The scouts then continued the meeting with their annual Boy Bake Too cake auction. The theme this season was Patriotism. There were so many creative and amazing cakes that the boys had made. The pack raised \$1,505 by selling their cakes. These funds will go towards special scouting activities throughout the year. It was truly a successful evening in all respects.

Splinters from the Board

By Stan Schoen, E-mail: sschoen@worthamweb.org

December 2009, Website: www.worthamweb.org

At our annual homeowners meeting in October many questions were raised about stop signs in Wortham. We asked our management company to assist us in getting answers and below is the letter we received from our manager at Crest Management for your review:

"Dear Board members,

I had a long conversation with Paul Hawkins at Commissioner Raddack's office regarding the locations below and the process in which the traffic studies are conducted.

- Azalea Creek and Wilderness Hills: All three intersections on Azalea Creek received a traffic study in October 2008. Because so many requests were received at this particular location and because a traffic study had been conducted prior to 2008; Commissioner Raddack's office hired a third party consulting firm to review the traffic study that was conducted in October 2008. The outside consultant reviewed the results from the study and indicated that the traffic volume was not great enough to warrant a multi way stop.
- Eldridge and Wortham Ridge and Eldridge and Hastings Green: A traffic study was done in 2008 for these locations as well. The update for this intersection is the same as above.

- Walnut Lake and Dogwood Blossom: A traffic study was done in 2004. He believes that he can now get approval for another traffic study at this location since one has not been done in approximately five years.

I emailed Mr. Hawkins all of the information that we have on the above intersections and let him know that this is a topic of concern at every annual meeting that we have. He is going to look into what we can do now and will respond accordingly in writing. Once we receive the response in writing, it may be a good idea to post the information on the website. We can also post Mr. Hawkins contact information on the site so that homeowners with questions and concerns can get a response directly from the source".

The hike / bike trail modification is now complete. Due to a drainage issue the ADA modification had to be broken out and replaced and it looks good.

As still another reminder we are in need of a community neighborhood watch chair! Please contact any of our board members if you have an interest and let's not wait for something to happen and wonder why we didn't have this coordinated the way it should be done.

Wortham Villages

Splinters from the Board - (Continued from page 11)

We would also like to have other community groups (committees) formed to get things like landscaping going again. Any ideas are appreciated, whatever folks are interested in such as a 'runners group', biking (non-motorized) or walking group for our hike/bike trail, Mom's and toddlers get together, anything. We need to pump more life into Wortham for all of us in whatever your interests are. The Woman's tennis is a huge success as is our swim team. Everything we do we do well because of our residents who make this happen. This is being done for you and by you and we just want to help facilitate anything you want and we want to do it as well as we are capable of. Let us know how we can help in any way.

We are still working on the landscape design for the front of Wortham at FM1960 and have nothing to report on this at this time except to say it is a work in progress.

It's hard to believe but the year is almost gone. What a strange year this has been with the hottest summer I can remember and a troubled economy. Through it all we survive as individuals and as a community, it's not always easy but we will succeed!

We wish everyone Happy Holidays, Merry Christmas, Happy Chanukah and a wonderful, happy, healthy and prosperous New Year!

Wortham, we're looking good! Make it a great day! See you at my table.

It's Finally Here --- Senior Year 2010

There will be much going on in the lives of our senior students this school year, and two of those exciting events will be Prom and Project Prom, April 30, 2010. Project Prom is a year-long fundraising effort by senior parents for the purpose of providing a fun, drug- and alcohol-free overnight lock-in event for our seniors and their dates after the Prom.

Our next general meeting is Monday, November 23, at 7:00 p.m. in the Cy-Fair High School cafeteria. Take this opportunity to be involved in your senior's BIG NIGHT! There are many ways parents and community members can help. Fundraising and donations are vital to the success of Project Prom. We are a non-profit 501C3 organization. No donation is too small.
