CYPRESS MILL MESSENGER

Volume 7, Issue 9

Official Newsletter

SEPTEMBER YARDS OF THE MONTH

14622 Emerald Cypress Ln.

18031 Rose Hill Ln.

18318 Auburn Woods Dr.

18403 Cypress Stone Ln.

18407 Camellia Estates Ln.

Five homes are selected for Yard of the Month. First we need to be able to read your house numbers. At some homes the shrubs are covering the numbers. Please check to see that they can be easily read. This could be a problem if the rescue squad or fire department needs to find your home in an emergency. Once we can read the number, we look for a well groomed yard and color. To be considered for YOM all HOA dues must be paid in full.

MESSAGE FROM HOA PRESIDENT

LANDSCAPING

High Tech Landscaping has made great strides in planting new flowers around our subdivision. The areas that have been completed look really nice. Thanks Bradley.

GARAGE SALE AND OTHER SIGNS

DO NOT place your garage sale signs in the new landscaping. This past weekend four (4) garage sale signs were placed directly in the landscaping. These signs were removed as soon as they were seen. If you have to put out these illegal signs put them in the grassy area outside of the subdivision.

Also, a Prudential realtor was caught placing an open house sign in the landscaping on Cypress Mill Park. When confronted she thought she had a right to put the sign wherever she pleased. The sign was removed immediately.

DEED RESTRICTION VIOLATIONS

The most common call this summer besides garbage cans has been grills coolers, and other outdoor equipment in the driveway. Please place your grills and other outdoor cooking equipment in your garage or storage unit as soon as it has cooled. This equipment is as unsightly as garbage cans to your neighbors. Please be a good neighbor you never know when you will need a good neighbor.

Portable Basketball Hoops - There are numerous basketball hoops around the neighborhood. The strange thing is that no one seems to know who owns them. When residents receive a letter about this violation, especially those placed on the street, ownership is generally denied.

If you see the law being broken please call the Constable Precinct Four. Their phone number is 281-376-3472.

PLAYGROUND EQUIPMENT

The park on Cascade Bend was vandalized and several pieces of playground equipment were destroyed. The HOA had this equipment replaced. If you see any vandalism in the park please call the constable's office immediately. The trees in the park were also trimmed. While there I noticed a lot of litter in the park. There is a garbage can placed by the front gate. Please place your litter in the garbage can.

Simple Pleasures/Simple Rules

One of my biggest pleasures is to walk my dog in the evening. Unfortunately, this is becoming less of a pleasurable experience because some pet owners in the Cypress Mill community do not follow the laws that are set forth for pet owners and also do not feel they have to. In particular, I am talking about the leash law. It is very disconcerting to walk down a street in the neighborhood and have an unrestrained animal, not matter what size, run at you and then began to snarl and attack the pet you are walking.

This happened to me recently. I was out for a stroll with my pooch, who was on a leash that I had control of, and a dog a little smaller than he came running out of his yard down the street and began snarling and jumping on my dog. I had my leash drawn in all the way, pulling my dog to my side, but this other dog just would not stop. I asked for someone in the group of adults that was outside to get their dog, and the woman that responded acted as if I was in the wrong. "Oh my gosh, he's just our puppy," she said. When I told her he was supposed to be on a leash and I was tired of having unrestrained dogs come after my dog when walking down the street, her answer was, "then don't walk down this street." Funny, I thought the streets in our community were public streets.

I was too busy trying to keep the dogs apart, but I wish I had thought to ask her if it was okay to take my dog off his leash while her toddler was standing in her front yard. My dog LOVES children and he would have made a beeline for a giggling child. I would expect, even though she isn't familiar with my pet, for her not to be upset if my dog ran up to her child; right? For the record, because I know my dog loves kids (and they sometimes don't love dogs) I reined him in close to me and went to the other side of the street.

This has happened to me more times than I care to discuss and after the latest incident, I feel like I should share some information.

Public Streets

By definition, public streets are significant, public, open spaces, designed to serve **pedestrians** and vehicles; provide space for public utilities and services, trees and landscaping, building access, amenities such as view corridors, sky views and sunlight; and are public gathering places. Public Streets are owned and maintained by the city or county and are **fully accessible by the general public**. (This means that I can walk my pet on any street I choose as long as I have him restrained and in control.)

Harris County Animal Regulations

SECTION 1. AUTHORITY

A. These Regulations are promulgated pursuant to and in conformity with the following statutory authority:

(1) The Rabies Control Act of 1981, specifically including the authority granted in sections 826.014, 826.017, 826.031 and 826.033 of that Act, located in Chapter 826 of the Texas Health and Safety Code and the rules promulgated there under.

(2) Subchapter D, Chapter 822 of the Texas Health and Safety Code, specifically including the authority granted in § 822.047 which provides for the regulation of dangerous dogs.

B. It is the purpose of the Commissioners Court of Harris County to exercise its authority to impose reasonable and uniform regulations for animal control in Harris County, Texas. These Regulations are adopted to protect the health, safety and general welfare of people in Harris County and also to protect the health, safety and general welfare of animals kept in Harris County by preventing the spread of rabies and other zoonotic diseases and by reducing the risk of injury to people from animals kept in Harris County, Texas.

Dangerous Dog

Dangerous Dog: A dog that

(1) makes an unprovoked attack on a person that causes bodily injury and occurs in a place other than an enclosure in which the dog was being kept and that was reasonably certain to prevent the dog from leaving the enclosure on its own; or

(2) **commits unprovoked acts in a place other than an enclosure in which the dog was being kept** (i.e. a public street) and that was reasonably certain to prevent the dog from leaving the enclosure on its own and **those acts cause a person to reasonably believe that the dog will attack and cause bodily injury to that person**. (If an unfamiliar animal comes running at you on the street how can you be reasonably certain that it won't cause an injury?)

Leash Law

Restraint: The control of a dog or cat under the following circumstances:

(1) When it is controlled by a line or leash not more than six (6) feet in length, if the line or leash is held by a human being who is capable of controlling or governing the dog or cat in question; or

- (2) When it is within a fully enclosed vehicle; or
 (3) **When it is on the premises of the custodian and the animal does not have access to a sidewalk or street.**

Secure Enclosure: A fenced area or a structure that is locked; is capable of preventing the entry of the general public; is capable of preventing the escape or release of the animal confined therein; and is marked as containing a dangerous dog or a dangerous or restricted animal as required by these Regulations.

Stray: Any animal not under restraint as defined by these Regulations. The display of a vaccination tag or license tag does not change the fact that the dog or cat is a stray for the purposes of these Regulations.

SECTION 4. RESTRAINT AND IMPOUNDMENT

A. **All dogs and cats must be kept under restraint while in the unincorporated areas of Harris County, Texas.** The custodian of a dog or cat is not authorized to have, harbor or keep any unlicensed dog or cat, or to allow any dog or cat to become a stray.

B. The custodian of every dog or cat is responsible for any behavior of a dog or cat under the provisions of these Regulations.

C. Animal Control and other persons designated by Animal Control have the authority to impound the following:

- (1) All **stray** dogs and cats;
 (2) Any animal that has bitten or scratched a person; and
 (3) Any animal that has been exposed to rabies.

I. When dogs or cats are stray and their ownership is known to the

animal control officer, the officer has the discretion to:

- (1) impound the animal; or
 (2) cite the custodian of the animal to appear in a justice of the peace court to answer charges of violation of these Regulations; or
 (3) impound the animal and cite the custodian of the animal to appear in a justice of the peace court to answer charges of violation of these Regulations

Announcing Cy-Fair High School Project Prom 2008

It's finally here--senior year!!! There will be so much going on in the lives of seniors this year, and two of those exciting events will be Prom and Project Prom, May 2-3, 2008.

What exactly is Project Prom?

It's a fun-filled after-the-prom event that provides a safe, chaperoned, drug-free and alcohol-free environment with games, prizes, and refreshments. The senior parents provide this all-night party.

Who attends Project Prom?

All Cy-Fair High School seniors and their dates are welcomed at Project Prom, whether they attend the prom or not. Historically, CFHS Project Prom has had approximately 90% of seniors attending and prizes including TVs and other popular items.

How can you get involved?

Fundraising and donations are vital to the success of Project Prom. We are a non-profit 501C3 organization, a booster club, and we plan enjoyable ways of raising the funds to cover the cost of venue rental, entertainment, refreshments, and prizes. In return for your donations and participation, your designated senior will earn points

that are redeemed for play money, also known as Project Prom Bucks (PPB), which become chances to win prizes during the Project Prom evening. The more time or money that you contribute, the more chances your senior has to win exciting prizes. Grandparents and other relatives can make donations as well. Our meetings are on the third Monday of each month at 7:00 p.m. in the Cy-Fair High School cafeteria and are open to all parents.

Save the date for our first fundraising event, the Annual Cy-Fair Project Prom Charity Golf Tournament on November 2, 2007, at the Houston National Golf Club. Call or email Robert Calloway for more information about the tournament: (281) 744-9476 / robert@calloway.com.

Check your newsletter or our web site monthly for information about upcoming fundraising activities and events. We will be hosting two evening events for adults during the school year, Denim and Diamonds and Casino Night. These are events provide great food and entertainment while supporting a worthy tax-deductible cause.

Contact information:

Karen Fitzgerald, CFHS Project Prom 2008 President: 281-304-8272, acfitzgerald@sbcglobal.net. Project Prom Web site: www.cyfairprojectprom.com to sign up for the e-mail newsletter and also to find printable forms and make donations through Pay Pal.

KEENAGERS

Our 50 Plus Group, the Keenagers, have been on the road again. 26 Keenagers hopped the bus at our Clubhouse on July 28th to go to dinner and then to the play "Thoroughly Modern Millie". It was a very entertaining musical with singing and dancing set in the 1920's.

Unfortunately, the deadline for articles for the September Cypress Messenger was before our next outing on August 11th. By the time you receive this newsletter, the Keenagers will have already been to the Texas Opry in Magnolia, Texas. The group was very anxious for this event.

There is still room for more at our Keenager events! Our next trips are scheduled for September 9th, October 7th, and November 18th. If you are 50, or older, and want to meet new friends in our neighborhood of the same age group, please contact Theresa (281-256-7810) texasterry51@sbcglobal.net, Gail (281-256-9859) wgainl@yahoo.com, or Debbie (281-304-5111) debojack@sbcglobal.net.

Volunteers

Would you like to volunteer your time occasionally? Do you have a special skill at planning parties? gardening? decorating? Are you a do-it-yourself handyman who would consider making minor repairs around the community? If so, think about putting your name on our volunteer list.

We have many seniors in the neighborhood that have made cookies and volunteered their time at the children's Easter and Christmas parties. We had a resident and her teenage son volunteer at the Easter party. By volunteering he was able to get a letter of thanks that will help with his resume' when he applies for college.

Volunteering not only makes you feel good you are also giving back to the neighborhood.

Interested parties should e-mail their names and telephone numbers to swhitley6675@sbcglobal.net

SCHOOL BUS SAFETY

School is back in session. Please be aware of children walking and biking to and from school. Of course, we want all children to be safe and school buses are relatively safe. However, accidents and injuries involving school buses do happen. More often than not these injuries happen when children are entering or exiting the bus. Here are some safety tips for school bus riders.

- Have a safe place to wait for the bus, away from traffic and the street.
- Stay away from the bus until it comes to a complete stop and the driver signals you to enter.
- Hold onto the handrails when entering or exiting the bus.
- Once on the bus, take your seat and remain seated face forward.
- Talk quietly so that you don't distract the driver.
- Never throw things on the bus and keep your hands to yourself.
- When you exit the bus, take ten giant steps away from the bus. When you are closer than 10 feet from the bus, the driver might not see you. This is known as the DANGER ZONE.
- If you forget something on the bus, do not return to the bus to get it. The driver might not see you.
- Be aware of the street traffic around you.
- If you need to cross the street, cross in front of the bus never behind the bus.

Motorists should follow safety rules around school buses. Yellow

flashing lights indicate that the bus is preparing to stop. Motorists should slow down and be prepared to stop. Red flashing lights indicate that the bus has stopped and that children are getting on or off. Motorists must stop their cars and wait until the red flashing lights are turned off.

Here are a few more traffic safety tips for motorists.

- When backing out of the driveway or garage, watch out for children.
- When driving through neighborhoods and especially in school zones, watch out for children. Children don't always pay attention to traffic and don't always know that motorists have trouble seeing them.
- Slow down. Watch out for children walking or playing in the street.
- Be alert and ready to stop. Children sometimes dart into the street.
