2nd Annual Ladies "Spring Fling" Brunch

Saturday, March 28th

10:00AM to NOON at Clubhouse

Legends Ranch residents and their guests are invited to a first-class brunch, featuring local area boutiques and shops. Local vendors will be featured on our spacious covered veranda with dining inside the clubhouse as well as poolside. Our entertainment will feature the York Junior High Orchestra. Tickets are \$8.00 each (cash or check at the door), for residents and their guests. Admission price includes breakfast buffet, juices, coffee dessert and more! Your ticket also includes the opportunity to win one of numerous gift baskets, valued from \$50 to \$100+, donated by our event vendors and sponsors.

Please RSVP to Anna Schmidt, Director of Community Events, at anna@events-ec.com or by phone 713-783-6702, by Wednesday, March 25, 2009 to reserve your spot!

Annual "Egg"Stravaganza

Sunday, April 5th

2PM to 4PM at Clubhouse

Hop on over to the Legends Ranch Clubhouse to enjoy our annual egg hunt. We've stuffed over 4,000 eggs this year! Our egg hunt will include age groups of 2 and under, 3 - 5, 6 - 8 and 9 +. Each group will hunt separately, so it's fair for every-"bunny"!

We'll have moonwalks, light refreshments and other entertainment. BRING YOUR CAMERA as Peter Cottontail will be available for pictures!

Northwest Flyers Youth Track Club

*Information Session
Friday Evening, April 3rd, 2009*

The Northwest Flyers Track Club will host a free open house / registration session for all middle and high school athletes and their parents interested in joining for the 2009 season. The event will be held on Friday, April 3, 2009, from 7:00 – 8:30 PM at the Champions Park subdivision clubhouse, 13635 Champions Park Drive**, Houston, TX 77069. The session will begin with a very important program overview / orientation at 7:00 PM. All interested athletes and parents should report on time.

The Northwest Flyers is a youth (ages 6 -18) track organization, affiliated with USA Track & Field. The club provides a full program of "track" events such as sprints, hurdles, middle distance, distance and relays, and "field" events such as long jump, triple jump, high jump, pole vault, discus, shot put and javelin. It is an excellent "off-season" program for young athletes who currently compete on their middle school or high school varsity track teams.

Visit the team website at <http://www.northwestflyers.org> for registration forms and information prior to the session, or contact Linette Roach at (281) 587-8442 or linette.roach@sbcglobal.net.

New Conroe ISD Elementary School to Open August 2009

Information Night – Monday, March 9th @ 7PM

Conroe ISD Board members announced the name of the newest addition to their elementary school lineup: Birnham Woods Elementary, located in The Falls at Imperial Oaks subdivision, in southern Montgomery County just east of I-45 and Rayford Road. This will be the third new elementary school to open in the area in four years, due to the incredible growth and popularity of the area. Construction began on Birnham Woods Elementary in Summer 2008, and is on schedule to open for classes in August 2009.

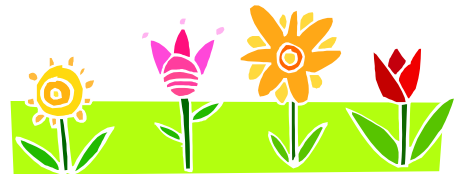

Zoning maps were released in October, showing the proposed enrollment will include The Falls at Imperial Oaks, The Meadows at Imperial Oaks, Legends Ranch and Estates of Legends Ranch, Legends Run, and Legends Trace. The maps are available on the district's website.

Also at the board meeting, Dr. Christine Butler was announced as the principal-to-be for Birnham Woods in their inaugural year. Dr. Butler is currently serving as the Assistant Principal at Galatas Elementary. The Falls at Imperial Oaks is hosting an "Information Night," open to all, on Monday, March 9th, at 7:00 p.m., to give parents an opportunity to meet the new principal and other school officials, and gather additional information on the new campus. The event will be held at the Falls at Imperial Oaks Lake Club, a newly constructed clubhouse and rec center complex located adjacent to the new campus at 31220 Birnham Woods Drive at the intersection of Northridge Forest Dr. You can get additional information on the event and driving maps at www.fallsatimperialoaks.com

Pedestrian Safety

By Brittany Kolkhorst

Fellow Residents,

Recently, there have been several reports of reckless driving occurring within our neighborhood. Specific reports include residents witnessing excessive speeding, failure to stop at neighborhood stop signs, failure to yield to pedestrians, hazardous driving, etc. These reports are extremely disconcerting, considering these types of driving behaviors put all residents' safety at risk.

As we enter the spring and summer months families will engage in more outside activities. Therefore, it is more important than ever for everyone in our neighborhood to take an active role in practicing conscientious driving and take steps to ensure pedestrian safety. The following information is provided by the U.S. Department of Transportation and The National Highway and Traffic Safety Administration. Please take the time to review this information and to educate others in your family on pedestrian safety. Ultimately, it is the responsibility of both drivers and pedestrians to remain aware of one another to ensure a safe neighborhood. For more information please visit http://safety.fhwa.dot.gov/ped_bike/ or www.nhtsa.dot.gov/

Safe Pedestrian Behaviors

- Cross at street corners, and cross where you can see and be seen by drivers.

- Stop and look left, right, and left again before crossing the street.
- Just because you see a car doesn't mean the driver has seen you. Be especially careful where cars are turning. If you're not sure that a driver has seen you, let the car go by before attempting to cross the street.
- Walk on sidewalks, or if no sidewalks are available, walk facing traffic.
- Carry a flashlight and wear reflective materials when walking at night or early in the morning.

Safe Driver Behaviors

- Obey posted speed limit signs and stop signs within the neighborhood.
- Refrain from engaging in distracting activities while driving.
- Look for cars as well as pedestrians at intersections.
- If you see a car stopped ahead, be very careful when passing. The car could be stopped because pedestrians are crossing.
- Keep in mind children have special characteristics that leave them more susceptible to danger. For example, they have less accurate depth perception, tendencies to "dart" out into traffic, and difficulty judging the speed of a vehicle. Children of elementary age and younger assume the greatest risk because their

field of vision is 1/3 more narrow than an adult's, they are unable to determine the direction of sounds, they lack the ability to understand how much time and distance is needed for a moving vehicle to stop, overestimate their abilities, generally focus on one thing (e.g., a ball), and are easily distracted. In addition, they are smaller in size, often no taller than the vehicle's hood, and thus can go undetected.

Additional Things Parents Can Do

- Supervise children when they are playing outside.
- When walking with your child, talk about street safety and show him/her how to stop and look for cars.
- Set a good example, young children learn by watching adult behaviors.
- Find safe places for young children to play away from traffic.
- Make sure your child wears a helmet when riding a bike, scooter, or trike.

Again, I encourage you to discuss this pedestrian safety information with your children and/or with drivers in your household. We all must take an active role in upholding neighborhood safety. May you all have a safe and enjoyable spring!

Thank you for your time,
Brittany Kolkhorst

Update on Stop Light at front of Legends Ranch Community

A traffic survey has been completed by the county and a light has been approved for placement at the front of the community, by Precinct 3 of the county commissioner's office. The design engineer has almost completed the design plans for the intersection.

Legends Ranch is 7th in line behind other local intersections being addressed. Due to our place on the list and the time it takes to have the funding certified, the installation may not be completed for another year to year and a half.

Contacting your county commissioner's office might help expedite the process. Below is the address and fax for contacting Ed Chance, your county commissioner.

Crime Stopper Signs Are Up!

Crimes Stoppers signs have been posted throughout your community. Crime Stoppers of Houston is a community-based organization dedicated to solving and preventing serious crime in partnership with citizens, media, law enforcement, and the criminal justice system in the greater Houston area. It was started in 1976 in Albuquerque, NM, then brought to Houston in 1981 by members of The Exchange Club of Houston. It quickly grew into a world leader in helping law enforcement solve felony crimes.

How Do I Report a Tip?

1. Call 713-222-TIPS.
2. Callers with credible information will be given a code number.
3. You will remain anonymous, we do not ask for your name and we do not have caller ID.
4. The information is forwarded to law enforcement.
5. If your information results in the arrest and charging of a suspect, you will be eligible for a cash reward up to \$5,000.

Legends Ranch Traffic Survey - *Please fill out and return!*

Your Board of Directors would like to determine if there is an interest in utilizing speed bumps as a method to reduce speeding in the community. Please take the time to **fill out the below survey and return by March 31, 2009**. You can return your survey to either of your on-site offices, located at the Clubhouse or Splashpad. You can also fax your survey to your on-site office at 281-681-9755. Or, you can mail your survey in to PCMI, c/o Brandi Leal, P.O. Box 219223, Houston TX 77218.

Compare Apples to Apples

In these hard economic times, everyone is looking to keep costs down. And while no one wants to sacrifice their child's education, child care is a major expense. When comparing schools, it is essential for you to compare apples to apples.

While many schools offer enrichment programs to their academic curriculum, they come with additional costs. Here is an average weekly cost breakdown of the extra-curricular courses **included** in your Kids R Kids weekly tuition at no additional cost.

Course	Per Week
Sign Language	\$15
Spanish	\$24
Science	\$58
Music	\$18
Tumbling	\$20
Cooking*	\$12
Total	\$147

Add to your weekly costs, the price of knowing that all Kids R Kids staff members pass FBI background checks, CPR and First Aid training, and ongoing annual early education classes. Our schools exceed state licensing requirements, and are checked regularly.

When your child attends Kids R Kids, you can check on us too. And so can Grandma and Grandpa, even if they are many states away. The real-time internet-accessible video cameras located in every classroom ensure you don't miss a thing.

So as you look for child care options that stretch your dollar as far as possible, make sure to bring this ad with you. And when you come back to enroll at Kids R Kids, remember, **we honor competitive enrollment fees.**
