Picnic IN THE PARK June 23, 2007

It is now June and the special event committee is excited to bring you the first annual Picnic in the Park and FIELD DAY! This is going to be a great day of fun and we hope everyone can come out and either participate or cheer on the games! We have numerous games planned that will challenge and entertain kids of all ages. Examples of activities (depending on age of participants), include egg relays, water balloon toss, Punt, Throw and Kick competition, bowling on the tennis court, hula hoops, tug of war, relay races, balancing, long jump, obstacle courses, and more! This event is designed to encourage team building among the kids and we want to have lots of kids from each section participate! Send in your child's name, age, and section to events@riataranch.net. We are going to make age appropriate games and want to have an idea of who is coming. If we have lots of teens we will make the events more challenging, if we have lots of little ones we will make the games easier, so please register early!!

SPECIAL EVENTS COMMITTEE

Hello. I'd like to take a minute to introduce myself, I'm your neighbor Lynn Spencer, the new Chairman for the Special Events Committee. I am a full time working mom with two young children and have taken on the special events committee because it is important to me to live in a neighborhood with a strong sense of community. In my role as the special events chairman I am dedicated to a calendar of activities that is family oriented, promotes charitable causes, inspires our youth to be active participants in the neighborhood and community, and creates family among friends and neighbors.

I have been working with the committee over the past couple of weeks to bring you the calendar of activities for the remainder of 2007:

Here are some highlights for you to mark on your calendar:

**June 23rd : 1st Annual FAMILY PICNIC
IN THE PARK & FIELD DAY**
(10am – 1pm)

Bring the family out for a morning full of fun in the sun! We will be having an old fashioned field day and Barbeque. We would like to have as many children as we can participate. If your child is interested in participating in the activities please send an email to events@riataranch.net. We'd like to have some indication of the kids that will be participating so we can create teams and age appropriate activities. Please indicate your child's name, age, and the section number (or street name).

Also, if you or someone you know is a pro at the BBQ we'd love to have your help!

July 4th: Children's 4th of July Parade
(10am – 1pm)

Children of all ages are encouraged to join in on the annual Riata Ranch parade. Children are encouraged to dress in red, white, and blue and decorate their bikes. If your child does not ride a bike, they are welcome to walk, skate, or parade along in anyway they can. We encourage creativity and will be awarding a gift to the most patriotic child! We will have special guests from the police and fire departments joining us for this event.

July 21st – ADULTS ONLY
Luau by the pool.
(8pm)

It's time to come and relax for an evening by the pool. A great time to come and meet the neighbors!

**August 7th: 2007 National Night Out
/Kids Scavenger hunt**
(7pm)

A night for the neighbors to come out and help the neighborhood kids with a scavenger hunt. Each section will have their own scavenger hunt and will be a fun way to get to know the neighbors.

August 11th: Kindergarten Round-up
(10am – 12pm)

Is your child starting Kindergarten this August? All children attending Postma elementary for Kindergarten are encouraged to join us for games and activities. This is a fun way to kick off the school year and gives the kids a chance to meet each other before the school year begins!

August 18th: Screen on the Green
– Movie @ the Park
(8pm)

All families are welcome to come sit out under the stars and watch a family friendly movie. Bring a blanket and/or lawn chairs to the 1st annual screen on the green. Prior to the movie there will be activities and a chance to visit with the neighbors!

Fall Activities include:

October - DATE TBD: Future Business Leaders of America – We have all heard the saying “our kids are our future”, and we want to inspire our youth to think as business leaders. We are looking for all children in the CY- Fair school district that would like to participate and show off their business. Children in all grade levels are encouraged to participate. We will have an award for elementary, middle school and high school levels.

We are looking for any business concept from lemonade stands, babysitters, lawn mowers, cookie stands to more advanced business ideas. Start working with your kids individually or with a group (ie, girl scouts, boy scout troops, church groups, classes, or other clubs) to develop their business. We are building community support for this activity and would be very interested in local business participation and sponsorship of this event. If your child or group is interested in participating in this event or if you have a business that would be interested in participating as a sponsor please contact events@riataranch.net.

AESTHETIC AND FAMILY DENTISTRY DR. A. SUNDRANI

Dental Tip of the Month.

Pregnancy and Dental Care?

By: Dr. Asim Sundrani

Hello Friends,

Now that you are pregnant, so many exciting changes await your body.

Those changes can include changes in the mouth as well. If you have tender gums, or if the gums bleed when you are brushing then you have pregnancy gingivitis.

This is caused by plaque accumulating in the gums and on the teeth surfaces.

Usually if gingivitis is left untreated, it can cause irreversible gum disease called periodontitis. However, if the pregnancy gingivitis is left untreated, it can additionally cause complications with your pregnancy, such as premature childbirth.

The increased blood flow during pregnancy and the increased hormone production makes you more susceptible to gum disease.

I will recommend the prevention method. Brush twice a day for 3 minutes minimum. Be really gentle when brushing your teeth. Use a mouthwash twice a day, morning and night. Avoid eating too much sugar. However, if you have consumed a large amount, brush right after.

All pregnant women should receive at least two thorough dental cleanings during pregnancy. This will help prevent getting gingivitis during pregnancy.

In the mean time if you have any dental related questions, feel free to email me at sundranidds@yahoo.com, and I will happily respond to your inquiries.

Your Dentist,

Dr. A. Sundrani

Neighborhood Crime Watch

Dear Homeowner,

The Riata Ranch Home Owners Association in cooperation with the Harris County Sheriff's Office are in the process of organizing a Neighborhood Crime Watch Program for our Community. If your interested in joining please call SCS Management Services at 281-463-1777 or email us at security@riataranch.net

What is the Riata Ranch Neighborhood Crime Watch?

Very few people are in a position to protect their homes and property 100% of the time. Vacation, business, and shopping trips, or even an evening out will leave homes unattended and vulnerable to theft.

Neighborhood Crime Watch is a program of mutual assistance among neighbors aimed at reducing crime in the community at the grass roots level. It involves getting to know one's neighbors and introducing them to the concept of Neighborhood Crime Watch – that is good neighbors working together, alert to the potential of crime, and willing to look out for one another's interests. Neighbors working together through Neighborhood Crime Watch can combat crime in their area the most effective way – BEFORE IT STARTS!

Citizens offer an open invitation to criminals every day when they leave their doors unlocked, advertise their absence from home with an unlit house, piled up newspapers, or leave car keys in the ignition.

When formulating a crime control strategy, one must consider which course is more effective and less costly: hundreds of law

enforcement personnel in every neighborhood and a guard at every door – OR – ADEQUATE LIGHTING, SECURE HOMES AND WATCHFUL NEIGHBORS. It would appear that crime prevention is the most logical and most economical approach to take in crime control.

Neighborhood Crime Watch provides a means of reducing the opportunity for crime to occur, through the active participation of citizens in crime prevention. Citizens are taught how to make their homes less of an attractive target for thieves, how to participate in Operation Identification, making their property less desirable to thieves, and how to be alert to suspicious activity in the neighborhood.

PRIMARY OBJECTIVES OF: NEIGHBORHOOD CRIME WATCH

1. Maintain a minimum level of 60% residential participation (a cooperative system of surveillance over one another's property, etc.)
2. Report suspicious activity or persons or crimes in progress to the Sheriff's Department accurately and immediately.
3. Mutually assist and encourage the accomplishment of home security inspections, target hardening and property marking activities by all neighborhood residents.

4. Assist the victims of crime and assist in their readjustment to normalcy.
5. Encourage citizens to come forward as witnesses.
6. Help elderly citizens and children to protect themselves against being a victim of a criminal and push for additional projects to protect these special groups of persons whenever necessary.

Neighborhood Crime Watch and the Theory of Reduction of Opportunity

**MOST RESIDENTIAL CRIMES OCCUR BECAUSE THE
OPPORTUNITY TO COMMIT THEM EXISTED !!**

Opportunity may be divided into two categories:

1. The opportunity created by the victim through carelessness, lack of attention of security and failure to cooperate with neighbors.
2. The opportunity created by the criminal, by his skill, ruthlessness, and daring.

We ask you to join us in making our community a safe and wonderful place live. On behalf of the Executive Board I wanted to personally thank you for your continued support and cooperation in enhancing our community.

Sincerely Respectfully,

Riata Ranch Home Owners Association

HELPFUL TOOLS on RIATARANCH.NET

On our website, under DOCS, FORMS, LINKS, there are many helpful tools at your disposal. All of the known forms needed for all neighborhood business and activities are listed on the site, and the list keeps growing. As a new need is realized, the site gets updated with additional links in an effort to give you one place to find everything you need to make the most out of our community.

You will find everything from information regarding mosquitoes and violation summaries, to downloadable forms for vacation watches and ACC applications.

One of the tools that you'll find is very helpful, but not very pleasant. It is a link to the sex offender section of the TEXAS DEPARTMENT OF PUBLIC SAFETY web site (<https://records.txdps.state.tx.us/soSearch/default.cfm>). This site contains a mapping tool that allows you to input your address and assess your surroundings and proximity to known offenders.

Although it is a difficult subject to address, this link helps enhance the safety of our community through knowledge.

Use the site. Be knowledgeable and be safe.
