## Notes from AMI

All of us at Association Management, Inc. (AMI) wish you and yours a safe, happy, and healthy Holiday Season.  
*Lynn, Harriett, Marisela, Cecilia and Jon*

### MAILBOXES

Parking too close to a mailbox, or placing items that may obstruct the carrier's ability to get to the mailbox, whether it be a cluster box or an individual mailbox is presenting a problem. When this occurs, the mail carrier considers the mailbox blocked and returns the mail to the post office. It is unfair to hamper one's ability to obtain their mail, especially since some mail may be time sensitive. If you or your guests find it necessary to park on the street, please look around to be certain there's enough room for the carrier to deliver the mail.

Thank you,  
Association Management, Inc.

### TIS THE SEASON FOR ARCHITECTURAL APPLICATIONS

Now that the Holiday season is approaching, you may be considering making changes or additions to your home. Please be reminded that anything that alters the exterior aesthetic appearance of your home, i.e., basketball goal, play equipment (including trampolines), patio cover, storage building, satellite dish, etc. must have your Association's approval prior to construction or installation.

If you're building something that has a roof and/or sides, i.e., patio cover, storage building, you will need to include the following along with your application: materials including roofing, dimensions, height (measured from ground to peak), width and length, and a copy of your lot survey indicating the proposed location and a side view elevation drawing. Remember, metal, plastic, etc. are not permitted.

If you plan to install play equipment, please include a copy of your lot survey showing the proposed location, the dimensions of the equipment (height, width and length) and color of the tarp.

If you're painting your home, please include a sample of the color(s) you wish to use.

Basketball goals....include a copy of your recorded lot survey indicating the proposed location where you wish to keep the goal.

Keep in mind that installation/construction may not begin until you have received your Association's approval.

It's a real easy process and takes no time at all to adhere to your governing documents. You can apply by U.S. Mail, fax (713-932-6059) or email ([ami@amitx.com](mailto:ami@amitx.com)) or via Fairfield Village's website [www.fairfieldvillage.org](http://www.fairfieldvillage.org) – whichever is easiest for you. An application as well as your Governing Documents can be obtained on line.

If you have any questions regarding the process or what items to include with your application, please contact AMI at 713-932-1122.

### LAKE FISHING

All the communities in Fairfield are concerned that children and adults have been seen fishing in the lakes. Because the lake water is neither treated nor guarded, there is significant potential for injury or disease. Please advise your children that under no circumstances are the lakes to be used for fishing or swimming.

It has also been reported that dogs have been seen in the lakes. This is not permitted in Fairfield village therefore please refrain from permitting your dog in the lakes.

Thank you.  
Association Management, Inc.

### TRASH COLLECTION PARAMETERS

**LIMITS:** Trash cans may not exceed 32 gallons in capacity nor 40 pounds in weight when fully utilized. Bagged waste may not exceed the 40-pound weight limit. A maximum of 8 bags or 4 cans per regular pick-up and up to 15 bags is allowed on the heavy pick up day. Small tree trimmings or limbs may be counted as part of the 15-item limit. Limbs must not exceed 3 inches in diameter, 4 feet in length and must be securely tied to form a bundle, not to exceed 40 pound in weight. Any boxes placed out for trash collection must be flattened and tied in bundles for collection. (In order to protect the aesthetics of the neighborhoods, Waste Management service cannot take trash in boxes. All trash must be in a bin.)

**RECYCLING:** Recycling will be collected between 7am to 7pm. The items we recycle are aluminum & tin food/beverage containers, plastic-#1 PETE & #2 HDPE, and newspaper. No glass items will be accepted.

**TIME:** Trash collection begins at 7:am each day. Your pick up times may vary due to routing and truck utilization; please have your material, unobstructed, and ready for collection by 7:00am. We run from 7:00am to 7:00pm.

**BULK:** Bulk or white items will be collected on the second collection day of the week (heavy pickup day). The location of a bulk pick up can vary from contract to contract but it is usually required to be placed at curbside. In certain areas, bulk collection must be scheduled two business days ahead of the collection day for an additional charge. (Please contact residential customer service for questions regarding this procedure.)

**HOLIDAYS:** Waste Management observes the following holidays: New Years Day, Memorial Day, July 4th, Labor Day, Thanksgiving Day, and Christmas Day. If your collection day falls on any of these days, collection will occur your next scheduled pick up day unless otherwise stated in your subdivision contract.

**PROHIBITED ITEMS:** Waste Management can not pick up hazardous waste such as motor oil, paints of any type, automotive parts, tires, gasoline, metal, construction debris, remodeling debris, carpeting or roofing materials. Additionally, Waste Management may not collect any appliances that contain or may contain CFC's (refrigerators, air conditioning units) without it first being drained and tagged by a certified technician.

## Lakes of Fairfield Board of Directors News

This is the first information article for the residents of the Lakes of Fairfield Neighborhood Association, which consists of the sections The Estates, The Pines and The Lakes.

A meeting of the Fairfield Village Community Association, Inc. and Villages Board of Directors was held on September 25, 2007. Some tidbits from the meeting include:

1. ATVs/go-karts driven on or adjacent to green belts continue to be a problem and Sheriff are doing their best to reinforce the "no motorized vehicles" rule.
2. Thefts from unlocked cars parked on driveways and opened garage are the most common crimes in Fairfield. Residents need to be vigilant.
3. To deter speeding problems near schools and within school zones, Fairfield's Sheriff Deputies are looking into obtaining handheld radar units from their department.
4. In response to the Deputies request, Friendswood Development Company (FDC) has offered to fund the purchase of two law enforcement grade bicycles. They will be used to patrol areas of Fairfield not accessible by patrol cars such as green belts. Kudos to FDC!
5. Fairfield Community has roughly 4,800 homes and 15,000 residents.

Separately, the annual budget meeting was held on October 23, 2007. Our neighborhood association is generally in good financial health. Due to anticipated increase in expenses, notably tree main-

tenance and shared pool cost (longer pool hours), our neighborhood assessment for 2008 is increased by \$10 to \$470. (The Lakes of Fairfield has 287 homes, a \$10.00 increase adds \$2,870 in income.)

Note that the next meeting of the Fairfield Village Neighborhood Association, Inc. and Villages Board of Directors will be on December 4, 2007 (Tuesday) at the Lakeside Trails Pool Club House starting at 7 p.m. As always, the meeting will be open to all residents.

The Board of Directors consists of neighborhood residents Mark Gafford, Michelle Kim, Patrick Wong, and Tim Fitzpatrick and Tommy Weaver. Please contact one of the Resident Directors if you have any comments on this article or issues related to our neighborhoods.

## Congratulations to the WINNERS of the 6th Annual 5K for Life!

You couldn't have asked for a better day. The sun was shining and the temperature held in the mid to low 50s making it an absolutely perfect day for a jaunt around the beautiful hike and bike trails of Fairfield.

And it showed in the winners' results: Daniel Lawton placed first with a time of 17 minutes and 51 seconds. Cody Smith came in second exactly one minute later at 18 minutes, 51 seconds. Mark Lawton, Daniel's brother, took third in 21 minutes, 23 seconds.

Loa McNeese led the ladies with a time of 20 minutes and 45 seconds. She was followed by two 9th graders at Cy-Woods high school, Shiloe DuVall at 22 minutes, 45 seconds, and Paige Krippner in 28 minutes.

And the two winners for the 12-and-under entries went to Sterling DuVall (25:03) and 10-year-old Emi Strautman (28:00). Congratulations to everyone!

## *Fairfield Sports Association* SPRING 2008 BASEBALL & SOFTBALL INFORMATION

***Believe it or not the upcoming 2008 Spring Baseball and Softball Season is just around the corner!***

Here is what we have to offer:

### BASEBALL

Instructional Tee-Ball	4yrs old (coed)
A Division Tee-Ball	5-6yrs old

### SOFTBALL

For baseball, please be reminded that FSA does not offer a 13/14 year old age division. In addition, a child **MUST** be 4 years of age by April 30, 2008 in order to play instructional t-ball (no 3 year olds will be accepted).

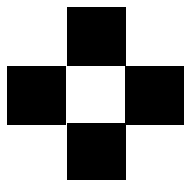

A gentle reminder that the below dates, outside of the registration days, represent our planned calendar, yet can take a slightly different form due to a variance in registration numbers or inclement weather causing delays to the schedule.

On-line Registration:	Dec. 1-Jan 12 ( <a href="http://www.fairfield-sports.org/">http://www.fairfield-sports.org/</a> )
Live Registration:	Jan 12 (Check website for location details)
Late Registration:	ON-LINE ONLY – Jan 13-18th
Coaches Meetings:	Week of January 13
Tryouts / Drafts:	Week of January 20 (No tryouts or draft for any t-ball divisions)
Practices Start:	Week of February 4
Games Start:	March 3

Season End:	2nd Week of June

Please note that late registrations will not be accepted via e-mail, voice mail or through the recreation center this spring. There will be on-line late registration **ONLY**, late registrations based on availability, not guaranteed. Unfortunately, our size has dictated a more strict approach to this in order to handle all of the administration duties and preparation necessary to start the season.

- Practices at the time of this insert will be held at the Central Park as well as the "Hill" at the recreation center grounds and possibly one of the elementary schools.
- No major changes were enacted by Dixie Youth for the baseball age divisions that are a part of this affiliation.

Lastly, I remind everyone to find a way to take part in your association. We are a volunteer organization and have jobs ranging from field maintenance to concessions duties that simply take people in order to provide the best facilities, amenities and baseball league for our children. I urge you to familiarize yourself with the Baseball Committee via our website and reach out to them to see how you can help. If you are interested in becoming a part of our association, please contact a baseball or softball committee representative! One of the growing activities is to become a part of our nightly field maintenance program (The Llamas)...it is a great way to help, plus get to know some folks and most of all assist in providing the best fields around!

## An Invitation to All the Women of the Community

Please join us on Tuesday, January 15th and every Tuesday for twelve weeks for an evening of study and fellowship with author Mindy Ferguson as she presents her study "Walking with God".

In this Bible study, you'll discover why walking with God means living your faith. It's trusting in Him and Him alone.

It's seeing the giants, but stepping confidently into the future because you believe the promises of Christ.

Walking with God is the difference between slavery to sin, and freedom in Christ. It's victory not defeat. It is living the promised life!

Good Shepherd United Methodist Church

Tuesday Evenings, 6:45-8:30pm

Beginning January 15th

Author and Cypress resident Mindy Ferguson will give live lectures at each session.

The cost is \$20.00 which includes workbook.

The following attendees when their number is called will then have a choice, either select a gift from the unopened gifts or take one from someone. A gift can only be taken twice. If the gift you selected is taken, you then have a choice, either select or take. This continues to everyone has a gift. It's an enjoyable evening.

## MOMS Club® of Cypress-NW/Fairfield

We live in an INCREDIBLE neighborhood!

This was our First Balloon Release and Fun Run. It was a HUGE success!

Through the generosity of this neighborhood and local businesses, we were able to give Elise Goertz and her family \$12,000 towards Elise's medical expenses!

We set a goal and you beat it!

Saturday, November 10th was a sunny and warm day that we will not forget! It was the perfect day to celebrate life, good health and family! Over 200 people came out, and nearly 150 ran, walked and/or strolled the 5K.

Special Thanks to our emcee Kevin Kline from The New 93Q and our incredibly generous sponsors. Without you this event would not be possible!

## Announcing Cy-Fair High School Project Prom 2008

It's finally here--senior year!!! There will be so much going on in the lives of seniors this year, and two of those exciting events will be Prom and Project Prom, May 2-3, 2008.

### What exactly is Project Prom?

It's a fun-filled after-the-prom event that provides a safe, chaperoned, drug-free and alcohol-free environment with games, prizes, and refreshments. The senior parents provide this all-night party.

### Who attends Project Prom?

All Cy-Fair High School seniors and their dates are welcomed at Project Prom, whether they attend the prom or not. Historically, CFHS Project Prom has had approximately 90% of seniors attending and prizes including TVs and other popular items.

### How can you get involved?

Fundraising and donations are vital to the success of Project Prom. We are a non-profit 501C3 organization, a booster club, and we plan enjoyable ways of raising the funds to cover the cost of venue rental, entertainment, refreshments, and prizes. In return for your donations and participation, your designated senior will earn points that are redeemed for play money, also known as Project Prom Bucks (PP\$), which become chances to win prizes during the Project Prom evening. The more time or money that you contribute, the more chances your senior has to win exciting prizes. Grandparents and other relatives can make donations as well. Our meetings are on the third Monday of each month at 7:00 p.m. in the Cy-Fair High School cafeteria and are open to all parents.

Save the date for our first fundraising event, the Annual Cy-Fair Project Prom Charity Golf Tournament on November 2, 2007, at the Houston National Golf Club. Call or email Robert Calloway for more information about the tournament: (281) 744-9476 / robert@calloway.com.

Check your newsletter or our web site monthly for information about upcoming fundraising activities and events. We will be hosting two evening events for adults during the school year, Denim and Diamonds and Casino Night. These are events provide great food and entertainment while supporting a worthy tax-deductible cause.

## Waller High School Announces Results Of "Trick Or Treat So Kids Can Eat" Food Drive

The Box of Stars Theatre of Waller High School would like to give a great big round of applause to all the Fairfield community members that supported our Trick Or Treat So Kids Can Eat Food Drive. The International Thespian Society (ITS), a division of the Educational Theatre Association (EdTA), is pleased to announce the results of Waller High School's Box of Stars Theatre participation in the International Thespian Society's Trick or Treat so Kids Can Eat program. On October 31, Thespian troupe 4901 collected 4241 pounds of canned and dry goods for the Cypress Assistance Ministries (CAM) and Waller Assistance and Restoration Ministries (WARM).

Trick or Treat So Kids Can Eat is a national community service program for ITS-member schools to collect canned and dry goods for local charities and food banks. Students from Waller High School's Box of Stars Theatre participated in the Texas program. Thousands of pounds of food were collected across the state, giving theatre students the ability to help their local community. The Waller Thespian Troupe collected food items both on campus and throughout the community. This year the Box of Stars Theatre did 4 collection projects. They held a contest at school with a prize for the class that collected the most food. Next, they gave free tickets to their fall play production of A-Haunting We Will Go for anyone who brought in 20 cans of food. On October 28, the troupe set up collection stations at the front doors of Wal-Mart and Kroger stores at 290 and Spring Cypress. And finally, on Halloween night, 40 theatre students and 11 parents collected canned goods door to door in the Fairfield community. Over the course of these 4 events they generated 4241 pounds, which is double the amount they collected last year.

While collecting in Fairfield students passed out coupons for a free ticket to THE SOAPS for anyone who donated, to be presented by the Box of Stars Theatre. There was an error on the coupon, which gave the wrong dates for the shows. The correct dates for THE SOAPS are November 29 and 30. For more information please feel free to contact Carrie Wood at cwood@wallerisd.net.

Thanks again for all the generous support of the Fairfield Community!

## Dental Tip of the Month

### Putting Dentistry in Layman's Terms

Dear Friends,

As the holiday season is amongst us, many of us are inundated with parties, gatherings, or work functions where we are surrounded by people and food. There is nothing worse than worrying about either another tooth breaking while at the gathering or being unable to properly chew the food.

Some people feel that if they have missing teeth, they don't need to do anything about it since they have other teeth still to function properly. For every tooth you lose, the other ones have to work that much harder. Teeth are not made to work any other way and when they do, other teeth wear down much faster, get loose, and subsequently fall out. That is why we must replace missing teeth.

Now when you do get these replacement teeth, such as crowns and fillings, they don't last forever. Think of your teeth as a car. Imagine driving your car through a muddy rainforest every day on a bumpy, dirt road where it never stops raining. Your teeth are constantly subjected to water, food, and biting pressure. Do you expect that your car will last forever? So just like you maintain your car with regular oil change and other services, you have to value your teeth as well and maintain them. Unlike a car, where you can get a new one if the old one breaks down, you cannot get new natural teeth once you lose them.

I want to take this opportunity, on behalf of my staff and myself, to thank all of you who have supported us this year from the bottom of my heart.

We also like to thank all the readers for enjoying our articles this year. We also wish you and your family the most joyful holidays.

If you have any questions, feel free to email me at [sundranids@yahoo.com](mailto:sundranids@yahoo.com).

### Junior Tennis

Huber Tennis Ranch is now offering Junior Tennis classes at the Fairfield Athletic Club. Certified professionals through the Professional Tennis Registry will instruct all HTR Junior classes. The HTR fundamental teaching method uses progressions of simple building blocks to help students learn biomechanically sound strokes through a series of small, but most importantly, successful steps. All classes are broken into three (3) age groups, ages 5-6, ages 7-9 and ages 10-12, and are designed for players with moderate, novice, or even no tennis experience. The HTR fundamental method of group teaching allows each HTR Pro to accommodate differences in the abilities and stroking styles of their students.

## Harvest Bible Church

### Did You Know?

Ever wonder where marriage came from? How about the seven day week? Sin, sickness, salvation, death, the death penalty, the rainbow, music, weeds in your garden, different languages, and the legality of eating meat as opposed to vegetarianism? It's all in Genesis chapters one through 11. That's where all of the above came from.

Man was created on the sixth day of creation, and God rested on the seventh, which simply means that He stopped working. Later God told Moses: "Six days you shall labor, and do all your work, but the seventh day is a Sabbath to the Lord your God. On it you shall not do any work... For in six days the Lord made heaven and earth, the sea, and all that is in them, and rested the seventh day" (Exodus 20:9-11). It's been the model for the seven-day week ever since.

As for weeds in your garden, you can blame Adam and Eve for that one. It was their sin which brought a curse upon the earth and forced mankind to work for his food. The ground began to bring him toil, and by the sweat of his brow man was made to work for food. Weeds in the garden today are just evidence of a cursed earth that awaits restoration at Christ's coming.

As for sicknesses, according to Gen. 3 they all came from sin, eventually resulting in death (Gen. 5). There is no fountain of youth, for all will die. God promised death to all of Adam and Eve's offspring, and that's exactly what's happened ever since. But God also promised a "seed" of salvation (Gen. 3:15), the same seed later promised to Abraham, later to David, and ultimately fulfilled in Jesus Christ. So Genesis 1-11 prefigures Jesus Christ who was also not only at the creation but the One who did the creating (Gen. 1:1; John 1:1; Col. 1:16; Heb. 1:2).

Music had its origin in Cain's line (Gen. 4:17-22), the wicked brother of Abel who murdered him. Cain's descendants were the inventors of stringed instruments and pipes.

The rainbow was given by God to Noah as a promise to never again destroy the earth with flood waters. Prior to the flood of Noah's day, some 1,500 years after creation, it had never rained before because God watered the earth through the subterranean waters which sprung up all over the land. But after the flood of the earth God hung his bow in the clouds, as it were, as an eternal sign of His promise to never again destroy the earth with water (Gen. 9:11-17).

It was also during that time when God made His promise to Noah and his descendants that He also implemented the death penalty and allowed all of mankind to eat meat for the first time as opposed to just vegetables and plants (Gen. 9:3-6). God made it a standard that man should be killed for shedding another man's blood through murder. The consequential killing of the murderer would not be considered murder for it was divine punishment for such.

Finally, languages have their origin in Genesis 11. God had commanded mankind to spread out and multiply, but the people of that day decided to rebel and build a city where they could all live together. Then they built a large tower, a ziggurat, in order to make a name for themselves. So God came down, confused their languages, and thus forced them to spread out all over the earth. Their aspirations of making a name for themselves went out the window when they could no longer understand one another's language.

Of course some will call all of these accounts myths and dismiss them as such. But Jesus, Paul, Peter, Jude, and the writer of Hebrews all referenced these events from Genesis. Therefore, if they're myths then Jesus was duped, and if Jesus was duped then He isn't God. And if Jesus isn't God then there is no salvation for us. Do you see how important Genesis is? The only ones who are duped are the ones who reject it. You just can't understand the Bible without Genesis.

## Fairfield Church of Christ

*"Discovering the Heart of Christ, in the Heart of Fairfield."*

Bill Gates on LIFE- To anyone with kids, of any age, or anyone who has ever been a kid, here's some advice Bill Gates dished out at a high school speech about 11 things they did not learn in school. He talks about how feel-good politically correct teachings created a full generation of kids with no concept of reality and how this concept set them up for failure in the real world. Rule 1: Life is not fair - get used to it. Rule 2: The world won't care about your self-esteem. The world will expect you to accomplish something BEFORE you feel good about yourself. Rule 3: You will NOT make 40 thousand dollars a year right out of high school. You won't be a vice-president with a car phone, until you earn both. Rule 4: If you think your teacher is tough, wait until you get a boss. He doesn't have tenure. Rule 5: Flipping burgers is not beneath your dignity. Your grandparents had a different word for burger flipping - they called it opportunity. Rule 6: If you mess up, it's not your parents' fault, so don't whine about your mistakes, learn from them. Rule 7: Before you were born, your parents weren't as boring as they are now. They got that way from paying your bills, cleaning your clothes and listening to you talk about how cool you are. So, before you save the rain forest from the parasites of your parents' generation, try delousing the closet in your own room. Rule 8: Your school may have done away with winners and losers but life has not. In some schools they have abolished failing grades and they'll give you as many times as you want to get the right answer. This doesn't bear the slightest resemblance to ANYTHING in real life. Rule 9: Life is not divided into semesters. You don't get summers off and very few employers are interested in helping you find yourself. Do that on your own time. Rule 10: Television is NOT real life (nor are video games). In real life people actually have to leave the coffee shop and go to jobs. Rule 11: Be nice to nerds. Chances are you'll end up working for one. ---William (Bill) H. Gates is chairman and chief software architect

of Microsoft Corporation, the worldwide leader in software, services and solutions that help people and businesses realize their full potential. Microsoft had revenues of US\$36.84 billion for the fiscal year ending June 2004, and employs more than 55,000 people in 85 countries and regions.
