## New Babies But A Tough Season For The Swans

*Dominic and the new baby cygnets!*

We were fortunate enough to have two pairs of LOE swans mate, build their nests, and lay five eggs each this mating season. Carmen and Falstaff, the only two swans on Crescent Bay Lake, picked the perfect spot to build their nest. Some male swans during mating and nesting season become unbearably aggressive which was the case with Falstaff. No person could approach the nest to feed Carmen without him attacking. Concerned that another resident or child might be injured, the decision was made to take Falstaff away. Carmen sat on her eggs for 36 days but unfortunately her nest was raided by raccoons and all eggs taken. Carmen and Falstaff had been together most of their lives and knew no other swans so Carmen was taken to Falstaff. They live outside of Houston with their own lake and will in all probability reproduce next spring.

The other nest was built across the lake from the volleyball court. Randy and Dominic built a large nest in which Dominic laid her five eggs. After 43 very long days, LOE was blessed with four baby swans. Please go by the lake next to

the tennis courts and take some pictures. Do beware that if you get too close to the cygnets Randy is a protective father and might jump out of the water to wing you. The cygnets appear to be healthy. Dominic when just a few days old was picked up by what we think was a hawk and dropped back into the water where Lee Mueller found her. The injuries to her head and neck were so serious that she had to have numerous surgeries and antibiotic therapy but she lived. We are so surprised that she has been able to reproduce considering her background and are very happy for her. Thanks goes to Elizabeth Braun, a former LOE resident who introduced the first swans here, for keeping Dominic for weeks and taking her to Dr. Peckham for her surgeries.

Juliet, the female in Pelican Pointe who has provided us with cygnets every spring for years, did not nest this season. We took four different males to her but all were apparently too young to mate. One male has been left with Juliet and by next mating season she will surely build her nest in the same place she always builds it and will provide us with some cygnets. Juliet has been confused and lonely not having a complete "family" this season. Many thanks to all of you who have watched out for Juliet's safety and walked her home when she was searching for a mate. Good luck to Juliet. We will be again looking forward to seeing her babies next spring.

## Parade & Family Festival Friday, July 4th

Kids, it's time to get out everything red, white and blue! The Fourth of July Parade is on again this year!

The LOE Swim Team and Greater Houston Pool will be hosting a 4th of July Parade & Family Festival, Friday, July 4th. Bring your lawn chairs, wear anything red, white and blue and get ready for LOE's best 4th of July blast.

- Have your child decorate their bikes, tricycles, strollers or wagons with tape, streamers, balloons, ribbons, blue and red soda cans tied on string or whatever. Decorate a float if you are up to the challenge. There will be prizes for best-decorated bike/tricycle/wagon/stroller/float.

## Airport Noise

LOE is now in the flight pattern for both Intercontinental and Hobby Airports, which means air traffic has significantly increased. If you are concerned over the noise make a call to one or all of the numbers below. It is the number of calls and the people taking time to make them that make the most effective appeal for change for this situation.

## Fourth of July Parade & Festival- (Continued from Cover page)

- The Decorating Contest will be from 9:30 AM to 10 AM. Lineup for the contest will begin at 9:15 AM. Contest winners will get to lead the parade!
- The parade will start at 10:15 AM, at the clubhouse. Line-up will begin at 10 AM in the order in which riders appear. No promises about marching order will be made in advance.
- After the parade, join us at the clubhouse and pool for a family festival. There will be food, games and activities for all ages including water games, races, face painting and prizes.

So come join your neighbors for a day to celebrate our precious freedoms: among them, the freedom to have fun all afternoon and parade through our neighborhood singing off-key.

For all the residents not marching, please bring your lawn chairs anywhere along Lake Center Run or Lakeshore Ridge to watch and cheer the parade and kids along. You will not be disappointed!

Traffic along Lake Center Run and Lakeshore Ridge will be directed one-way for the 30-minute parade.

Volunteers are needed for traffic duty, contest judging, food service, grill masters and clean up.

### *Daniel Rudge and his Bicycle Solo Across America For Team Making Cancer History*

Ben Boyd-Gorst, Pauline Rudge and Magda Felsbourg LOE Dolphin "Moms" are supporting a 3 year LOE Dolphin "Dad" Daniel Rudge on his epic endeavor to ride across America by bicycle in less than 12 days. Daniel is taking part in Race Across America (RAAM), a 3008 mile race, non stop and solo from Oceanside, CA To Annapolis, MD. While this is clearly

an undertaking for the ultra endurance athlete, what is accessible to everyone is that the beneficiary is MD Anderson's Children Hospital. Cancer touches all of us in so many different ways and while we

can't all relate to the extreme nature of this race, we can all relate to Cancer and the fight to find a cure. Daniel is a solo member of TEAM "Making Cancer History" and ALL funds raised go to MD Anderson. LOE Swim Team is a wonderful community event, where we all come together irrespective of swimming ability, nationality, race or gender, to celebrate our children and our community. Daniel is from our community and by his endeavor, wishes to give back to our community. Race Across America starts June 8th.

All gifts are deductible on federal tax returns subject to the limits allowed by the IRS. MD Anderson Cancer Center's tax number for charitable purposes is 74-6000203. MD Anderson also has options for deductions to 501(c)3 organizations.

## SOCIAL COMMITTEE NOTES

The Social Committee Brown Bag Meeting was held on May 7 at noon in the Beach Club. Lots of exciting upcoming events were discussed. Quiz Nite is now being held June 7th. There is still plenty of time to round up your neighbors, put on your thinking caps, and join us for a night of trivia. Teams are welcome and light refreshments will be provided. Brigid Lomax is organizing this event.

The annual 4th of July family celebration is expected to be better than ever but we need volunteers! Did your kids have fun last year? Just want to come out and show your support? If you can man the grill or set up and serve refreshments let us know. Street monitors are also need to help direct traffic for the bike parade. Lots of goodies and prizes will be awarded for parade participants. Rosa Clay, LOE Swim Team and Greater Houston Pool are sponsoring this event.

National Nite Out is coming August 8. This will be a community wide event. It is a great chance to come out and meet your neighbors and support local law enforcement. It has been suggested to the

Social Committee that another event be held later in the year, possibly in early October that would focus more on the individual villages. Melissa Hunzeker is researching a possible Texas Nite Out or something on a smaller scale that would give everyone a second opportunity to get to know their neighbors.

Oktoberfest is on! The date is set for October 17th and Houston's own, Saint Arnold Brewery, will be providing beer to sample this fall. Melissa Hunzeker is coordinating with the brewery.

Have you considered joining the Social Committee but can't make the daytime meetings? Now is your chance! The Social Committee will be having an evening meeting on July 2, 2008 beginning at 6:30. We will have "Social Hour" for a while and then get down to committee business at 7:00. If you have ever had a good idea for a community event or are looking for a way to be more involved please join us!

Chairperson of the Social Committee is Deborah Dunaway, Secretary is Elizabeth Tobin and Treasurer is Eleanor Liney.

## Yard of the Month at Lakes on Eldridge

LOE would like to recognize those neighbors whose yards stand out from the rest. The extra time, energy and money these residents expend on their lawns, and the imaginative touches they bring to their landscaping not only enhance the value of the homes around them, but also foster a positive image of the entire neighborhood. If you would like to nominate one of your neighbors or yourself for the Yard of the Month please contact the Yard of the Month coordinator: Deborah Dunaway, 713-983-9651 or dsd1951@mac.com.

## PLEASE SCOOP YOUR DOG'S POOP!

There are a few dog owners in our neighborhood that do not pick up after their dogs. PLEASE!! We have a beautiful community and it is such a shame to walk in the park and be confronted with some lazy, inconsiderate neighbor's dog's mess much less step in it. Everyone has an extra plastic bag in their home; just grab one before you leave the house for your walk. PLEASE SCOOP YOUR DOG'S POOP!

## Welcome To Our Newest Neighbors!

We have 3 new families who have moved into Lakes on Eldridge in the last month. If you have not already, please welcomed our newest neighbors – go over and knock on their door to say "Hi" or extend your hand when you see them outside. Everyone likes to feel welcome.

## LOE BOOK CLUB

Book club usually meets on the 4th Monday of each month at 7:30 P.M. Join us for a little wine or coffee, some snacks, and stimulating discussion. We will again be meeting in various members' homes, so call or e-mail Celeste Fritz, 713-896-6942, cfritztx@comcast.net for additional information. Note that because of the Memorial Day holiday, we have rescheduled our May meeting to June 2nd.

June 2 – My Sister's Keeper by Jodi Picoult. Anna is not sick, but she might as well be. By age thirteen, she has undergone countless surgeries, transfusions, and shots so that her older sister, Kate, can somehow fight the leukemia that has plagued her since childhood. The product of preimplantation genetic diagnosis, Anna was conceived as a bone marrow match for Kate -- a life and a role that she has never challenged...until now. Like most teenagers, Anna is beginning to question who she truly is. But unlike most teenagers, she has always been defined in terms of her sister -- and so Anna makes a decision that for most would be unthinkable, a decision that will tear her family apart and have perhaps fatal consequences for the sister she loves.

My Sister's Keeper examines what it means to be a good parent, a good sister, and a good person. Is it morally correct to do whatever it takes to save a child's life, even if that means infringing upon the rights of another? Is it worth trying to discover who you really are, if that quest makes you like yourself less? Should you follow your own heart, or let others lead you? Once again, in My Sister's Keeper, Jodi

Picoult tackles a controversial real-life subject with grace, wisdom, and sensitivity.

June 30 – The Appeal by John Grisham. We all wanted to read Grisham's latest, so why not make it a Book Club selection? In a crowded courtroom in Mississippi, a jury returns a shocking verdict against a chemical company accused of dumping toxic waste into a small town's water supply, causing the worst "cancer cluster" in history. The company appeals to the Mississippi Supreme Court, whose nine justices will one day either approve the verdict or reverse it.

Who are the nine? How will they vote? Can one be replaced before the case is ultimately decided? The Appeal is a powerful, timely, and shocking story of political and legal intrigue, a story that will leave listeners unable to think about our electoral process or judicial system in quite the same way ever again.

LOE Book Club- (Continued from page 14)

July 28 – The Namesake by Jhumpa Lahiri. In The Namesake, Lahiri enriches the themes that made her first literary collection an international bestseller: the immigrant experience, the clash of cultures, the conflicts of assimilation, and, most poignantly, the tangled ties between generations. Here again Lahiri displays her deft touch for the perfect detail -- the fleeting moment, the turn of phrase -- that opens whole worlds of emotion. The Namesake takes the Ganguli family from their tradition-bound life in Calcutta through their fraught transformation into Americans.

WHILE MANY OF US HAVE SOME IDEA THAT BEING AROUND PESTICIDES OR AUTOMOBILE EXHAUST ISN'T GOOD FOR US, MOST OF US WOULD BE SURPRISED TO KNOW THAT THE FIRE RETARDANT PRESENT IN VIRTUALLY EVERYTHING OUR HOMES ALSO EXPOSES US TO TOXINS. EVEN OUR CARPETING OUTGASES OVER 12 CHEMICALS KNOWN TO CAUSE CANCER. TOXINS DAMAGE CELLS, DISRUPT OUR ENDOCRINE SYSTEMS, AND IMPAIR THE BODY'S ABILITY TO ABSORB NUTRIENTS AND HEAL ITSELF.
