## Texas Terrapins Start the School year with FUN!

After many rained out days and a long, slow summer, the Texas Terrapins Swim Team members started the first day of school with tons of fun with Sumo Suits from Sky High Party Rentals. The inflatable suits were easy to fill and get on and lots of fun to fight in. Once a fighter is knocked down, though, they have to have help getting up! All the swimmers had a great time wrestling indoors as it was thundering and raining outdoors.

To find out about swimming year round with the Texas Terrapins Swim Team, email Coach Jason at coachjason@igg.net, go to [www.texaserrapins.com](http://www.texaserrapins.com) or call 713-725-6190.

## CUB SCOUT PACK #1533 RACING INTO FALL

**On your Mark.....Get Set.....Go!!!!!!**

What a great time to be a Cub Scout! Pack #1533 from Ault Elementary School has been busy this fall with lots of fun and exciting activities for the boys.

The Cub Scouts of Pack #1533 are already "Racing into Fall" having had a successful Rally Night in which they welcomed 30 new and transferring Cub Scouts. The Pack extends a warm welcome to all the new Scouts and their families.

The new Tiger Cubs attended the Rising Star District's Tiger Day on September 29th at St. Elizabeth Ann Seton Church. The new Scouts and their families had a chance to meet other Scouts, earn a belt loop, play games, learn songs & cheers and gather valuable information about Cub Scouting.

It's fall and that means it is time for Pack #1533's Annual Popcorn Sale. The Popcorn Sale kicked off on September 21st and will run through October. The Scouts are working hard to raise much needed money to fund various Pack activities. When a Scout knocks on your door, please consider purchasing some popcorn. The generosity of the Fairfield community is outstanding and the Pack appreciates your support.

**And that's not all ... Upcoming events include:**

**October 12-14**

Fall Family Camp Out - McKinney Falls State Park

**October 26-28**

Webelos to Scout Expo - Camp Brosig

**November 10**

Pushmobile (tentative date)

**December 7**

Christmas Party/Hayride

What a great time to be a Cub Scout! It's not too late to join the fun. Every boy is welcome; regardless of what school he attends. If you know of a boy (1st grade through 5th grade) who may be interested in Scouting, please feel free to contact Cubmaster, Ryan Potter at jamesryanpotter@sbcglobal.net. It is a great time to be a Cub Scout, especially in Pack #1533.

## An Invitation to All the Women of the Community

Please join us on Tuesday, January 15th and every Tuesday for twelve weeks for an evening of study and fellowship with author Mindy Ferguson as she presents her study "Walking with God".

In this Bible study, you'll discover why walking with God means living your faith. It's trusting in Him and Him alone.

It's seeing the giants, but stepping confidently into the future because you believe the promises of Christ.

Walking with God is the difference between slavery to sin, and freedom in Christ. It's victory not defeat. It is living the promised life!

Good Shepherd United Methodist Church

Tuesday Evenings, 6:45-8:30pm

Beginning January 15th

Author and Cypress resident Mindy Ferguson will give live lectures at each session.

The cost is \$20.00 which includes workbook.

Contact aynnedagherty@yahoo.com or call the church office at 281-373-2273.

Join us for an evening at the Country Playhouse Theater, by the old Town & Country Mall (Beltway 8 and I-10) for an exciting performance of "The Woman in Black".

"The Woman in Black" is a chilling, spin-tingler for the Halloween-season. A lawyer hires an actor to tutor him in recounting to his family and friends a story that has long troubled him. He is concerned about the events that took place when he attended the funeral of an elderly recluse.

We will stop for dinner prior to the show, which starts at 8:00pm. Dinner will be at Denis' Seafood House, on I-10. The lower-priced lunch menu is available to senior citizens until 7pm.

The cost for this trip is \$12.00, plus the cost of your meal. **Call Skip or Kay Wheeler @ 281-890-1934** to get your name on the list. Bus will depart at 4:30pm from the Fairfield Village parking lot. Please be there by 4:15pm. Make checks payable to: Fairfield 50 Plus.

### DECEMBER TRIP PLANS:

#### **Thursday, December 6th: Santa Wonderland**

Spend an unforgettable evening celebrating the Christmas holidays with great food, fun, and festivities at Santa's Wonderland.

We will enjoy a dinner buffet at Santa's Town Hall. The buffet consist of smoked sliced brisket, smoked sausage, smoked sliced turkey, cowboy pinto beans, ranch potatoes with cheese, and chuck wagon cole slaw. Then for dessert we will have chuck wagon apple dumplings with a scoop of Blue Bell ice cream. Coffee, ice tea, and water will also be available.

After dinner we will take the famous Wonderland Tour, featuring millions of dazzling Christmas lights, and see how Texans celebrate the biggest holiday of the year at Santa's Town. This tour can be by hayride or by bus, whichever you prefer.

There is also a Texas-style Christmas village here featuring working artisans, live shows, musical entertainment, and shopping for unique gift ideas. This is also where you will find classic Christmas movies on a giant outdoor movie screen, a petting zoo, Santa and Mrs. Clause, and a cozy outdoor fireplace.

The cost for this trip is \$25.00, which includes your meal. **Call Jim or Shirley Hearst @ 281-373-4432** to get your name on the list. Bus will depart at 4:00pm from the Fairfield Village parking lot. Please be there by 3:45pm. Make checks payable to: Fairfield 50 Plus.

## MOMS Club® of Cypress-NW/Fairfield 1st Annual Balloon Release and 5K Fun Run

We are raising money to help out a family in our community that has been fighting childhood cancer.

Elise is a 6 yr. old kindergartener at Keith Elementary and has fought this battle twice within the past 4 years. We can't cure her disease, but we can help alleviate some of the financial burden this type of disease takes on a family.

**Come out on Saturday, November 10th at 9AM  
Fairfield Athletic Baseball Fields  
Let's celebrate life!**

Enter to run, walk, or stroll the 5K for \$15 (kids under 12 are free!) and buy a balloon for \$5. This is a day for the entire family! Celebration, Exercise, Food, and Fun! What could be better?

All money raised from the race and balloon sales will go directly to Elise's medical expenses.

Special Thanks to our incredibly generous sponsors;  
without you this event would not be possible!

## Fairfield Book Club

### Christmas Party

Our annual Christmas party is December 19. No book discussion, just a gathering of friends. The party is for both current and past book club members as well as friends of the book club. This is a terrific way to meet other women in Fairfield. We may not have a current email address for you, so if you don't receive an invite and would like to attend, please contact Linda.

In general, we meet the 3rd Wednesday of each month (rotating homes and sometimes restaurants), from 7:00pm – 9:30pm. We share food, drinks and of course conversations. We read all kinds of books that have been suggested by our members -- classics, modern pop fiction, non-fiction, biography and classic junk --anything. There are no book snobs here, we read it all? So if you are a book lover or just want to expand your reading and social network then please join us at one of our meetings.

We invite you to attend one of meetings as a guest or a member. We currently have openings, however because we hold the meetings in homes our membership is limited. So don't wait, contact me today.

## Announcing Cy-Fair High School Project Prom 2008

It's finally here--senior year!!! There will be so much going on in the lives of seniors this year, and two of those exciting events will be Prom and Project Prom, May 2-3, 2008.

### What exactly is Project Prom?

It's a fun-filled after-the-prom event that provides a safe, chaperoned, drug-free and alcohol-free environment with games, prizes, and refreshments. The senior parents provide this all-night party.

### Who attends Project Prom?

All Cy-Fair High School seniors and their dates are welcomed at Project Prom, whether they attend the prom or not. Historically, CFHS Project Prom has had approximately 90% of seniors attending and prizes including TVs and other popular items.

### How can you get involved?

Fundraising and donations are vital to the success of Project Prom. We are a non-profit 501C3 organization, a booster club, and we plan enjoyable ways of raising the funds to cover the cost of venue rental, entertainment, refreshments, and prizes. In return for your donations and participation, your designated senior will earn points that are redeemed for play money, also known as Project Prom Bucks (PP\$), which become chances to win prizes during the Project Prom evening. The more time or money that you contribute, the more chances your senior has to win exciting prizes. Grandparents and other relatives can make donations as well. Our meetings are on the third Monday of each month at 7:00 p.m. in the Cy-Fair High School cafeteria and are open to all parents.

Save the date for our first fundraising event, the Annual Cy-Fair Project Prom Charity Golf Tournament on November 2, 2007, at the Houston National Golf Club. Call or email Robert Calloway for more information about the tournament: (281) 744-9476 / robert@calloway.com.

Check your newsletter or our web site monthly for information about upcoming fundraising activities and events. We will be hosting two evening events for adults during the school year, Denim and Diamonds and Casino Night. These are events provide great food and entertainment while supporting a worthy tax-deductible cause.

### Junior Tennis

Huber Tennis Ranch is now offering Junior Tennis classes at the Fairfield Athletic Club. Certified professionals through the Professional Tennis Registry will instruct all HTR Junior classes. The HTR fundamental teaching method uses progressions of simple building blocks to help students learn biomechanically sound strokes through a series of small, but most importantly, successful steps. All classes are broken into three (3) age groups, ages 5-6, ages 7-9 and ages 10-12, and are designed for players with moderate, novice, or even no tennis experience. The HTR fundamental method of group teaching allows each HTR Pro to accommodate differences in the abilities and stroking styles of their students.

Our personal training staff includes Joy Blackshear Dortch and Charlotte Byrne. We offer 30 and 60 minute training sessions. We are excited about our Buddy Training Sessions. Grab a friend and split the cost! Buddy plans are a fun way to exercise and meet your fitness goals. We have single session prices and package prices for 10 and 20 sessions. ## Harvest Bible Church

### Did you know?

Thus the heavens and the earth were completed, and all their hosts (Genesis 2:1). Now there was a universe, a planet with life, a man, and a woman. The fact that all was completed according to the biblical account is totally contrary to the theory of evolution propagated in the modern day. Evolutionary thought says that all things continue to evolve, becoming more and more complex. What began as a single cell billions of years ago has graduated into the complex universe we see today. However, the Genesis account of creation says that God created everything with maturity (mountains, stars, animals, etc.), and it was done in six literal days. When the biblical genealogies going back to the first man (Adam) are added up, the numbers barely exceed 6,000 years. That means, according to the Bible, the earth is young, not old. Science has failed to refute this successfully, though the idea of evolution continues to be taught as fact. The Bible and evolution are simply irreconcilable, and all attempts to reconcile them are futile.

God's completed creation is actually confirmed by the laws of science. Two laws of thermodynamics (the laws of heat and other forms of energy) completely refute the idea of evolution. The first law simply states that energy cannot be destroyed nor is it being created. Even Einstein's theory of relativity ( $E=MC^2$ ) teaches that all matter is just another form of energy – energy that cannot be destroyed, only converted to another form. Energy is never used up, for heat, motion, sound, and light are merely converted to other forms. The only way that energy can be increased in an open system (one subject to outside forces and external exchanges of energy) is for an external force to act on that system. In a closed system like our universe, however, the sum of all energy forms remains constant. This one law attests to the fact that energy is not being created nor is the creation ongoing.

The second law of thermodynamics, simply states that all systems run

down and wear out – they go from chaos to disorder. It is the law of increasing entropy (randomness and disorder in a system). Although energy cannot be destroyed, only converted, entropy measures all the wasted energy in a system as it converts to a more and more useless entity. Entropy is applicable to everything that exists in nature. The fact that heat transfers from warmer bodies to cooler ones until both are equal means that all working systems will eventually run down with less and less useful energy. So, according to the laws of physics the theory of evolution is impossible.

Don't be misled by the notion that rocks (and the fossils they contain) can be dated with any degree of accuracy. Million year old dates are assigned according to one's worldview, not scientifically. And if God created the world with the appearance of age (e.g., Adam and Eve created as adults, trees and mountains created with maturity, etc.) then the issue requires that we either trust God created everything like He said He did (in six days), or we reject His words and buy into another system that also requires faith (evolution) but which offers no hope whatsoever and reduces mankind to a mature animal with no moral compass.

We can have hope by taking God at His word, but there is no hope in rejecting it. Thankfully, the Bible can be believed, for it has withstood thousands of years of scrutiny. Contrary to the so-called facts of evolutionary science, the true laws of science substantiate the Genesis account and give true meaning to life. What God completed in Gen 2:1 man either enjoys or curses.

Harvest Bible Church welcomes you to visit us each Sunday morning. We are a Bible-teaching church seeking to honor our Lord and Savior Jesus Christ who died a bloody death on the cross on our behalf in order to give wretched sinners like us eternal life. Call us (281-256-7733) or consult our website for more info ([www.harvestbiblechurch.net](http://www.harvestbiblechurch.net)).

## Fairfield Church of Christ

*"Discovering the Heart of Christ, in the Heart of Fairfield."*

I have a three-year-old black Patterdale Terrier named Lola, whom we call "the terrorist" because she can intimidate larger dogs easily. She can steal their bones, back them down by barking her head off, chase or outrun them, all without appearing to try very hard. She is really sweet by nature -- just dominating. Lola has enormous amounts of energy, and doesn't seem to lose steam even after an hour of full-on running. She needs plenty of exercise. After a long day of painting bedrooms in May, 2007, I decided that Lola and my other dog, a six-year-old American Staffordshire Terrier named Desi, needed some fun. I took them up a local hill close to sunset -- aware that the park would be closing, they could go off leash and no other dogs would be around. That would help us avoid any trouble. Sweet Desi came running up to me when it was time to go, but not Lola. She kept up her little game of running just out of sight and then back to me -- and RIGHT PAST me. I could not get a grip on her! As we got close to the car parking lot, which is right on a busy thoroughfare, I realized I would not be able to catch her. Sure enough, she darted into traffic several times, each time my heart jumping into my throat. Yet people always stopped, managing to see her in spite of the twilight. Finally, after nearly hitting her, two women turned their SUV around and got out holding a bag of chips. The two, a mother and her daughter, managed at least to help me keep Lola out of traffic. Another driver nearly hit Lola, too. He stopped as well. When he got out of his SUV, he was holding just the tool to draw Lola close enough to grab. He had just been to a fast-food restaurant, and tempted Lola with the last two bites of his hamburger. I will never forget the terror I felt watching that crazy dog run across the two-lane road up the freeway ramp. Still watching as for some reason turning back around -- and then the delight when she managed to cross

back to the car park and get her treat for being so mischievous. I will also NEVER forget the kindness of these total strangers who helped me rescue my dog from her own energy. I introduced myself, wanting them to know how much I appreciated their patience and help. Neither the mother-daughter team nor the gentleman gave me their names, but I hope they know how grateful I am, from the bottom of my heart. —by Betti Daniels

It is easy sometimes to wonder if anyone really cares and yet we hear of stories such as this and realize there are a lot of good people in our world. We want to personally invite you to come to church this Sunday. We are a family of believers who care about each other and those around us as well. Come for a visit or become a regular part of the family. You are always welcome at Fairfield Church of Christ.

Every Sunday morning, Bible Classes for babies to adults begins at 9:30am. Each Bible Class is taught by loving, well prepared, Christians utilizing the latest in educational techniques and finest bible curriculums.

Worship is at 10:30am and each service is carefully thought out and planned by our worship ministry leaders. Every service is meant to bring glory to the name of Jesus and help each worshipper realize how wonderful it is when you fall in love with Jesus as your Savior.

Mid-week Bible Studies are also offered every Wednesday at 7:30pm. This is a great time to pause in the middle of a busy week and be re-energized by fellowship, prayer and study of God's Word.

We also offer free of charge in-home, personal, one-on-one Bible Studies and for those who wish to study alone, Bible Correspondence Lessons as well.

Have a blessed day, Dr. Mike Lehew, Minister

## Fountain of Life Fellowship

How many times have you heard someone say, "Faith is a private matter." It sounds logical and well balanced, but is it. I would submit that statement is just a way for people not to have to explain their views or the actions that flow from them. When I make that statement aren't I really just saying, "I don't want to have to explain myself to you. I don't want to have to defend what I believe." However, when we really think about faith a couple of things tend to ring true.

First, what I really believe I act on. To say it's a private matter is true only if I act in a vacuum and never have contact with anyone else. My interaction with others becomes an extension of my belief system. The way I speak to people or act around people stems from my values and beliefs. Values and beliefs are the hallmarks of faith. The Bible tells us that, "As a man thinks in his heart so is he." It also says, "Out of the abundance of the heart, the mouth speaks." That's true isn't it? Sooner or later, what I really believe comes out of my mouth.

Second, how can faith be a private matter when our faith is supposed to guide our interaction with others. Three of the world's great religions all claim the Ten Commandments as part of their faith. So what you say? Well, the Ten Commandments work very well as a statement of faith. It's a way of saying, "This is what I believe and this is what I practice." Jesus Christ said, "Let your light so shine before men, that they may see your good works and glorify your Father in heaven." If you're a Christian, that makes it hard for your faith to be a private

matter.

I think the real problem is that some of us may espouse a belief in a certain tenant of faith but we really don't practice it. It's logical that if I don't practice what I say I believe that I might not be very keen on talking about that with others; hence, "My faith is a private matter."

We live in a day where great change is causing what each of us believes to be thrust into the spotlight of cultural examination. World views are being challenged. As a believer in Jesus Christ I have a tremendous opportunity to step onto the stage of world history and "let my light shine". I'm willing to step into the arena of ideas with my faith. How about you?

Beginning in November, Fountain of Life Fellowship will begin a series of sermons on the Christian World View and its interaction with our culture, our relationships, our family and our marriage. I invite you to attend. It just may be the most challenging series of messages you've ever heard.

Fountain of Life Fellowship is a non-denominational, spirit-filled church. We're located at 15010 Mueschke Rd. just outside of the Fairfield community. Our service is Sunday morning at 10:45 a.m. A full nursery and children's program is provided and you are most surely welcome. For more information or for help with directions, please call the church office at (281) 373-9337. We hope to see you soon.

## Good Shepherd United Methodist Church

**Children's Ministry Update**--Each week children engage in hands on activities which help them grow to know, love, and serve God. Check out their rockin' worship service, KidSpirit Plus each Sunday from 6-7pm for children 1st-4th grade. KidSpirit Plus helps kids engage in true worship with upbeat, contemporary music, entertaining puppet shows and skits as well as touching lessons designed just for them. Our wonderful children's ministry is always adding exciting events and programs to help kids grow closer to God in age-appropriate ways. Please feel free to contact our Children's Ministry Director, Cari Brenek at carib@goodchurch.us for additional details or assistance with how to get your children more involved in any of the great programs we have to offer.

**Music Ministry Update**--We are ready to Praise and Worship this fall with our voices, instruments, and handbells. Our Chancel Choir would love for you to come out on Wednesday nights from 7-8:30 pm to fellowship and rehearse with us for our 9:45 Traditional Service and seasonal programs. We are currently preparing for our Christmas program in December. We are always looking to add some new ringers to the Peals of Joy Handbell Choir. They rehearse on Mondays from 6:55-8:20 pm, and occasionally perform special music for both traditional services. We also have instrumentalists and vocalists who lead our contemporary New Path service at 9:45 am, and Rock & Roll church at 11 am. Please contact our Director of Music Ministry, Steve Hale at steveh@goodchurch.us to receive additional information about joining or auditioning for any of our musical groups.

**Youth Ministry Update**--The youth group will be delivering flyers and trash bags on the doorsteps of residents within the community on November 18th in preparation for their annual "Camp for Christ" event. "Camp for Christ" is an event where youth get to experience a taste of what it is like to be homeless and rely on the hands of the community to offer them assistance. Youth will be camping out in cardboard boxes and sharing together in a great time of fellowship and

fun. The flyer will list specific materials the youth will be collecting for "The Life Center for the Homeless". Please keep an eye out for the flyer at your door and help support this unique ministry of Good Shepherd. We will be collecting materials on Saturday, December 1 beginning at noon. Thank you for your support and participation. Please contact our Student Ministry Director, Jeff Dunbar at jeffd@goodchurch.us for more information or to get involved. Have you seen the new youth room yet? Wow, what an amazing room! Youth can check it out during their usual bible study time Sundays at 9:45 a.m. and worship on Sunday at 11:00a.m. Youth Bible Study for Junior High meets Wednesdays from 6:00-7:00pm and Senior High from 6:30-8:00pm.

**Men's and Women's Ministries**--There are great programs and events coming up this fall at Good Shepherd. The men meet the first Saturday morning of each month for breakfast at 8 am. Praxis Bible study, just for men, meets early morning on Wednesdays from 6:00-6:30a.m. Join them weekly for strong coffee, men's fellowship, and an awesome study to kick start your morning. Men and women bible studies are changing monthly, so be sure to visit us online at www.goodchurch.us for updated men and women events and programming.

**GSUMC Celebrates 15 years of Serving the Lord**--Mark your calendars now and please join us on November 18, 2007 as we celebrate our 15th birthday! Lunch will be served after the 11:00 service. UMM will barbeque and drinks will be provided. Please bring a large side-dish or dessert to share. Our official Constitution was enacted November 15, 1992. There will be fun for everyone, lots of pictures from the past, fellowship for the present, and excitement for the future of our great church family! What a great way to get familiar with our church and receive information on all the special events and ministries Good Shepherd has to offer. We would love for you to visit our church for this special celebration. All are welcome.

## How to Avoid Stressing Out Over the Holidays

- Establish a limit on money spent on gifts with your family and friends.
- Create a budget for your gifts and buy one or two each week so you don't have to rush in the last week or pay for them all out of your holiday paycheck. Try to shop at stores that will gift-wrap for you.
- Write cards early. Better yet, order cards online with a pre-typed message that lets everyone know how you're doing; then just add a one-line personal message by hand.
- Decide in advance how much work you can reasonably manage for a get-together. Once that is established you may want to look into options for those tasks you won't be able to get to. For instance, you may want to schedule a maid service for house cleaning or focus your cleaning on just the main rooms people will use.
- Have a couple of special dishes that you make from scratch and buy the rest pre-made or arrange for relatives to bring a dish to your gathering.
- Sit down several times a day and focus on your breathing. Empty your mind of everything else.
- Get out of the house for some exercise; it's a proven mood-booster.
- For parents – make sure you have enough activities to keep your kids busy. If they are old enough, enlist their help with some chores and entertaining and then reward them with a new activity.
- Don't set your expectations too high. If something doesn't go according to plan just laugh it off.

# Fit Facts™

FROM THE AMERICAN COUNCIL ON EXERCISE®

## Children and Running

You know it's important to help your kids develop the exercise habit so they can grow to be healthy, active adults. So, if your children have expressed an interest in running or a desire to participate in a race or two, don't discourage them! Running is a great natural sport that requires very little equipment. The important thing is to let them determine their own pace and to run only if it's fun and enjoyable.

### *A Few Precautions Before Getting Started*

Check with a physician to rule out any physical limitations that may prevent your child from participating in a running program. Keep in mind that children's bodies, although young and energetic, are not capable of performing at the same level as an adult's. For example, kids are more sensitive to heat, so it is essential that they drink plenty of water and avoid running in the heat of the day. "Children have a higher body mass to skin surface ratio and may not be able to dissipate heat as well as adults," says Dr. Gabe Mirkin, a board-certified specialist in sports medicine and pediatrics.

As muscles begin to heat up, it is OK to begin running. Also, show them how to stretch their calves, hip flexors and hamstrings after cooling down at the end of each run.

### *Finding Their Form*

Since running is a natural action, most children will develop their own form. Encourage your child to relax his or her hands and face while running. A scrunched face and clenched fists indicate tension, which usually means the intensity is too high and the child is straining rather than having fun.

Like adults, kids should be able to carry on a conversation while running and should be able

to smile. Urge them to slow down if necessary and keep their shoulders relaxed while steadily and smoothly swinging their arms.

To help them avoid slapping their feet on the ground, have children imagine running on light feet. For example, rather than pounding like a herd of elephants, tell them to run as if they are angels running on clouds or tigers running very lightly so they don't scare their prey.

### *How Far Should They Go?*

Children will gauge their own limitations, so always listen when they say it's time to stop. Children should run only as far as they are comfortable.

Lyle Mitcheli, M.D., director of the Division of Sports Medicine at Children's Hospital in Boston, recommends that children under the age of 14 run no farther than 3 miles at a time. The reason, he says, is that bones are still growing and the growth cartilage at the ends of the bones is softer than adult cartilage and more vulnerable to injury.

Don't put pressure on your child to run. Encourage kids to come with you on short runs, but keep the pace slow enough that they can talk to you, and stop when they are tired. Kids should not begin running races above 5 kilometers (3.1 miles) until they are at least of high school age.

Most marathons will not allow athletes under the age of 18 to enter due to possible skeletal injuries.

Although running requires minimal equipment, it is important to invest in some supportive running shoes for your children. Look for a high-quality shoe that is made for running, with proper cushioning in the forefoot and heel as well as arch support. Depending on how often your child runs, replace running shoes as soon as they show signs of breakdown, which usually occurs after about three months.

### *Set Attainable Goals*

For children, the goal of running is to stay in shape and have fun, with a greater emphasis on the fun. Running fast or winning races is less important and may cause children to dislike exercise or abandon it altogether.

Focus instead on improving your children's self-esteem by praising their efforts and helping them reach their goals. Chances are that if they enjoy running and feel a sense of pride when they are finished, they will remain active for life.
