

March 2008

Official Publication of Legends Ranch Property Owners Association

Volume 2, Issue 3

Saturday, March 15th  
2PM to 4PM at Clubhouse

Hop on over to the Legends Ranch Clubhouse to enjoy our annual egg hunt. We've stuffed over 3,000 eggs this year! Our egg hunt will include age groups of 2 and under, 3 - 5, 6 - 8 and 9 +. Each group will hunt separately, so it's fair for every-"bunny"!

We'll have moonwalks and light refreshments. **BRING YOUR CAMERA** as Peter Cottontail will be available for pictures!

## Secure Your Home - Wireless Router Security Instructions

Many of the Canyon Gate communities receive wireless internet routers as part of the high-tech package installed in each home. Your wireless internet router is located in the connection center, most likely installed in the master bedroom closet.

Although these wireless devices make accessing the internet very convenient, they also require some security settings. It is each homeowners responsibility to secure the wireless network in their home. In order to secure your wireless network, you will need to get the make and model number of the wireless device and follow the instructions provided by the manufacturer.

### How to secure your Unicom wireless router:

You only need to complete the process on one computer to activate the security block

1. Open you Internet Browser
2. Type in the address Bar 192.168.1.1 and press ENTER
3. A box will appear that requires a username and password, type:  
Username: admin Password: admin and press ENTER
4. Click on the WIRELESS tab on the left
5. Click on WEP
6. Change the AUTHENTICATION to: WPA-PSK
7. Create your own password: MUST BE 8 CHARACTERS (either letter or numbers)
8. Enter password again to confirm
9. Click APPLY
10. Click on BACK
11. Click on WIRELESS tab on left
12. Change SSID from default to your own designated password
13. Click on APPLY
14. Click BACK and you will see your new password in the place of the previous default identification
15. YOU ARE DONE!

Unicom can be contacted at 1.800.346.6668 and ask for technical support.

### CALL BEFORE YOU DIG REQUEST

There have been numerous service outages within the community due to resident activities (as well as general construction) such as installing landscaping or swimming pools. Please, prior to performing work on your property, call the "Texas One Call System at 1.800.245.4545". They will mark the location of the utility lines easement within your property. Remember, damages to any utility lines within your property can affect services to YOU and YOUR neighbor's homes. Thanks for taking time to call before you dig!

### **Announcing: The Best Way To Shop For A Home**

You may not be searching for a home, but you probably have family, friends, or co-workers who are.

I'm one of a select number of REALTORS who can offer home searchers with a great on-line system called the Home Buyers Scouting Report (HBSR). ***HBSR is the best way for the consumer to shop for a new home.***

The new HBSR system is high-tech and user friendly. HBSR displays what's on the Realtor MLS system with pictures, prices, and full descriptions for ALL listings and for ALL realty companies.

HBSR is password protected and allows the user to search without sales pressure from agents. In addition to viewing the home they are interested in, users can see a map of the surrounding area with local schools, hospitals, shopping, and recently sold properties. Satellite images and aerial photographs of the property and the neighborhood can also be displayed.

The user will receive an e-mail update when there is a change to a "favorite" home (i.e. a price reduction).

Best of all -- it's **FREE!** Simply call to me to enroll at 281-203-6000.
