Fall Registration Starts Sept. 12 for Active Seniors in Cy-Fair Community

Free and reduced rate Academy for Lifelong Learning classes available at LSC-CyFair

Cypress, Texas (Aug. 11, 2008) Check out the new fall schedule for the Academy for Lifelong Learning (A.L.L.) at Lone Star College-CyFair geared for area seniors age 50 and better.

More than 40 classes are scheduled with brand new offerings such as AARP Driver Safety Class, Election 2008 and The Hobby Corner. Among typical A.L.L. class offerings are health and fitness, history, art, music, films, personal growth, government and many other subjects.

An open house with light refreshments is set for 3 p.m. Friday, Sept. 12 in the Technology Building, rooms 101 and 102 on the LSC-CyFair Barker Cypress campus. Fall registration follows from 3:30 p.m. to 6 p.m. in the Technology Building, rooms 104 A and B. Registration continues Monday, Sept. 15 and Tuesday, Sept. 16 from 9 a.m. to noon in student registration, located in the Learning Commons building.

A.L.L. is an organization for active adults, 50 plus years of age, offering classes and social activities for continued intellectual and personal growth. For an annual membership fee of \$10, members can take A.L.L. courses free of charge or at a reduced fee.

For information, call 281-290-5273 or go to CyFair.LoneStar.edu/ALL.

Sing with the Houston Horizon Chorus

Learn Christmas songs in 4 part acapella (barbershop) style with Houston Horizon Chorus and perform with us in our Christmas concert December 16th at Grace Presbyterian Church. No experience necessary; just be able to carry a tune
Rehearsals:

When: Tuesdays, October 7th to December 9th 7-9 pm

Where: Unity Church of Christianity

2819 Hillcroft, Houston (near Westheimer)

Cost: FREE!!!!!!!

Call 877-571-4465 to register and come have the time of your life singing holiday music and making new friends! www.houstonhorizon.org

Riata Ranch Homeowners Meetings

The Riata Ranch HOA Board of Directors encourages all homeowners to participate in the monthly board meetings. The meeting is held on the last Tuesday of every month. If you are interested in participating please contact SCS management in order to add your topic to the meeting agenda.

Cy-Fair Lacrosse

Introductory Lacrosse Clinic

Cy-fair Lacrosse will be hosting a FREE introductory lacrosse clinic on September 13, 2008 from 9 am to 11 am at the East side of Matzke Park (13207 Copeland) for boys Grades 4 to 8. The purpose of the clinic will be to introduce potential players to the sport and promote lacrosse in the Cy-fair area. Equipment will be on loan for the clinic. Just bring yourself, your running shoes, and a parent / guardian.

Why Lacrosse?

Lacrosse is a great option for someone looking for a fast paced alternative to the "traditional" team sports. Lacrosse is the original team sport of North America. It was initially played by Native Americans as a way to resolve conflicts.

Lacrosse is a combination of soccer, basketball, and hockey all in one. It is a fast paced and exciting game to play and to watch.

Lacrosse is currently one of the fastest growing team sports in the US. For the past 10 years Lacrosse has been the fastest growing High School sport in the nation and the fastest growing NCAA sport for the past 6 years with a 10% annual player participation growth rate.

So come and see what all the excitement's about! We'll be there, just LAX'n.

For more information please visit our web-site at:

Volunteers Needed

Cypress Assistance Ministries

11202 Huffmeister

281-955-7684

www.cypressassistance.org

When you volunteer you are giving to your community, but did you realize volunteering also benefits you as an individual? CAM volunteers often let us know the fun they are having, the friends they have made and the fulfillment they receive from helping others.

The services provided at CAM, are made possible by many dedicated volunteers. If you enjoy working with the public, decorating or merchandising, then serving in CAM's resale shop, Angels' Attic, is the place for you. Our busy community donation area, the Cellar, is looking for people willing to serve by processing donations and restocking Angels' Attic. Please plan to attend a volunteer tour and orientation by calling Lisa Bassett at 281-955-7684 or e-mail at cam-lisa@sbcglobal.net.

For a description of the services provided at Cypress Assistance Ministries, Food Pantry requests, and a detailed description of volunteer opportunities, please see our web site, www.cypressassistance.org.

LSC-CyFair Hosts New Author Presentation and Book Signing - Raul A. Ramos discusses meanings of Texas Revolution Sept. 25

Among the Hispanic Heritage Month celebrations at Lone Star College-CyFair is a Sept. 25 presentation and book signing with Raúl A. Ramos, author and University of Houston assistant professor of history.

"Battle Without End: Public Discourses of the Texas War" will be presented at 11:30 a.m. in the Conference Center on the Barker Cypress campus at 9191 Barker Cypress Road.

Following the presentation, Ramos will sign copies of his book – "Beyond the Alamo: Forging Mexican Ethnicity in San Antonio, 1821-1861."

For information, contact Robert O'Brien at 281-290-3257 or Robert.Obrien@LoneStar.edu.

Vacation Watch

At your request, the Harris County Sheriff's Department will put your house on VACATION WATCH. Just go to www.riataranch.net and look for the Vacation Watch form in the FORMS and DOCS section.

Your completed form will need to be submitted to the Sheriff's Department 7 days prior to departure, or just call 713-221-6000.

Lone Star College-CyFair

Fall Fun in the Gallery and on Stage: The Bosque Gallery presents IMP(LIE)D LI(N)E : Faculty Art Exhibition Sept. 9 – Sept. 25 with an opening reception Sept. 11. A Clay Houston Exhibition is set for Oct. 7 – Oct. 30 with an opening reception Oct. 9. Go to CyFair.LoneStar.edu/bosquegallery for hours and information. Also coming up in October are a string orchestra concert Oct. 13, Jazz Band Concert Oct. 17 and a choral "Nothing But Opera" show Oct. 31 – Nov. 1. For tickets and information call 281-290-5201 or go to CyFair.LoneStar.edu/boxoffice.

Mark Your Calendars for Fourth Annual Cy-Fest - Lone Star College-CyFair will host the fourth annual community day for all ages in the Cy-Fair community Saturday, Oct. 11. Cy-Fest, the college's gift to the community, is a day of free food, festivities and family fun! For information go online to CyFair.LoneStar.edu.

L.I.F.E. Lessons in September - The Learning, Inspiration, Fellowship and Enrichment (L.I.F.E.) programs are free and held Wednesdays at 10 a.m. in the Lone Star College-CyFair Branch Library (Room 131.) In September, learn secrets of ancient Chinese herbal medicine Sept. 3; get survival tips to start a fire without matches Sept. 10; examine the economic and social importance of China's city of Hangzhou past and present Sept. 17; get the scoop on all things hummingbird Sept. 24. Call the library at 281-290-3213 for L.I.F.E. program information or go online to CyFair.LoneStar.edu/library.

Riata Ranch

Cypress Lost Pet Alert.com

When a pet is lost, finding the pet means that time is of the essence. It takes time to create, print and distribute flyers. The flyers are many times illegible because of wind or rain. I certainly do not fault the pet owner because I have done this my self.

Frustrated, I thought there has to be a better way. So that is why we created Cypress Lost Pet Alert.com. The idea is to very quickly get the word out through an e-mail alert to as many neighbors as possible plus post the picture and information about the pet on the website under the specific neighborhood.

Once the email alert goes out to the specific neighborhood, many many neighbors are now aware. If they happen to forward the e-mail to their friends who have not signed up, it could mean hundreds of your neighbors are already alerted and are keeping their eyes open for your lost pet.

Cypress Lost Pet Alert.com is on call 7 days a week from sun up to sun down and is free. We are glad to work with any informal e-mail chains. The whole idea is to find lost pets quick for the good neighbors in Riata Ranch.

Please feel free to keep doing your flyers but in the mean time give us a call.

Regards,

RB Cox

alert@CypressLostPetAlert.com

Cypress Christian School Students receive honors at TAPPS State Art Competition

Cypress Christian School students recently received awards at the TAPPS State Art Contest at Concordia University. CCS students entered eight pieces of work in the competition and received six ribbons.

Recognition was given to the following students:

- Cat Crozier-Honorable Mention in on-site drawing
 - Payton Lambert-4th place in on-site photography
 - Sarah Longridge-Honorable mention in on-site drawing
 - Courtney Middleton-Honorable mention in kitchen floor plan
 - Michelle Van Rieg-6th place in bedroom floor plan and model
 - Nick Yalamanchili-Honorable mention in on-site photography
- Other students who participated included Kate Bennett, Tony Lozoda, Charis Medendorp, Jenifer Nguyen, and Rachel Reed.

Securities offered through Triad Advisors. A registered broker/dealer. Member FINRA/SIPC.

General Meetings are held the second Tuesday of the month at 7pm in the Cy-Woods commons on the following dates:

Aug 12, 2008, Sept 9, 2008, Oct 14, 2008, Nov 11, 2008, Dec 9, 2008, Jan 13, 2009, Feb 10, 2009, Mar 10, 2009, Apr 14, 2009, May 12, 2009

Make plans to attend these meetings and earn 5000 WRAP Bucks! (to

find out what WRAP Bucks are - visit the WRAP website.)

PAVE A PATH TO WOODS PROGRAM Help a CyWoods Senior leave a lasting memory of their time at CyWoods with a walk/wall of bricks by sponsoring them. Order forms for \$100 sponsorships are available on the WRAP website. What a great gift this would be!

What is WRAP? WRAP is Cy-Woods High School's parent-driven Project Prom organization. The purpose of WRAP is to provide a drug- and alcohol-free all-night party for the graduating seniors and their guests after their prom. Held at the CFISD Berry Center on May 22, 2009, from 11:00 p.m. to 6:00 a.m., it is a fun-filled evening of shows, games, activities, food, gifts and prizes!

WRAP can only be a success if there is participation of parents, businesses, and corporations. WRAP is totally dependent on donations to raise the funds necessary to host an event of this size

Other WRAP Fundraising Projects:

- Senior Faces
- Recyclables
- Scrips
- Wildcat Sports Fan
- Senior Parent t-shirts
- Jeans & Jewels
- Mr. Wildcat (spring 2009)

WRAP's Busy Parent Fundraiser the easiest fundraiser of the year! It only requires the time it takes to write a check.

Riata Ranch

Cypress N Houston @ Barker Cypress

The engineer for HCMUD #196 has informed us that within the next few weeks the county will begin extending Cypress N Houston on the west side of Barker Cypress. It will extend west far enough for Riata West to utilize their main entrance. At that time they will be putting traffic lights in at that intersection which will make it easier to turn south onto Barker Cypress from Cypress N Houston. At the same time, they will be making Cypress N Houston on our side of Barker Cypress 4 lane divided back to the first storm drain. Prior to this we will be taking down the three columns at that entrance along with the flower beds. We will be constructing a new entrance once the road work is complete. The county will not work around the columns. If we don't take them down, the utility crews will.

Classified Ads

Personal classifieds (one time sell items, such as a used bike...) run at no charge to Riata Ranch residents, limit 30 words, please e-mail editor@riatranch.net.

Business classifieds (offering a service or product line for profit) are \$50, limit 40 words, please contact Peel, Inc. Sales @ 512-263-9181 or advertising@PEELinc.com.

September Landscaping

Submitted By Ron Kerwin

September is the startup time for planning some cool season activity. It is about time, right? We need to continue with all the things we have been doing to get through another summer; watering at 1 inch per week, good layers of mulch etc.

Now is a good time to raise tree canopies and thin them out. Dead limbs are obvious now, which will not be the case after leaf drop. Many property owners still have curb area trees with limbs prohibiting cars or trucks from parking in front of the home without paint damage to the roofs. These same trees often endanger passersby on the sidewalk from being poked in the eyes. They also usually have dead grass underneath caused by lack of sunlight to the turf area. Other trees on your properties can benefit from canopy raising and thinning. Wax myrtles and some other "shrubs" can be treed up so they have visible trunks and more resemble trees than shrubs, a totally different look.

Historically Septembers are still very hot. If you are wearing down, you can still hire a lawn service (like mine) to get you through the season. Lawn Companies should be happy to take you on as new clients even this late in the season. If you desire to have an attractive and green lawn all winter, you can put down ryegrass seed late in the month or in October. Your property will stand out in the neighborhood as people drive by and see your green lawn amongst all the dormant grass lawns.

Buy your spring bulbs through catalogs or local nurseries. DO NOT plant them yet. You can get a better selection now. Hybrid tulips and hyacinth bulbs should be placed in the vegetable crisper section in your refrigerator for a necessary pre-chill period prior to planting them. Wait until October/November to plant any bulbs. You can however prepare the beds for the bulbs, add organic matter & turn over the soil.

You can cut back your roses early in the month, but do it sparingly. You will get a rose display this fall if you have maintained your roses well over the summer heat. You can actually plant a fall vegetable garden now. For a list of veggies recommended and their varieties for this area call the Texas Extension office at 817-884-1945 and ask for the free list. The Extension Office has a surprising quantity of free information available, so ask for answers to several questions. The volunteer Master Gardeners there will try hard to get you the right publications.

Pet Waste: Dealing with a Real Problem in Suburbia

Pet waste is not the predominant or most toxic pollutant in urban streams, but it is one of many small sources of pollution that can cumulatively have a big impact if left unmanaged. In North Central Texas the estimated dog population is 1.2 million. The average dog produces three to four pounds of waste daily, according to the Food and Drug Administration. That's about 900,000 pounds of dog poop produced every day in North Texas. Add to this figure cats and other smaller pets, and a significant volume of waste is being generated daily.

Pet waste contains bacteria and parasites, as well as organic matter and nutrients, notably nitrogen and phosphorous.

Some of the diseases that can be spread from pet waste are:

- Campylobacteriosis- a bacterial infection that causes diarrhea in humans.
- Salmonellosis- the most common bacterial infection transmitted to humans from animals. Symptoms include fever, muscle aches, headache, vomiting, and diarrhea.
- Toxocaris- roundworms transmitted from animals to humans. Symptoms include vision loss, rash, fever, or cough.

In addition to these diseases, the organic matter and nutrients

contained in pet waste can degrade water quality. When pet waste is washed into a surface water body, the waste decays. This process of breaking down the organic matter in the waste uses up dissolved oxygen and releases ammonia. Low oxygen levels, increased ammonia and warm summer water temperatures can kill fish.

Excess phosphorous and nitrogen added to surface waters can lead to cloudy, green water from accelerated algae and weed growth. Decay of this extra organic matter can depress oxygen levels, killing organisms. Objectionable odors can also occur.

Flies and other pest insects can also increase when pet waste is disposed of improperly, becoming a nuisance and adding another vector for disease transmission.

Managing pet waste properly is something that everyone can do to make a difference in their respective watersheds. Truly, proper individual actions result in significant water quality improvement when carried out by the majority. Unlike some forms of stormwater pollutants, pet waste can be easily and economically managed by the individual.

Sometimes, the 'out of sight, out of mind' attitude exists regarding pet waste. Employing this flawed thinking, waste is often disposed of in the street stormwater catch basin. Aside from dumping directly into a water body, this is the single worst place to dispose of waste.

Pet Waste - (Continued from page 8)

In the next rainstorm, the accumulated waste is transported quickly and efficiently to the nearby receiving water course, polluting it. That said, then, specifically what can be done?

Proper Onsite Disposal

Flush it

Pet waste itself (not the litter or bedding material) can be flushed down the toilet. The water from the toilet goes either to a septic system onsite or a sewage treatment plant that removes most pollutants before the water reaches its outlet. The used litter should be disposed of in a securely closed bag in the trash.

Bury it

You can bury the waste directly in the yard. Dig a hole or trench that is 6 inches deep, away from vegetable gardens, play areas, and away from any lake, stream, or well. Often, the woods is an ideal spot. Microorganisms in the top layer of soil will break down and digest the waste, releasing the nutrients for uptake by adjacent vegetation. Never add the waste as a fertilizer to the garden or to the compost pile. The disease organisms will continue to survive and create a significant health risk.

Trash it

Check local ordinances first. Putting pet waste in the trash is against the law in some communities. Even if legal and easy, it's not the best solution. Waste can contribute to the landfill problems in the state.

Leave it to someone else

Believe it or not, a number of professional pet waste disposal services exist. These businesses will completely remove the waste

from your yard and dispose of it themselves, for a fee.

Ordinances, signage and education

Many communities have "pooper-scooper" laws that govern pet waste cleanup. Some of these laws specifically require anyone who walks an animal off of their property to carry a bag, shovel, or scooper. Any waste left by the animal must be cleaned up immediately. Call your local health officer to find out more about pet waste regulations.

In recreation areas, trails, and public parks, 'scooper signage' along with plastic bag dispensers and disposal cans should be provided. This idea is especially critical at streamside or lake shore walking trails.

Public education is critical when addressing the pet waste problem. Interestingly, much of the public thinks of problems associated with pet waste as being only nuisance related-odors or aesthetics. An actual example of this is the woman walking her dog in the park who had brought along a brown paper bag to collect the 150 pound mastiff's waste. This she indeed dutifully did, and then proceeded to dispose of the bag by....tossing it into the lake!

Brochures, newsletters, signage, local public service announcements, and evening seminars are all ways to get the word out to the public.

Pet Waste - (Continued from page 9)

One very effective way to reach people is to have a flyer enclosed in tax bills or other municipally-generated mailings that go to all property owners.

Conclusion

The problem of pet waste disposal in suburbia is a real one. Research has indicated strongly that water quality is negatively impacted by this pollutant in Texas. However, unlike many other sources of water degradation in the state, improper pet waste management is a dilemma that can be easily corrected through education by organizations and common sense actions by individuals.

Let's all "doo" the right thing and pick up after our pets. Make a difference and go green.

Did You Know?

In 1995, residents at Okhura Village, Japan, built a snowman that measured 96 feet 7 inches in height. The project took 10 days to complete.

Sudoku

The challenge is to fill every row across, every column down, and every 3x3 box with the digits 1 through 9. Each 1 through 9 digit must appear only once in each row across, each column down, and each 3x3 box.

		5						4

SIGN-UP ONLINE TODAY!

We Challenge What You Pay For Electricity!

If SparkPowerBank isn't your current electricity provider...chances are you're paying too much!

I'm Texas Energy Analyst Alan Lammey. Maybe you've heard me on the radio talking about the market forces that drive energy prices. I'm here to tell you that you're not stuck paying those high prices to big electric companies anymore! **Stop it.**

Why pay more than you have to? Those days are over!

Why would you want to go with an electric provider that charges you more, when you can go to www.sparkpowerbank.com and pay far less for the same electricity?

Make sense?

Please choose "Newsletter Ad" as your referral on the SparkPowerBank.com website.

Recipe of the Month:

Lemon Ice Box Cake

Submitted by Madra Ford

- 1 yellow cake mix
- 2 cans sweetened condensed milk (Eagle Brand)
- 1/2 cup fresh lemon juice
- 1 8oz. container Cool Whip

Bake cake as directed for two layers. When cool, slice each layer in half, making four layers. In a bowl combine condensed milk with lemon juice.....reserve 1/2 cup & set aside for frosting.

Use remaining juice/milk mixture as a filling between the four layers. With reserved mixture, gently fold in the Cool Whip and frost entire cake. Holes can be poked in cake so frosting is absorbed. This is better if made a day or two in advance.

If you would like to submit YOUR recipe email it to articles@peelinc.com.

This Is Your Newsletter!

Do you have an idea or suggestion for the newsletter? Want to submit a photo, article, or both? It's easy!! Email the editor at editor@riataranch.net. Articles for the newsletter are finalized on the 10th of the preceding month So if you get your ideas in before the deadline, you should see them in the very next month's newsletter.

We are glad to hear all of the positive feedback and we intend to continue to improving the look and feel of the newsletter according to what you tell us. So get as involved as you like! We look forward to hearing from you.

Help Keep the Storm Drains Clear

Recently, we have received reports of teens throwing items into the storm drains, such as boxes and basketballs. These items can plug the drain and cause flooding when the next storm comes.

If you see this activity, please report it to the Sheriff's Department with the best description of the activity that you can give.

Stopping this activity is important to all of us. It could even keep your home from flooding.

HELPFUL TOOLS on RIATARANCH.NET

On our website, under DOCS, FORMS, LINKS, there are many helpful tools at your disposal. All of the known forms needed for all neighborhood business and activities are listed on the site, and the list keeps growing. As a new need is realized, the site gets updated with additional links in an effort to give you one place to find everything you need to make the most out of our community.

You will find everything from information regarding mosquitoes and violation summaries, to downloadable forms for vacation watches and ACC applications.

One of the tools that you'll find is very helpful, but not very pleasant. It is a link to the sex offender section of the TEXAS DEPARTMENT OF PUBLIC SAFETY web site (<https://records.txdps.state.tx.us/soSearch/default.cfm>). This site contains a mapping tool that allows you to input your address and assess your surroundings and proximity to known offenders.

Although it is a difficult subject to address, this link helps enhance the safety of our community through knowledge.

Use the site. Be knowledgeable and be safe.

our Priest, is
looking forward
to seeing you at
church!**

SCHOOL BUS SAFETY

School is back in session. Please be aware of children walking and biking to and from school. Of course, we want all children to be safe and school buses are relatively safe. However, accidents and injuries involving school buses do happen. More often than not these injuries happen when children are entering or exiting the bus. Here are some safety tips for school bus riders.

- Have a safe place to wait for the bus, away from traffic and the street.
- Stay away from the bus until it comes to a complete stop and the driver signals you to enter.
- Hold onto the handrails when entering or exiting the bus.
- Once on the bus, take your seat and remain seated face forward.
- Talk quietly so that you don't distract the driver.
- Never throw things on the bus and keep your hands to yourself.
- When you exit the bus, take ten giant steps away from the bus. When you are closer than 10 feet from the bus, the driver might not see you. This is known as the DANGER ZONE.
- If you forget something on the bus, do not return to the bus to get it. The driver might not see you.
- Be aware of the street traffic around you.
- If you need to cross the street, cross in front of the bus never behind the bus.

Motorists should follow safety rules around school buses. Yellow

flashing lights indicate that the bus is preparing to stop. Motorists should slow down and be prepared to stop. Red flashing lights indicate that the bus has stopped and that children are getting on or off. Motorists must stop their cars and wait until the red flashing lights are turned off.

Here are a few more traffic safety tips for motorists.

- When backing out of the driveway or garage, watch out for children.
- When driving through neighborhoods and especially in school zones, watch out for children. Children don't always pay attention to traffic and don't always know that motorists have trouble seeing them.
- Slow down. Watch out for children walking or playing in the street.
- Be alert and ready to stop. Children sometimes dart into the street.
