

5th ANNUAL COMMUNITY CANDY CARNIVAL

Fellowship Church Southwest and Bowie High School announce their joint partnership hosting the 5th Annual Community Candy Carnival on Sunday, October 26, 2008 from 4:30 p.m. – 7:30 p.m. This annual event is a free community initiative that benefits Bowie High School clubs and organizations, Capital Area Food Bank of Texas, and serves south Austin by providing a safe environment for a family-friendly Halloween alternative. The carnival event offers free admission, games, prizes, candy, activities, entertainment, and free or very inexpensive food, even public service demonstrations provided by the Austin Fire Department and Austin Police Department.

“Our past four years have been such a huge success that we are bringing back everything, adding more attractions and teaming up with Bowie High School to bridge into our community.” exclaimed Fellowship Lead Pastor, Bob Reed. “This free carnival provides a safe place the whole family can come to and have a blast!”

Bowie High School Principal Steven Kane is pleased that his staff, students and their families, and nearby businesses have embraced this unique relationship with Fellowship Church Austin to provide the community with such a successful event. Principal Kane stated that “...the success of this event can be measured in its growing attendance—what began serving several hundred now serves upwards of 10,000 people! We are proud to be an integral part

of this enormous production.” The event includes free games, activities and candy that is distributed throughout the carnival. Food and drink, such as pizza and a soda, will be available for a nominal fee. Attendees will enjoy great live music for the length of the event, while having full access to the variety of festivities for all ages. Carnival attendees are encouraged and welcome to wear family-friendly costumes.

The Community Candy Carnival creates an environment for people to conveniently meet their neighbors in a fun and relaxed atmosphere.

The 2008 Community Candy Carnival sponsors include Fellowship Church Southwest, Bowie High School, The River 102.3, Austin Fire Department, Austin Police Department.

Bowie High School is part of the Austin Independent School District. Principal is Steven Kane. The school is located at 4103 Slaughter Lane West, Austin, TX 78749.

Fellowship Church Southwest meets at Bowie High School Sundays at 9:15 am and 11:00 am. The church office and Community Center is located at 3870 FM 967, Buda, Texas 78610.

Follow Our Top 10 Ways To Save Gas!

Submitted by Leonard Johnson

If you are serious about saving more gas, it is important to understand that you will see the largest savings when you practice a combination of proper car care and smart driving behaviors. An aggressive attack plan can save you hundreds of dollars per year in fuel.

- 1) Drive fewer miles: Combine errands, carpool when possible, eliminate unnecessary trips. The average vehicle uses a gallon of fuel for every 20 miles driven. A few thousand less miles per year adds up to big money!
- 2) Correct tire pressure: This one has gotten a lot of press recently, but improper tire pressure can cost 3% in fuel economy.
- 3) Replace dirty air filters: Replacing your air filter every 12,000 miles will save up to 10% fuel.
- 4) Pay attention to the Orange engine light: This light warns you when something is wrong in your fuel or emission system. A faulty Oxygen sensor or fuel injector can waste 35% more fuel and increase the harmful pollutants your vehicle emits.
- 5) Check the gas cap: 147 million gallons of gas vaporizes annually in the U.S. due to loose gas caps.
- 6) Avoid jack-rabbit starts: The key to good fuel economy is smooth starts and stops. Driving like a grandma may not be fun, but it will raise your fuel mileage by up to 33%.
- 7) Slow down: Every 5 miles per hour over 60 mph is like paying an additional .26 cents per gallon for gas.
- 8) Remove excess weight: Every 100 pounds of weight reduces your mpg by 2%.
- 9) Change to synthetic motor oil: Reduces friction and increases fuel mileage by 2%
- 10) Inspect brakes - Dragging brakes can seriously decrease fuel mileage.

Hair Tips - Fall is All About Color, Color, Color!

Submitted by Michelle Lasher

With summer coming to an end everyone will need a fresh new look for the upcoming Fall season. This Fall it is all about color, color, color and depth. With our lazy pool and lake days coming to an end it is time to start thinking about our hair and how gorgeous it can be!

Having your hair colored can add depth and definition to your hairstyle, enhance our beautiful skin tones, accent eye color, thicken thin hair, soften coarse hair and add style support. Here are some examples of ways to freshin' up your locks:

- Dark Shades will make a small face & sharp features stand out.
- Two Tone Shading can frame and define the shape of your hairstyle.
- Semi-Permanent Color can turn those few gray hair's in to soft warm highlights.
- High Contrasting strands can add a dramatic effect.
- Graying hair can come alive with a purple based color shampoo enhancer to remove yellow tones.
- Strawberry blonde hair color complements green eyes.
- Pale and golden blonde make blue eye's stand out.
- Red and auburn shades give brown, hazel and green eyes glow.
- Lighter Shades make a large head, face shapes and features appear smaller. And thinning hair look thicker.
