OFFICIAL FAIRFIELD COMMUNITY ASSOCIATION NEWSLETTER

YOUR INVITED TO A *Christmas Tradition*

Parents you are invited to bring your kids to come see Santa every Friday and Saturday from 7-8pm in the month of December. Don't forget your camera. It's a great alternative to the hustle and bustle at the malls. Every year we get really excited and like to share our spirit of Christmas. You can even enjoy our Christmas light show (traditional Christmas songs in sync with our Christmas light display) while staying warm and cozy in the comfort of your own vehicle by tuning in to an FM station which will be posted in front of our house. The Christmas Spirit Light Show will be repeating every hour everyday from 6 - 11pm.

The Campbells Christmas Tradition
14907 Chestnut Falls Drive.

We apologize in advance in the event we experience any technical difficulties with the light display or if Santa is unable to appear. We will post any cancellation in front of our home.

To All Our Men & Women In The Armed Forces,

We THANK YOU for proudly serving in the U.S. Armed Forces, and for your sacrificial services at home and abroad. May God bless you and protect you as you faithfully serve our Nation. You are great Americans and we will always stand by you and support you for your bravery and your honorable commitment to your country.

You and your family are in our thoughts and prayers always, and we wish you a very Blessed and Merry Christmas.

There will be NO TRASH SERVICE Friday, December 25th (Christmas Day) and Friday, January 1st (New Years Day).

Due to the high volume of trash following the holidays on Tuesday December 28th and January 4th, please do not place your Christmas tree out until January 8th.

Please be a good neighbor and bag all packing peanuts; bag all wrapping paper; flatten all boxes – tape or tie them together and stack them curbside.

Please utilize the cart to bag and contain your holiday kitchen waste first.

Thank you for your cooperation and understanding.

Attention Fairfield Homeowners

Architectural Applications

Now that the Holidays are approaching you may be considering making changes or additions to your home. Please be reminded that anything that alters the exterior appearance of your home or your property, front or back, i.e., pool, basketball goal, play equipment (including trampolines), patio cover, storage building, play houses, satellite dish, etc. must have your Association's prior written approval before construction or installation commences.

If you're building something that has a roof and/or sides, i.e., patio cover, storage building, you will need to include the following along with your application: materials including roofing, dimensions, height (measured from ground to peak), width and length, and a copy of your lot survey indicating the proposed location and a side view elevation drawing. Remember, metal, plastic, etc. are not permitted.

If you plan to install play equipment, please include a copy of your lot survey showing the proposed location, the dimensions of the equipment (height, width and length) and color of the tarp.

If you're painting your home, please include a sample of the color(s) you wish to use.

Basketball goals....include a copy of your recorded lot survey indicating the proposed location where you wish to keep the goal.

If you're planning to build a pool, please contact AMI for the information required.

Keep in mind that applying for all improvements, modifications or additions is a requirement set forth by your Governing Documents and is not an "FYI" procedure. Applications are official documents that must receive your Association's written approval before any work commences. By not doing so you risk your changes not being in compliance and the cost to modify the change.

It's a real easy process and takes no time at all to adhere to your governing documents. You can apply by U.S. Mail, fax (713-932-6059) or email (ami@amitx.com) or via Fairfield Village's website www.fairfieldvillage.org – whichever is easiest for you. An application as well as your Governing Documents can be obtained on line.

If you have any questions regarding the process or what items to include with your application, please contact AMI at 713-932-1122.

Attention Fairfield Homeowners

2010 Assessments and Late Fees

That time of year is quickly approaching. Assessments are due again on January 1.

In order to encourage homeowners to take care the assessment in a timely manner, the Boards of Directors have opted to implement a late fee for each Association. Certainly, most people will not be affected, but the fee may prompt some 'lackadaisical' payers to pay on time.

When fees are not paid on time, not only is your Association missing income, but you actually have to pay money out to collect past due assessments. The hope is that implementing a late fee will cut down on the costs you pay to collect outstanding assessments.

Your maintenance assessment is due on January 1, 2010. Any payment postmarked after January 31, 2010 will be subject to a late fee. The late fee for all Associations is \$25, with the exception of the Trails of Fairfield, which is \$50.

And now for the good news....

There is no increase in the assessment for 2010! Your Boards of Directors have worked very hard to minimize costs as much as possible, especially in such difficult economic times.

AMI and your Boards understand some families are facing financial difficulties due to the economy. If this is the case, please contact AMI to discuss a payment plan. While late fees are still charged on unpaid balances as of January 31, setting up (and keeping to!) a payment plan will avoid additional, very expensive, legal and collection fees. AMI is eager to work with you!

2010 Maintenance Assessments

The maintenance assessments have been set for 2010 and the Boards of Directors are pleased to advise that the assessment billing amounts will remain the same as 2009, with no increase. The assessments are due January 1, 2010 and considered delinquent if received after January 31, 2010.

Effective this year there will be a late charge if you do not pay your assessment by January 31 or have it postmarked by January 31, 2010.

Please plan for this expense. We have residents who pre-pay their assessments, who send in several payments in advance and some who pay on a monthly basis in advance. Whatever works best for your budget! As we have many new residents remember that there are two assessments for your home in Fairfield, one due in January and one due in July. Information regarding the Assessments is available on the Fairfield Village web-site, www.fairfieldvillage.org.

Vacant Shopping Center

Many homeowners have called asking about the vacant, half-built shopping center at the corner of Mason Rd. and Cypresswood Drive.

Unfortunately, the project was a victim of the poor economy and was foreclosed on by the lender before it could be completed. The project owners filed bankruptcy, but that fell thru. As a result, it has been sitting empty for two years while the legal issues were resolved.

The good news is that the property is now for sale and there are a few interested parties. While there is no firm offer at this time, we are hopeful that a buyer will be found soon. In the meantime, the commercial division of AMI has contracted with Spencer Landscaping to provide basic landscaping services.

We will provide information on further developments as we receive it. If you see any issues that need to be addressed at this site, please feel free to contact us at 713-932-1122 or go to www.fairfieldvillage.org.

Who do you call?

AMI is your Homeowner's Association managing agent. We are the people you contract with to help you run your neighborhood association. A few of our tasks are to facilitate board meetings, take care of accounting, maintain and store association records and the big one, and address deed restriction violations. The most common violation we address is unkempt yards.

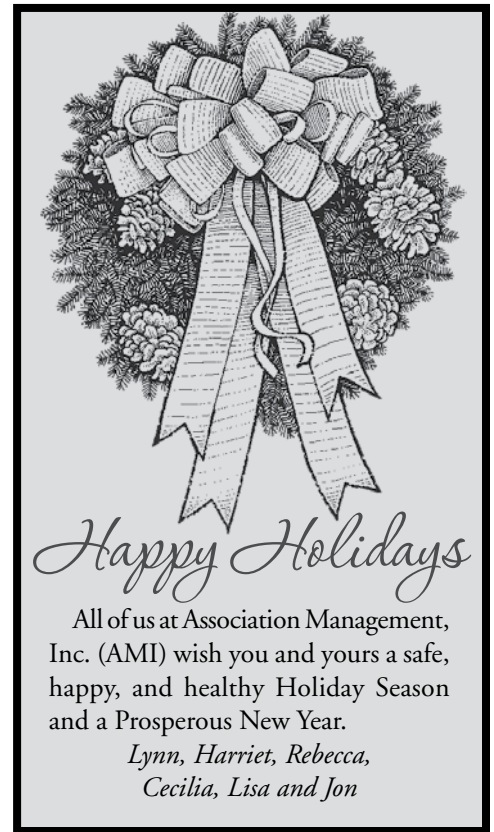

AMI is contracted to do an extensive drive thru on a monthly basis. During the summer months, this is not always sufficient. It only takes a couple of weeks for a yard to get out of control.

That's why we need your input. We encourage you to call us when you see a violation, especially an overgrown yard. We want Fairfield Village to maintain its pristine appearance and reputation. Please help us help you. Feel free to call anytime. We need your input, suggestions, comments and complaints.

Our corporate office phone number is 713-932-1122 or you can call the on site office at 281-256-0065. You can also email us at ami@amitx.com if it is not convenient to call during business hours.

Homeowners have access to a great deal of information on your website www.fairfieldvillage.org. You can find meeting schedules, announcements, meeting minutes, ARC applications and your governing documents on line.

AMI works for you and we feel very privileged to be able to do so. We want you to be proud of where you live. We want to assist you in maintaining your property values. So please contact us anytime we can be of assistance.

Bradford Creek Board Of Directors News

We are excited to inform you of our new method of disseminating information on our Bradford Creek neighborhood. After three years of bimonthly articles in this Gazette, we're moving the format to www.fairfieldvillage.org. Our hope is that this message board method of broadcasting information will allow us to convey information to residents in a more timely fashion.

November is the traditional season for Thanksgiving. Keeping this in mind, we would like to express our sincere appreciation to two organizations: Fairfield Fitness Inc. for their management of another safe pool season and MUD 354 Board for helping us recover from Ike damage and for their continued interest in working with our Association.

Recent and ongoing activities in Bradford Creek include tree replacement. We had a significant number of trees that succumbed to the summer heat and draught. We have already removed several large pines and will address a few more before the end of the year. These lost trees will be selectively replaced during the winter months with types other than pine.

Please check on the progress of the web site as mentioned above to look for up to date information. And, in closing, may you and yours enjoy a safe and happy holiday season. Thank you for your support. We look forward to serving your needs during 2010.

Believe it or not the upcoming 2010 Spring baseball and softball season is just around the corner!

HERE IS WHAT WE HAVE TO OFFER;

A Division Tee-Ball	- 5-6yrs old

For baseball, please be reminded that FSA does not offer a 13/14 year old age division. In addition, a child MUST be 4 years of age by April 30, 2010 in order to play instructional t-ball (no 3 year olds will be accepted).

A gentle reminder that the below dates, outside of the registration days, represent our planned calendar, yet can take a slightly different form due to a variance in registration numbers or inclement weather causing delays to the schedule.

On-line Registration: Dec. 1 – Jan 16
<http://www.fairfield-sports.org/>

Coaches Meetings: Week of Jan. 18th

Tryouts / Drafts: Week of January 25th
 (no tryouts or draft for any t-ball divisions)

Practices Start: Week of February 1st

Games Start: March 1st

Opening Ceremony: March 6th

Season End: Last week of May

There will be NO late registration as we are providing 7 weeks to sign up. Unfortunately, our size has dictated a more strict approach to this in order to handle all of the administration duties and preparation necessary to start the season.

→ Practices at the time of this insert will be held at the Central Park as well as the “Hill” at the recreation center grounds and at the New Schiel Road Complex

→ We are excited to announce that we will be moving our 11& 12 year old boys division to Dixie Ozone.

• The following changes will be implemented in this division

- o 70’ Bases
- o 50’ pitching distance
- o Open Bases – Lead offs and steals
- o Use of big barrel bats approved
 - 2 ¾” diameter is the max allowed for 2010
- o These changes will only affect this age group

Lastly, I remind everyone to find a way to take part in your association. We are a volunteer organization and have jobs ranging from field maintenance to concessions duties that simply take people in order to provide the best facilities, amenities and baseball league for our children. I urge you to familiarize yourself with the Baseball Committee via our website and reach out to them to see how you can help. If you are interested in becoming a part of our association, please contact a baseball or softball committee representative! One of the growing activities is to become a part of our nightly field maintenance program (The Llamas)...it is a great way to help, plus get to know some folks and most of all assist in providing the best fields around!

Thank you very much for your support.

Cypress Christian School “The Power of a Simple Gift”

“Everyone loves to receive gifts. During the Christmas season, we celebrate the most special gift of all—God’s Son, Jesus Christ.” These are the words of Franklin Graham, President of Samaritan’s Purse, an international relief organization. The students of Cypress Christian School chose to share the ‘good news of great joy’ (Luke 2:10) with children around the world through the Operation Christmas Child project sponsored by Samaritan’s Purse.

This year, millions of children will experience Christmas joy when they receive gift-filled shoe boxes and hear the Gospel message through Christian literature and follow-up discipleship programs.

Over the course of several weeks, CCS students took time out of their busy classroom schedules to write letters, fill shoe boxes with gifts, and wrap them in preparation for shipping to needy children across the globe. “This has been a wonderful example to teach our children the gift of giving to those less fortunate,” said Elementary Principal Donna Stumbaugh. “Several teachers commented on the great discussions about giving to others that their classes entertained as a result of participation in the project.”

“A NIGHT IN BETHLEHEM” Returns To Cypress

Messiah Lutheran Church is once again hosting a special Christmas event, A Night in Bethlehem, offered on Saturday and Sunday evenings, December 5 and 6, 5-8 pm. Night in Bethlehem is an extended living nativity, portraying Bethlehem village on the night Jesus was born. The community is invited to stroll through the village and talk to the village shop keepers. Visit the stable where Mary, Joseph, and the Baby Jesus can be found surrounded by livestock and shepherds. Visit the tents where children's activities are offered. Enjoy the free apple cider and coffee. There is no admission charge.

This evening is Messiah's gift to the community. As an option, one of the shops will sell free trade coffee and other artifacts with all profits going to native communities in South America and Africa. You are invited to begin your Christmas celebration this year with an evening in Bethlehem, Cypress style!

Messiah Lutheran Church is a grace place, a congregation of the Evangelical Lutheran Church in America (ELCA). Messiah is located at 11522 Telge Road, ½ mile north of Highway 290. Regular worship times are at 8 and 10:30 AM on Sundays. The Education Hour is 9:15-10:15 AM on Sundays. For more information, 281-890-3013 or www.messiahlc.org. All people are welcome at Messiah.

AMERICA IS GOOD

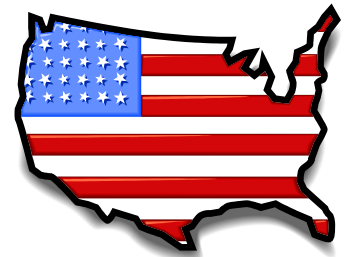

- I believe in God and He is the Center of my Life.
- The family is sacred. My spouse and I are the ultimate authority, not the government.

Fairfield's Fifty Plus Fun-Loving Group The Fairfield Seniors

The Seniors of Fairfield are an active, fifty plus, fun-loving group of couples and singles who enjoy fellowship, monthly trips, and various activities together. If you or your spouse is fifty or older, a newcomer to Fairfield Village or have lived here in Fairfield for some time but have never attended one of our functions, you are cordially invited. Come be a part of our fun-loving group. We're sure you will enjoy it.

OUR DECEMBER BUS TRIP PLANS ARE FOR: Friday, December 11, Houston, Texas. We will be going downtown to the Country Playhouse Theatre to see "The Best Christmas Pageant Ever," which will take us back to our school days and school pageants.

The play is about one teacher's attempt to direct a Christmas play with some of the school's most notorious kids participating. She struggles with the chaos while she hopes for a true Christmas miracle to happen.

We will be having dinner at a local restaurant, Denis Seafood, prior to the play.

The cost for this trip is \$22.00, plus the cost of your dinner. You can get your name on the list for this trip, by calling either Patti Welch @ 281-758-0903 or Jackie Wurth @ 281-304-0805. But call soon because the list is already filling up fast. Make checks out to: Fairfield 50 Plus. The departure time will be 05:45 p.m. from the Fairfield Village parking lot. Please be there by 05:30 p.m.

OUR JANUARY BUS TRIP PLANS ARE FOR: Tuesday, January 12, Federal Reserve, Houston, Texas. The Federal Reserve affects the economic and financial decisions of virtually everyone – from buying a house, to a business expanding its operations, to consumers choosing a sound financial institution, yet many of us are unaware of the many roles of the Fed, how it guides monetary policy here, and what economic effects it has on the world.

After touring the Federal Reserve on Allen Parkway we will have lunch at a local restaurant in the area. Following our lunch we will make a stop at the Chocolate Shoppe for dessert and goodies.

The cost for this trip is \$2.00, plus the cost of your lunch and chocolate treats. You can get your name on the list for this trip by calling Jackie or Tom Wurth @ 281-304-0805. Make checks out to: Fairfield 50 Plus. The departure time will be 09:00 a.m. from the Fairfield Village parking lot. Please be there by 08:45 a.m.

Thursday, December 10: The Monthly Planning Committee meeting is at 1:00 p.m. at the Lakeside Trails Club House. Then later, around 6:30 p.m. that evening, we will be having Our Annual Gift Exchange Pot Luck. It is also at the Lakeside Trails Club House. However, plan on getting there early. Doors open around 6:00 p.m.

for socializing and fellowship. Our complete meal and desserts will be the complements of the Friendswood Development Company.

Everyone brings a gift, (around \$15.00). Ladies bring a woman's gift and the men bring a man's gift. Then after our meal, everyone gets a number. The first person whose number is called will select a gift from their gender's gifts. They then open and show it to everyone. When the next number is called, that person has a choice to either select a gift from their unopened gender gifts or take one from someone. Note: A gift can only be taken twice. If the gift you had selected is taken, you then have a choice, to either select or take. This continues until everyone has a gift. It's an exciting and enjoyable evening.

Tuesday, December 15: Game Night at the Cooks' House. It starts around 6:30 p.m. Just bring a little Christmas snack and a healthy appetite. This is always a fun evening with great fellowship. The directions are posted in the Activity details page on our website and will also be in our December 13th email.

Thursday, December 24: Game Night at Lakeside Trails Club House. Game night has been cancelled again this month. Merry Christmas!

Thursday, December 24: New Year's Eve. Happy New Year!

For additional information on activities other than trips: Call Mary Lou Cook @ 281-304-8359.

The MOMS Club® of Cypress / NW-Fairfield Moms Offering Moms Support

Welcomes all Stay-At-Home Moms in Fairfield and Lakes of Fairhaven

MOMS Club® is an international organization with a neighborhood feel! We are teachers, business women, counselors, chefs, CPA's and artists who have put those careers on hold and have made the choice to stay home with our kids.

MOMS Club® is a place to find friendship, support, playmates and sisterhood!

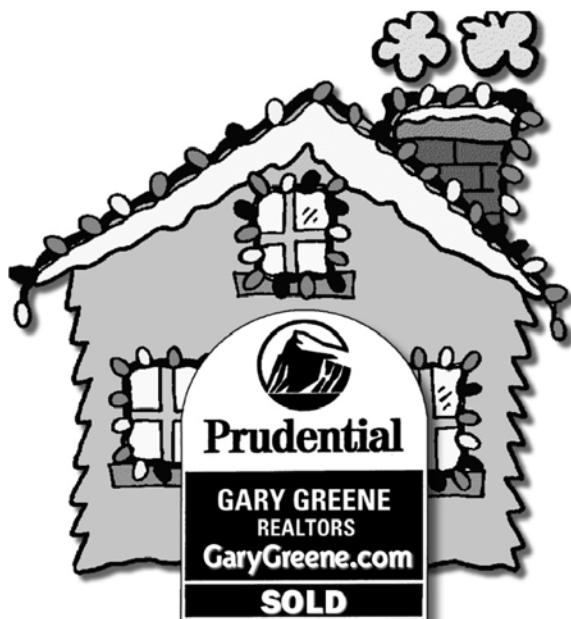

ALL events include our children and we believe there is something for every mom out there! Are you looking for park days, coffee breaks, lunch outings, (free) babysitting co-op, craft projects, time to sit and chat, cooking club, book club or someone to share dinner with when your husband is traveling or working late? We even find the time to meet once a month for a mom's night out for a great time to unwind. Or are you interested in helping within the community with service

projects? We have that! (And a whole lot more!)

First and foremost, we want to thank everyone that came out and supported us for our 5k/Fall Festival! All of the proceeds are going toward a \$20,000 scholarship that could be awarded to your child so again, thank you for the support and fun! December is here and the MOMS Club has many fun activities planned, from an ornament exchange, to a cookie exchange, as well as craft days and play dates. We would love for you to be a part of that with us! Do you have young children and looking for some fun things to do? Come join other moms and kids in many great outdoor and indoor activities. Are you new to the area or a new mom and need a friend or support; we are here for you. Don't let yourself feel isolated being a stay at

**Cy-Fair Republican Women
Recap Great Year**

Cy-Fair Republican Women had a terrific 2009. Our meetings are the second Tuesday of the month at 10:30, usually at Carraba's on Hwy 6 just south of Longenbaugh. Our speakers in 2009 addressed issues that affect our everyday lives. A few examples are TxDot gave us an update on the 290 corridor, the head of the Harris County Juvenile Courts spoke on gang activity, Operation Military Embrace - a group that does outreach for our wounded troops and their families spoke, a local doctor gave a talk on Health Care Reform and a member of the Baker Institute that deals with crime in Mexico and along the border informed the club. In addition the Harris County Tax Assessor/Collector Leo Vasquez spoke and then deputized many in the group as voter registrars. We have held voter registrations at Lone Star College and other locations. Many of our members do volunteer work for various campaigns and have attended district and state conventions. We do our best to be good members of the community and have helped out an elementary school in an economically depressed area by giving dictionaries, Texas and US flags and Constitution Handbooks. This is a fun way to make a difference in our local, state and federal government. For information please see our website at CFRW.net or call Mary Moss at 281-550-9415.

CYPRESS RANCH KEY CLUB

Looking out for Layla Grace

Layla Grace is a beautiful twenty-two month old girl. On May 7, 2009 Layla was diagnosed with Stage 4 Neuroblastoma, a tumor that develops from nerve tissue, in her kidney. She had a massive tumor in her abdomen that extended from above her left kidney, around her side, over her belly and around her aorta. Her grandmother is a faculty member at Cypress Ranch High School.

When they Cypress Ranch Key Club learned about Layla's illness, they took action. The Key Club held a Lock-In in September and designated funds raised from Macy's "Shop for a Cause" to help Layla Grace.

On September 18, 2009 a Lock-In was held at our school. Students paid \$30 to attend or \$25 and a donation of two new children's books. At the Lock-In students enjoyed activities such as food, friends, karaoke, movies, and video games. Every hour door prizes were awarded, and games such as four square, volleyball, soccer, and twister were played all night long. The Cypress Ranch Key Club raised over \$6,000, and \$4,500 was donated to Layla Grace's medical bills. The other \$1,500 will be split among the Key Club's Lieutenant Governor's and District Governor's Projects.

Macy's "Shop for a Cause" was October 17, 2009. Cypress Ranch Key Club members sold Macy's discount coupons for \$5. The proceeds from

Church News

Harvest Bible Church

Therefore we must pay much closer attention to what we have heard, lest we drift away from it. 2 For since the message declared by angels proved to be reliable and every transgression or disobedience received a just retribution, 3 how shall we escape if we neglect such a great salvation? It was declared at first by the Lord, and it was attested to us by those who heard, 4 while God also bore witness by signs and wonders and various miracles and by gifts of the Holy Spirit distributed according to his will (Hebrews 2:1-4).

In the first chapter of Hebrews, the author revealed the superiority of Jesus Christ over the angels. And since all doctrine demands a response, the first words of chapter two do just that. The application the author of Hebrews is seeking is obedience to Jesus, for He is God Almighty.

First, the readers are told to pay closer attention to what they had heard, lest they drift away from it. The fact that Jesus was indeed the long-awaited Messiah is not to be ignored in favor of angels or any other idea that might trivialize Christ's superiority.

The two phrases, "pay closer attention" and "drift away," both have seafaring nuances. "Paying closer attention" was a phrase used in relation to tying a boat to a dock and making sure it was secure. And "drifting away" was a phrase used for a ship that coasted by a harbor. Taken together these two phrases warn the audience to be cautious not to slip past the only dock of salvation and to secure themselves to the gospel of Jesus Christ above any other. Obviously the writer's predominately Jewish

audience who had professed belief in Christ had become somewhat apathetic and were in danger of drifting past their intended goal due to their indifference to the doctrines they had been taught about Christ. As a result of their indifference they were in danger of making shipwreck of their lives (cf. 6:19).

There are a handful of passages and contexts in Scripture that speak of people drifting away from their faith (Mark 4:1-20; 1 John 2:19). This has resulted in the widespread belief today that one's salvation can actually be lost. The issue is not, however, that a person can lose his/her salvation. Salvation is a gift that comes from God – a gift that is eternally secure (Eph. 1:13-14) and one that He does not take away. There is nothing a person can do to lose his/her salvation. The question is not "can one lose salvation?" rather, the question is "who truly has salvation?" The writer of Hebrews wrote primarily to a first century Jewish audience who had professed faith in Christ (10:32-34). Secondly, he wrote to some who had intellectually believed in Christ but had not committed their lives to Him (6:1-8). And third, he wrote to some who simply didn't believe at all (9:11-13). Hebrews 2:1 is universally addressed to people who make a profession of faith in Christ but who may not be truly saved, for they tend to waver in their actions and are in danger of drifting away from the faith they profess.

Harvest- (Continued from Page 36)

Many Christians tend to have a casual and indifferent attitude towards sin. This was Adam's downfall in the beginning, and it has proven to be the downfall of many people in history who profess faith in Christ. But true faith in Christ manifests itself through a steadily growing faith – a faith that gets deeper as time passes. Deeper faith guards against drifting away, and it manifests itself in the worst of situations so that all take notice. Thus, all Christians should evaluate their faith, pay close attention, and make sure not to drift away.

"Discovering the Heart of Christ, In the Heart of Fairfield"

One of the biggest causes of stress during the holidays is high expectations for how the holidays ought to be. Here are some tips to help you keep your expectations reasonable: Don't judge the value of a gift by its price tag. The best gifts come from the sincere desire to make a person happy. If you give from the heart, your gift will never be too small. Share with someone less fortunate, for example, by volunteering at a homeless shelter for a day.

If you have kids, this is a great way to show them the true meaning of Christmas. Remember, you're family is a real family, not a TV family. There will be arguments and rivalries among siblings. If Mom has always criticized you, she still will. These things don't have to ruin your holiday. You may not be in control of other people's actions, but you can certainly control your reaction to them. Take this year as an opportunity to learn forgiveness and acceptance. Remember that things will occasionally go wrong. Your kids will get dirty and make noise. You will forget to buy batteries, thaw the turkey, or take the cookies out of the oven. Planes will be delayed, relatives will get tied up with other responsibilities, and dogs will jump on your favorite party dress with muddy paws. If you can learn to face these little setbacks with style and grace you'll find yourself having a better holiday than if everything had turned out perfect because

now you're more relaxed. Can't be with someone you love because of a divorce, military commitments or finances? Find a creative way to make the holiday special. For example, send cookies, gifts, and a special videotaped greeting to a far away relative. Or arrange to spend another day together as "Christmas". Be creative.

The feelings of sharing and caring that Christmas engenders can be had any day of the year. Don't limit yourself to what it says on a calendar. In fact, if you think about what's really important like love, sharing, and togetherness, you begin to realize December 25 is only one day out 365 that you have to spread peace and good will. Copied-author unknown

We pray your Christmas is wonderful. Come and join us for worship on Sundays at 10:30am this month and see if it doesn't make your Christmas even more wonderful.

We have begun a New Youth Ministry program this year. It is being led by Jonathan and Melanie Owens who have a heart for youth. They are conducting special bible classes for youth on Sunday mornings at 9:30am and have other special youth events on a regular basis. If you have Junior or Senior High young people this is a great program for them to learn about Jesus and also build relationships with other teens.

CHRISTMAS HAYRIDE AND HOTDOG ROAST

We invite the community to gather with us at 6:30pm on Friday, December 4th to enjoy our annual hotdog roast and hayride here at GSUMC! Join us for an exciting ride through the neighborhood caroling and spreading the joy of the season. And you can't beat those delicious campfire smores and roasted hotdogs. Please reserve your complimentary tickets to this event online now at www.goodchurch.us so we have plenty of food.

CAMP FOR CHRIST

The youth of GSUMC are ready for the annual Camp for Christ event. We support Houston's Life Center for the Homeless and they have a few specific needs that you may be able to purchase. (Toilet paper, trash bags, plug-ins, food, new men's and women's undergarments) They are also happy to receive blankets, coats, pajamas, and clothes. Donations marked CAMP FOR CHRIST will be gathered in Fairfield on December 5th starting at noon and then the youth will return to the church to sort and bag all donations. The youth will then spend the evening and night as a homeless person might with only the clothes on their back, a simple meal, and a box to sleep in, with only the heat from a camp fire. Thank you in advance for your generosity to help those in need, and your assistance in allowing our young adults to be the hands and feet of Christ. Please feel free to direct any additional questions to our Student Ministries Director, Jeff Dunbar at jeffd@goodchurch.us.

GS KIDS NEWS

Join us on December 13 for our annual trip to Bethlehem Village. From 5-7pm the gym will be transformed into a real Bible-time market place, complete with jewelry making, bread baking, and many more hands on activities for you and the kids.

December 20 and December 29 are party weekends in the Children's Ministry at Good Shepherd! On December 20 we will be celebrating the birth of Jesus and on December 29 we will be celebrating the closing of a great year of the Lord. Join us both weeks during each of the children's worship times.

CHRISTMAS MUSIC PROGRAM DEC. 11TH AND 12TH

Under the direction of Director of Music and Worship Arts, Wayne F. Miller, Good Shepherd is pleased to present Season of Wonders on both Friday, December 11th and Saturday, December 12th at 7 pm in

the Good Shepherd Worship Area. The concert is free and open to the community. Doors will open at 6:30 pm.

WOMEN'S MINISTRY CHRISTMAS PARTY

It's a Girlfriends Christmas Party! Join us for fun, fellowship, yummy food and Christmas carols! We want you to share your favorite Christmas treats, so girlfriends with Last Names A-L bring a main dish/appetizer, and M-Z bring a side dish or dessert. In lieu of our annual ornament exchange, we have decided to focus on giving back this season. Our mission focus this month is helping out one of our own families in need this Christmas. If you'd like to participate, just bring gift cards or money for the Giving Tree, which will be presented to the family by our Missions Committee. It will be a great night, so bring your friends, mom, sisters, aunts and cousins! Childcare is available and must be reserved online at www.goodchurch.us. We cannot guarantee childcare after December 7th, so register soon!

TIPS FOR TEACHING CHILDREN

About Table Manners

Submitted by Rebecca Beavers

Teaching your children table manners may sound old fashioned, but it never goes out of style. Having good manners shows your respect for other people, and it's more than saying "please" and "thank you." It's about helping your children develop habits and behaviors that will help them relate to adults and other children in a positive way. "To make your family mealtime time special and relaxing, slow down, sit and talk with your children and expect good behavior. You will be pleasantly surprised at how much easier and enjoyable it will become," said Dr. Mary Zurn, vice president of education for Primrose Schools. "This is important because children with good manners often find it easier to make friends and get along with others at school and at home."

Dr. Zurn offers five table manners tips to get parents started:

1. Start early: Don't wait until you think your child is "old enough" to learn polite behavior. Just as children learn to crawl before they learn to walk, they also learn manners in stages. Even infants watch parents for rules of expected behavior. Very young children can learn to sign key phrases such as "please" or "thank you" and then transition to the spoken words around age two. By age three, children should be able to stay seated at mealtime if you sit down with them.
2. Give specific feedback: Children learn best when they receive specific feedback about their behavior which is far more effective than generic praise. For example, instead of saying, "Good job," you can say, "I'm so glad you set the table."
3. Encourage polite conversation: Children as young as two can learn to engage in polite conversation at the dinner table with the right kind of guidance. As you are at the table eating together, show them how to take turns listening, talking, and asking questions.
4. Set a good example: Make sure your words and actions match. Children watch parents all the time for behavior clues. For example, if you want your child to eat broccoli because it's a healthy food choice, you will need to let them see you enjoy eating it as well.
5. Create a routine: Children learn best from consistency because it helps them know what to expect. Start with the repetition of a few simple steps such as putting a napkin in your lap when you sit down. Create a routine that is easy for them to repeat and remember.
