Fairfield Village Assessments

Dear Residents,

If your 2008/2009 Fairfield Village Community Village Assessment is still outstanding certified letters will be received in October. The certified letter advises that you have 30 days from the date of the letter to pay your account to avoid legal action. If your account is turned over to the Association's attorney a minimum charge of \$125.00 is incurred. Once the list has left our office you are responsible for the legal charge. The Attorney's office will then do a title search to confirm ownership and issue letters. This process may take up to two weeks from receipt of our listing showing unpaid accounts. Our office does attempt to notify the attorney of full payments received after the listing is sent, but there is no guarantee that the process can be stopped prior to the charges incurred. To be sure of avoiding legal penalties please pay your assessment in a timely manner.

Partial Payments:

Your Association does accept partial payments – but a one-time \$50.00 payment does not stop legal action.....you must make a payment every 30 days to ensure compliance with your payment plan. Please plan accordingly to pay your assessments – the individual neighborhood assessment will be received in late November and are due January 1, 2009. The budget meetings will be held in October and the individual neighborhood assessments set for 2009 at that time.

Si no habla Ingles y tiene preguntas sobre su cuota de Asociación de Propietarios para Fairfield Village comuníquese con Rebecca Torres (713) 984-7229.

More HELP for PETS ...

When a pet is lost, finding the pet means that time is of the essence. It takes time to create, print and distribute flyers. The flyers are many times illegible because of wind or rain. I certainly do not fault the pet owner because I have done this myself.

Frustrated, I thought there has to be a better way. So that is why we created Cypress Lost Pet Alert.com. The idea is to very quickly get the word out through an e-mail alert to as many neighbors as possible plus post the picture and information about the pet on the website under the specific neighborhood.

Once the email alert goes out to the specific neighborhood, many, many neighbors are now aware. If they happen to forward the email to their friends who have not signed up, it could mean hundreds of your neighbors are already alerted and are keeping their eyes open for your lost pet.

Cypress Lost Pet Alert.com is on-call 7 days a week from sun up to sun down and is FREE. We are glad to work with any informal email chains. The whole idea is to find lost pets quick for the good neighbors in Fairfield and surrounding areas.

Regards,

RB Cox

Matthew & Jake...Cousins fighting for a Cure!

WOW! How a year flies by...it's that time again. Of course the Clevenger's are going to participate in this year's walk on Saturday, November 8th, at Reliant Park. This year my sister and her family, The Tomczyszyn's, will not only be walking with us, for Matthew, but also for a more personal reason. Their youngest child, Jake, was diagnosed in January of this year.

Matthew is now 7 ½ years old, and in 2nd grade. His daily schedule is far from normal. While at school, he makes 4 visits a day to the nurse, who checks his blood glucose and/or administers insulin, through his pump. On an average day Matthew has his blood checked no less than 8 times...around 3,000 finger pokes per year. He also wears a medical bracelet and always travels with his diabetes supplies, even when traveling close to home. He now checks his own blood sugar and reads the nutrition labels for the carb count. He looks forward to his 6th year at the JDRF walk and serving as one of the ambassadors. Last year Matthew enjoyed speaking to business' and high school clubs. He impressed his audience with his love for music by singing to them.

Jake was diagnosed 1 month after his 16th birthday and is a junior at Cy-Woods High School. He enjoys sports, hanging with friends, driving and working at his aunt's restaurant. A challenge that Jake faces each day is adjusting to this new life style. When you have been able to always eat, sleep, & play as you wish it is difficult. Jake is required to wake up early (even in the summer and weekends) to give himself his 1st dosage of insulin, with a syringe. He administers at least 4 shots a day... around 1,460 a year (not counting the finger pricks when he checks his glucose levels). He must also eat a certain number of carbs at the same time each day with snacks in between. This is a hard age to be diagnosed when you are used to eating when and what you want. How many teenagers look at the labels of everything they eat?

All of these items are NOT a cure for Matthew or Jake; rather they serve as a life support. No one outgrows Juvenile Diabetes, the only way out is a cure!

If you are interested in helping Jake and Matthew fight for a cure, visit their web-site at, www.Cousins4aCure.com. Web-site includes their bios, videos, information on diabetes, links to donate and register, and great photos!

PLEASE UNLOAD YOUR VEHICLE AS QUICKLY AS POSSIBLE AND THEN MOVE IT OUT TO MAKE ROOM FOR YOUR NEIGHBORS. Anything left unattended on premises is done so entirely at dealers' own risk. If you have valuables, you need to bring them on Saturday morning. All vehicles must be gone from the set-up area Friday by 8:45 PM. THE GATE WILL BE LOCKED AT 9:00 PM. Set-up will not be allowed on Saturday morning unless you can carry the items through the gate. THERE ARE NO VEHICLES PERMITTED IN THE SET-UP AREA SATURDAY MORNING.

SATURDAY AND CLEAN UP: Booths may be closed at any time. If renting tables, please collapse them and leave them in your booth. FWC makes arrangements to have a charity truck available, but, over the years, experience tells us they may not make it. You must be prepared to take any unsold items home with you. You are responsible for your booth space being empty and clean by 2:30 PM Saturday.

Fairfield's Fifty Plus Fun-Loving Group The Fairfield Seniors

The Seniors of Fairfield is an active, fifty plus, fun-loving group of couples and singles who enjoy fellowship, monthly trips, and various activities together. If you or your spouse are fifty or older, a newcomer to Fairfield Village or have lived here in Fairfield for some time, but have never attended one of our functions you are cordially invited. Come and be a part of our fun-loving group. We're sure you will enjoy it.

OUR OCTOBER BUS TRIP PLANS ARE FOR Wednesday, October 15, to Orange, Texas. This month's trip will take us to the W. H. Stark House, which still appears much as it did in the 1920s. The house is filled with custom-made Victorian furniture, rugs, silver, cut glass and antique porcelain original to the Stark family. The tour will require climbing 44 steps; however, those unable to climb or get tired of climbing the stairs anytime during the tour may go the Carriage House and view the tour via a DVD.

After touring the Stark House we will be going to the Stark Museum of Art, originally designed to house the large private collections of H. J. Luther Stark. The museum now also exhibits paintings, sculptures and other fine and decorative objects emphasizing the art and history of the American West.

We will then have lunch, which is included in the trip cost, at the Old Orange Café. Following lunch we visit the First Presbyterian Church before heading back home.

The cost for this trip is just \$18.00 per person which includes your lunch at the Old Orange Café. To get your name on the list for this trip, call **Patti Welch @ 281-758-0903**. Make checks out to: Fairfield 50 Plus. The departure time for this trip is 7:00 a.m. from the Fairfield Village parking lot. Please be there by 6:45 a.m. We will be making a stop for a little breakfast along the way.

OUR NOVEMBER BUS TRIP PLANS ARE FOR Thursday, November 6, to Waco, Texas. This trip will take us on a tour of the Earle-Harrison House and Pape Gardens (circa 1858). Surrounded by five acres of towering live oaks, manicured lawns, a 75 foot rose arbor, and a lily pond, this stately Greek revival style mansion holds a strong place in Waco's history. We will also get to view the home's stunning collection of 19th century heirlooms. After the tour, we will have lunch at Luby's Cafeteria.

Following lunch we will visit the Texas Ranger Hall of Fame and Museum. The Texas Ranger Hall of Fame and Museum celebrates the history and lore of the legendary Texas Rangers—the oldest state law enforcement agency in the nation. We will browse through the largest existing collection of artifacts related to these our Texas heroes.

Next we will visit the Dr. Pepper Museum and free enterprise institute. We will have the opportunity to tour through the history of Waco's most famous soda pop. It's a tribute to Pharmacist Charles Alderton's creation of this award winning drink formulated here in Waco in 1885; the museum includes an animatron of Dr. Alderton, a recreated old corner drug store, a restored turn of the century soda fountain and a host of other fun exhibits. Then just before departing for home we will be treated to a Dr. Pepper Ice Cream float to enjoy. Great!

The cost for this trip is just \$17.00 per person, plus your lunch at Luby's Cafeteria. To get your name on the list for this trip, call **Hazel Willis @ 281-256-7979 or 281-414-0077**. Make checks out to: Fairfield 50 Plus. The departure time for this trip is 7:00 a.m. from the Fairfield Village parking lot. Please be there by 6:45 a.m. We will be making

a stop for a little breakfast along the way.

Northwest Houston Mothers of Multiples (NWHMOM)

Benefit for "Help Lauren Learn"

Lauren is 5 years old. She has a twin sister Elizabeth and a younger brother Jack. Lauren laughs, explores, plays and loves just like many 5 year olds. Lauren is deafblind. Lauren will learn to communicate with her hands - but she needs an intervener to open these doors. In the United States, interveners are not recognized as licensed professionals as they are in Canada. All interveners in the United States must be privately funded. So providing an intervener for a child in Texas becomes the sole responsibility of the family. Interveners are \$1,000-\$1,500 a week. Lauren's family is looking for help in the form of donations to pay for Lauren's intervener.

On the morning of Saturday, October 18, the Northwest Houston Mothers of Multiples (NWHMOM) will hold a Bake Sale during their Fall "Garage Sale" at the Outback Steakhouse Parking lot (7070 Highway 6 North, Houston, TX 77095). The proceeds from the Bake Sale will be donated to Lauren's family to help with the costs of Lauren's intervener.

In addition, NWHMOM will host a Vendor Day on Saturday, October 25 from 9 am to 4 pm at the Coles Crossing subdivision clubhouse (13050 Barker Cypress, Cypress, TX 77429) to further help support Lauren's intervener costs. The Vendor Day will have a variety of merchandise: from home décor to clothing and accessories, jewelry, fall and holiday decorations and gifts, food items and much,

much more. Come out and start your holiday shopping early!

For more information about Lauren please visit her website: www.HelpLaurenLearn.net NWHMOM hopes to see everyone at the Bake Sale and/or the Vendor Day. Please come out and support Lauren!

The Northwest Houston Mothers of Multiples (NWHMOM) meet the third Thursday of every month at 7 pm at the Coles Crossing subdivision clubhouse (13050 Barker Cypress in Cypress). NWHMOM assists mothers of multiple birth children by lending them support, sharing information and relating experiences raising multiples. Welcoming all expectant, newly delivered and seasoned (veteran) multiple mothers. Details: www.nwhmom.org

Cy-Fair Kiwanis Club

The first meeting in September featured speaker Pat Bruegger, a first responder for the Red Cross. She described the procedures and policies of responding to victims of disastrous events, from home fires to hurricane victims. Hurricane Ike was barreling down on us as she spoke. By the time you receive this newsletter, we will know the results of that event. And Pat will have responded to the call for service to one of the hardest hit areas in Texas, wherever that happened to be.

Fairfield residents, Andy and Mary Lawrence, were welcomed into the Club in September. The Lawrences are originally from New Orleans.

A new Key Club has been formed at Cy-Ranch High School and will be sponsored by the Cy-Fair Kiwanis Club. Peggy Presnell will serve as the Kiwanis sponsor for this club.

Officers for the 2008-2009 year will be installed at the first meeting in October. Bob Presnell will serve as president; George Crowl, Secretary, and Jim Meadows, treasurer. Other Board members will be announced next month.

The Club is preparing for its annual golf tournament in October. The tournament will be played at Hearthstone Country Club. Teams and/or individual players are needed. Call George Crowl at 832-467-1988 for more information. This is the primary fund raising event of the Club. All funds generated are used to support 8 Key Clubs in local high schools, Boy Scout and Girl Scout troop activities, and

other needs of children and the community.

The Cy-Fair Kiwanis Club meets three times a month at the Hearthstone Country Club in Hearthstone from 12:15 p.m. to 1:15 p.m. for lunch, and programs including guest speakers on subjects of concern to the community and individuals. We invite you to a complimentary lunch, fellowship with our members, an informative program, and an opportunity to learn more about our organization. Reservations are not required. The Club will meet on October 1, 8, and 15.

Membership in Kiwanis is open to persons of good character who adhere to the standards of good conduct in their community and believe in and subscribe to the objects of Kiwanis International. Fairfield Singles

Greetings to all Fairfield Singles:

Our names are Rogers, Ken and Linda and we are re-invigorating the Fairfield Singles Group. If you are new or old to Fairfield and are single, we invite you to join. This group will not only serve as a database and communication site, but we hope to plan and hold group activities throughout the year. Of course, we invite all who join to put as much input and involvement in as they are able. The last time the group was active, several years ago, there were forty-five plus members. I am confident that we can at a minimum be able to double that number. This is a great opportunity for those singles in the Cypress area, which is mostly a family based community, to get together and meet others of the same interests. We are asking, at this time, that only adult homeowners sign up for membership.

So, now you are asking, "How do I do it?" Actually it is quite easy and as long as you have internet access will take only an email request. As we are keeping the internet membership only open to those who actually do reside in Fairfield, we have made it a private Yahoo Group Site. This will necessitate an email request to join and please state your name, email addresses are sometimes ambiguous, and neighborhood for verification. This will also protect our membership from outside intruders. This qualifying email should be sent to: FairfieldSingles@yahoogroups.com

So sign up, get out, and meet your single neighbors! If we all get involved, we will increase our mutual quality of Life in a great community. We encourage you to be as active as you can, remember what one usually puts in; a lot more generally comes back. Thanks and we look forward to meeting all of you.

Cy-Woods High School MUSICAL

Cy-Woods High School presents its very first musical, Crazy for You, featuring a book by Ken Ludwig and music by George and Ira Gershwin. The 1992 Tony Award-winning show has been called "riotously entertaining" and includes such classic Gershwin songs as "Embraceable You," "I Got Rhythm," and "Nice Work If You Can Get It." "I am very excited about the Cy-Woods Community coming together for such a large musical," says Wendy Carrell, the director of the Cy-Woods Theater Program. "We will have the choir, band, orchestra, and theater departments working together to make our 1st musical become a reality. I love the high-paced tap numbers and Ken Ludwig's sense of comedy. I wanted a classic musical that is written for today's audiences. It's going to be a blast." Performances are on October 23, 25, 27 at 7pm and October 26 at 2pm at the Cy-Woods High School Auditorium, 16825 Spring Cypress Rd. Call 281- 213-1901 or visit <http://destined.to/cywoodsdrama>.

Cypress Christian Students Travel to Spain

Several CCS secondary students had the opportunity to travel to Spain for a ten-day, educational tour this past June. The students had an incredible time learning about architecture and visiting historical and cultural sights studied in class. The students spoke with native Spaniards on a daily basis, which reinforced grammar and vocabulary as well as boosted their self confidence in speaking. The majority of the students had not traveled outside of the country and this trip provided many opportunities for personal growth, as well as academic benefits. CCS students who went on the trip included Jessica LeDay, Elisabeth Dunn, Hallie Salmon, Brian Fredrich, Casey Salzar, and Jordyn McCain.

Romans 1:18... For the wrath of God is revealed from heaven against all ungodliness...

Romans 1:17 teaches that the righteousness of God is revealed in the gospel and that the righteous shall live by faith. Righteousness is God's trait, and only He possesses it. But in His mercy He gives it away to those who place their trust in Him. Within God's righteousness, however, there is also wrath for those who fail to place their trust in Jesus Christ. The holiness and righteousness of God entail both His love and His wrath. Now Romans 1:18 is a revelation of God's wrath which is reserved for those who refuse to receive Him by faith.

The term used for "wrath" (Greek *orgē*) in relation to God refers to His predetermined settled indignation that He will manifest at the end of time. It has nothing to do with God losing His temper but is more a reflection of His righteous anger toward those who refuse to receive Jesus Christ by faith. God perfectly hates as much as He perfectly loves (Heb. 1:9). Of course this aspect of God's character flies in the face of the touchy-feely gospel that is often espoused in the modern church. The truth of the matter is that God could not be holy while at the same time failing to hate evil. His holy character will not tolerate unholiness (Hab. 1:13; 1 Cor. 13:6).

God's wrath is revealed all throughout the Scriptures from the Torah to the Prophets and Writings, from the Gospels to the Epistles to the Revelation. God's wrath was evident in the Flood of Noah's day (Gen. 6-9) and at Sodom and Gomorrah (Gen. 18-19). Recall His wrath upon rebellious Israel promised through the prophets (Isa. 9:19; Jer. 7:20; Ezek. 7:19). In the Psalms God is seen as angry at those who reject Him (Ps. 2:5, 12; 76:6-7; 90:7-9). In the Gospel of John God's wrath is on those who do not obey Christ (3:36). The Apostle Paul uses "wrath" 21 times, mostly in reference to God's anger toward those who refuse to believe. And the Book of Revelation unveils seven seals full of God's wrath that devastates the earth and its inhabitants. So to reject the

concept of a wrathful God is to ignore the words found throughout the Bible.

God's righteousness is revealed from faith to faith, and this is the gospel – the power of God revealed for salvation for everyone who believes (Rom. 1:16). But God did not reveal His righteousness as an end-all; He revealed it because of the disease of sin that had to be recognized and cured. Doctors recognize and diagnose a disease first, then they seek a cure. In the same way, the Law of God was given to reveal to man his disease (Rom. 3:20), and God's righteousness was revealed as the cure "from faith to faith" (1:16). For "all have sinned and fall short of the glory of God" (Rom. 3:23). All are spiritually dead in their sins and are by nature children of wrath (Eph. 2:1-3). But God meted out His wrath on His own Son at the cross as the revelation of His righteousness. Those who believe in the Son are therefore pardoned and cured of their disease, taking God's righteousness upon themselves. Those who don't, however, remain under God's wrath. The wait from now till the day of His future wrath is the time in which the bowl of His wrath is filling up, increasing judgment for increased sin (Rev. 16:1-21).

Liberal theology teaches Christians to proclaim that salvation is given to all, and all we need do is proclaim the good news that no one is going to hell. Their belief is that since Christ died for all, all are saved. But this is not the teaching of the apostles in the NT. They teach that wrath is upon all who do not trust Jesus Christ as Lord and Savior. His death, therefore, did not save everyone. His death made it possible for those who believe in him to be saved.

Come visit us at Harvest Bible Church where the Bible is taught verse-by-verse, chapter-by-chapter, and book-by-book. What the Bible teaches is that when we believe in Christ we are spared from God's wrath. And if we don't, God's wrath remains upon us. Visit our website at www.harvestbiblechurch.net

Fit Facts™

FROM THE AMERICAN COUNCIL ON EXERCISE®

THE BEST TIME TO EXERCISE

Contrary to popular belief, women aren't the only ones with biological clocks. We all have them, and heed their ticking on a daily basis. If you are a regular exerciser, you may have already determined your most productive time to exercise and follow a routine that works best for you. On the other hand, if your exercise time varies from day to day, and it's wearing you out instead of pumping you up, you may be interested in the work of scientists who are studying the proverbial internal clock and how to best determine what time of day you should schedule your workouts.

RHYTHM: IT'S NOT JUST FOR DANCING

The secret appears to lie in circadian rhythms, the daily cycles that our bodies follow. These rhythms originate in the hypothalamus and regulate everything from body temperature and metabolism to blood pressure. The rhythms result from the firing rate of neurons. They have conformed to our 24-hour light-to-dark cycle, and may be regulated and reregulated each day according to the environment.

WARM IS BETTER

It is the influence of circadian rhythms on body temperature that seems to yield the most control over the quality of a workout. When body temperature is at its highest, your workouts will likely be more productive; when your temperature is low, chances are your exercise session may be less than optimal. Body temperature is at its lowest about one to three hours before most of us wake up in the morning,

in contrast to late afternoon when body temperature reaches its peak. (To determine your own circadian peak, refer to the box to the right.) Studies have consistently shown that exercise during these late-in-the-day hours produces better performance and more power. Muscles are warm and more flexible, perceived exertion is low, reaction time is quicker, strength is at its peak, and resting heart rate and blood pressure are low.

DON'T FIX IT IF IT'S NOT BROKEN

First of all, don't change your schedule if you feel good beginning your day with exercise. Everyone agrees that exercise at any time is better than no exercise at all. In fact, people who exercise in the morning are more successful at making it a habit. And though it has been suggested that morning exercise may put some people at higher risk for heart attack, further research indicates that there is simply a generalized increased risk of heart attacks in the morning. If your schedule favors an early workout, emphasize stretching and a good warm-up to insure that your body is ready for action.

OTHER CONSIDERATIONS

If stress relief is your goal, exercise always works, all the time. And if you're wondering when it's best to train for an upcoming event, it all depends on what time you'll actually be competing. If an upcoming marathon begins at 7:00 a.m., try training at that time of day. Though training at any time of day will raise performance levels,

Find Your Peak

To determine your own circadian peak in body temperature, record your temperature every couple of hours for five to six consecutive days. Body temperature usually fluctuates by plus or minus 1.5 degrees throughout the day. Try exercising during the period three hours before and after your highest temperature. If you are an early bird or a night owl, you may notice that your temperature peaks one to two hours before or after the norm (between 4 p.m. and 6 p.m.); you can adjust your exercise time accordingly.

research has shown that the ability to maintain sustained exercise is adaptive to circadian rhythms. In other words, consistently training in the morning will allow you to sustain exercise during a morning marathon longer than if you train in the evening.

Meet Michael

Imagine hearing a child ask “is it my turn yet” when asking about adoption. Michael has seen others find their forever family, and he is still patiently waiting and wondering, “is it my turn”. Hopefully soon we can answer his question with a “yes Michael, it is your turn”. Michael is a very sweet and loving 15 year old. He has a dog he cares for and has grown to love, an abused dog that he has rescued and nurtured.

Born in August 1993, Michael likes all of the things any boy would love - summer camps, go carts, fishing, baseball and anything that has to do with cars (and UT). He currently participates in special education and tries very hard in school. He hopes to play sports in school when he is adopted. Michael would do well with a single mother or a two parent family. Michael is a child who really wants a place to belong. He is very affectionate and has missed out on being a part of a family. He just wants someone to love him, and his dog. Could this be you?

If you are interested in learning about Michael, or about adoption in general, please call the Adoption Coalition of Texas at 512-301-2825 or info@adopttexas.org.

Creating Strong Vibrant Communities

It's a fact of our global economy that consumers are drawn to the internet because of convenience. But as residents of NW Houston and in the wake of Ike, we may need to remind ourselves why it is important to "Think Local Business First."

1. Local businesses are often collectively our largest local employer. The largest growth of jobs is from small business owners.
2. When one dollar is spent at a local business, economist indicate it is circulated four to seven additional times in the local economy.
3. Every dollar spent locally generates up to 75% more tax revenue to our community and State.
