Wortham Villages

October 2008

To all our Wortham Friends:

I want to thank all my friends and neighbors from the bottom of my heart for the wonderful reception given to my son, Jonathan, when he returned from the Olympics in Beijing. We were so overwhelmed by all the creative decorations, posters, flags, etc. that covered our front yard beautifully. It was so much fun watching the cars go by honking the horns, waving to us and giving us the thumbs up sign. And the food, there were so many yummy items in my kitchen. I know there were many loving hands that helped with the decorating, e-mails to neighbors with information, food, etc. and I want to thank everyone for the support, encouragement and love that was extended to my family. I especially want to thank Debbie Condon, Brenda Walker, Susan Dool and all the WOW ladies for organizing all the festivities. I apologize if I left any names out because I truly do not know who all participated in the organizing and planning. I know many worked faithfully to make the reception a success and it truly was. I hope you all were able to watch the broadcast that night on Channel 2. I will always have great memories of our first Olympic experience. I have always known that Wortham has the best neighbors in the city of Houston and this outpouring of love confirms my feelings. Thank you again and hope to do this again in 4 years!

Splinters from the Board

By Stan Schoen, E-mail: sschoen@worthamweb.org

October 2008 , Website: www.worthamweb.org

I'm writing this as quickly as I can because we just got our power back and had to wait for internet service and now I have to get this to press before this ship leaves without me!

I have been writing about our Neighborhood Watch, our finances and security, our fences, our lawns and even our location. Now I must write about US.

At this writing we have just been through a horrific hurricane in Ike. Some fled, most I find were staying here and as they say on the news 'hunkering down'. We went without power for some 36 hours, twice as long as I can remember in the past 14 years that I've lived in Wortham. We had water but no power and it was HOT, very hot and very humid. As soon as the hurricane passed I saw our fellow neighbors reaching out to help each other. It was amazing to me how many of you got busy right away clearing debris, mowing your yard, hauling off leaves and fence parts, I witnessed water bottles brought to others', generators loaned out and even power off a neighbors' generator to help their neighbors. We can always talk about our tennis courts, our pools, our location but what really makes us Wortham is

US! All of us, what a great place to live, what wonderful people to live near - YOU are what makes Wortham - Wortham!

We had a sheriff's patrol on 2 shifts covering 24 hours to watch our homes during this trying time. Now, I hope, it's time to get back to normal.

Wortham, we're looking good!

Make it a great day! See you at my table.

Our M.U.D. has assured me that our water supply is safe! We have never lost pressure and there are backup generators. No need to boil water.

If SparkPowerBank isn't your current electricity provider...chances are you're paying too much!

I'm Texas Energy Analyst Alan Lammey. Maybe you've heard me on the radio talking about the market forces that drive energy prices. I'm here to tell you that you're not stuck paying those high prices to big electric companies anymore! **Stop it.**

Why pay more than you have to? Those days are over!

Why would you want to go with an electric provider that charges you more, when you can go to www.sparkpowerbank.com and pay far less for the same electricity?

Cypress Christian Students Travel to Spain

Several CCS secondary students had the opportunity to travel to Spain for a ten-day, educational tour this past June.

The students had an incredible time learning about architecture and visiting historical and cultural sights studied in class. The students spoke with native Spaniards on a daily basis, which reinforced grammar and vocabulary as well as boosted their self confidence in speaking. The majority of the students had not traveled outside of the country and this trip provided many opportunities for personal growth, as well as academic benefits.

CCS students who went on the trip included Jessica LeDay, Elisabeth Dunn, Hallie Salmon, Brian Fredrich, Casey Salzar, and Jordyn McCain.

NEIGHBORHOOD WATCH NEWS

Marie Trascher

Our community will celebrate National Night Out, October 7 from 6:00 to 9:00P.M. at the clubhouse. I urge all residents to join in the fun and activities we have planned. The pool will be open for this special event and we will have food and drinks. We will have Face Painting by Don and a sidewalk chalk contest. As of this writing I do not have confirmation yet but hope to have the Mounted Patrol, Fire Dept. and fingerprinting ID by the Sheriff's Office. You do not need to bring anything but your family. Meet neighbors that you may not know and enjoy yourselves. Your Block Captains have been hard at work for you to have a special evening.

This year I am hoping that we will have somewhat cooler weather than in the past since it was usually held in August. Texas is the only state that was given the choice of having an October event.

The Neighborhood Watch News has been almost nonexistent for the summer which is due to our Deputies, our Block Captains and all residents. We have been on the watch for any incident out of the ordinary and this has led to a more peaceful community. This is what National Night Out strives for communities – the coming together of citizens and law enforcement to deter crime.
