Splinters from the Board

By Stan Schoen

E-mail: sschoen@worthamweb.org

National Night Out this year was on August 7, 2007 and it was our second annual BIG BASH! We have had some experiences with NNO in the past, but last years' was great and this years' was even better! If you missed this then you missed something.

We had good music with our M.C. Michael Patrick doing his usual great job, we had good food - hotdogs, ice cream, cold drinks - ice cold water and slushies, cookies sponsored by our friends Tracy Crawford and Margo Horton, what else could you want?

The pool was open with activities for the kids, fingerprinting was available, Tom Petty (our neighbor) with the world's coolest arson dog - Hunter, were there. I asked Tom if he could train my kids as well as Hunter is trained but he told me I couldn't afford it! We had horses, fire trucks and equipment, face painting, drawings for gifts to include a \$500 picture and frame from Hobby Lobby and many, many other things to do and see that if you're interested you'll just have to show up next year which promises to be still better and more fun!

The best part about the National Night Out had nothing to do with the food it was all about YOU, all about US. NNO gives us the opportunity, at least once per year, to get together as a community, to get to know each other a little better and to focus on safety for ourselves. We had our two sheriffs present in Dwayne Polk and Travis Rawls along with their Captain Joe Hughes, but we must rely on ourselves as individuals to better insure our safety.

Long ago, doctors used to make house calls and check up on their patients. Today you really need to keep up with yourself because we are each responsible for ourselves and our

own health and the same is true for security. We need to have monitored security systems in our homes, if you can, and we need to watch out for one another as this is the only true way to become more secure whether we had gated entrances, three more sheriffs or whatever else we could ever do. We are our 'brother's keeper' and there is no better way than to know one another.

Next year is going to be a little tougher because we can't keep asking our chair Marie Trascher and her sidekick Fred Trascher to continue with the effort, hard work and determination that they have in these past two years now. Marie has been relentless in her pursuit of excellence for the NNO and she and Fred deserve our heartfelt thanks for a terrific job! Marie has gone out single handed in search for giveaways for our residents, in addition to all the coordination of events that make each year a bigger success than the prior one. Please let Marie know of your interest to keep our tradition of excellence going in years to come.

We are fortunate to have such great and wonderful residents such as Rachel Gerhardt, who is always there with the Social Committee to help in any way she can. Rachel has agreed to be the main coordinator for next years National Night Out event. Thank you Rachel and please let's show our support in helping Rachel make this an even bigger success as she has large shoes to fill!

I left out many names that of people that deserve recognition and you will find these fine people in Marie Trascher's article later in this newsletter listed as Neighborhood Watch News.

Summer has officially started and this

year late as August has brought with it heat, humidity and dry weather. I hope you have stayed safe, out of the weather and appreciate the 'short' summer we are in midst of this year.

School starts late this year and changes everything from vacations to businesses which are supported by school children and families. Moving season is lasting longer, homes are not selling as well as they were and money is getting tighter. A short lesson on economics and to let you know, as I always have, that things with Wortham Villages are fine. We are financially in good shape and trying to keep our values up in a strange market. We are still working on fences and on beautification around the whole subdivision. There will be more details as they unfold.

We still need help with block captains and we just need more involvement from our homeowners so if you have a 'little' time to spare please let us know and let us know what you would like to do and we'll find a place for you.

Make it a great day! See you at my table.

Neighborhood Watch News

Marie Trascher

Our Neighborhood Watch seems to be getting more successful. We have had no incidents in several weeks. HOORAH!

The big news was the National Night Out event that occurred on Tuesday, August 7. We had a large crowd attend and hopefully we met neighbors that we had not known. It appeared that everyone had a good time.

There was a great turnout from the Harris County Sheriff's Office which included the Mounted Patrol, the Reserve ID Unit to fingerprint our children, Fire Inspector Tom Petty and his dog "Hunter" from the Arson Unit. Many Deputies from other Districts attended as well as our own contract Deputies Dwayne Polk and Travis Rawls. Even Captain Joe Hughes from our District V attended. Stan Schoen contacted by Cy-Fair Fire Dept. and the Firefighters were present. It was a pleasure to see all of them and we can feel secure that we are so well represented by the Sheriff's Office. The more we get to know and work with our Sheriff's Office the more we can deter crime in our area. National Night Out was started in 1986 to bring together citizens and police to deter drugs and crime.

I have many volunteers (Block Captains) to say "THANK YOU" to: Tracy Crawford, Kay McGlamory, Betty Meinecke and her husband John Hargrove, Connie and Tom Boushley, Angie and Pete Ramos, Dale Kelley, Bob Meyer, Jan and Mark Hutchinson, Cindy

Pickens, Carolyn Thornton and Board Member – Rick Anderson. Michael Patrick served as our DJ and announcer. Rachel Gerhardt – Social Committee Chair worked tirelessly. A resident teenager Stefan Galagaza volunteered his time and helped complete the set up. Lisa Trascher and Vivian Pan organized and continued to hand out Door Prizes throughout the entire evening. All served in setting up and getting everything ready for you to enjoy. They also helped by cleaning the area after the event. It was a very busy day; if I forgot anyone please forgive me.

I had many local businesses that contributed door prizes for our pleasure. They are Academy, Carvel Ice Cream and Cinnabon, Cy Fair Wine & Spirits (and ice), David Flory Re-max, Fantastic Sam's, Flow Solutions Inc., Gander Mountain, Hargraves Barber Shop, Hobby Lobby, Lenny's Deli, Mancuso Harley-Davidson, Office Depot, Panda Express, Panera's Bread, Pittsburg Paint, Pizza Guy, Postal 'N Shipping, Rachel's Hallmark, Rico's Mexican Restaurant, Sears Hardware on Jones and on Hwy. 6, Shell E&P Company, Sweet Bambini, Texadelphia, Thai Spice Buffet, Universal Propane on 1960 and Valero Auto Service Center, Stacy McCubbin of Frozen 2 Perfection provided the "slushie" machines which cooled many of us on a hot and humid day. Oceaneering donated most of the ice and

Neighborhood Recreational Facilities Corner

By Rick Anderson

Well, it is already the end of August and the pool season is almost over with the pool being open just weekends through mid-September. I hope you all are had a great summer and enjoyed the pool facilities. I know I am looking forward to the cooler fall temperatures (maybe in October). The remaining pool dates and hours of operation for this season are noted in this issue of the Newsletter.

As you know, we have completed the replacement of the playground equipment at the pool area and we feel that it is a larger and more functional set of equipment that can be used by children of more ages. We hope you all are enjoying it. The Recreational Facilities Committee will continue to look at ways to upgrade our amenities. Any reasonable suggestions/ideas are always welcome, so please feel free to join our committee or drop me an email (rick_anderson@efiglobal.com).

We are also asking the residents to provide comments on the operation and usage of the pool (lifeguards and operations/maintenance by Greater Houston Pool Management), tennis courts and clubhouse from this past year. We are looking for positive and not so positive comments, as appropriate, so we can try to meet the needs of the community and fix anything wrong with the operation/upkeep of our facilities. Please send any comments to my email and the Board will take them under consideration.

Thanks to everyone for making this neighborhood a great place to live and let's enjoy the remainder of the summer season ahead of us and look forward to a great fall season and school year.

SCHOOL BUS SAFETY

School is back in session as of August 27th. Please be aware of children walking and biking to and from school. Of course, we want all children to be safe and school buses are relatively safe. However, accidents and injuries involving school buses do happen. More often than not these injuries happen when children are entering or exiting the bus. Here are some safety tips for school bus riders.

- Have a safe place to wait for the bus, away from traffic and the street.
- Stay away from the bus until it comes to a complete stop and the driver signals you to enter.
- Hold onto the handrails when entering or exiting the bus.
- Once on the bus, take your seat and remain seated face forward.
- Talk quietly so that you don't distract the driver.
- Never throw things on the bus and keep your hands to yourself.
- When you exit the bus, take ten giant steps away from the bus. When you are closer than 10 feet from the bus, the driver might not see you. This is known as the DANGER ZONE.
- If you forget something on the bus, do not return to the bus to

get it. The driver might not see you.

- Be aware of the street traffic around you.
- If you need to cross the street, cross in front of the bus never behind the bus.

Motorists should follow safety rules around school buses. Yellow flashing lights indicate that the bus is preparing to stop. Motorists should slow down and be prepared to stop. Red flashing lights indicate that the bus has stopped and that children are getting on or off. Motorists must stop their cars and wait until the red flashing lights are turned off.

Here are a few more traffic safety tips for motorists.

- When backing out of the driveway or garage, watch out for children.
- When driving through neighborhoods and especially in school zones, watch out for children. Children don't always pay attention to traffic and don't always know that motorists have trouble seeing them.
- Slow down. Watch out for children walking or playing in the street.
- Be alert and ready to stop. Children sometimes dart into the street.

Wortham Villages

Pool Rules

1. Proper swim attire must be worn to be admitted to the pool.
2. Only Wortham Village residents and their guests will be allowed to use the pool. Residents must accompany guests. Residents are allowed to bring four (4) guests with each adult pool tag (this does not include pool tags assigned to children 10-15 years old). Under this guest policy, there must be one adult for every two kids under 12 years of age. No Wortham resident under the age of 18 is allowed to bring a guest.
3. Pool tags will be strictly enforced. It is the resident's responsibility to bring them to the pool. It is very awkward and uncomfortable situation for everyone when the lifeguard must ask a resident to go back home and get his or her tag.
4. Lifeguards are employed to insure the safety of swimmers, and they have the authority to remove from the pool area anyone disobeying the rules and/or endangering the safety of themselves or another person.
5. There will be a 10 minute break each hour. During this time the pool will be cleared with the exception of persons who are 18 years of age and older.

 - Divers must jump straight out and not towards the sides
 - Divers must wait for person in front of them to get to the side before diving
9. Any child 9 years or under must be accompanied by said child's parent or person 18 years old or older. Children 10 - 15 years of age may swim without adult supervision after passing a swim test and received pool tags.
