## Fence Repair Information

*So your fence needs some TLC.*

*They all do at some point.*

Many homeowners may have seen a 'rot board' at the bottom of a new fence. This is a 2"x6" board that runs along the bottom horizontal just slightly above the ground. The idea is that it extends the life of the fence because the bottom is not in direct contact with the moist ground. The rot board is a fine idea, but it can lead to a problem. The problem is that it increases the height above the 6' maximum. Some of you may have seen a new fence butting up against an existing fence that appears to be a bit shorter. This is not permissible per the Governing Documents of Fairfield Village. Fences exceeding the 6' maximum height will need to be modified to comply with community standards.

If you need to repair your fence, please remember to follow the repair procedure as described by your ARC Guidelines. The first step is to complete an ARC application and send it in to AMI for approval. You can download an ARC application from the Fairfield Village website at [www.fairfieldvillage.org](http://www.fairfieldvillage.org) or you can call AMI at 713-932-1122 and we will mail, fax or email one to you. You can read up on fence guidelines by going to the website and downloading the ARC Guidelines for your association.

Avoid the additional expense of having to call your contractor back out or spending another Saturday afternoon on the fence. And remember, you are always welcome

## Attention Fairfield Homeowners

### BRADFORD CREEK BOARD OF DIRECTORS NEWS

The Bradford Creek Board met in executive session on Tuesday, June 9, 2009 to determine officer positions for the next year with the following results:

President – Ms. Pam Montgomery  
Vice President – Ms. Tami Ehler  
Secretary – Mr. Jim Auge  
Treasurer – Mr. Ed Hofer  
Vice Treasurer – Mr. Roy Erikson

We believe this arrangement allows work to flow to the member with the expertise and time to accomplish the associated tasks.

At the time of this writing there are a couple of “hot button” issues we are attempting to address. One is the 2009 Pool Schedule where some Fairfield pools hours were curtailed due to usage patterns. Although Bradford Creek was not affected due to the heavy usage of our pool; residents of other neighborhoods expressed displeasure with the hours at their neighborhood pool. The most often heard complaint of Bradford Creek residents in early June was that they had to utilize another pool because ours was at capacity. Explanation of the Reciprocal Pool Use Agreement and management and financial arrangements are beyond the scope of this space. Suffice to say that meetings will be scheduled by the Fairfield Village Assn., Pool Committee through the fall months so that residents will have the opportunity to express their position on the matter. Please watch the electronic sign boards or [www.fairfieldvillage.com](http://www.fairfieldvillage.com) for times and places of these meetings.

The second issue concerns the lack of contiguous sidewalks in some areas of Bradford Creek. This deficiency came to the forefront because of the decision by Cy-Fair ISD to eliminate bus service to some elementary school students living within two miles of their school. The developer provided a good general system of sidewalks but upon close inspection one will notice several deadheaded ADA ramps at various intersections. The net result is that pedestrians (big or small) must “double cross” streets in some areas to remain on a sidewalk. Your Board had already identified these areas and has submitted detailed descriptions and drawings to MUD 354 requesting offsetting funding to help us provide the needed sidewalk improvements in our Bradford Creek neighborhood. A renewed appeal will be made at the August MUD Board meeting.

Lastly we want to inform our constituents that this is the time of year when we work on the budget for the next fiscal year. We will continue to look for every opportunity to eliminate waste while maintaining our amenities in pristine condition and make improvements wherever funding allows. All residents are cordially invited to attend Board meetings or to contact a Board member via e-mail to provide input into the budget process.

## More HELP for PETS

When a pet is lost, finding the pet means that time is of the essence. It takes time to create, print and distribute flyers. The flyers are many times illegible because of wind or rain. I certainly do not fault the pet owner because I have done this myself.

Frustrated, I thought there has to be a better way. So that is why we created Cypress Lost Pet Alert.com. The idea is to very quickly get the word out through an e-mail alert to as many neighbors as possible plus post the picture and information about the pet on the website under the specific neighborhood.

Once the email alert goes out to the specific neighborhood, many, many neighbors are now aware. If they happen to forward the email to their friends who have not signed up, it could mean hundreds of your neighbors are already alerted and are keeping their eyes open for your lost pet.

Cypress Lost Pet Alert.com is on-call 7 days a week from sun up to sun down and is FREE. We are glad to work with any informal email chains. The whole idea is to find lost pets quick for the good neighbors in Fairfield and surrounding areas.

## Enduring Mercy

By Mindy Ferguson

The sanctuary echoed with hundreds of voices singing, "His love endures forever!" A deep voice thundered the words from the seat behind me. A well trained soprano harmonized from across the room. The words were barely audible from the heartfelt whispers of the frail, elderly woman beside me. As I listened to the praises of the young, the old, the broken and the joyful, I was overwhelmed by the mercy of our God.

Thousands of years ago, there was another sanctuary filled with similar praises from the lips of God's servants. After seven years of diligent and meticulous labor, Solomon's workers completed the construction of the Lord's glorious temple. With joyous expectation, the elders and priests gathered together to give thanks and dedicate the magnificent structure.

The trumpeters and singers joined in unison, as with one voice, to give praise and thanks to the LORD. Accompanied by trumpets, cymbals and other instruments, they raised their voices in praise to the LORD and sang: "He is good; his love endures forever." Then the temple of the LORD was filled with a cloud, and the priests could not perform their service because of the cloud, for the glory of the LORD filled the temple of God. -2 Chronicles 5:13-14 (NIV)

The presence of God descended in a cloud, filling every crevice of that temple with His awe-inspiring glory. The instruments

were silenced. The praises ceased. The Spirit of the Living God so overwhelmed His servants that they were unable to stand in His presence. What had simply been a spectacular building was instantly transformed into a sacred temple.

It is not our worthiness that woos our heavenly Father to the temples of our hearts. It is His mercy. According to The Bible Knowledge Word Study: Joshua-2 Chronicles (Cook), The Hebrew word translated "love" in the worshippers' song (2 Chronicles 5:13) refers to the mercy and kindness God faithfully bestows upon His covenant people.

As Christians, we come before a holy and righteous God only by the covenant blood of His beloved Son. It is God's mercy that brought His son to earth. It is His mercy that sustained our Lord on the cross. It is God's mercy that makes a temple worthy of His holy presence.

Beloved, regardless how ordinary or unworthy you may feel, by the cleansing blood of Jesus Christ and the indwelling of His Spirit, you have been mercifully transformed into a sacred temple of a Holy God. Let's respond by living in a state of worship. Therefore, I urge you, [sisters], in view of God's mercy, to offer your bodies as living sacrifices, holy and pleasing to God—this is your spiritual act of worship.

**OUR SEPTEMBER BUS TRIP PLANS ARE FOR: Friday, September 4, Houston, Texas.** This month we plan on going to the Houston Symphony's Evening presentation of the hits of the 60's and 70's with Rockapella at Jones Hall, Downtown Houston. This program is performed with infectious energy by this five-part harmony vocal group and the Houston Symphony. USA Today says: "Some say the best musical instrument of all is the human voice – If you've heard Rockapella perform you know that's the truth."

We will have dinner prior to the presentation at the Spaghetti Warehouse. The cost of the tickets will not be known till the 1st of August. However, we've been told it will be from \$30.00 to \$45.00 per person, plus the cost of your dinner.

To get your name on the list for this trip, call **Jackie Wurth @ 281-304-0805 or Mary Lou Cook @ 281-304-8359**. Make checks out to: Fairfield 50 Plus. The departure time will be 4:45 p.m. from the Fairfield Village parking lot. Please be there by 4:30 p.m.

**OUR OCTOBER BUS TRIP PLANS ARE FOR: Tuesday, October 13, Orange, Texas.** A Shangri-La type trip, we will first visit the Botanical Gardens for a walking tour of the gardens led by a knowledgeable guide to provide information and answer questions. The tour is over a mile and takes about two hours. All paths are wheelchair accessible and wheelchairs are available for rent (\$5.00) and there will be plenty of rest areas along the tour.

We will then go on an Outpost Tour, which is a short walk to the Natural Discovery Center, where we board a pontoon boat and

take a short ride on the Adams bayou to one of the Outposts in the Cypress/Tupelo Swamp. We will have a knowledgeable guide aboard to provide information and answer questions. This portion of the tour takes about one and a half hours. The boats are limited to no more than 26 people, with two boats available.

Box lunches will be provided by the Star & Crescent Moon Café. We will pick up our box lunches outside the Café and we have the option to enjoy them at tables in the courtyard area at Tree Ring Plaza at the northern edge of Ruby Lake. Tree Ring Plaza offers you the opportunity to sit at the edge of the lake on benches and view birds, alligators, turtles, ect, while having lunch. No tables are available at this location.

We will have a choice of three box lunches: 1. Club on Croissant, 2. Chicken Salad on Croissant or 3. The Main Street Salad, which is a bed of baby field greens topped with feta, Parmesan, bacon, grilled chicken, cherry tomatoes, candied walnuts and their homemade creamy Balsamic Vinaigrette. Each comes with a bag of chips, a cup of fruit, a package of cookies and a bottle of water. No cookies come with the salad. We will make a coffee stop on our way there and a snack stop on our return trip.

The cost for this trip is \$24.00 per person, which includes your box lunch. To get your name on the list for this trip, call John or Linda Howell @ 281-758-0063. #### Moms Offering Moms Support

*Welcomes all Stay-At-Home Moms in Fairfield and Lakes of Fairhaven*

MOMS Club® is an international organization with a neighborhood feel! We are teachers, business women, counselors, chefs, CPA's and artists who have put those careers on hold and have made the choice to stay home with our kids.

MOMS Club® is a place to find friendship, support, playmates and sisterhood!

ALL events include our children and we believe there is something for every mom out there! Are you looking for park days, coffee breaks, lunch outings, (free) babysitting co-op, craft projects, time to sit and chat, cooking club, book club or someone to share dinner with when your husband is traveling or working late? We even find the time to meet once a month for a mom's night out for a great time to unwind. Or are you

interested in helping within the community with service projects? We have that! (And a whole lot more!)

WOW! It's already September and the kids are back in school. Where did the summer go? Do you have a little one at home that is missing his older brother or sister? Or do you just have young children and looking for some fun things to do? Come join other moms and kids in many great outdoor and indoor activities. Are you new to the area or a new mom and need a friend or support; we are here for you. Don't let yourself feel isolated being a stay at home mom. You can attend two events before joining. Our membership fee is only \$20 a year. The MOMS Club is a great opportunity for you and your kids to make new friends in

our area. Come visit our next all-member meeting and see for yourself! There is a lot of fun and support just waiting for you! Our next meeting is Tuesday, September 8th, 10AM at Good Shepherd United Methodist Church located on Cypresswood Drive in Fairfield. ### FACTS YOU NEED TO KNOW ABOUT DROWNING

Drowning is the leading cause of unintentional injury-related death in children ages 1-4

Drowning is the 2nd leading cause of unintentional injury-related death ages 1-14.

### DROWNING WILL AFFECT YOU OR SOMEONE YOU KNOW

### DROWNING CAN STILL OCCUR EVEN IF YOU KNOW HOW TO SWIM

NO ONE is "drown proof" – no matter their level of swimming ability.

Falls, entrapments, and injuries lead to drowning regardless of swimming level.

A majority of people overestimate their own and their child's ability to swim, especially in a panic event.

### DROWNING IS QUICK AND SILENT

Drowning occurs in as little as 2 minutes.

Irreversible brain damage occurs in as little as 4 minutes.

Most children are out of sight or missing for less than 5 minutes and usually in the presence of 1 or both parents.

Most children die who are submerged for as little as 6-10 minutes.

Children who drown do not **scream, splash, or struggle**. They silently slip beneath the water, even with adults & lifeguards present.

### Fairfield PT

#### What do the workouts consist of?

60 minutes of standard calisthenics workouts enhanced with running. Calisthenics use your own body weight to provide resistance needed to strengthen muscles so you don't need fancy equipment or lots of money to get in top physical condition. We will use easy to learn, simple exercises that will boost your energy-level and keep your heart rate up. There will be different levels within the group to help motivate you in achieving your fitness goals. We will have periodic physical fitness 'test' days so that you can monitor your own progress and move up to the next PT level if you so desire.

#### Why Fairfield PT?

Fairfield PT is a great incentive to get up each morning! It's very motivating being with individuals of different ages who have different abilities. It's very encouraging working in a group, because it makes exercising easier. There's something great about getting together with the same group of people and toughing out the morning as a team. We will grumble, laugh, sweat, groan and cheer each other on.

Fairfield PT will take you exactly as you are. You don't have to go at it alone. Come join the group to meet and exceed your goals. Don't hesitate any longer; make your health a priority. This will be a very positive experience in your life! To get back to what you used to be, or what you've always wanted to be, join Fairfield PT. You'll lose weight; you'll tone, define and sculpt your body, relieve stress, clear your mind and push yourself past your normal limits.

In Fairfield PT you will be able to accomplish the goals you want to achieve - becoming more disciplined, raising self esteem, and obtaining better physical fitness. We compete against ourselves and are encouraged to challenge ourselves and not stay in a comfort zone.

#### Where is Fairfield PT?

Fairfield PT meets at the soccer fields next to the Splash-pad and the Central Park Pool Clubhouse on Heath Green Circle.

#### What do I bring?

Bring a water bottle with at least 32 ounces of water. If you wish, you may bring a workout mat. Wear a good pair of running shoes (not cross-training shoes).

#### When is Fairfield PT?

Fairfield PT workouts are held Monday thru Friday. Workouts begin promptly at 5:15AM and last for 60 minutes, ending promptly at 6:15AM. That still leaves you plenty of time to get ready for work! You may wish to arrive 10-15 minutes early to begin stretching.

Fairfield PT is a "Rain or Shine" workout group. However, we will not meet if there is lightning, hail or any other dangerous conditions. There is no need to 'sign up' or RSVP; just meet us there at 5:15AM. You WON'T regret it!

The long-term success of Fairfield PT depends on your participation. Come join the fun!

### Volunteer Opportunities in Cypress-Fairbanks Schools

Summer vacations are now just a memory and students have returned to classrooms across the Cypress-Fairbanks School District. These students and their schools need help and involvement from the community.

Research shows that students whose parents are involved in their education and schools show a marked improvement in their academic and social skills. There are numerous benefits for all children if volunteers are working to provide extra attention and programs for the enhancement of their educational experience.

For those of you who work or have a restrictive schedule, there are many ways that you can help out that are not time consuming and much of the work can be done at home during the evenings or on week-ends. And,

remember that you do not need to be a parent or family member to be involved. There is a great need in the district for global volunteers. "Global volunteers" are individuals who are not the parent, grandparent or legal guardian of a student enrolled in a campus where they volunteer.

If you have a little extra time in your schedule, please consider becoming a school volunteer. To find out how to become a CFISD volunteer, go to the district website at [www.cfisd.net](http://www.cfisd.net). Press on the Quick Link drop down and go to Volunteer in CFISD. For more information about global volunteering, please contact the CFISD Partners in Education Department at [pamela.scott@cfisd.net](mailto:pamela.scott@cfisd.net) or 281-894-3950 or Kim Nash at [krnash1@sbcglobal.net](mailto:krnash1@sbcglobal.net) or 281-550-2685.

## Church News

### Harvest Bible Church

*One person believes he may eat anything, while the weak person eats only vegetables. 3 Let not the one who eats despise the one who abstains, and let not the one who abstains pass judgment on the one who eats, for God has welcomed him. 4 Who are you to pass judgment on the servant of another? It is before his own master that he stands or falls. And he will be upheld, for the Lord is able to make him stand (Rom. 14:2-4).*

The Apostle Paul singling out those Jewish Christians who were struggling with their newfound freedom in Christ to eat or drink anything, for prior to conversion to Christ, they observed many rituals and abstained from many unclean foods. In Christ, however, there are no ceremonial or dietary restrictions (Mark 7:14-23). This is why v. 2 speaks of those who know they can eat anything in contrast to those who are vegetarians. Paul would later warn Timothy, "The Spirit explicitly says that in later times some will fall away from the faith, paying attention to deceitful spirits... men who forbid marriage and advocate abstaining from foods, which God has created to be gratefully shared in by those who believe and know the truth" (1 Tim. 4:1-3).

Like other Jewish Christians, even Peter struggled with his freedom in Christ, but God told him on three occasions that "what God has cleansed, no longer consider unholy... you should not call any man unholy or unclean" (Acts 10:15-16, 28). Later, Paul told the Galatians, "You were called to freedom... only do not turn your freedom into an opportunity for the flesh, but through love serve one another. For the whole Law is fulfilled in one word, in the statement, 'You shall love your neighbor as yourself.' But if you bite and devour one another, take care lest you be consumed by one another" (Gal. 5:13-15).

Paul's advice to the strong who did understand their Christian freedom was that they not "despise" those who abstain from meat which, if purchased in the market, was widely believed to have been sacrificed to idols, thereby making it unclean. The term "despise"

carries the idea of viewing utter contempt and hatred, and Christians, whether weak or strong, are prone to despise either those who exercise their freedom to drink alcohol for instance, or to despise those who think drinking is sinful. Drinkers (not drunkards) are condescending, but those who piously abstain tend to lean towards legalism – made-made rules not found in the Bible.

No Christian is to pass judgment on another Christian for legalistic man-made rules. The term "judge" translates a strong Greek verb which has the basic meaning of separating and isolating—something Christians are real good at when they disagree with their brothers in Christ. Legalists tend to isolate themselves from all others with a judgmental stance. Paul forbids this.

Bottom line: Christians are not to despise one another based upon their quirks and convictions in how they serve Christ. If God does not make an issue of such things, what right does we have to do so? We do have the right and the commission to judge sinful behavior in other Christians, but sin in God's eyes, not what we don't approve of (cf. 1 Cor. 5:9-13). Paul's earlier point is appropriate: "Who will bring a charge against God's elect? God is the one who justifies; who is the one who condemns? Christ Jesus is He who died, yes, rather who was raised, who is at the right hand of God, who also intercedes for us" (Rom. 8:33-34).

Though all Christians are commanded to obey what Christ taught (Matt. 28:20), many make up their own rules and become legalists, a sin condemned in the NT. By forbidding foods, drinks, or actions not forbidden in the Bible, they become legalists if they refuse to be taught the true freedom we have in Christ. Through faith in Jesus Christ alone we have been set free from worthless works and rituals.

**"They clean my kitchen and bathroom floors on hands and knees.  
The only right way to do it!"**

Obviously, hand-washing kitchen and bathroom floors is the hard way to do it. But it's the way we do it, because it's still the best way to get rid of dirt, grime and bacteria, especially in the corners.

We use a grout brush to remove mold and mildew and thoroughly clean the counters, getting rid of water spots, soap residue, hairspray, toothpaste and anything else that shouldn't be there. And that's just the bathroom.

### *Improve Neighborhood Air Quality ... Fragrance Free Dryer Exhaust*

By: Charlie & Michelle Bubnis

Have you ever been walking in the neighborhood enjoying the fresh air and then suddenly you are hit by the sweet fragranced smell of a heated artificial, petrochemical based scent from someone's clothes dryer exhaust? Often times a headache will occur, similar to people's reaction to perfumes worn in the office or at church. This is a normal protective reaction by the body as these fragrances are harmful neurotoxins and should be avoided whenever possible. National surveys found that at least 10% of the population reacts adversely to laundry products vented to the outdoors. Young children are particularly affected by fragranced chemicals because their body's detoxification mechanism is not fully developed.

Some of the most common chemicals used in fragranced laundry products are benzyl acetate, camphor, ethyl acetate, limonene and pentane. Many of these substances are capable of causing cancer, birth defects, central nervous system disorders, allergic reactions and chemical sensitivities. Some are on the EPA's hazardous waste list. According to a joint study by NIOSH and the U.S. House Subcommittee on Business Opportunities, 778 of the chemicals used in the chemical fragrance industry cause acute toxicity.

So the next time you are considering picking up a box of fragranced laundry detergent or fragranced dryer sheets...think about the impact on the neighborhood air quality and the proliferation of second hand scents. Healthier options could be: Add baking soda to the rinse cycle, or add ½ cup vinegar to the wash cycle to soften fabrics and reduce static cling. Vinegar is a natural fabric softener.

Do the neighborhood a favor and make sure your dryer exhaust doesn't pollute the environment. Be kind to yourself and to your neighbors, use unscented laundry products.

## It's Not Too Late to Get Organized for the New School Year

*Submitted by Kelly Butcher*

School has just begun and you probably feel like you are drowning in the sea of papers, activities, and homework. As a professional organizer, I work with a lot of busy families who need help setting up routines for handling the abundance of paper from school, the mail, and for getting homework done. I hope to offer a few suggestions about routines to set-up and implement to help you have smooth sailing through this school year.

### SOME GENERAL SYSTEMS TO HAVE IN PLACE INCLUDE:

- Calendar
- Incoming papers
- Homework

A large wall calendar with room enough to write each family member's activities is a must. Display the

calendar in a location easily accessed by all family members. If you track your calendar electronically, have a centrally located computer with easy access for all family members. Assign a color to each family member and color-code activities.

Papers consisting of incoming mail, school papers, both school work and items that require a response, and activity-related items (schedules, release forms, etc) are always an issue. Set up an action file system for handling the incoming paperwork such as a desktop hanging file organizer with files for each child or school. Teach your children to get into the habit of putting important papers or papers requiring a signature in a folder marked with "Mom" or "Dad". After you have signed the paper, either place the paper in a folder to return to school or have your child put directly into their backpack. Also set up an archival system for the treasured school work that you want to save.

Fitting homework into our busy schedules is often difficult. Designate an area for your children to complete their work. For younger students, the kitchen table is probably where most of the

homework is completed, so make sure all of the necessary supplies are available, so there is no excuse not to get started. I recommend using lidded plastic shoe-box size containers to hold markers, crayons, scissors, glue sticks, etc. Label the containers for ease in cleaning up. For older students who may complete their homework at a desk in their bedroom, ensure they have the necessary supplies available as well. A well-lit, clutter-free area away from distractions will help them stay focused on their work.

Establish a set time for homework to be completed. It may not be the same time every afternoon or evening based on after school activities. Look at the week ahead on Sunday evening and map out with your child the time they should complete their homework for each day based on that day's activities and mark it on the calendar. Most importantly, help your child get into the habit of packing their backpack before they go to bed. That way during the morning rush, important papers and items needed for school will not be forgotten at home.

Remember that developing new habits requires consistency and time. Begin setting up and implementing new systems as soon as possible and this school year will be off to a great start!

## Eating to Live: 5 Foods You Should Eat Daily

Submitted by  
Dr. Tenesah Weine

1. Spinach - Spinach is the best source of omega-3s (plant-based), and folate, both help reduce the risk of heart disease, stroke, and osteoporosis. Incorporate Spinach into your salads, add spinach to scrambled eggs, or drape it over pizza.

2. Blueberries - Blueberries have more antioxidants than any other North American fruit; blueberries help prevent cancer, diabetes, and age-related memory changes (they are nicknamed “brain berry”). Blueberries are rich in fiber and vitamins A and C, they also boost cardiovascular health. Aim for 1 cup fresh blueberries a day, or 1/2 cup frozen or dried. Stick them into yogurt, cereal, or a smoothie. Of course they are great alone!

3. Yogurt - Yogurt containing probiotics will boost your immune system by building the gut lining. One ailment I test for in my office is candid/yeast, when positive I treat with probiotics. Not all yogurts have probiotics, so make sure the label says “live and active cultures.” Aim for 1 cup of the calcium and protein-rich yogurt a day. Avoid yogurts with high sugar content, goat yogurt is most preferred.

4. Walnuts - Walnuts are richer in heart-healthy omega-3s than salmon, loaded with more anti-inflammatory polyphenols than red wine, and packing half as much muscle-building protein as chicken. Other nuts combine only one or two of these features, not all three. A serving of walnuts - about 1 ounce, or 7 nuts--is good anytime, but especially as a post workout recovery snack. Walnuts are great sprinkled over a salad.

5. Tomatoes - Red are the best, because they're packed with more of the antioxidant lycopene, and processed tomatoes are just as potent as fresh ones, because it's easier for the body to absorb the lycopene. Diets rich in lycopene can decrease your risk of bladder, lung, prostate, skin, and stomach cancers, as well as reduce the risk of coronary artery disease. Aim for 22 mg of lycopene a day, which is about eight red cherry tomatoes or a glass of tomato juice.

Note: While eating blueberries and other fruits you want to eat them on an empty stomach. You may have heard people complaining - every time I eat watermelon I burp, when I eat durian my stomach bloats up, when I eat a banana I feel like running to the toilet. When you eat fruit with foods, the fruit mixes with the putrefying other food and produces gas, hence you will bloat!

When you eat fruit, it immediately wants to go straight through the stomach into the intestines, but it is prevented from doing so when other food is present in the stomach. Adding fruit to a meal causes the whole meal to rot, ferment and turn into acid. The moment fruit comes into contact with the food in the stomach and digestive juices, the entire mass of food begins to spoil.

This will not arise if you eat the fruit on an empty stomach. If you eat fruit on an empty stomach, or right before a meal, it will play a major role to detoxify your system. It supplies you with a great deal of energy for weight loss and other life activities.

## What's at Stake? The Health of Your Trees

Most of us have trees in our front yards that were provided by our home builders. Did you know that the stakes supporting these trees need to be removed within the first year? This is because stakes provide artificial support that replaces a supportive trunk and root system.

Movement of the trunk helps strengthen the tree by thickening it and giving it taper from bottom to top. Trunk movement also stimulates root growth. The artificial support from the stakes leaves tree trunks weak and their root systems less developed.

Bottom line - all staking material needs to be removed after roots have established. This can be as early as a few months, but should be no longer than one growing season.

## Recipe of the Month Dream Delight

*Children are our greatest treasures,  
and we're creating a threat  
to their safety by parking  
on the streets and by speeding  
through Fairfield.*

## **SPEEDING IN FAIRFIELD PARKING ON THE STREET**

Most homeowners have some space in their garage reserved for storage – in some cases most of the garage, thereby not leaving enough room for their vehicles. Consequently, many owners park their vehicles on the street making it difficult for others to pass and creating hazardous conditions for the children.

Although we're all anxious to get home to be with our families, speeding and reckless driving is against the law and endangers everyone. Fairfield is a family oriented community with many children; for that reason before you speed or park on the street, please consider their well-being. Also, children playing in the street can unknowingly create a dangerous situation, especially on heavily traveled streets; the driver may not see the child, especially in the evening or after dark.

We all know that children have a tendency to move about impulsively and may inadvertently run into the street. Please don't let a tragedy happen before parking your vehicle off the street or obeying the speed limit. For the benefit of all the residents and children, and the overall appearance of your neighborhood, please do not park on the street. Make accommodations in your garage or driveway for your vehicles and keep your streets clear and safe for all and please, **DO NOT SPEED IN FAIRFIELD.**
