The Fairfield Women's Club

Would like to THANK everyone for participating in the Fourth of July Parade!

Thanks to our Grand Marshall, Woody Champagne, Head Coach of the 2007 State Champion Cy-Fair High School Baseball Team. Also, hats off to our fantastic Station 7 Fairfield Volunteer Fire Department for leading the parade. We enjoyed seeing the Girl Scouts, Boy Scouts, Sports Teams, Dance Team, Churches, Local Businesses, Area Realtors, and Individual Residents participating in the parade. The parade could not take place without the numerous anonymous drivers that pulled trailers, drove trucks, or assisted wagons. Thanks

for braving the rainy weather and making it a special day for everyone!

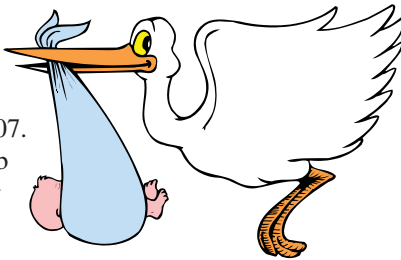

A special "thank you" is extended to Lynn and the Board at AMI for supplying the wonderful red & blue Fairfield koozies at the parade!

We Truly Appreciate the Support of the Community to Continue this Great Tradition!

Bees, bees ... so many bees

Here are the pictures of the bees and honeycomb that was located in the electrical box in my backyard. I called Reliant Energy who sent Bee Busters out to get rid of them. They were Africanized Bees and very aggressive. There was approximately 50-75 lbs of honeycomb and honey in the hive.

FYI if anyone else has this kind of problem, Reliant Energy will take care of the bees at no-cost.

Fairfield's Fun-Loving Over Fifty Group The Fairfield Seniors

The Seniors of Fairfield is an active, fifty plus, fun-loving group of couples and singles who enjoy fellowship, monthly trips, and various activities together. If you or your spouse are fifty or older, a newcomer to Fairfield Village or have lived here in Fairfield for some time, but have never attended one of our functions you are cordially invited. Come and be a part of our fun-loving group, were sure you will enjoy it.

AUGUST TRIP PLANS:

Tuesday, August 21st: Galveston Island, Moody Gardens.

Our trip for August will take us to Moody Gardens where we will experience touring a rainforest, aquarium, taking a paddlewheel boat ride, and enjoy seeing an IMAX movie. We can choose two of their tours and see the IMAX movie.

The rainforest is a 10 story high pyramid that houses the rainforests of Africa, Asia and South America with their many exotic plants, birds, butterflies, and some animals. The paddlewheel boat is a replica of one from the 1800's, which will take us on a one hour cruise on the Offats Bayou. The aquarium one of the largest in the world has colorful marine habitat from the Caribbean, North Pacific, Tropical Pacific, and South Atlantic Ocean in large viewing tanks.

The cost for this trip is \$17.00 per person, no refunds. Plus the cost of your senior citizen lunch buffet of \$13.63 per person, this includes tax and tip, which you pay at the restaurant. **Call Mary Ann Tully @ 281-256-2342** to get your name on the list. Bus will depart at 08:30am from the Fairfield Village parking lot. Please be there by 08:15am.

SEPTEMBER TRIP PLANS:

Thursday, September 20th: Varner-Hogg Plantation State Historic Site and South Texas Nuclear Power Plant

Our trip will take us to the Varner-Hogg Plantation, when in 1824, Martin Varner, his family and slaves started this sprawling plantation on the Brazos River. Varner sold the property in 1834, and the plantation continued to change hands until former Texas governor James S. Hogg purchased it in 1901. The house remained in the family until daughter Ima Hogg donated the property to the state in 1958. Today, Varner-Hogg State Historic Site preserves the majestic antebellum home along with many of the Hogg family heirlooms, period furniture and historic documents.

We then have lunch at The Outrigger Restaurant, in Palacios, Texas.

Now off to the South Texas Nuclear Power Plant (STP). This is one of the newest and largest nuclear power plants in the country. STP's two reactors produce 2,700 megawatts of electricity, enough for more than one million homes and businesses in south central Texas. Learn everything you also wanted to know about Nuclear Power.

The cost for this trip is \$8.00 plus your lunch. **Call Jim or Shirley Hearst @ 281-373-3342** to get your name on the list. Bus will depart at 7:00am from the Fairfield Village parking lot. Please be there by 6:45am.

Fairfield Book Club

Our group started in January 2001. We have both members who have been with us since the beginning and some who have just joined last month. This is a great way to meet your neighbors, have great conversations and develop new friendships.

Members can feel comfortable enough to talk about any book, genre or author. Classics, modern pop fiction, non-fiction, biography, and classic junk that you just love anyway...anything: there are no limits on the books we read. No book snobs here, we read it all! So if you are a book lover of all kinds or would like to expand your reading, then please join us at one of our meetings.

Our group is free and open to women living in Fairfield. We meet the 3rd Wednesday of each month (rotating homes and sometimes restaurants), from 7pm – 9:30(ish)pm. We share food, drinks and or course conversation. We select our readings by voting though getting suggestions in writing that requires the title, author and a brief description of the book. We draw three suggestions from a bag and the majority wins. We do ask if someone wants to actually participate in the discussion (and not just listen), that she reads the book and hopefully brings a list of items/questions/comments that she might have. This is what really forms the basis for our discussions.

We invite you to join us as a guest or a member. We currently have openings; however because we have the meetings in homes and we want to give everyone (who wants to) an opportunity to participate in the conversation, our membership is limited.

CUB SCOUT PACK #1533

RACING THROUGH SUMMER

Summer is here and the Scouts of Pack #1533 are enjoying their time off from school. Many are spending their break with friends and family either here or traveling. And, to be sure, many are working on various achievements and requirements, be it hiking, community service projects or the many sports and academic awards.

Pack #1533 also has a fun-filled schedule of summer activities for our boys. On June 23rd, we held our Annual Pack Swim Party at Adamson Lagoon in College Station. Fortunately, there was a break in the weather, and the boys enjoyed a wet and wonderful time at the Water Park.

Our boys also helped to celebrate our Nation's Independence on July 4th by participating in the Annual Fairfield 4th of July Parade. Yes, it was a little "wet" but that did not deter our boys! They had a great time passing out candy to those who "braved" the weather. Joining us on our trailer were some of the Scouts from Cub Scout Pack #533 also. Despite the rain, everyone was thrilled to celebrate the day.

Hoping to cool things off a bit, Pack #1533 is also hosting an Ice-Skating party on July 28th at the Aerodrome. And, topping off the summer, we will have our "End of Summer" Family Picnic on August 18th.

If you know of a boy interested in Cub Scouting, regardless of the school he attends, please join us for one of our summer activities. For more information, please contact Cubmaster, Ryan Potter at jamesryanpotter@sbcglobal.net. Cub Scout Pack #1533 is having a great time racing through summer, why not join us?

Dental Tip of the Month

Dear Friends,

This month's tip is focusing primarily on your teenagers. I would highly recommend that you share this important information with them.

For those of you that have teenagers in athletic activity, protection of the teeth can not be emphasized enough. It is imperative that they wear a mouth guard at all times, especially during the roughest of contact sports such as football, basketball, hockey, soccer, or boxing.

There are three kinds of mouth guards:

The first and most effective mouth guard is the custom fitted kind. This one can ONLY be professionally made and fitted by a dentist. This is the number one choice due to the protection provided, because it is made for the individuals' mouth only. It also delivers more comfort, safety and stability.

Your second option is an appliance that forms to the teeth after placing in hot water. These are considered "mouth formed" guards. Although these are slightly better than over-the-counter "pre-formed" guards, they have the tendency to loosen easier which lowers its ability to protect the teeth from injury.

The last option and one that should be avoided as much as possible is the mouth guard that is already pre-made and can be found in most stores. These provide little to no protection and leads to false sense of security.

Harvest Bible Church

Jesus said, "Let the children come to me and do not hinder them, for the kingdom of God belongs to such as these. I tell you the truth, whoever does not receive the kingdom of God like a child will never enter it" (Mark 10:14-15).

Jesus obviously loved children, and he was more than willing to bless them when mothers brought them to him. But he didn't just do so simply as a routine ritual. In the midst of a generation who admired and followed the rich and famous, Jesus, on the contrary, used children to illustrate those who would actually enter God's Kingdom. Why? Because, unlike proud adults, children are humble. They have no aspirations to greatness, and the applause they seek isn't for selfish gain; it's for parental approval. Children lack pride, and this allows them to accept gifts without insisting on paying the giver back.

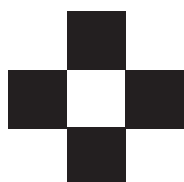

Jesus had a gift to give, and it was his life to save sinners from the wrath of God. He gave himself on the cross in death and told everyone that if they would only believe he would save them. Children also have simple faith in that they believe what they're told. Their minds are like sponges soaking up all that is fed to them. They accept truth and error, so it's the teacher's responsibility to teach them Truth. Those who trip them up will answer to their Maker.

Jesus was not saying that only children will inherit God's Kingdom; he was simply saying that it takes the attitude of a child to enter into heaven. And he warned that those who won't receive God's Kingdom

as a child won't enter it at all. Those who recognize how insignificant they are, however, will enter. This is what ultimately prevents the rich and famous from entering God's presence – they're too into themselves and their own so-called significance.

Those who come to Christ "as little children" are held in Christ's arms and blessed, for he loves them intensely. God's love for all people is one of action as evidenced by Christ's death at the cross, but His particular love for His chosen ones, those who come to Him in faith, is especially intense – like that of a mother to her children. Childlike faith is what distinguishes God's children from the rest of the world. We may not understand all that God does or has done, but His true children know that God knows best; that He is sovereign and in control – the same way a child goes to sleep at night knowing that his mom and dad are protecting him. Christ holds those with that kind of faith close to his heart. He loves His children – those who have faith in Him alone for salvation.

If you're looking for a Bible-teaching church, then come visit us at Harvest Bible Church on Sunday mornings. We have small group Sunday School for all ages beginning at 9:15, and our corporate worship begins at 10:30. Call us at 281-304-1441 or look at our website at www.harvestbiblechurch.net for more information.

Fairfield Church of Christ

"Discovering the Heart of Christ, in the Heart of Fairfield."

I was enjoying the start of my first whitewater rafting experience—until I heard the roar of the rapids up ahead. My emotions were flooded with feelings of uncertainty, fear, and insecurity at the same time. Riding through the whitewater was a first-rate, white-knuckle experience! And then, suddenly, it was over. The guide in the back of the raft had navigated us through. I was safe—at least until the next set of rapids. Transitions in our lives are like whitewater. The inevitable leaps from one season of life to the next—college to career, singleness to marriage, career to retirement, marriage to widowhood—are all marked by uncertainty and insecurity. In one of the most significant transitions recorded in Old Testament history, Solomon assumed the throne from his father David. I'm sure he was filled with "white-knuckle" uncertainty about the future. His father's advice? "Be strong and of good courage, and do it; for the LORD God—my God—will be with you" (1 Chronicles 28:20). You'll have your fair share of tough transitions in life. But with God in your raft you're not alone. Keep your eyes on the One who is navigating the rapids. He's taken lots of others through before. Smooth waters are just ahead. —by Joe Stowell

We want to personally invite you to church this Sunday. Come for a visit or become a regular part of the family. You are always welcome at Fairfield Church of Christ.

Every Sunday morning, Bible Classes for babies to adults begins at

9:30am. Each Bible Class is taught by loving, well prepared, Christians utilizing the latest in educational techniques and finest bible curriculums.

Worship is at 10:30am and each service is carefully thought out and planned by our worship ministry leaders. Every service is meant to bring glory to the name of Jesus and help each worshipper realize how wonderful it is when you fall in love with Jesus as your Savior.

Mid-week Bible Studies are also offered every Wednesday at 7:30pm. This is a great time to pause in the middle of a busy week and be re-energized by fellowship, prayer and study of God's Word.

We also offer free of charge in-home, personal, one-on-one Bible Studies and for those who wish to study alone, Bible Correspondence Lessons as well.

If you have a prayer need of any kind, please let us know by calling the church office or visiting our web site at www.fairfieldchurch.org.

Our new worship center is now open, (corner of Mason Road and Chappell Knoll) and once again, you and your family are always welcome. We would love to see you this Sunday.

If you have any questions or we can help you in any way, please call the church office at 281-373-1900.

Good Shepherd United Methodist Church

A New Path Begins - Communion-Community-Compassion

Starting Sept 9th, 2007, Good Shepherd will offer a brand new time of worship called New Path. New Path will feature contemporary music, weekly celebration of communion, and a message by Associate Pastor, Rick Ivey. The goal of New Path is to provide a worship environment where people can experience and be transformed by the grace of God. The result will be disciples of Jesus Christ who have been shaped by grace, are supported by a grace-filled community, and are engaged in mission and ministries that grow the Kingdom of Jesus Christ. Come preview this service August 19th at 9:45 in our Gym. More details about New Path are available at www.goodchurch.us. Come check it out!

Lunch & Learn – Tuesday mornings in August!

We will be hosting Brown Bag Lunch & Learn Studies throughout August on Tuesday mornings from 10-12. Just bring lunch for you and your kids and while you're having time to connect with other women and God, your kids will be having fun with our Children's Ministry Team! More details on the website.

August 26 Rally Sunday and Blessing of the Backpacks

This is the day we kick off Fall programs with exciting worship, new education opportunities, and a host of new programs for adults, youth, and children to put summer behind and get reconnected in our church family and refocused on worship, growth, and service.

Children are invited to bring their backpacks to the altar during worship for a very special blessing. We want each child to start the school year remembering that there is more to school than just doing work, it's also about doing their best for the Lord, and sharing the love of Jesus with the people around them. KidSpirit Plus will return in September and there will be exciting additions to our Sunday School and KidsRock Worship times. This is also the day our children move up to their next class. Greeters will be on hand to help.

Contact our Children's Ministry Director, Cari Brenek at gsmchildren@sbcglobal.net with specific questions. Our youth will be getting settled in their new state-of-art youth room and also have exciting back-to-school activities planned so please check their website or contact our Student Ministries Director, Jeff Dunbar at gsm youth@sbcglobal.net for specific details on events and programs for your youth.

Disciple: (Becoming Disciples Through Bible Study)

This Fall Good Shepherd will offer Disciple Bible Study. If you have not had the opportunity to survey the entire Bible in a group setting this study is for you. This study requires reading large portions of Scripture each week and is based on careful study and preparation. During the course of thirty-four weeks, groups will move through the biblical stories of Creation to the New Jerusalem. The titles of the sessions along with theme words; theme verses; and major persons, events, and topics will set the sequence of the biblical story in the minds of the participants. The principal Scripture for each session follows the chronological movement of the biblical story. Contact Pastor, Rick Ivey at gsmrick@sbcglobal.net to express your interest or ask questions.

Mothers of Preschoolers (MOPS)

MOPS is a place to meet other moms with young children and develop new friendships. MOPS meet at Good Shepherd on the 2nd and 4th Friday mornings of the month during the school year. Please contact Renate Wheeler now at 281-246-4396 renateqw@entouch.net for registration information for the 2007- 2008 school year. Our group is looking forward to meeting you!

Visit our website at www.goodchurch.us to see what we have going on. The youth have their own website at www.gsm youth.net so visit it often to check out the latest plans and activities. Located on Cypresswood Drive in Fairfield, we are right down from the Shell station off 290 and Mason Road. Join us this Sunday for Traditional Worship at 8:30 or 9:45am, New Path at 9:45 (starting Sept. 9), or our Contemporary Praise service at 11 am.

Fit Facts™

FROM THE AMERICAN COUNCIL ON EXERCISE®

Get Into the Swim of Things

Are you ready to take the plunge and try a new fitness activity? How about water exercise?

Also known as aquatics, water exercise is one of the best non-impact fitness activities around and just about anybody can participate. Pregnant women, the elderly or overweight, individuals with arthritis or those recovering from an injury can all benefit from the wide variety of aquatics classes currently available.

Get into the swim of things

Here are the facts: The buoyancy of water reduces the "weight" of a person by about 90 percent. This means that the stress on weight-bearing joints, bones and muscles is similarly reduced.

For this reason, it is unlikely that a water workout will result in injury or leave you with sore muscles. That's why the pool is such a great place for people with arthritis or back problems to exercise, and for those who are new to exercise.

But don't get the idea that just because it doesn't hurt, you can't get a great workout in the pool. Water exercise can encompass all of the components of fitness: cardiovascular fitness, muscular strength and endurance, and flexibility. And, when done regularly, water exercise can help reduce body fat.

Water works your heart

Aerobic workouts in the pool are perfect for those who find the same movements on land too jarring or painful: running, striding,

kicking, leaping and even dancing.

Keep in mind that in the water, heart rate will be reduced by as much as 17 beats per minute when compared to land exercise.

That's why it's so important to pay attention to how you feel. Your heart rate might indicate that your intensity is too low when you are actually exercising quite strenuously.

Water adds resistance

The resistance of water is perfect for a strength-training workout - instead of weights, the water itself provides the resistance. One of the easiest ways to create resistance in the water is to cup your hands and push or pull the water away from you.

Other devices, such as hand-held paddles and water chutes can increase the resistance to provide a more intense workout.

The flexible benefits of water

One of the greatest benefits of water exercise is its effect on flexibility. Water is a welcome environment for performing stretches

that might otherwise be difficult on land.

Because the effects of gravity are lessened, you can move your joints through a wider range of motion and achieve long-term flexibility.

Aquatics 101

Once you've decided to take the plunge, it's simply a matter of finding the right class for you. Check with your health club or YMCA to see if they offer aquatics classes and drop in on one or two to see if they are right for your fitness level.

A good class should include a good warm up, a period of cardiovascular and muscle conditioning that gradually increases and then decreases in intensity, and a cool down. The cool down should include plenty of flexibility exercises for the entire body.

If you have a preference for music, find a class that suits your taste. Don't be afraid to ask about instructor qualifications and safety precautions. Your instructor should be certified and may also have special training in aquatic exercise.

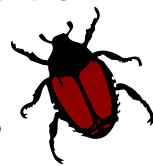

The pool is a fun place to feel like a kid again and get a great workout. In fact, instead of feeling out of breath or exhausted, a water class can leave you feeling surprisingly calm, yet energetic. So, even if you're a dip-your-toe-in-the-water type of person, don't be afraid to take the plunge into water fitness.
