## Steeplechase Stallions Stampede Through a Successful Swim Season

*By Morgan Burcham*

The Steeplechase Stallions had an awesome 2008 swim season!! Last year we had 51 total swimmers, and this year that total increased to 91 swimmers. It was amazing to see these kids grow and progress as swimmers from last year to this year. Even our new swimmers,

from all experience levels, improved greatly just through the duration of the swim season.

The team attended Summer Thunder, a midsummer invitational meet. Thirty of our swimmers qualified for this meet. One of our swimmers, Charles Graham, placed first in the 50 freestyle with a time of 23.38.

The Stallions hosted the divisional meet this summer. This was a very big success! With 8 lanes and 16 starting blocks available, the meet went very smoothly and quickly. About 35 Stallions qualified for our end-of-season invitationals. Two Stallions qualified for Ponderosa, which is the highest qualifying meet in summer league. The other 33 Stallions went to Red, White and Blue and had an amazing weekend. The team took home tons of medals, ribbons, and had a great time.

The Steeplechase Stallions make you feel like you are a part of the swim team family. This is an amazing team and next summer should be even better!

## LEASH LAW REMINDER

Animals that are not properly restrained pose a threat to all of our residents. Harris County has a Leash Law and advises, **"All dogs and cats must be kept under restraint while in the unincorporated areas of Harris County, Texas. The custodian of a dog or cat is not authorized to have, harbor or keep any unlicensed dog or cat, nor to allow any dog or cat to become a stray."**

**Restraint is defined as "the control of a dog or cat under the following circumstances:**

1. When it is controlled by a line or leash not more than six (6) feet in length, if the line or leash is held by a human being, who is capable of controlling or governing the dog or cat in question.
2. When it is within a fully enclosed vehicle.
3. When it is on the premise of the custodian and the animal does not have access to sidewalk or street."

While you may believe your pet is friendly, it is hard to know exactly how they will react in all situations. There have been reports in our neighborhood of dogs attacking other dogs, and dogs biting residents who are on walks. An animal running toward someone who is walking or jogging by is very scary for that person. And a dog bite can be traumatizing, especially to a child. Properly restraining your pet could also prevent you from becoming legally liable or sued because of an incident.

Responsible pet ownership also requires picking up after your pet. It is a good idea to carry disposable bags with you while on walks. Besides keeping your neighbor happy, you will also be protecting the quality of our watershed.

It is up to all of us to help keep our community a safe and comfortable place for residents by being responsible pet owners. **To make a complaint or report an animal that is not properly restrained, please contact Harris County Animal Control at 281-999-3191.**

## Cy-Fair Houston Chamber of Commerce Announces Keynote Speaker for Eighth Annual Cy-Fair Business & HealthCare Expo

Michael Garfield "The High-Tech Texan" will deliver the Keynote Address at the eighth annual Cy-Fair Business & HealthCare EXPO luncheon on Thursday, September 4, Cy-Fair Chamber President Erin Al-Salman announced today.

As the technology and Web expert for several media outlets in Texas, and on the Web, Michael keeps up with the newest technology with a passion. He began his broadcasting career in the late 1990's on the Houston NBC-TV affiliate and now hosts syndicated segments across a dozen U.S. markets.

Michael has also conquered the radio industry - providing industry news and insight to radio stations in Houston and other cities across the country. Michael also hosts a weekly radio program on The 9-5-0 (KPRC-AM) in Houston. "The High-Tech Texan® Show with Michael Garfield" features industry guests, listener call-ins, product reviews, tips and opinions.

When not professing the virtues of tech products, Michael runs the Garfield Internet Group, a consulting firm focusing on the emerging trends in the Internet industry. His company specializes in several areas including business development, e-commerce, marketing strategy, promotion and branding of Internet sites. Their client list includes media companies, web start-ups and non-profit organizations.

Michael is a graduate of the University of Texas at Austin and holds a bachelors degree in Communications, Radio-TV-Film. He works diligently in the community and currently sits on the Board of Directors of the Downtown Houston YMCA Houston, Leadership Houston and the University of Houston College of Technology. He also served on the 2004 Super Bowl Host Committee and Men's Masters Tennis Championship Committee.

The Cy-Fair Business & HealthCare EXPO is scheduled to take place at **The Berry Center**, 8877 Barker Cypress from 10 am to 5 pm. The luncheon is scheduled from 11:30 – 1:30 pm.

In addition to the keynote address, the Chamber will name three members "Business of the Year" at the luncheon. Small, medium and large businesses compete in their specific category for the title. The EXPO committee is currently accepting nominees.

The EXPO offers companies an opportunity to showcase their products and services to an audience of business owners, executives and managers. In previous years, more than 600 attendees visited the 65-70 booths on display. As in the past a portion of the event's proceeds will be donated to Cy-Fair ISD's Junior Achievement program.

EXPO underwriters and sponsors to date are **Cypress Fairbanks Medical Center Hospital, Jersey Meadow Golf Course, Lone Star College-CyFair, Cy-Fair Magazine, Houston Chronicle, Houston Community Newspapers/The SUN, Sterling Bank, The Tradewinds at Willowbrook and Cy-Fair Lifestyles & Homes.**

Underwriting, sponsorship opportunities and booths are still available at this time. Spaces are limited so Al-Salman encourages local businesses to reserve their booths now.

For additional information, advanced registration, call Sherri Padalino at the Cy-Fair Houston Chamber of Commerce at 281-373-1390 or e-mail her at [sherri@cyfairchamber.com](mailto:sherri@cyfairchamber.com) visit the website at [www.cyfairchamber.com](http://www.cyfairchamber.com).

## Safety in Numbers

In order to speed up the response time from our emergency professionals, whether it is fire, police, or ambulance, Deputy Chris Aguirre of the Harris County Sheriffs Department recommends we take a close look at our house numbers.

We all know the frustration of trying to find somebody's home or a business and not being able to find the street number. Imagine what our emergency professionals go through. Then imagine that a life is at stake!

If your house address numbers are buried under overgrown shrubs, have an incomplete address, or even worse, no address at all, you are playing with fire. You don't want an emergency response team wasting life saving time trying to find your home.

Your home address should be clearly marked with curb numbers, and house numbers which are complete and easily read from the street. Trim back overgrown hedges that cover your numbers. Consider placing them in a location which has lighting for night time visibility. And solar powered house numbers can be found in the local home improvement stores.

There is definitely safety in numbers! Take a look at your home today.

## Steeplechase Forming Neighborhood Crime Watch Program

What is a Neighborhood Crime Watch Program? It is a grass roots effort of neighbors coming together to reduce crime in the community. It involves getting to know your neighbors, working together with them to be alert to the potential for crime, and looking out for one another's interests. Neighbors working together through Neighborhood Crime Watch combat crime the most effective way, *before it starts!*

If you are interested in participating, either as a Block Captain, or as the Block Captain Coordinator, please visit the website, [www.steeplechasetx.com](http://www.steeplechasetx.com) for more information and to register or email [crimewatch@steeplechasetx.com](mailto:crimewatch@steeplechasetx.com). ## Volunteers Needed

When you volunteer you are giving to your community, but did you realize volunteering also benefits you as an individual? CAM volunteers often let us know the fun they are having, the friends they have made and the fulfillment they receive from helping others.

The services provided at CAM, are made possible by many dedicated volunteers. If you enjoy working with the public, decorating or merchandising, then serving in CAM's resale shop, Angels' Attic, is the place for you. Our busy community donation area, the Cellar, is looking for people willing to serve by processing donations and restocking Angels' Attic. Please plan to attend a volunteer tour and orientation by calling Lisa Bassett at 281-955-7684 or e-mail at [cam-lisa@sbcglobal.net](mailto:cam-lisa@sbcglobal.net).
