bare shoulders may bar your entrance into such places as St. Peter's Basilica in Vatican City. Bare legs for men and women are strongly

Packing efficiently is the first step to truly enjoying a relaxing vacation.

discouraged if not prohibited at holy sites in many religions. For almost all outdoor activities, take pieces that can be layered.

- Lay out the items you intend to take and reexamine your list. If possible, weed out single-use items and extras.
- Travel kits are best for toiletries. Having a travel kit perpetually stocked in a waterproof case will save packing time before the trip

and aggravation after arrival. Most personal toiletry items come in inexpensive travel sizes, so purchase these whenever you see them, so as not to arrive with a half-empty bottle of your favorite hair gel.

- Iron everything before packing. If it goes in crisp and clean, odds are more in its favor of coming out the same. Button all buttons and zip all zippers.
- Know when to fold 'em. Practice folding like it's done in clothing stores-that method is used for a reason. The better the fold, the fewer the creases.
- Try to think chronologically, placing the items to be worn first on the top. This will prevent rooting around the suitcase for a specific item while disrupting the rest.
- Always carry travel documents, medication, jewelry, traveler's checks, keys and other valuables in your carry-on luggage. Items such as these should never be packed in checked luggage. For more packing tips, go to www.travelsense.org.

Need To Post A Sign??

Every now and then you need to get information to the community in a quick manner. You type up your sign and tape it to the gates. It usually rolls or folds back because it is not very secure. Then when you are done, more than likely, there is tape residue left on the gate. Not a very pretty sight.

So here is a somewhat better solution. There will be black magnetic clips, and small poster board donated at the guardhouse. Type up your sign as usual, drop by the guardhouse, tape your sign to the poster board, and pick up 4 clips for each sign that needs to be posted. Use the clips at each corner of your sign and magnetically adhere to the gates. It's less messy, looks prettier and gives us a uniform style of posting information. When you are finished, please return all clips to the guardhouse.

If you need help typing up a sign, you can contact Michelle at 832-731-0943. If you would like to donate some clips or poster board, drop off at the guardhouse. (clips should be the black magnetic kind)
