Cypress Christian School Chamber Choir Wins Gold!

Congratulations to the members of Cypress Christian School Chamber Choir for an excellent performance at the San Antonio Heritage Music Festival. Each choir was rated on a point scale from 0-100. All three adjudicators gave the CCS Chamber Choir scores in the 90s! This qualified the students for a Gold Award. In addition to the scoring, the students received an on-stage clinic with an adjudicator, Dr. Brumley (Director of Shreveport Singers), where he shared valuable choral insight. The CCS Choir was also invited to attend the National Festival of Gold in 2009!

We Challenge What You Pay For Electricity!

If SparkPowerBank isn't your current electricity provider...chances are you're paying too much!

I'm Texas Energy Analyst Alan Lammey. Maybe you've heard me on the radio talking about the market forces that drive energy prices. I'm here to tell you that you're not stuck paying those high prices to big electric companies anymore! **Stop it.**

Why pay more than you have to? Those days are over!

Why would you want to go with an electric provider that charges you more, when you can go to www.sparkpowerbank.com and pay far less for the same electricity?

Make sense?

Boys and Girls Country of Houston, Inc.

Since 1971, Boys and Girls Country has provided a Home for over 1,200 boys and girls between the ages of 5 and 18. The children at Boys and Girls Country are just like your children. They want a secure and loving home where they feel safe and cared for, and that is what this Home provides. These boys and girls live in a family setting and attend local schools and churches. They play on sports teams with your children and participate in school drama and church youth activities.

While many of the children come to the Home needing "catch up" in school, there are volunteers in the community who tutor them in the evenings in reading and math to help them build their skills. Because of the extra attention they receive, 60 youth who have graduated from high school while at Boys and Girls Country are now supported by the Home in their College and Career Program. Says Shirley Wright, Executive Director, "the overall goal of the Home is to ensure that our youth become successful adults and contributing members of society, and we have been blessed to see this accomplished."

Since Boys and Girls Country does not apply for state or federal grants or United Way funding, the Home must raise over \$4 million annually. This is accomplished from individual and

corporate donations, special events, and foundation funding.

One of the significant special events held each year is the Spring Festival which will be held at Boys and Girls Country on Roberts Road on Saturday, May 3rd, from 10:00 – 5:00. This is a fun event for all ages of children and adults, and admission is free.

There will be games such as the Bugs Life Obstacle Course, the Amazon Extreme Obstacle Course, and even a hay ride on the ranch. For food there will be a Texas style barbecue along with all

kinds of desserts, popcorn, funnel cakes, and ice cream. And then for adults, there will be a great auction where you can bid on a trip to Jamaica, to Montana, or a hunting trip to a ranch near Fredericksburg. People attending Spring Festival will also have the opportunity to visit a cottage and see where the children live.

The goal for Spring Festival is to raise \$400,000 to support the daily needs of the children.

Boys and Girls Country encourages all members of our community to get to know this tremendous resource for families in crisis. Without this Home and the support of our community, the needs of many children in the Houston area would go unmet.
