New CAM Food Pantry Needs Stocking for Thanksgiving

CAM has recently opened our new Food Pantry at 11265 Huffmeister in the old Lone Star Seafood building - across the street from our main location. We are excited about this wonderful addition to the ministry, and are thankful that this expansion has come in time to serve the large surge of families coming for help. Due to the economy and unemployment rate, we will serve a record number of families this season. Your help to fill the pantry for Thanksgiving and Christmas would be greatly appreciated.

The following is a list of needed items:

Frozen turkeys
(We have plenty of freezer space so bring them anytime.)
Boxed stuffing
Cranberry sauce
Canned gravy
Boxed potatoes
Canned sweet potatoes
Breakfast cereal
Sugar/Flour
Toilet paper
Toothpaste
Shampoo/Conditioner

Pantry Donation Hours

Monday thru Wednesday (10:00 am – 4:00 pm)
Thursday thru Friday (10:00 am – 4:00 pm)

Saturday Donations may be dropped off at
CAM's main location
from 10:00 am – 3:00 pm if the Pantry is closed

If you can't find the time to shop, Wal-mart gift cards are a great way to donate. We often have to buy more frozen turkeys at the last minute and gifts cards are great for this.

Toy donations are needed for Christmas, as well. Toys with a value of at least \$15 are appreciated and toys for boys ages (6-12) are always in demand. There are many teens on our list this year and gift cards, electronic items and video games are a welcome donation.

For more information about CAM, check our website at www.cypressassistance.org or call Kelly Thomas at 281-955-7684. You may support the ministry all year long with your donations of household items, clothing, toys and furniture. Tax receipts are available. Don't miss our Angels' Attic Christmas Room this month. All money from Angels' Attic supports ministry services. We sincerely appreciate the generosity of the Cypress community!

Win Your Battles

Submitted by Bethany K. Scanlon

During our first several years of marriage, Luke and I went through a tough time financially and with relationships. Relationships that dealt mainly with family members. I remember driving in the gym parking lot praying and letting God know that I had had enough. I told Him I was tired of the battling and that it needed to come to a stop. I needed mercy!

That Sunday, during worship in church, the Lord spoke very clearly to my spirit. So clearly in fact, it sounded almost audible except that it was inside my spirit man. The Spirit of the Lord said. "You're trials are over. I have placed a spirit of triumph upon you and Luke (my husband). You will experience triumph in every area of your lives including relationships. I want you to write a book on the spirit of triumph and everyone you pray for to receive the spirit of triumph will receive it." Later, when I was in prayer, the Lord showed me a vision of the story of Joshua and the battle of Jericho:

Now Jericho was straitly shut up because of the children of Israel: none went out, and none came in. And the LORD said unto Joshua, See, I have given into thine hand Jericho, and the king thereof, and the mighty men of valour. And ye shall compass the city, all ye men of war, and go round about the city once. Thus shalt thou do six days. Joshua 6:1-3

Joshua was the one who had originally taken the Israelites through to the promise land. Now he was leading the Israelites and the Lord

told him it was time to take the city of Jericho.

And seven priests shall bear before the ark seven trumpets of rams' horns: and the seventh day ye shall compass the city seven times, and the priests shall blow with the trumpets. And it shall come to pass, that when they make a long blast with the ram's horn, and when ye hear the sound of the trumpet, all the people shall shout with a great shout; and the wall of the city shall fall down flat, and the people shall ascend up every man straight before him. Joshua 6:4-5

God gave Joshua specific (and weird!) instructions on how to take Jericho's land. It was to walk around the city seven times and then after the priests blew the trumpets, to let out a "great shout." The word "shout" here is the same word used in the Hebrew (ruwa') for triumph. In the vision the Lord gave me, He showed Joshua's men surrounding Jericho and shouting. When they did, I saw the spirit of triumph leave their mouths and permeate Jericho causing it to crumble. That spirit of triumph caused the Israelites to obtain the victory. The city actually crumbled before their very eyes! The spirit of triumph is a supernatural anointing designed to give you victory over your enemies!

Psalms 41:11-12 By this I know that thou favourest me, because mine enemy doth not triumph over me. And as for me, thou upholdest me in

mine integrity, and settest me before thy face forever.

Psalm 41 was written by David while it appears that he was going through a hard time. However, he says that God did not allow his enemies to triumph over him. The word triumph in Psalm 41 translates ruwa` in Hebrew. God did allow David's enemies to come against him. Also, the Lord revealed to me that the reason Joshua and his army had to walk around Jericho seven times with the Ark (which held God's spirit) before they released the spirit of triumph was because they had to bind the strongman first! Now, in the New Testament era, we can verbally bind the strongman in Jesus' name! (Luke 11:21-22)

The MOMS Club® of Cypress / NW-Fairfield

Moms Offering Moms Support

Welcomes all Stay-At-Home Moms in Fairfield and Lakes of Fairhaven

MOMS Club® is an international organization with a neighborhood feel! We are teachers, business women, counselors, chefs, CPA's and artists who have put those careers on hold and have made the choice to stay home with our kids.

MOMS Club® is a place to find friendship, support, playmates and sisterhood!

ALL events include our children and we believe there is something for every mom out there! Are you looking for park days, coffee breaks, lunch outings, (free) babysitting co-op, craft projects, time to sit and chat, cooking club, book club or someone to share dinner with when your husband is traveling or working late? We even find the time to meet once a month for a mom's night out for a great time to unwind. Or are you interested in helping

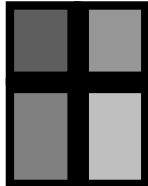

within the community with service projects? We have that! (And a whole lot more!)

We have been working hard as we are getting ready for our 5K/Fall Festival that will take place on Saturday, November 14! All the details of this fun service project are on the front cover. Then December will shortly be upon us where we have lots of exciting activities planned with our kids for the holiday season. Do you have young children and looking for some fun things to do? Come join other moms and kids in many great outdoor and indoor activities. Are you new to the area or a new mom and need a friend or support; we are here for you. Don't let yourself feel isolated being a stay at home mom. You can attend two events before joining. Our membership fee is only \$20 a year. The MOMS Club is a great opportunity for

you and your kids to make new friends in our area. Come visit our next all-member meeting and see for yourself! There is a lot of fun and support just waiting for you! Our next meeting is Tuesday, November 10 at 10AM at Good Shepherd United Methodist Church located on Cypresswood Drive in Fairfield. We often have a guest speaker at our meetings discussing topics like finance, health, organization and other popular topics. As always, children welcomed!

Fairfield's Fifty Plus Fun-Loving Group The Fairfield Seniors

The Seniors of Fairfield are an active, fifty plus, fun-loving group of couples and singles who enjoy fellowship, monthly trips, and various activities together. If you or your spouse is fifty or older, a newcomer to Fairfield Village or have lived here in Fairfield for some time but have never attended one of our functions, you are cordially invited. Come be a part of our fun-loving group. We're sure you will enjoy it.

OUR NOVEMBER BUS TRIP PLANS ARE FOR: Tuesday, November 10, Huntsville, Texas. Huntsville was founded in 1835 by Pleasant Gray. The town of Huntsville grew quickly with prominent settlers moving there from Alabama, Tennessee and Virginia. From the city's inception, it was considered to be the center of education and law, and was the home of many military leaders during the years of the Republic of Texas. Today, Huntsville offers visitors an array of discoveries: history, nature, prominent state institutions, and antiques.

Most of us have driven past Huntsville and may have even stopped there, but have you visited the incredible Sam Houston Statue (the second largest free-standing statue in the United States), toured the historic downtown or browsed through the Prison Museum.

Well, we will be doing these things and more on this month's trip.

The cost for this trip is \$8.00, for the tours and admissions, per person, plus the cost of your lunch. You can get your name on the list for this trip by calling either **Jackie Johnson @ 281-256-3794 or Jackie Wurth @ 281-304-0805.** Make checks out to: Fairfield 50 Plus. The departure time will be 09:00 a.m. from the Fairfield Village parking lot. Please be there by 08:45 a.m.

OUR DECEMBER BUS TRIP PLANS ARE FOR: Friday, December 11, Houston Texas. We will be going downtown to the Country Playhouse Theatre to see "The Best Christmas Pageant Ever," which will take us back to our school days and school pageants.

The play is about one teacher's attempt to direct a Christmas play with some of the school's most notorious kids participating. She struggles with the chaos while she hopes for a true Christmas miracle to happen.

We will be having dinner at a local restaurant, Denis Seafood,

prior to the play.

The cost for this trip is \$22.00, plus the cost of your dinner. You can get your name on the list for this trip, by calling either **Patti Welch @ 281-758-0903 or Jackie Wurth @ 281-304-0805.** But call soon because the list is already filling up fast. Make checks out to: Fairfield 50 Plus. The departure time will be 05:45 p.m. from the Fairfield Village parking lot. Please be there by 05:30 p.m.

Thursday, November 12: The Monthly Planning Committee meeting is at 1:00 p.m. at the Lakeside Trails Club House.

Then later, around **6:30 p.m.** that evening, we will be having **Our Monthly Pot Luck.** It is also at the Lakeside Trails Club House. However, plan on getting there early. Doors open around **6:00 p.m.** for socializing and fellowship. Also plan on staying and joining many of our members that stay to play games after the meal and finish up the desserts. You may want to bring a favorite board game or card game if you have one that is easy to play, and, of course, we have dominos.

Our Annual Christmas "Gift Exchange" Pot Luck, is next month December 10. This year our Christmas pot luck is being catered. We just need to bring some desserts and healthy appetites. Plus, everyone brings a gift (around \$15.00). Ladies bring a woman's gift and the men bring a man's gift.

Tuesday, November 17: Game Night at the Cooks' House. It starts around **6:30 p.m.** Just bring a little snack and a healthy appetite. This is always a fun evening with great fellowship. The directions are posted in the Activity details page on our website and will also be in our November 15th email

Thursday, November 26: Game Night at Lakeside Trails Club House. Game night has been cancelled for this month.

Have a Happy Thanksgiving.

For additional information on activities other than trips: Call Mary Lou Cook at 281-304-8359.

Cypress Ranch Mustang Band News

The 2009-2010 school year has brought great things for the Mustang Band. The band has doubled in size from its inaugural year. In addition to regularly performing in the stands and on the field at the JV football games at Cypress Ranch High School, the band performed at the opening of Compass Bank in Cypress on September 26. Under bright sunny skies, the Mustang Band performed a number of "pep" pieces in the Compass Bank parking lot. The highlight of the morning was a parade around the bank, including marching through the drive-thru lanes. Compass Bank officers and Mustang Band members are shown with a donation made by the bank to the band.

This fall the Cypress Ranch Mustang Band has debuted its new show, "Australia" with a performance at Barber Hill High School, in Mont Belvieu on September 11, 2009. The show features specially commissioned music which evokes musical images from down under. The full show culminates with aboriginal chanting and motions.

In its first 5A marching competition at Blinn College in Brenham on Saturday, October 3, the Mustang Band brought home first place trophies for marching, solo, and color guard. Although performing in a downpour, the band showed their commitment to their motto "Trust, Commitment, Excellence" by performing their "Australia" show with precision. The Mustang Band is under the direction of Russell Holcombe, Director of Bands, with assistance from Kyle Straub, director. Fairfield residents Kourtney Kech and Sarah Guhl are drum majors.

Good Shepherd United Methodist Church

Camp for Christ - The youth of GSUMC will be distributing flyers in late November to get the community ready for the annual Camp for Christ event. We support Houston's Life Center for the Homeless and they have a few specific needs that you may be able to purchase. (Toilet paper, trash bags, plug-ins, food, new men's and women's undergarments) They are also happy to receive blankets, coats, pajamas, and clothes. Donations marked CAMP FOR CHRIST will be gathered in Fairfield on December 5th, and then the youth will return to the church to sort and bag all donations. The youth will then spend the evening and night as a homeless person might with only the clothes on their back, a simple meal, and a box to sleep in, with only the heat from a camp fire. Thank you in advance for your generosity to help those in need, and your assistance in allowing our young adults to be the hands and feet of Christ. Please feel free to direct any additional questions to our Student Ministries Director, Jeff Dunbar at jeffd@goodchurch.us.

Operation Christmas Child - Operation Christmas Child, a division of Samaritan's Purse, reached nearly 8 million children last year with the power of a simple gift. Shoeboxes are filled with small toys, hygiene items, school supplies, candy and socks/underwear

and then distributed to children in need worldwide. During the shoebox distribution, the children are introduced to Jesus Christ through Greatest Gift of All booklets printed in their native language. Samaritan's Purse has a follow-up discipleship program so the children who receive a shoebox full of gifts can continue to learn about the gift of God's grace. Brochures are available around the church, or you can look up all the information at www.samaritanpurse.org. Please return your boxes to one of the designated tubs in the main hallway before November 16th.

GS Kids News - Join us on November 22 as we celebrate all the things for which we are thankful. Children will be participating in class Thanksgiving Feasts during Sunday School. We hope you will join us at 9:45 or 11:00 as we praise God for all of our blessings. Join us too for our Advent ceremonies. Each grade 1st - 4th will be lighting the Advent candles during the adult services during the month of December. See the church website for dates.

Other upcoming events:

December 13: Bethlehem Village 5-7pm

December 20: Birthday party for Jesus during each of the children's worship services (see website for more specific details)

December 27: Celebrate 2009 - Join us as we remember all of the great things God did in our lives this past year.

Christmas Hayride and Hotdog Roast - We will gather at 6:30pm on Friday, December 4th to enjoy our annual hotdog roast and hayride here at GSUMC! Join us for an exciting ride through neighborhood caroling and spreading the joy of the season. And you can't beat those delicious campfire smores and roasted hotdogs. Please reserve your tickets for this event early so we have plenty of food.

Four Weekend Worship Opportunities - You are invited to attend all services to find which one fits you best! Sunday offers three services in the Worship Area. The traditional services are First Watch at 8:30 and GS Classic at 9:50 and feature hymns, communion, and choir. Additionally, we offer a contemporary service called Catalyst at 11:05. This service emphasizes a more relaxed atmosphere with powerful contemporary praise music and a time of biblical teaching. In our gym, we have a unique service called New Path at 9:40 where ancient meets modern. This service invites you in with contemporary music, video clips, and drama before sharing creeds, communion, and a relevant message for today.

Harvest Bible Church

Did you know?... God's relationship with His people is one of covenant—a deal, a promise, or a guarantee. Understanding the biblical covenants is key to understanding the Bible and how God works in various administrations (dispensations) of time in the Bible and into eternity. There are two types of covenants in the Bible: conditional and unconditional. The unconditional covenants are promises that God made to man which cannot under any circumstance be nullified. In these God is going to do what He promised to do whether man fulfills his part of the deal or not. On the other hand, conditional covenants are based upon whether or not mankind keeps his end of the deal with God. If he fails, then God is not obligated to bless but is bound to curse.

The biblical covenants team up well with the biblical dispensations, from the Greek word *oikonomia*, or "stewardship" (Luke 16:2, 3, 4; 1 Cor. 9:17; Eph. 1:10; 3:2, 9; Col. 1:25; 1 Tim. 1:4). These are various time periods in which God administers His purposes on the earth through man under varying responsibilities. The changes in the dispensational dealings of God with man depend upon changed conditions or situations in which man is successively found with relation to God, and that these changes are the result of the failures of man and the judgments of God. For example, in the beginning God dealt with Adam and Eve as innocent people, for they were without sin. But after they sinned, God had to deal with them as fallen beings. God Himself did not change, but He had to change the way in which He dealt with sinful people after the fall.

In the Bible, there are various administrative responsibilities which span the entire history of mankind. Each of them ends, however, in the failure of man under the respective test and in an ensuing judgment from God. Three of these dispensations are the subject of extended revelation in the Scriptures: the dispensation of the Mosaic Law, the present one of the church, and the future dispensation of the millennial kingdom. Each are distinct yet chronologically successive.

The dispensations do not represent various ways of salvation. They are not in themselves dependent on covenant relationships but are ways of life and duty to God that test the submission of man to God's revealed will during a particular time. If man does trust in his own efforts to gain the favor of God or salvation under any dispensational test, because of inherent sin, his failure to satisfy fully the just requirements of God is inevitable and his condemnation sure.

According to the "eternal purpose" of God (Eph. 3:11), salvation in the divine reckoning is always "by grace through faith," and rests upon the basis of the shed blood of Christ. God has always been gracious, regardless of the particular dispensation in effect at any point in history, but man has not at all times in past history been under the dispensation of grace apart from works of the law or conscience (the Church is presently under this dispensation of the cross of Christ apart from law or conscience according to 1 Cor. 9:17; Eph. 3:2, 9; Col. 1:25; 1 Tim. 1:4).

It has always been true that "without faith it is impossible to please God" (Heb. 11:6), and Old Testament saints were saved by faith in a coming Savior and Redeemer. However, due to the progress of revelation, it was historically impossible for them to comprehend to the same extent as Christians do, the nature of the prophecies and sacrifices that they portrayed, the incarnate, crucified Son, the Lamb of God. They did have some understanding of the prophecies and types of the suffering Savior and other details (1 Pet. 1:10-12), but this faith, vague as it was, was counted unto them for righteousness (Rom. 4:3-8; Gen. 15:1).

Understanding the dispensations and covenants is a great way to memorize the events recorded in the Bible. One can see and appreciate the unfolding story of God's creation, man's sin, his corruption, his salvation, and his ultimate destiny. If you seek to know the Bible and the Savior it reveals, check out Harvest Bible Church, www.harvestbiblechurch.net 281-256-7733.

Fairfield Church of Christ

"Discovering the Heart of Christ, in the Heart of Fairfield"

We are inviting our Fairfield Neighbors to celebrate with us the final day of our month-long **Seedtime and Harvest Celebration**. We welcome you to join us for a special Worship Service and delicious luncheon prepared by our church family on Sunday, November 8, 2009 at 10:30am.

Come see what Fairfield Church of Christ is all about!

A young groom and his new bride, while on their honeymoon, were escorted into their hotel's fancy bridal suite in the wee hours of the morning. In the room they saw a sofa, chairs and table, but no bed. Then they discovered the sofa was a hide-a-bed, with a lumpy mattress and sagging springs. After a fitful night's sleep, they woke up in the morning with sore backs. The new husband went to the hotel desk and gave the management a tongue-lashing. "Did you open the door to the room?" asked the clerk. The young man went back to the room. He opened the door they had thought was a closet. And there, complete with fruit baskets and chocolates, was a beautiful bedroom!

How often we miss out on life's greatest blessings because we are looking in "the wrong room." The greatest blessings in life are always found in Jesus Christ. We invite you to come to Fairfield Church of Christ and open up a whole new world full of blessings and joy.

At Fairfield Church of Christ we will begin this fall a New Youth Ministry program. It will be led by Jonathan and Melanie Owens who have a heart for youth. They will be conducting special Bible Classes for youth on Sunday mornings and have special youth events throughout this coming school year. If you have Junior or Senior High children this will be a great program for your children to learn about Jesus and also build relationships with other teens. This is your invitation to bring your children and let them grow up in the Lord.

Fairfield Church of Christ is in your neighborhood for one reason, to be a beacon of hope and light to live each day. This year our theme is "Let Your Light Shine in 2009". We hope you will come this Sunday and join us on the path that leads to a life that is full and complete in Jesus.

Every Sunday morning we have Bible Classes for Babies to Adults beginning at 9:30am. Each Bible Class is taught by loving Christians utilizing the latest in educational techniques and finest Bible curriculums to teach God's Word.

Our Sunday morning Worship begins at 10:30am with each service meant to bring glory to the name of Jesus and help each worshipper realize how wonderful it is when you know Jesus as your Savior.

Mid-Week Bible Studies are also offered every Wednesday at 7:30pm. This is a great time to pause in the middle of a busy week and be re-energized by fellowship, prayer and study of God's Word.

We also offer Free personal, one-on-one Bible Studies. For those who wish to study alone, Bible Correspondence Lessons are available, as well.

If you have a prayer need of any kind, any questions or we can help you in any way, please let us know by calling the church office at 281-373-1900 or by visiting our web site at www.fairfieldchurch.org.

You and your family are always welcome at Fairfield Church of Christ. We would love to see you this Sunday! - Dr. Mike Lehw, Minister

Why The Maids?

**"They clean my kitchen and bathroom floors on hands and knees.
The only right way to do it!"**

Obviously, hand-washing kitchen and bathroom floors is the hard way to do it. But it's the way we do it, because it's still the best way to get rid of dirt, grime and bacteria, especially in the corners.

We use a grout brush to remove mold and mildew and thoroughly clean the counters, getting rid of water spots, soap residue, hairspray, toothpaste and anything else that shouldn't be there. And that's just the bathroom.

Free Stuff for Your Computer (and cell phone)

As holiday spending approaches, here are some free programs to make your computing easier and more fun with zero impact on your budget.

Everybody hates dealing with usernames and passwords at login screens, and as a result I see a LOT of people who have very easy passwords (like the name of their dog) not only for their computer but even for their online banking! Well, here's LastPass to the rescue (download from <https://lastpass.com>) with a password manager that works with Windows, Mac OSX and even Linux. With LastPass you can have strong passwords that are hard to impossible to remember, but don't have to remember because LastPass will remember for you. Your passwords are encrypted using a master password that only you will know, so your private information is always safe. LastPass will work across all your browsers and computers. You can even retrieve your passwords online from another computer on their web site (where no one but you can access them.)

How about free music, legally! Amazon has over 1,000 songs in all styles from Blues to Folk to Rock to Opera. Many of these are new groups getting their music out, but I've seen everything from Alice Cooper to Andres Segovia to Jeff Beck to the Boston Pops. If you use iTunes, Amazon's download manager will seamlessly add your songs to iTunes for you. So load up your iPod and Zune with all this free music. This abbreviated link will take you to Amazon's free music page: <http://tinyurl.com/TekChicFreeMusic>

How does a free secretary sound? TimeCave.com will any message you create back to you or anyone you want at ANYTIME you want within 3 years. Breath Test Detects H. Pylori In Stomach

Testing for the bacterium that causes most stomach ulcers and some forms of stomach cancer can be as easy as blowing into a bag, say doctors at Baylor College of Medicine in Houston.

In fact, the "breath test" for the bacterium *Helicobacter pylori* is not only the easiest but the most accurate test, said Dr. Waqar Qureshi, associate professor of medicine and chief of endoscopy at BCM. More traditional ways of diagnosing H. pylori require endoscopy or putting a scope down a person's esophagus to obtain a sample of the stomach lining for study.

Patients start by drinking a substance that is broken down by H. pylori. This breakdown results in the release of labeled carbon dioxide that is detected in breath. After 20 minutes, the patient blows into a specialized bag, which is then tested for the infection.

Once a person is diagnosed with H. pylori, there is a higher chance his or her family members also have the bacteria. Doctors usually test people with a family history of stomach ulcers or cancer, or those who present with a history suggestive of ulcers, for this infection.

Exposure to Different Flavors Helps Kids Develop Taste for Variety of Foods

Many parents get frustrated when their children won't eat what's being served for dinner. But according to an expert at Baylor College of Medicine, children have different taste perceptions and sense of smell than adults. That's why exposing children to various types of food at an early age is important.

"Early imprinting will help alter their taste perceptions," said Roberta Anding, registered dietitian with BCM and Texas Children's Hospital.

She advises:

- Don't give up after offering a new food just one or two times. It can take 10 to 15 food exposures for a child to like it.
- Avoid forcing a child to eat a food – it may make him or her less likely to try it again.
- Offer raw vegetables rather than cooked ones, since they don't have as strong of a smell.
- Get children involved in food preparation.
- Don't reward children with food. It could make certain foods or treats more valuable to children.

Say Goodbye To Skin Cancer, Scars

A topical treatment for certain types of skin cancer means some patients won't have to worry about scarring, say dermatologists at Baylor College of Medicine in Houston.

While a topical treatment for precancerous cells has been around for more than 30 years, it was only in the last five to 10 years that a topical cream was developed for cancerous lesions. The cream, called Aldara™, only works for certain types of skin cancer, explained Dr. Ida Orenge, professor of dermatology at BCM and director of the Mohs Surgery Center at the Baylor Clinic.

"You simply rub it on the area, usually at night, and after about four to six weeks, the cancer is gone in about 80 percent of the cases," she said. "This might not work for everyone, but for those who have superficial basal cell carcinoma on visible areas like the face or chest where you don't want scars, it is a good treatment option to talk to your doctor about."

Roth IRA Income Limits Lifted

Did you know that in retirement, taxes are second only to housing as the biggest cost? When you reduce tax expense, you reduce retirement risk. Roth IRAs offer tax-free withdrawals in retirement, and new Roth IRA changes could really benefit people now out of work who find themselves in a much lower tax bracket. This is because the tax on Roth assets is paid upfront. That's how Roth IRAs create a tax-free income stream when the investor retires. Paying in post-tax dollars today, the saver gambles that income taxes will be higher in the future, which would make paying taxes on the assets now a smart thing to do. Do you think taxes are going to go up?

Traditional IRAs work in the opposite way—investors pay in pretax dollars now, paying income tax on withdrawals when they retire, a strategy that can pay off if an investor requires a smaller annual income in retirement, putting them in a lower tax bracket.

But as of Jan. 1, for the first time, people earning a modified adjusted gross income of over \$100,000 will be able to convert any amount of assets in their traditional IRAs to Roth IRAs. For higher wage earners, this is a prime opportunity to convert money into the Roth IRA to allow your money to have tax-free growth at retirement. For 2010 only, investors will also be able to spread those upfront tax payments over two years.

And you don't have to wait until 2010. For wage earners that make less than \$100,000 adjusted gross income, you can actually convert now. Converting now when the market remains at low levels means your tax bill may be reduced.

Now is the time to prepare. If you know that you are going to convert in 2010, begin accumulating the tax money now. You can estimate what the tax bill will actually be at the time of conversion, so why not add a little extra to your emergency fund to insure that you have enough to pay the tax bill for this exciting event?

The IRS' 2010 conversion "gift" is not limited to just your traditional IRA. If you have any old 401(k)s or any other retirement plans from a previous employer, those will also be allowed to convert as well. Now might be a good idea to convert them all. There are several restrictions; check with your tax advisor and your financial coach before to get all the details before making any decisions.
