They gave it their all to the very end placing

Texas Rattlers 12AAA Baseball Team Finishes 2nd in the Nation!!

The Texas Rattlers, a Cy-Fair 12AAA team, went to the USSSA World Series in Hutchinson, Kansas this past week (7/9-15/2007) to fulfill their dreams of winning the championship. The boys went into the World Series seating in the number one position in the nation, a position they've been in for most of the year. With the dedicated and knowledgeable coaching staff of Jerry Boling, Robert Knode, Welton Whitley, and Joe Toliver the Rattlers have been winning tournaments from League City to Dallas and from Brookshire to Baton Rouge and all areas in between this season. In preparation for the World Series, the team had practices three to four times a week for up to 3 ½ hours at a time. "I know what it's going to take to get through the World Series tournament - and I just want to make sure the boys are up to the physical demands of it," explained Coach Jerry. After three games of pool play to determine the seeding for the tournament the Rattlers seeded in the 11th spot due to one loss. The Rattlers went into the 1st game of the series and lost to the Mississippi Mustangs. Being a double elimination series, two losses and you're out, Coach Jerry gave the boys a major pep talk before game two. After that the boys went out and beat the number one seeded team of the tournament, the Illinois Lake in the Hills Thunder, 7 to 4. The team went on to win the next 5 games. On Saturday morning the boys lost their last game and ended up 5th out of 56 teams from around the nation. With all the points tallied up after the World Series the Texas Rattlers ended the season in the number 2 position in the USA. "There's nothing to be disappointed about with our performance here, we fought back and that's what it takes!" cheered Coach Jerry. "I'm very proud of the way our boys played. They had the lowest average runs allowed in the tournament and that's something to brag about."

Bradford Creek Board Of Directors News

Can you believe that it is September already? School is open once again and our attention turns to the great fall sports activities available for the youngsters of Fairfield. Before we put summer totally behind, a short reflection may be in order. Up to the point of this writing we have had a very energetic yet safe summer season at our pool complex. Attendance at Bradford Creek pool has been high due in part to the new amenities added this year. We thank our lifeguard cadre for their contribution to allowing the children to vent their energy in a fun and safe way at our pool.

Your Board of Directors will also have a change of focus at this time of year. An asset listing for Bradford Creek is now complete and a thorough review of our reserve account standing is in progress. The reserve account is money set aside from each yearly budget for major asset repair or replacement. Once we establish that our reserve account is sound we will be able to complete the 2008 budget proposal due later in the fall.

On another topic we are happy to report that two new Sheriff's deputies are on duty in Fairfield as provided for by MUD districts 322 and 354. Give them a wave of welcome but also watch your speed and come to a full stop at intersections or you might get an autographed welcome from them.

If you have questions about the operation of Bradford Creek Homeowner's Association, Inc. or to report items in need of attention call AMI's on site representative Cecelia Panzinetti at 281 256-0065 or e-mail your Directors as listed in the front of the Gazette.

Finally, please welcome these new homeowners to the Bradford Creek section of Fairfield:

Fairfield's Fun-Loving Over Fifty Group The Fairfield Seniors

The Seniors of Fairfield is an active, fifty plus, fun-loving group of couples and singles who enjoy fellowship, monthly trips, and various activities together. If you or your spouse are fifty or older, a newcomer to Fairfield Village or have lived here in Fairfield for some time, but have never attended one of our functions you are cordially invited. Come and be a part of our fun-loving group, were sure you will enjoy it.

SEPTEMBER TRIP PLANS:

Thursday, September 20th: Varner-Hogg Plantation State Historic Site and South Texas Nuclear Power Plant

Our trip will take us to the Varner-Hogg Plantation, when in 1824, Martin Varner, his family and slaves started this sprawling plantation on the Brazos River. Varner sold the property in 1834, and the plantation continued to change hands until former Texas governor James S. Hogg purchased it in 1901. The house remained in the family until daughter Ima Hogg donated the property to the state in 1958. Today, Varner-Hogg State Historic Site preserves the majestic antebellum home along with many of the Hogg family heirlooms, period furniture and historic documents.

We then have lunch at The Outrigger Restaurant, in Palacios, Texas.

Now off to the South Texas Nuclear Power Plant (STP). This is one of the newest and largest nuclear power plants in the country. STP's two reactors produce 2,700 megawatts of electricity, enough for more than one million homes and businesses in south central Texas. Learn everything you also wanted to know about Nuclear Power.

The cost for this trip is \$8.00 plus your lunch. **Call Jim or Shirley Hearst @ 281-373-4432** to get your name on the list. Bus will depart at 7:00am from the Fairfield Village parking lot. Please be there by 6:45am. Make checks payable to: Fairfield 50 Plus.

OCTOBER TRIP PLANS:

Monday, October 22nd: Homestead Heritage Village, Elm Mott, Texas. We will be taking a guided tour of the Homestead Village. The community abounds with handmade crafts and house ware and celebrates life as it once was. Craftsmen demonstrate and showcase their work of furniture making, blacksmithing, along with pottery making.

After the tour we will enjoy a relaxing lunch at the Homestead Farmer's Deli, which is included in the cost of the trip.

Then, after lunch, we'll visit a 200 year old restored barn (moved all the way from New Jersey) where you can purchase birthday, Christmas and holiday gifts made by the craftsmen and women of Homestead Heritage Village. You will also be able to watch as a circa 1750 gristmill grinds fresh whole wheat flour and corn daily.

The cost for this trip is \$22.00 which includes your lunch. **Call Hazel Willis @ 281-256-7979** to get your name on the list. Bus will depart at 7:00am from the Fairfield Village parking lot. Please be there by 6:45am. Make checks payable to: Fairfield 50 Plus.

UPCOMING CRUISES:

Our cruise director, Charles Wolcott, has put together a November Caribbean cruise; we currently have 18 members, guests and friends going on this cruise. Fairfield Book Club

Our group started in January 2001. We have both members who have been with us since the beginning and some who have just joined last month. This is a great way to meet your neighbors, have great conversations and develop new friendships.

Members can feel comfortable enough to talk about any book, genre or author. Classics, modern pop fiction, non-fiction, biography, and classic junk that you just love anyway...anything: there are no limits on the books we read. No book snobs here, we read it all! So if you are a book lover of all kinds or would like to expand your reading, then please join us at one of our meetings.

Our group is free and open to women living in Fairfield. We meet the 3rd Wednesday of each month (rotating homes and sometimes restaurants), from 7pm – 9:30(ish)pm. We share food, drinks and or course conversation. We select our readings by voting though getting suggestions in writing that requires the title, author and a brief description of the book. We draw three suggestions from a bag and the majority wins. We do ask if someone wants to actually participate in the discussion (and not just listen), that she reads the book and hopefully brings a list of items/questions/comments that she might have. This is what really forms the basis for our discussions.

We invite you to join us as a guest or a member. We currently have openings; however because we have the meetings in homes and we want to give everyone (who wants to) an opportunity to participate in the conversation, our membership is limited.

Announcing Cy-Fair High School Project Prom 2008

It's finally here--senior year!!! There will be so much going on in the lives of seniors this year, and two of those exciting events will be Prom and Project Prom, May 2-3, 2008.

What exactly is Project Prom?

It's a fun-filled after-the-prom event that provides a safe, chaperoned, drug-free and alcohol-free environment with games, prizes, and refreshments. The senior parents provide this all-night party.

Who attends Project Prom?

All Cy-Fair High School seniors and their dates are welcomed at Project Prom, whether they attend the prom or not. Historically, CFHS Project Prom has had approximately 90% of seniors attending and prizes including TVs and other popular items.

How can you get involved?

Fundraising and donations are vital to the success of Project Prom. We are a non-profit 501C3 organization, a booster club, and we plan enjoyable ways of raising the funds to cover the cost of venue rental, entertainment, refreshments, and prizes. In return for your donations and participation, your designated senior will earn points that are redeemed for play money, also known as Project Prom Bucks (PP\$), which become chances to win prizes during the Project Prom evening. The more time or money that you contribute, the more chances your senior has to win exciting prizes. Grandparents and other relatives can make donations as well. Our meetings are on the third Monday of each month at 7:00 p.m. in the Cy-Fair High School cafeteria and

are open to all parents.

Save the date for our first fundraising event, the Annual Cy-Fair Project Prom Charity Golf Tournament on November 2, 2007, at the Houston National Golf Club. Call or email Robert Calloway for more information about the tournament: (281) 744-9476 / robert@calloway.com.

Check your newsletter or our web site monthly for information about upcoming fundraising activities and events. We will be hosting two evening events for adults during the school year, Denim and Diamonds and Casino Night. These are events provide great food and entertainment while supporting a worthy tax-deductible cause.

Contact information:

Karen Fitzgerald, CFHS Project Prom 2008 President: 281-304-8272, acfitzgerald@sbcglobal.net. Project Prom Web site: www.cyfairprojectprom.com to sign up for the e-mail newsletter and also to find printable forms and make donations through Pay Pal.

Harvest Bible Church

Did you Know?... Therefore, since we receive a kingdom which cannot be shaken, let us show gratitude, by which we may offer to God an acceptable service with reverence and awe; 29 for our God is a consuming fire (Hebrews 12:28-29).

God's kingdom "cannot be shaken." It is not of this earth which was cursed from Genesis 3 onward due to man's sin. His future kingdom is a new heaven and earth that is not susceptible to sin. The fact that it is unshakable means that the events which occurred in Genesis 3 cannot occur again when God completes His plan in eternity. This is the place where believers go in spite of their sins simply because they believed in Jesus Christ's atoning work on the cross for salvation. They don't deserve salvation, but God has graciously granted it as a gift.

Now since Christians will receive such a kingdom by God's grace, the genuine ones will worship Christ continually. The tense of the Greek verb in Hebrews 12:28 literally says, "Let us be continually grateful." Now the only way to exist in a continual state of gratefulness is to never lose sight of what Jesus Christ has graciously done for us. It's quite possible that the reason people don't think too much about heaven today is because they have it too good here on the earth. But genuine believers in Christ always remember and live in a continual state of gratitude.

Gratitude for what Christ has so graciously given allows Christians to "offer to God an acceptable service with reverence and awe" (v. 28). Reverence for God entails caution, respect, discretion, and pious care. Awe over God is a timid apprehension of danger. It's not the same concept as "fear" in the sense of being horribly frightened, but it is closely related. Taken together, being continually thankful to God translates into a life wholly focused on Jesus Christ.

This proves that non-Christians absolutely cannot worship Christ, for true worship comes from a thankful heart over what Christ has done. Unbelievers do not accept Christ's atoning sacrifice, and until they realize that they have been forgiven of sin they simply can't worship. The pep-rally churches many of them attend – filled with rock music and theatrics – only serve to deceive these previously unchurched people. They come home fired up believing that church is supposed to entertain. But their souls are still lost and in need of the Lord Jesus Christ.

True worship is acceptable to God, and it is offered with reverence and awe for God. In the Old Testament when an animal was offered on the altar of burnt offering, the fire consumed it. This is what it means in Heb. 12:29 that "our God is a consuming fire," for God is either going to accept our worship or reject it. If it's offered with reverence, awe, and gratitude to Christ, it is acceptable – consumed on the altar of worship. But note the terror surrounding God for those who do not offer proper worship and who fall back into a religion of works to gain God's approval. For them God is a consuming fire, one that devours His enemies when He shakes the earth at the end of time (cf. Heb. 10:27; Num. 11:1; 16:35; Ps. 97:3; Isa. 66:15; 2 Thess. 1:8).

If God has led you to worship Him, and if you want to know Jesus Christ as He has revealed Himself in the Bible, we invite you to visit Harvest Bible Church. At HBC we seek to know what the Bible says, what it means, and how it applies to us. It's not a pep-rally, a concert, or a stage show. It's simple music, biblical expository preaching, and sinful hypocritical people gathering together to know Christ better to be sufficiently equipped for the work of ministry. You can call our church office (281-256-7733) or consult our website (www.harvestbiblechurch.net) for more info about our church.

Fairfield Church of Christ

"Discovering the Heart of Christ, in the Heart of Fairfield."

It was 1978, twenty-six years ago. I was eight, and it was my birthday. I was told to make a list of four or five friends who'd enjoy the water theme park in nearby Tampa, Florida. Since we didn't have any spare money, the trip would be a packed lunch and no extras. I didn't care --I was getting a special treat! The great day arrived and my mother, younger brother, six friends and I piled into our old beat-up station wagon. We headed out of town for an hour and a half ride to the amusement park, for a day of sun and fun. About halfway to the water park the car started running bad and the "check engine" light came on. My mom pulled the car over. We were stuck, wondering when someone would stop to help. An hour passed. A police officer stopped to see if we were all right and called a tow truck to pick up the car. On the way to the service station, Mom told the officer where we were headed, as it was my birthday and a special treat. The officer dropped us off and left after giving me a short ride in the police car "as a birthday present". At the service station, the mechanic explained the water pump needed to be replaced. The cost, plus the tow, would be \$135. Mom started crying and pulled me aside. She explained we wouldn't have enough money to go anywhere but home, and we'd have to save up to go somewhere else for my birthday later. I was disappointed but tried not to show it, knowing even at that age that we didn't have much money. We tried to make the best of the day, the nine of us having a picnic at the service station with the cake Mom had baked. Eventually the mechanic called Mom into the office, saying the repairs were completed, but he had to make a phone call before we could leave. He hung up the phone and said to have a seat and wait. The next thing I knew the police officer came in the door of the service station. He walked up to me with a wrapped present, handed it to me, and wished me a happy birthday. Then he paid the

mechanic for the repairs and tow. The officer told mom his family didn't have much money growing up and he knew we didn't either. He said my birthday trip shouldn't be ruined because of something we had no control over. Out of a simple act of kindness this officer changed my life. I'm a single father raising two children of my own now and am not rich, but I remember that day and try to help others in need whenever I get a chance. A small act can change a person forever, and I try to instill this concept into my children's daily lives.

Good Shepherd United Methodist Church

A New Path Begins Communion-Community-Compassion - Starting Sept 9th, Good Shepherd will offer a brand new time of worship called New Path. New Path will feature contemporary music, weekly celebration of communion, and a message by Associate Pastor, Rick Ivey. The goal of New Path is to provide a worship environment where people can experience and be transformed by the grace of God. The result will be disciples of Jesus Christ who have been shaped by grace, are supported by a grace-filled community, and are engaged in mission and ministries that grow the Kingdom of Jesus Christ. More details about New Path are available at www.goodchurch.us. Come check it out!

Disciple: (Becoming Disciples Through Bible Study) - Good Shepherd will offer Disciple Bible Study beginning September 9th. This is an opportunity to survey the entire Bible. The study requires reading large portions of Scripture each week and is based on careful study and preparation. During the course of thirty-four weeks, groups will move through the biblical stories of Creation to the New Jerusalem setting the sequence of the biblical story in the minds of the participants. Please contact Pastor Rick Ivey at gsmrick@sbcglobal.net or 281 373 2273 x102 with additional questions or register online.

Children's Ministry Update - On Rally Sunday, August 26th, our children "stepped up" to their new Sunday School classes; WeeRock and the new 5th/6th grade Worship made their debut; KidsRock began meeting in their new large space called KidCentral; and, for the first time ever, Sunday School and KidsRock are now offered at both 9:45 and 11am!

Bible Sunday is coming up September 9th. This is the day our 2nd graders will receive brand new Bibles during church. They are beginning a new curriculum called "Bible Blitz" which will give them many opportunities to use and learn about their new Bibles. KidSpirit Plus will also resume on September 9th from 6-7 pm. Please feel free to contact our Children's Ministry Director, Cari Brenek at gsmchildren@sbcglobal.net for additional details or assistance with how to get your children more involved in any of these great programs.

Blended Family Study - Joining two families by marriage can be difficult, and

can leave you desperate for answers on how to make it work. Beginning September 16th at 5:30 p.m., Sylvia Hogan will be leading a study on Blended Families. This unique eight-week study will take a look at the issues that blended families face, offer opportunities to interact in small groups, and will look at solutions from a biblical perspective. The class will be held from 5:30 pm until 7:00 pm on Sunday evenings, in Room 213. For more information and to register for this class, go to www.goodchurch.us.

Music Ministry Update - We are ready to Praise and Worship this fall with our voices, instruments, and handbells. Our Chancel Choir would love for you to come out on Wednesday nights from 7-8:30 pm to fellowship and rehearse with us for our 9:45 Traditional Service and seasonal programs. Our handbell choir is attending a workshop this month and would love to add some new ringers to the Peals of Joy Handbell Choir. They rehearse on Mondays from 6:55-8:20 pm, and perform special music for both traditional services occasionally. We also have instrumentalists and vocalists who lead our contemporary New Path service at 9:45 am, and Rock & Roll church at 11 am. Please contact our Director of Music Ministry, Steve Hale at gsm-music@sbcglobal.net to receive additional information about joining or auditioning for any of our musical groups.

Mothers of Preschoolers (MOPS) - MOPS is a place to meet other moms with young children and develop new friendships. MOPS meet at Good Shepherd on the 2nd and 4th Friday mornings of the month during the school year and will begin meeting September 14th. Please contact Renate Wheeler now at 281-246-4396 renateqw@entouch.net to register for the 2007-08 school year.

Men's and Women's Ministries - There are great programs and events coming up this fall at Good Shepherd. Our Women of the Word will return to monthly meetings on the first Tuesday of the month, September 4 at 7 pm, and then host their annual Craft Show on Saturday, October 13th from 9 am-4 pm. The men will sponsor their annual Golf Tournament on September 22 and then coordinate our October Pumpkin Patch again this year. The men meet the first Saturday morning for breakfast at 8 am. Fit Facts™

FROM THE AMERICAN COUNCIL ON EXERCISE®

Active Seniors Enjoy Life More

Good news for seniors: Part of the prescription for a healthier, better retirement is exercise. That simple? Yes, it is!

Physical exercise has been proven to discourage declines in health and fitness. Join the growing number of seniors who are actively demonstrating that exercise helps keep a body strong and on the go.

The best retirement is a healthy one

Did you know that moderate physical activity can help you live longer? That it can actually reduce health hazards? It's true.

So is the fact that regular exercise helps control blood pressure, body weight and cholesterol levels, and reduces the risks of hardening of the arteries, heart attack and stroke.

A well-balanced fitness program holds other benefits for you, too. It conditions muscles, tendons, ligaments and bones to help fight osteoporosis, keep your body more limber and stabilize your joints, lowering the risk of everyday injury. Regular physical activity can even help you maintain your independence.

Physical exercise is probably the best all-natural laxative you'll find. It not only improves digestion, but exercise is also good for managing lower back pain, arthritis and diabetes. And recently, there's been more indication that an active lifestyle helps lower the risk for certain types of cancer.

But maybe the best reason for incorporating regular exercise into your life is that you'll feel better and enjoy life more. Exercise helps

you sleep better, manage stress better, and gives you more endurance to enjoy work and play.

Fitness is golden

A good senior fitness program is one that includes aerobics, muscular conditioning, along with exercises to stretch your body and promote good posture. Start with a light regime and work your way up slowly.

The best aerobics for seniors are non-jarring ones, like walking, swimming, cycling and low-impact aerobic dance.

If you haven't been doing muscular conditioning, begin with the calisthenics you probably remember. As you get used to these exercises, add some gentle resistance, such as light hand weights or low-tension rubber

exercise tubing.

As your conditioning improves, you could incorporate variable-resistance exercise machinery, but be sure you do so under qualified supervision. Heavy-resistance routines are not recommended for seniors. The key to safe and effective exercise for seniors is moderation.

Don't ignore the other elements that contribute to good senior health, including eating a well-balanced diet, not smoking and seeing your doctor whenever you need to.

Discover the exercise you like best. There are plenty of choices out there for you. Favorites among seniors are aqua aerobics, yoga, Tai Chi, line dancing, square dancing, ballroom dancing, even taking your dog for a walk. There are also many group exercise classes you might enjoy that offer social benefits as well.

When you're deciding on the class or program that suits you best, we recommend you select one with an instructor certified by an internationally recognized professional organization, such as the American Council on Exercise. Also, check to be sure the instructor has completed specialty training in senior health and fitness.

Look at your retirement or senior years as an opportunity to do things you never did before. Enjoy yourself!
