Texas Terrapins Swim Team

Texas Terrapins Swim Team is a fast growing, year-round competitive swim team in Northwest Houston offering instruction and competition to swimmers of all ages and abilities. Our swimmers come to us from subdivisions in the surrounding areas including, but not limited to: Black Horse Ranch, Subdivisions near the new Cy-Ranch High School, Lakes of Rose Hill, Cypress Mill, Jersey Village, Coles Crossing, Cypress Point, and Fairfield. Recently, we had the distinct privilege of attending a Mardi Gras Swim Meet in Baton Rouge, Louisiana at the LSU Natatorium. While some of our swimmers were attacked by the flu, the rest of them picked up the slack, improved their times and brought home many ribbons!

The Texas Terrapins had three swimmers earn High Point awards including Byron Keller (second place for high point 6 year old boys), Sydney Begnaud (4th place for high point 6 year old girls) and Sydney Stanford (second place for high point 7 year old girls). Other swimmers in attendance were Delaney Crowder, Madison Ellison, Allison French, Savannah Stanford, Kenzie Golladay, Makenna Meyers, Michelle Scott, Makaylynn Seeley, Sarah Whetstine, Aaron Thompson and Coaches Jason Harold and Megan Scott. Both Beth McNeese and Tyler Bennett were there in spirit as they were at home fighting off the flu.

A great time was had by all who attended as we were able not only compete, but hang out with our team mates in a non-swim setting. Our team activities included visiting Mike the Tiger and the LSU bookstore and each evening we all gathered for Team dinners, where we had a chance to see our coaches in rare form. We are very serious about our swimming, but keep in mind that it is all about having fun! For more information about the Texas Terrapins, our year round swimming, jump start to summer league and swim lessons, log on to our website at www.texasterrapins.com.

Tax Tips

Submitted by John Harris

It's tax time and there are many new tax provisions relating to your 2008 return. Let me go over just a few of these.

- 1.) For the first time, you can deduct up to \$1000.00 of your real estate taxes even if you do not itemize your deductions.
- 2.) There is another huge change in casualty losses. Having come from Florida, I am very familiar with hurricane losses. For the first time, you can deduct a casualty loss in federally declared disaster areas, even if you do not itemize, and if you do, it is not subject to the previous 10% of adjusted gross income threshold. In other words, if you had damage from hurricane Ike, and most people had some damage or loss, you may get a tax deduction for your loss. These losses may include anything from roof and fence damage to loss of food in your freezer.
- 3.) You may also qualify for last year's stimulus rebate check this year, even if you did not qualify last year. (A note on this, last year's check is NOT taxable this year, contrary to some rumors I have heard.)
- 4) They also raised the IRA contribution limit to \$5000.00, \$6000.00 if you are 50 years of age or older. I know many people lost much of their retirement values in 2008, but it is still a good idea to invest in your retirement accounts. You may want to consider investing in a more conservative investment, but you still should invest! Talk to your financial advisor.
- 5) If you own your own business, it is still not too late to set up a SEP retirement plan for your business and get a deduction up to \$46,000.00 for 2008.
- 6) Lastly, the standard mileage rate for 2008 is broken down into two parts. From January 1 to June 30, it is 50.5 cents per mile and 58.5 cents per mile driven during the rest of 2008.

Cypress Christian School Students Provide “Socks for Little Souls”

Fifth graders at Cypress Christian School collected socks in February to donate to children at the Baptist Missions Center. In addition, the students made valentines for the children at the center. The “Socks for Little Souls” project began when the fifth grade classes were asked to find a way to share God’s love with those less fortunate for Valentine’s Day.

The mission of Cypress Christian School is “to equip students to engage and impact their world for Jesus Christ.” Community service projects like “Socks for Little Souls” help to encourage students to make a difference in the lives of others both now and throughout their lifetimes.

Cypress Christian School is located at 11123 Cypress N. Houston Rd. at Jones Road and serves families of K-12 students in northwest Houston. For more information, call 281-469-7745 or visit the website at www.CypressChristian.org

Sustainable Living Houston Kicks off National Bike Month!

On Friday, May 1, 2009, residents of Cypress, Texas, will bicycle from the Coles Crossing subdivision to the nearby METRO Park & Ride and transit oriented development. By riding bikes to the Park & Ride, and then taking the #217 METRO bus to their work locations, the residents will complete a long-haul, suburb-to-city multi-modal commute without the use of private automobiles.

METRO has recently installed bike racks at the Cypress Park & Ride, and these will be used to secure the bicycles. There is also limited space for taking a few bikes in the sub-floor storage compartments of the # 217 buses.

Residents will assemble at 6:50 am on Friday, May 1, 2009 at the Coles Crossing Community Center parking lot and depart at 7:00 am sharp. Use of helmets, front &

rear lights, red rear reflectors and articles of reflective clothing will be mandatory. Residents will ride on the sidewalk south on Barker-Cypress Rd. to Jarvis Rd., whereupon the group will transition to riding on Jarvis Rd. in a vehicular cycling mode. The total ride distance will be about a mile each way, and the time to the Park & Ride from the neighborhood will be about 6 minutes.

The rain date for this ride is May 15, 2009.

There will be a highly recommended pre-ride safety briefing at the Coles Crossing Community Center parking lot on April 25th at 8:00 a.m. where helmets, lighting, bike commuter clothing, and vehicular cycling will be discussed, as well as a test ride of the route. This briefing will be led by a League of American Bicyclist certified cycling instructor.

More HELP for PETS ...

When a pet is lost, finding the pet means that time is of the essence. It takes time to create, print and distribute flyers. The flyers are many times illegible because of wind or rain. I certainly do not fault the pet owner because I have done this myself.

Frustrated, I thought there has to be a better way. So that is why we created Cypress Lost Pet Alert.com. The idea is to very quickly get the word out through an e-mail alert to as many neighbors as possible plus post the picture and information about the pet on the website under the specific neighborhood.

Once the email alert goes out to the specific neighborhood, many, many neighbors are now aware. If they happen to forward the email to their friends who have not signed up, it could mean hundreds of your neighbors are already alerted and are keeping their eyes open for your lost pet.

Cypress Lost Pet Alert.com is on-call 7 days a week from sun up to sun down and is FREE. We are glad to work with any informal email chains. The whole idea is to find lost pets quick for the good neighbors in Fairfield and surrounding areas.

Regards,
RB Cox

Cy-Fair Community Emergency Response Team (CERT)

Cy-Fair CERT now has over 200 team members in your neighborhood. The team members are not only from Fairfield/Cypress area, but Alief, Katy, Bear Creek, Copperfield, Tomball, and Sugarland. More trained CERT members will be needed in each of these areas to form neighborhood teams.

CERT training is designed to prepare you to help yourself, your family, and your neighbors in the event of a catastrophic disaster. Because emergency services personnel will not be able to help everyone immediately, you can make a difference by using this training to save lives and protect property. For example, during and after Hurricane Ike members of the Cy-Fair CERT volunteered at the phone bank of the Harris County Office of Emergency Management, manned the federal PODs all over the county, distributed Meals on Wheels food, cleared debris in their communities, etc.

The 8-week course (24 hours of training) covers basic skills that are important to know in a disaster when emergency services are not available. You are taught skills about disaster preparedness, small fire suppression, urban search & rescue, medical operations and more. With training, practice and working as a team you will be able to do

the greatest good for the greatest number of people after a disaster, while protecting yourself from becoming a victim.

In 2003, President Bush asked Americans to volunteer to serve others. The Harris County Citizen Corps www.harriscountycitizen corps.com was created to help our citizens find volunteer and training opportunities. CERT training is just one of the programs created.

CERT training courses are provided throughout Harris County. There is no cost for this course. A backpack of emergency/medical supplies is provided to all CERT team members during training. This program is brought to you by Harris County Judge Emmett. The next CERT training class for the Cy-Fair area will begin on April 1, 2009 at the Lone Star College (Barker-Cypress campus).

For more information on how you can become involved in CERT contact Patrick Wong (Fairfield/Cypress Team Lead) at pcwong1@earthlink.net. For more information on how you can register for the next training class contact Terri Pope-Mobley at tpopemobley@yahoo.com.
