## Crime Awareness

*Parents: Please give or read this article to your kids.*

Our modern world is increasing in crimes against people and property, and the Houston area is no exception. Residents of Lakes on Eldridge are blessed by living in a relatively crime-free environment because most of the people here are pretty special. What do I mean by "special"? Certainly it takes a higher than average income to afford a home in Lakes on Eldridge, but many other factors contribute to our quality of life here. The level of education, the diverse cultures and backgrounds of our families, and our mutual respect for the rights of others all play an important part in making us special. That doesn't mean that we're better than anybody else, but it does mean that we have a responsibility to show that we can live together without resorting to violence or criminal behavior.

Kids, your parents have made, and are making, a significant financial sacrifice in order to provide a quality home for you in LOE. You, too, have a responsibility to contribute to making and keeping Lakes on Eldridge "special". That includes, for example, not throwing trash on the streets or in the lakes and especially by helping to discourage crime and vandalism by any of your peers.

On a recent evening, someone pulled flowers out of our landscaping and threw the plants, dirt and all, onto a resident's front porch. Other plants were scattered in the street. The community will have to spend a lot of money to have the

*LOE landscaping was vandalized as well as a resident's home.*

plants replaced. Why would anyone do something like that? It doesn't matter if you are angry with your parents, your teachers, or if you had a fight with your girlfriend. Why would you deliberately damage and destroy part of your own community? Think about it; it makes no sense. If you get caught, you could be charged with criminal mischief, or worse, and you may get a police record that will follow you for a long time. It's not worth it.

If you know anyone who thinks it's fun to destroy property, you can do them a favor by telling your parents or calling AMI (our management company) at 713-932-1122. Maybe they can be stopped before they do something really serious and get in big trouble. Be a good friend and neighbor to all the folks in Lakes on Eldridge and everyone will benefit by having a nicer place to live!

LOE is now in the flight pattern for both Intercontinental and Hobby Airports, which means air traffic has significantly increased. ## ROMEO AND JULIET

Grief is being shared in LOE over the tragic death of Romeo, Juliet's mate in Pelican Pointe. The two swans have provided us with beautiful cygnets year after year. Elizabeth Braun, a former LOE resident purchased Romeo from a well-respected breeder in Tennessee in 1999. He was air crated to Houston and placed on Pelican Pointe where he was introduced to a 1999 hatchling named Juliet. The pair have led a peaceful life raising their cygnets each spring. On Monday morning, January 15, a Waste Management recycle truck doing a U-turn ran over Romeo. He will be missed by all of us in LOE and especially by his handler, Lee Mueller, and, of course, by his mate, Juliet.

## Bible Study at Lakes On Eldridge

"Becoming a Woman of Grace" Bible study at the Lakes On Eldridge Beach Club meets every Tuesday morning from 9:15 to 11:30 A.M. This is a non-denominational group. All are welcome to come and make new friends, study God's Word, and pray for one another. Our subject this session is "Becoming a Woman of Grace" by Cynthia Heald, a dedicated and knowledgeable Bible teacher. The subject of grace is often misunderstood. This study clarifies the meaning of grace, God's grace to His children, and the grace His children can attain to glorify Him.

Please join us for this enlightening study and share the opportunity to find the love, joy, and peace that understanding God's Word brings. Study guides are available on site. There is no need to register, just come and enjoy the morning. Lakes On Eldridge is located on North Eldridge Parkway between West Little York and Clay Roads across from Twin Lakes. Once you enter through the gate, turn left at the stop sign, then at the next stop sign, turn right. The clubhouse is on the right nestled between the lakes. We look forward to seeing you there any Tuesday morning.

## *The Brick*

About ten years ago, a young and very successful executive named Josh was traveling down a Chicago neighborhood street. He was going a bit too fast in his sleek, black, 12 cylinder Jaguar XKE, which was only two months old.

He was watching for kids darting out from between parked cars and slowed down when he thought he saw something. As his car passed, no child darted out, but a brick sailed out and - WHUMP! - it smashed into the Jag's shiny black side door! SCREECH!!!! Brakes slammed! Gears ground into reverse, and tires madly spun the Jaguar back to the spot from where the brick had been thrown. Josh jumped out of the car, grabbed the kid and pushed him up against a parked car. He shouted at the kid, "What was that all about and who are you? Just what are you doing?!" Building up a head of steam, he went on. "That brick you threw is going to cost you a lot of money. Why did you throw it?"

"Please, sir, please. . . I'm sorry! I didn't know what else to do!" Pleaded the youngster. "I threw the brick because no one else would stop!" Tears were dripping down the boy's chin as he pointed around the parked car. "It's my brother, sir," he said. "He rolled off the curb and fell out of his wheelchair and I can't lift him up." Sobbing, the boy asked the executive, "Would you please help me get him back into his wheelchair? He's hurt and he's too heavy for me."

Moved beyond words, the young executive tried desperately to swallow the rapidly swelling lump in his throat. Straining, he lifted the young man back into the wheelchair and took out his handkerchief and wiped the scrapes and cuts, checking to see that everything was going to be OK. He then watched the younger brother push him down the sidewalk toward their home.

It was a long walk back to the sleek, black, shining, 12 cylinder Jaguar XKE -a long and slow walk. Josh never did fix the side door of his Jaguar. He kept the dent to remind him not to go through life so fast that someone has to throw a brick at him to get his attention. . . Some bricks are softer than others. Feel for the bricks of life coming at to you.

For all the negative things we have to say to ourselves, Life has positive answers.

## Service with Love

February is the official month to celebrate the gift of "love," and many people will celebrate that gift in their life with those they hold dear. The students, administration, and faculty of Cypress Christian School challenge you to express God's love to those less fortunate than yourselves this month.

There are many ways to show others that they are loved. For example, get involved in a community project like Habitat for Humanity, serve at your local food bank/mission, write a letter to someone who needs encouragement or bring food and flowers to an elderly person who might be lonely and missing family members. No matter what you do, your actions will be greatly appreciated and will serve as an encouragement to that person or group.

The mission of Cypress Christian School - "to produce students from Christian families who are academically prepared with a biblical worldview to take their place in the world as servants of Jesus Christ" - includes the goal of teaching students to serve. In recent months, students have helped build a house, collected food and supplies for a local food bank, visited and entertained residents in an assisted living facility, collected gifts for children whose parents are in prison, served at a home for incarcerated youth, and more.

As we strive to serve others in our community, we hope you, too, will join the effort to make those less fortunate feel loved through acts of kindness - small or large. To partner with our school in a service project or suggest a service project for our students, please contact Todd Clark, Chaplain, at 281-469-8829 or [todd.clark@CypressChristian.org](mailto:todd.clark@CypressChristian.org).

Visiting children will enjoy hearing a story from the Kindergarten teachers and coloring a masterpiece for their parents, and they will be delighted by a puppet show performed by CCS drama students. For more information or to register for free childcare (ages 2-5), contact the Admissions Director.

#### **K-12 Prospective Parent Open House – Tuesday, March 6, 9:00 – 11:00 a.m.**

Prospective parents may visit classes and gather information. A map and list of classes will be available at the registration tables in the foyer of both the Elementary Building and Secondary Multi-Use Facility.

#### **K-12 Prospective Student Visitor Days**

Tuesday, February 13, Thursday, March 22, and Wednesday, April 11, 9:00 a.m. – 2:00 p.m. each day

Students considering attending CCS in the fall may attend school all or part of the day. Parents must register their child and provide emergency information. We suggest that kindergarten and first grade parents visit each classroom with their child for 30-45 minutes only.
