September Landscaping

Submitted By Ron Kerwin

September is the startup time for planning some cool season activity. It is about time, right? We need to continue with all the things we have been doing to get through another summer; watering at 1 inch per week, good layers of mulch etc.

Now is a good time to raise tree canopies and thin them out. Dead limbs are obvious now, which will not be the case after leaf drop. Many property owners still have curb area trees with limbs prohibiting cars or trucks from parking in front of the home without paint damage to the roofs. These same trees often endanger passersby on the sidewalk from being poked in the eyes. They also usually have dead grass underneath caused by lack of sunlight to the turf area. Other trees on your properties can benefit from canopy raising and thinning. Wax myrtles and some other "shrubs" can be treed up so they have visible trunks and more resemble trees than shrubs, a totally different look.

Historically Septembers are still very hot. If you are wearing down, you can still hire a lawn service (like mine) to get you through the season. Lawn Companies should be happy to take you on as new clients even this late in the season. If you desire to have an attractive and green lawn all winter, you can put down ryegrass seed late in the month or in October. Your property will stand out in the neighborhood as people drive by and see your green lawn amongst all the dormant

grass lawns.

Buy your spring bulbs through catalogs or local nurseries. DO NOT plant them yet. You can get a better selection now. Hybrid tulips and hyacinth bulbs should be placed in the vegetable crisper section in your refrigerator for a necessary pre-chill period prior to planting them. Wait until October/November to plant any bulbs. You can however prepare the beds for the bulbs, add organic matter & turn over the soil.

You can cut back your roses early in the month, but do it sparingly. You will get a rose display this fall if you have maintained your roses well over the summer heat. You can actually plant a fall vegetable garden now. For a list of veggies recommended and their varieties for this area call the Texas Extension office at 817-884-1945 and ask for the free list. The Extension Office has a surprising quantity of free information available, so ask for answers to several questions. The volunteer Master Gardeners there will try hard to get you the right publications.

Cy-Fair Lacrosse Introductory

Lacrosse Clinic

Cy-fair Lacrosse will be hosting a FREE introductory lacrosse clinic on September 13, 2008 from 9 am to 11 am at the East side of Matzke Park (13207 Copeland) for boys Grades 4 to 8. The purpose of the clinic will be to introduce potential players to the sport and promote lacrosse in the Cy-fair area. Equipment will be on loan for the clinic. Just bring yourself, your running shoes, and a parent / guardian.

Why Lacrosse?

Lacrosse is a great option for someone looking for a fast paced alternative to the "traditional" team sports. Lacrosse is the original team sport of North America. It was initially played by Native Americans as a way to resolve conflicts.

Lacrosse is a combination of soccer, basketball, and hockey all in one. It is a fast paced and exciting game to play and to watch.

Lacrosse is currently one of the fastest growing team sports in the US. For the past 10 years Lacrosse has been the fastest growing High School sport in the nation and the fastest growing NCAA sport for the past 6 years with a 10% annual player participation growth rate.

So come and see what all the excitement's about! We'll be there, just LAX'n.

Legends Ranch Neighbors:

By now you have seen the flurry of building here in Legends Ranch. You may have also seen the news about the Housing Bill that was signed into law. The two items could be related since the Bill is designed to jump-start the housing market - couples earn a tax credit of up to \$7,500 and singles up to \$3,750 for home purchases up until 6/30/2009.

The new tax credit is expected to benefit thousands of buyers and may drive new buyers to Legends Ranch for New and Resale homes. I expect that Banks and Mortgage companies will begin to advertise seminars to interest potential homeowners.

If you are interested in selling your house, please contact me and I will be happy to explain **The 7 Secrets to Selling in Legends Ranch**. I also explain my *neighborhood discount* for those Legends Ranch homeowners who list with me.
