Join Sense Corp Texas 4000 for Cancer ATLAS Ride
Submitted by Kristen Mulligan

Hundreds of Texans will join together on Saturday, June 7 for the Texas 4000 ATLAS Ride, sponsored by Sense Corp. The annual kick-off ride commences the start of the Sense Corp Texas 4000, a 70-day, 4,500 mile journey beginning in Austin, Texas and ending in Anchorage, Alaska. In addition to the fifty bicycle riders pedaling from Austin to Alaska, local supporters are encouraged to join in the journey of sharing Hope, Knowledge and Charity by participating in the ATLAS Ride.

The ATLAS Ride departs at 8 a.m. from Running Brushy Middle School in Cedar Park, TX and offers a 50- or 70-mile option. The day-long ride will culminate with a party at Pillar Bluff Vineyards in Lampasas, TX, and offer BBQ, live music, and more. People wishing to join or volunteer to support the ATLAS Ride may do so by registering at www.atlasride.org.

The ride is fully supported with police escorts, rest stops, sags and sweep teams including Bicycle Sport Shop maintenance crew and medical personnel. Come out and enjoy the beautiful Texas Hill Country!

For more information and registration, visit www.atlasride.org. Learn more about the Sense Corp Texas 4000 for Cancer at www.texas4000.org. Proceeds benefit the American Cancer Society and The University of Texas M.D. Anderson Cancer Center and Children’s Cancer Hospital.

“Sharing the Burden Because Cancer Weighs on All of Us”

Kristen Mulligan is the 2008 ATLAS Ride director. She is joined on the ATLAS planning committee by Nathasha Collmann, Sarah Hinojosa, and Richard Hill.

“We have been overwhelmed by the show of support in our community by friends and neighbors who have registered to ride or volunteer as well as businesses who have generously donated sponsorship for our fight against cancer.”

Thanks!

Kristen Mulligan

**New Assistant Editor**

Thea McCue Wood has kindly offered her time and talents to serve as a much needed Assistant Editor of the monthly PHNA Newsletter. Her first duty was to interview and write the Neighborhood Profile of Alice Long.

**Newsletter Article Submissions**

Interested in submitting an article? You can do so by emailing c_johanson@sbcglobal.net or by going to http://www.peelinc.com/articleSubmit.php. All news must be received by the 7th of the month prior to the issue. So if you are involved with a school group, scouts, sports etc – please submit your articles for The Pemberton Journal. Personal news for the Stork Report, Teenage Job Seekers, special celebrations and military service are also welcome.

Pemberton Security Patrol Update:

In response to a rash of petty theft and vandalism that began in earnest in the Spring of 2007, the Pemberton Heights Neighborhood Association, with funding from donations of many generous residents in the neighborhood, has contracted with off-duty APD officers to patrol our neighborhood. The patrols began in November 2007 and are continuing. Funding exists to continue the patrols for another four to five weeks. We need to decide, as a neighborhood, whether we want to continue the patrols and if so, do we have enough interest to fund them.

Results of patrols:

- We have a much more vigilant and cautious neighborhood. When the patrols started, the officers were surprised by the number of unlocked cars with valuables inside, garage doors left open, bikes left in driveways, etc. Crimes were occurring, but were not being reported. Now neighbors are doing a much better job of reporting crimes and suspicious activity and are being a lot more thoughtful in removing easy targets for thieves.
- We have seen more on-duty police presence in our neighborhood, we secured a “bait” vehicle for our neighborhood for APD to try and catch thieves in the act, and when we have called 911 the response times have markedly improved.
- On the days and nights that we have had patrols there has been virtually no crime in the neighborhood. While Tarrytown and Hyde Park have recently experienced an increase in home break-ins and more significant crimes, we have not experienced the same in Pemberton Heights. Most telling, we had patrols in our neighborhood over Spring break (clearly a perfect time for thieves to target the neighborhood) and there were no reported crimes that week.
- Two weeks ago, a heroin addict who we believe was responsible for many of the petty crimes in the neighborhood was arrested by one of our off-duty officers. He was riding a stolen bike and apprehended on Harris at Westover.

The reality:

As our city continues to grow, criminal activity is on the rise and is not likely to diminish any time soon. Our neighborhood represents a “target rich” environment for thieves.

The solution to crime in our neighborhood comes first from collective neighborhood efforts to eliminate easy targets for thieves and to report any suspicious activity to 911 (or if after the fact, 311). Off-duty officers add an extra measure of security. Finally, better lighting in the neighborhood would also make a big difference. The off-duty officers have all expressed their concern over lack of street lighting, which makes it easy for thieves to hide in the shadows.

Security Patrol - (Continued from Page 3)

While off-duty officers in the neighborhood are not a complete solution to eliminating crime, they can help deter it. They can also keep an eye on your home when you and your family are out of town and give our neighborhood a stronger voice within APD.

Please check one of the options below:

___ I am not interested in off-duty officer patrols in the neighborhood.

___ I am interested in off-duty officer patrols in the neighborhood 3 days (6 hrs per day) per week and would be willing to contribute $150-$300/yr to support this effort.

___ I am interested in off-duty officer patrols in the neighborhood 7 days (6hrs per day) per week and would be willing to contribute $300-$600/yr to support this effort.

Please check one of the two options below:

___ I am interested in helping fund a “historic” street lighting solution for the neighborhood to improve the overall appearance of the neighborhood and to increase nighttime security.

___ I am not interested in funding a street lighting solution.

Donations to the security fund can be made by going to www.pembertonheights.org and clicking on the “security donations” button.
