Goins Earns Eagle Scout Award

William Lawrence "Will" Goins, a Cypress resident and Signal Mountain, Tennessee native, has joined his three uncles in earning the Eagle Scout Award, the Boy Scouts of America's highest honor.

A rising sophomore at Cypress Ranch High School, Will was awarded the Eagle Scout Award during Troop 533's Eagle Court of Honor at Harvest Bible Church in Cypress. He was joined by his parents, Mary Lynn Pearce Goins and Rick Goins and sister Kathleen; as well his grandparents, Paul and Kay Pearce, of Signal Mountain, Tennessee, and uncle John O. Pearce, of Brentwood, Tennessee. His paternal grandmother, Mrs. Barbara Goins of Chattanooga, was unable to attend.

Will and his uncle, John, are joined as Eagle Scouts by brothers P. Alan Pearce of Chattanooga, Tennessee, and E. Lee Pearce of Columbus, Ga. Four Eagles in a family are a rarity. Only 3 in 100 that begin in Boy Scouts complete the rigorous requirements for Eagle Scout, making this accomplishment the more remarkable. Will is the 34th Eagle Scout in Troop 533, and is also a member of the BSA Order of the Arrow honor society.

Will, age 15, began his Trail to Eagle as a Tiger Cub in Pack 3035 at Signal Crest United Methodist Church in Signal Mountain, and was a Bear and Webelo Scout in Pack 405 in Wylie, Texas. He joined Pack 533 in Cypress in 2003 and Troop 533 in January 2005.

Will's Eagle project was managing the construction and delivery of 10 cedar benches for the outdoor playground at Harvest Bible Church, a growing church in northwest Houston.

Will managed the project from inception through completion, developing and managing the project's budget, bench construction, team safety, and delivery to the church. The project took 15 months to complete, from initial discussion with Scout leaders and awarding of the Eagle Scout on June 16, 2009.

Will is joined by members of his Eagle Board of Review upon completion. They are, from left, Paul Roberts, Big Cypress District Eagle Advancement Chair; Jeff Krone, Troop 533 Eagle Advancement Chair; Will Goins; Monica Canastero-Darby, Troop Committee Member; Rick Schlobohm, Troop Committee Chair; and, Mark Tucker, Troop Committee Member.

Attention Fairfield Homeowners

DRAINAGE DISTRICT SEEKS RESIDENTS HELP TO STOP ATVS

Harris County Water Control & Improvement District No. 155 needs help from Fairfield residents to identify those persons causing damage to the drainage channels in Fairfield by unlawfully riding their all terrain vehicles on them. Unless these persons are caught and identified, the cost of repairing the ruts and torn-up grass caused by their vehicles is paid from the tax dollars of Fairfield residents. WCID 155 requests that Fairfield residents promptly call the Sheriff's Office at 713-221-6000, if they observe any persons driving ATVs or other vehicles on the channels.

**Channel A Extension
Damage - 9/4/09**

GOLF CARTS, ATVS, DIRT BIKES

As you are aware, there has been a great deal of vandalism within Fairfield Village, all repaired at a cost to you, the homeowner. As the vandalism continues, and as the cost to make the necessary repairs and replacement increases, it also becomes necessary to increase your assessment.

Vandalism includes the operation of a Golf Cart, ATV, or a Dirt Bike on common areas (including sidewalks) or greenbelts. The Sheriff will be notified of anyone seen driving these vehicles. Should the person(s) be under age, the Association will legally pursue the legal guardian for all damages incurred.

Your Association has spent thousands of dollars, your dollars, repairing sidewalks, gazebos, entry markers, irrigation, ruts, etc., and now it's time to make these vandals stop.

If you see anyone suspicious, by all means contact the Sheriff on the non-emergency number (713-221-6000) and report the incident.

Thank you,
AMI

New Cell Phone Law *"I'll Have to Call You Back; I'm in a School Zone."*

- if you are using a hands free device
- if your vehicle is stopped
- if you are calling 911 for an emergency.

The law took effect September 1, 2009. Soon you can expect to see new signage in school zones reminding drivers to hang up or face a fine of up to \$200.

Abbie Jones leads the Texas Terrapins to VICTORY at TAGS!!!

The Texas Terrapins Swim team is proud to proclaim that one of their swimmers, Abbie Jones age 11, qualified to participate in TAGS this year at Texas A&M University. For those of us who are unfamiliar with swimming terminology TAGS is the Texas Age Group finals that takes place every year for those swimmers with qualifying times in each event. That is correct folks this is a state level competition.

Abbie is a very dedicated and amazing 11 year old. She is not one you see every day. Abbie is focused, down to earth, and a girl that is always willing to help anyone out anyway she can. She is a pure joy and a source of pride for our team and anyone that knows her. On Sunday, August 2, 2009 Abbie made a commitment to herself and working with our Coach Jason did the remarkable. I believe our Coach's words sum that up the best: "Tonight at finals I do believe I had a grin on my face that was huge and would not go away. To prelude the evening let me start at the beginning. This morning Abbie did a wonderful job and dropped .3 seconds off her 50 meter free time for 30.20 seconds. In a 50 that kind of drop is very good and we were both happy and EXCITED to hear that she was seeded first going into the finals.

As we were walking down the stairs that evening at A&M to get her over to the blocks for her event we had a nice little chat. I had

nothing to tell her about her strokes or how to swim her race as doing the 50 free is like blinking for that girl, it's natural and requires no thought. We talked about what she should do if she took a breath and

Abbie Jones - (Continued from Page 12)

saw people ahead of or close to her. I told her to use her breathing to find out her position in the race and to use that as fuel to push harder than she ever has before. After the start she came up not quite in first place. She took her first breath after 7 or so pulls and to the right side. She noticed that she did not have a commanding lead so her pace picked up a bit. Her next breath was to the left and that is when she saw someone out in front of her. It was right at that moment that the fire inside of Abbie lit up so brightly that everyone in the whole natatorium could not help but watch as she burned up the pool. After her second breath there was no stopping her and she stormed through that water like she owned it. She ended up finishing first place with a time of 29.25 (almost a full second faster than this morning) and second place was a 29.95!!!! I am proud to say that I am Abbie's coach and it will be an honor to continue coaching her and watch her grow into a wonderful, amazing, and very talented swimmer"

In listening to Coach Jason relive the moment you can smell the chlorine, feel your heart race with adrenaline, and feel the thump in your body from the crowd roaring her to a victory. Carry that feeling with you every time you think of swimming and Abbie Jones because right here in Cypress, TX we have a bona fide State champion. I think I can say with certainty that this will not be the last time you hear the name Abbie Jones!

Why The Maids?

"They clean my kitchen and bathroom floors on hands and knees.
The only right way to do it!"

Obviously, hand-washing kitchen and bathroom floors is the hard way to do it. But it's the way we do it, because it's still the best way to get rid of dirt, grime and bacteria, especially in the corners.

We use a grout brush to remove mold and mildew and thoroughly clean the counters, getting rid of water spots, soap residue, hairspray, toothpaste and anything else that shouldn't be there. And that's just the bathroom.

To Do or Not To-Do

By Mindy Ferguson

Do you find yourself striving to “do” for God? Is your calendar full of things you are doing for the Lord, but lacking in time spent with Him?

My schedule has been particularly busy the last few months and one morning as I turned the page of my day-planner, I could feel stress grip me as I glanced at the long “To-Do” list. I then dialed my voicemail, only to be greeted with the words, “You have ten unplayed messages.” My throat tightened, my eyes watered, and I wondered how I could possibly get everything completed on time. Overwhelmed, I whispered a quick prayer, “Lord, please show me what to do!” In my spirit, I sensed God say, “Be still.” But how could I be still with the phones ringing, deadlines lurking, and papers piling up around me?

I went into time management mode and began assessing which tasks could be postponed. I opened my mail, put aside anything that wasn’t urgent (adding to my piles!), and emailed responses to some of my phones messages to save time. I tackled my “To-Do’s” with determination, ate lunch at my desk, and raced out the door just in time to pick up my daughter from school and make it to her orthodontist appointment. As I collapsed in the waiting room chair, I once again sensed God say, “Be still.”

After a few days of similar chaos, I recognized that my quiet times had grown shorter as my scheduled had grown tighter. I was so busy “doing” for God that I wasn’t taking the time I needed to hear from

Him. Most of the tasks in my planner were “for God,” but that didn’t mean everything on my task list was God directed.

I took the next morning off and simply sat before the Lord, reminding myself of His faithfulness and asking Him for guidance with regard to my schedule. I walked away from that time with a much shorter “To-Do” list and a far greater sense of peace and balance.

At one point in King David’s life, he too became focused on “doing” for God. He looked around his palace and told the prophet Nathan that he wanted to build a house for the Lord. After all, David was living in royal luxury while the presence of God dwelled in a mere tent. Nathan quickly agreed that David’s plan was good and urged him, “Whatever you have in mind, go ahead and do it, for the Lord is with you” (2 Samuel 7:3). Turns out, this was not what God had planned at all.

The Lord made it clear that David would not be the one to build a house for His name. God said, “I have not dwelt in a house from the day I brought the Israelites up out of Egypt to this day. I have been moving from place to place with a tent as my dwelling. Wherever I have moved with all the Israelites, did I ever say to any of their rulers whom I commanded to shepherd my people Israel, ‘Why have you not built me a house of cedar?’ Then King David went in and sat before the Lord” (2 Samuel 7:6-7,18).

David’s heart was right, but the Temple was not his to build. That

work would be left to David's son, Solomon. Like David, we can get excited about "doing" for God.

Jesus said, "Come to me, all you who are weary and burdened, and I will give you rest" (Matthew 11:28). The Greek word translated weary in this verse indicates one who is fatigued from too much work (Strong's).

As I took that morning to sit before the Lord, I was overloaded and worn out from pushing myself too hard. The tasks on my calendar were all related to ministry, but some of those good works were intended for another of God's servants to perform. Once I took the time to "be still" before the Lord, I was able to make the corrections to my schedule that bought my life back into balance.

How much time are you spending before the Lord in prayer? Are there some ministry "To-Do's" on your calendar that might need to be done by someone else in the Body of Christ? Do you feel weary and burdened by the load you are carrying?

I encourage you to take a morning off to sit before the Lord. You just may find that some of your "To-Do's" are not for you to do.

Sometimes Sunshine, Sometimes Rain

Submitted by Bethany K. Scanlon

That ye may be the children of your Father which is in heaven: for he maketh his sun to rise on the evil and on the good, and sendeth rain on the just and on the unjust. Matthew 5:45

As I'm writing this article, the 90's song by Rob Base is loudly singing through the nostalgic hallways of my heart; "Joy and pain, Like sunshine and rain, Joy and pain, Like sunshine and rain" Are you singing along yet? You might as well, because according to God's word, it rains on the just and the unjust. That means you can be doing everything right, but a downpour still shows up! So no need for condemnation, you might just be in the middle of a rainstorm! But when the black night is over, and you've chanted "and this too shall pass" a zillion times, here it comes...sunshine. Then there's a skip in your step and a hop in your heart! No more why God why? You now know that what you went through has made you smarter and stronger. And sometimes you think, It wasn't that bad! Why was I such a big baby?

Oh, I can hear it now; but Bethany, you don't know what I'm going through! You can't possibly understand! Maybe not, but I do know what it's like to hold on to the Lord Jesus Christ with my eyes fastened, trusting only in him and walk through cancer, divorce, bankruptcy, multiple job losses, the ravages of child abuse and several addictions.

So no, I don't know what your story is, but I know there is a way out. One time I was lying in bed very still trying to sleep, but not able to because I felt emotional pain in my chest, where my physical heart is.

I prayed, asking what it was. I heard his sweet still voice respond, It's a

broken heart, but I came to bind up the broken hearted, ask me to bind up yours. The scripture from Luke 4:18 caressed my memory, **The Spirit of the LORD is upon Me, Because He has anointed Me To preach the gospel to the poor; He has sent Me to bind the brokenhearted, To proclaim liberty to the captives And recovery of sight to the blind, To set at liberty those who are oppressed.** In obedience, I immediately asked the Lord Jesus Christ to bind up my heart everywhere it was broken. Instantly the pain left and peace returned.

Another time, I sensed sorrow in my soul. I prayed again, asking what it was. I heard clearly in my spirit, It's a bruise from iniquity, apply my blood to it. And the scripture, from Isaiah 53:5 came to mind, **But he was wounded for our transgressions, he was bruised for our iniquities: the chastisement of our peace was upon him; and with his stripes we are healed.**

By faith I prayed, applying the blood of Jesus Christ to it and felt the pain disappear. (In case you are wondering, iniquity means "consequence of sin." The sorrow I was feeling was from the consequences of either mine, or somebody else's wrong choices.)

As an author and bible study teacher, I am commonly asked about the rain. And even though I'm not God, and don't have all the answers, I do know that by putting your hope and faith in the King of Kings and the Lord of Lords, there is a way to make sense out of needless trauma and tragedy.

Will you put your trust in him today?

OUR OCTOBER BUS TRIP PLANS ARE FOR: Tuesday, October 13, Orange, Texas. A Shangri-La type trip, we will first visit the Botanical Gardens for a walking tour of the gardens led by a knowledgeable guide to provide information and answer questions. The tour is over a mile and takes about two hours. All paths are wheelchair accessible and wheelchairs are available for rent (\$5.00) and there will be plenty of rest areas along the tour.

We will then go on an Outpost Tour, which is a short walk to the Natural Discovery Center, where we board a pontoon boat and take a short ride on the Adams bayou to one of the Outposts in the Cypress/Tupelo Swamp. We will have a knowledgeable guide aboard to provide information and answer questions. This portion of the tour takes about one and a half hours. The boats are limited to no more than 26 people, with two boats available.

Box lunches will be provided by the Star & Crescent Moon Café. We will pick up our box lunches outside the Café and we have the option to enjoy them at tables in the courtyard area at Tree Ring Plaza at the northern edge of Ruby Lake. Tree Ring Plaza offers you the opportunity to sit at the edge of the lake on benches and view birds, alligators, turtles, ect, while having lunch. No tables are available at this location.

We will have a choice of three box lunches: 1. Club on Croissant, 2. Chicken Salad on Croissant or 3. The Main Street Salad, which is a bed of baby field greens topped with feta, Parmesan, bacon, grilled chicken, cherry tomatoes, candied walnuts and their homemade creamy Balsamic Vinaigrette. Each lunch comes with a bag of chips, a cup of fruit, a package of cookies and a bottle of water. No cookies come with the salad. We will make a coffee stop on our way there and a snack stop on our return trip.

The cost for this trip is \$24.00 per person, which includes your box lunch. To get your name on the list for this trip, call **John or Linda Howell @ 281-758-0063**. OUR NOVEMBER BUS TRIP PLANS ARE FOR: Tuesday, November 10, Huntsville, Texas. Huntsville was founded in 1835 by Pleasant Gray. The town of Huntsville grew quickly with prominent settlers moving here from Alabama, Tennessee and Virginia. From the city's inception, it was considered to be the center of education and law, and was the home of many military leaders during the years of the Republic of Texas. Today, Huntsville offers visitors an array of discoveries: history, nature, prominent state institutions, and antiques.

Most of us have driven past Huntsville and may have even stopped there, but have you visited the incredible Sam Houston Stature (the second largest free-standing stature in the United States), toured the historic downtown or browsed through the Prison Museum. Well we will be doing these things and more on this month's trip.

The cost for this trip is \$8.00, for the tours and admissions, per person, plus the cost of your lunch. You can get your name on the list for this trip, by calling either **Jackie Johnson @ 281-256-3794 or Jackie Wurth @ 281-304-0805**. Make checks out to: Fairfield 50 Plus. Then later, around **6:30 p.m.** that evening, we will be having **Our Monthly Pot Luck**. It is also at the Lakeside Trails Club House. However, plan on getting there early. Doors open around **6:00 p.m.** for socializing and fellowship. Also plan on staying and joining many of our members that stay to play games after the meal and finish up the desserts. You may want to bring a favorite board game or card game if you have one that is easy to play, and, of course, we have dominos.

Note: The game night at the Lakeside Trails Clubhouse has been changed from the fourth Thursday to the fifth Thursday of the month to avoid two game nights in one week.

Thursday, October 29: Game Night at Lakeside Trails Club House. It starts around **6:30 p.m.**, and we have plenty of room here at the club house. The MOMS Club® of Cypress / NW-Fairfield

Moms Offering Moms Support

Welcomes all Stay-At-Home Moms in Fairfield and Lakes of Fairhaven

MOMS Club® is an international organization with a neighborhood feel! We are teachers, business women, counselors, chefs, CPAs and artists who have put those careers on hold and have made the choice to stay home with our kids.

MOMS Club® is a place to find friendship, support, playmates and sisterhood!

ALL events include our children and we believe there is something for every mom out there! Are you looking for park days, coffee breaks, lunch outings, (free) babysitting co-op, craft projects, time to sit and chat, cooking club, book club or someone to share dinner with when your husband is traveling or working late? We even find the time to meet once a month for a mom's night out for a great time to unwind. Or are you interested in helping

within the community with service projects? We have that! (And a whole lot more!)

Fall is already about to be upon us. Before you know it we will be getting out our holiday decorations. The MOMS Club is getting ready to put on an awesome Fall Festival and we hope you will join us. There are more details at the beginning of the Gazette. Now that the kids are back in school full swing, do you have a little one at home that is missing his older brother or sister? Or do you just have young children and looking for some fun things to do? Come join other moms and kids in many great outdoor and indoor activities. Are you new to the area or a new mom and need a friend or support; we are here for you. Don't let yourself feel isolated being a stay at home mom. You can attend two events before joining. Our membership

fee is only \$20 a year. The MOMS Club is a great opportunity for you and your kids to make new friends in our area. Come visit our next all-member meeting and see for yourself! There is a lot of fun and support just waiting for you! Our next meeting is Tuesday, October 13, 10AM at Good Shepherd United Methodist Church located on Cypresswood Drive in Fairfield. We often have a guest speaker at our meetings discussing topics like finance, health, organization and other popular topics. As always, children welcomed!

Fairfield PT

What do the workouts consist of?

60 minutes of standard calisthenics workouts enhanced with running. Calisthenics use your own body weight to provide resistance needed to strengthen muscles so you don't need fancy equipment or lots of money to get in top physical condition. We will use easy to learn, simple exercises that will boost your energy-level and keep your heart rate up. There will be different levels within the group to help motivate you in achieving your fitness goals. We will have periodic physical fitness 'test' days so that you can monitor your own progress and move up to the next PT level if you so desire.

Why Fairfield PT?

Fairfield PT is a great incentive to get up each morning! It's very motivating being with individuals of different ages who have different abilities. It's very encouraging working in a group, because it makes exercising easier. There's something great about getting together with the same group of people and toughing out the morning as a team. We will grumble, laugh, sweat, groan and cheer each other on.

Fairfield PT will take you exactly as you are. You don't have to go at it alone. Come join the group to meet and exceed your goals. Don't hesitate any longer; make your health a priority. This will be a very positive experience in your life! To get back to what you used to be, or what you've always wanted to be, join Fairfield PT. You'll lose weight; you'll tone, define and sculpt your body, relieve stress, clear your mind and push yourself past your normal limits.

In Fairfield PT you will be able to accomplish the goals you want to achieve - becoming more disciplined, raising self esteem, and obtaining better physical fitness. We compete against ourselves and are encouraged to challenge ourselves and not stay in a comfort zone.

Where is Fairfield PT?

Fairfield PT meets at the soccer fields next to the Splash-pad and the Central Park Pool Clubhouse on Heath Green Circle.

What do I bring?

Bring a water bottle with at least 32 ounces of water. If you wish, you may bring a workout mat. Wear a good pair of running shoes (not cross-training shoes).

When is Fairfield PT?

Fairfield PT workouts are held Monday thru Friday. Workouts begin promptly at 5:15AM and last for 60 minutes, ending promptly at 6:15AM. That still leaves you plenty of time to get ready for work! You may wish to arrive 10-15 minutes early to begin stretching.

Fairfield PT is a "Rain or Shine" workout group. However, we will not meet if there is lightning, hail or any other dangerous conditions. There is no need to 'sign up' or RSVP; just meet us there at 5:15AM. You WON'T regret it!

The long-term success of Fairfield PT depends on your participation. Come join the fun!

November 1 "Sens De Vie - *the meaning of life*"

A throw back to the magical days of Vaudeville, "Sens de Vie", brings variety, excellence, and a taste of something different to the stages of America. "Sens de Vie", translated "meaning of life", sets out not only to entertain the family at the highest level, but to take them on a journey of reflection to stretch their imagination and perspective.

The show is anchored by master illusionist and communicator, Harris III. While performing death defying acts and breath-taking illusions, Harris weaves together a fabric of mystery and meaning by performing such classics as Sawing a lady in Half and Harry Houdini's famous "Metamorphosis". However, Harris's uncanny ability to create unforgettable moments onstage with audience members is the special ingredient that makes "Sens de vie" come to life.

Also performing is world championship unicyclist and circus performer DonB and special guests Everlife, Hollywood records recording artists, who recently toured with the Jonas brothers. (check them out on YouTube).

Check our website, fairfieldbaptist.com, for performance times and ticket sale information.

Church News Continued

Harvest Bible Church

Will man rob God? Yet you are robbing me. But you say, "How have we robbed you?" In your tithes and contributions (Malachi 3:8)... The prophet Malachi accused the Jews of robbing God sometime around 450 BC. These Jews had just arrived back in Jerusalem after 70 years in Babylonian exile, for God had disciplined them for their many disobediences. Now, they were back in their land and still rebelling against God. Their answer to the prophet's accusation reveals a self-serving arrogance with an assertion of innocence: "How have we robbed you?"

Malachi's answer must have left the Jews stunned and speechless, for how could they argue against what they knew to be true. They were robbing God of the tithes and offerings due Him, and because giving back to God was equivalent to the worship of God, God was being deprived of the worship due His holy name by His holy people Israel. Now in all likelihood, the Jews had probably cut back on their tithing and contributing to the temple and priesthood due to poor economic conditions of their day, but it was still robbery.

Truth is, there were many tithes the Jews were responsible for. First, they were to give a tenth of their earnings and their livestock to support the Levites—similar to a tax. In turn, the Levites were to tithe from what they received to the priests (Num. 18:25-30). A second tithe was annual – the festival tithe (Deut. 12:10-11, 17-18), and it supported the national feasts (Passover, Booths, Weeks) where Jews and converts slaughtered countless animals in celebration of various events in Israel's history. Since this tithe contributed to the worship of YHWH from the people, if it were neglected then the celebratory feasts would suffer as well as the worship itself.

A third tithe in the OT was the welfare tithe for orphans and widows (Deut. 14:28-29), and it provided for the helpless widows and orphans in Israel. This tithe averaged out to an additional 3.33% per year of Israel's required giving. Taken as a whole, these three tithes amounted to about 23% of one's income, and they all essentially functioned as a governmental tax that supported the priesthood. For Jews, these tithes were no more voluntary than modern-day taxes for Americans. However, this 23% mandatory tax base was not the grand total of tithes required under the Mosaic Law. They also had a profit-sharing tax (Lev. 19:9-10), a temple tax, and the seven-year Sabbath tax, totaling around 25% of their income to the priesthood.

But the Jews were also robbing God of "contributions." The first was the offering of "firstfruits" from one's harvest (Lev. 23:10; Num. 18:12; Prov. 3:9-10; 11:24) which was a representative sample of one's crops to the priest as an offering to YHWH. The full harvest was not full until the first-fruits had been offered. The second "contribution" was the "freewill" offering (Ex. 35:4-5, 21-22, 29; 36:5-6), an offering given to God from a joyful heart.

When we as Christians choose to not pay our taxes, we rob God, for He establishes governments (Rom. 13:1-8) and commands that taxes be paid. And when we refrain from giving financially to Christ's church—the foundation of Truth, we not only withhold worship from Christ and rob God, we rob ourselves of the blessings that result from true worship. We ought not ever think that giving money to the church, however, will make us rich, for giving concerns worship, and worship is owed to God for His goodness. The poor economic conditions in Israel resulted in famine and poor harvests, so the Jews stopped giving to God what He required of them. But their attempts to save their money during that "recession," resulting only in cheating themselves out of a Divine bailout. It doesn't matter if our economic conditions are good or bad. God is always owed our worship, and if it doesn't go deeper than singing songs then it is lame worship indeed. Let us worship Christ in spirit and in truth, for He is God!

Recipe of the Month Chicken Spaghetti

Stew chicken. I season water with salt, pepper, and 2 or 3 bay leaves. About half-way through cooking time, add chopped onion and celery. When chicken is done, measure about 2 cups of broth and place in another pan. To this broth, add 1 can of tomatoes and one can of Cream of Mushroom Soup. Heat this mixture. Cook spaghetti in water in which chicken was cooked.

Place spaghetti in large baking dish, then boned chicken. Season with salt and pepper. Then pour broth mixture over spaghetti. Bake at 350° until heated throughout. Sprinkle with grated cheese about 10 minutes before removing from oven.
