HOUSTON BALLET STARS DANCE IN THE SUBURBS

HRB presents Sleeping Beauty and Other Tales at the Berry Center

Houston Ballet principal dancers Sara Webb and Connor Walsh will perform as Princess Aurora and Prince Florimond in the timeless tale of Sleeping Beauty's Aurora's Wedding staged by award-winning HRB Artistic Director Victoria Vittum and Barbara LeGault to Tchaikovsky's musical score. Sara Webb, from Dallas, Texas, joined the Houston Ballet in 1997 and was promoted to Principal in 2003. "A ballerina who dances from the soul, bleeding musicality, technical virtuosity, speed, fearlessness and spunk through her gracefully arched feet and liquid arms," writes Molly Glentzer of the Houston Chronicle. Her partner in this famous pas de deux is the talented Connor Walsh. Connor, born in Fairfax, Virginia, began dancing at the age of seven. He joined the Houston Ballet in 2004 and was promoted to Principal in 2007. "We are thrilled at the opportunity to have our community see Sara and Connor close up and personal at the Berry Center," states Victoria Vittum, founder of the Houston Repertoire Ballet (HRB). HRB is the premier junior ballet company in Northwest Houston which provides quality performances in the community – including its annual Nutcracker performances in Tomball.

Texas Flag Flown over Afghanistan Donated to Cypress Christian School

In honor of our many veterans and prayer warriors, Mr. and Mrs. Phillip Miller, Cypress Christian School parents, donated a special and unique "Texas" flag to the school located at 11123 Cypress N. Houston at Jones Rd. The flag was flown on June 19, 2009, in Afghanistan, by a United States Army Special forces team during a mission. The Miller's son, Jonathan gave the flag to his parents to present to Cypress Christian in honor of all the prayer warriors who have prayed for him during tours to Iraq and Afghanistan.

The Miller family asks everyone to pray Psalm 91, The Soldier's Psalm, for all soldiers who are in harm's way. It is said that, during WWI, the soldiers of the 91st Brigade recited the 91st Psalm daily. This brigade engaged in three of that war's bloodiest battles. Other units suffered up to 90% casualties, but the 91st Brigade did not sustain a single combat-related death. Cypress Christian School is honored to support our troops through prayer and donations. For more information on this story, please contact Sharon Miller at the school at 281.469.8829. Articles on how students support our troops are published in the school newsletter, CONNECTION, which is available via the school website at www.CypressChristian.org. Meet Devion (7/02)

Devion is only little in physical size. He is convinced he is the biggest kid around and that he can do anything anyone else can do. This little man lights up any room he enters with his smile and personality. Devion loves attending church and enjoys singing in the children's choir. Devion loves playing with other people of any age but he plays in the manner of a child age 4 to 6. He is showing progress in being able to play independently. Devion loves to do almost anything outside. He loves to swim, ride bikes & scooters, play baseball, basketball & football and has even recently tried to water ski! Devion has played 4 seasons of t-ball and one season of basketball since living in our home and loves telling everyone about it. While Devion has wonderful gross motor skills he struggles with his fine motor skills. While Devion has made much progress emotionally he continues to receive weekly therapy to work on social skills and impulsivity.

Devion is very loving and affectionate. He enjoys being with others and would do well in a loving, structured, active home of any ethnic make-up as an only or youngest child.

For more information on Devion or on adoption contact Grace Lindgren at the Adoption Coalition of Texas 512-810-0813 or gracelindgren@adopttexas.org

Eleven-year-old Cait was trying to fall asleep when her 8-year-old brother, Doug, came into her room. He looked around a bit, but seemed really out of it. Then Doug went back into the hallway and stood there staring up at the hall light. Little brothers can be weird, but this was really strange. Cait didn't know what to do. Just then, Cait's father appeared and explained that Doug was sleepwalking.

WHAT IS SLEEPWALKING?

Not all sleep is the same every night. We experience some deep, quiet sleep and some active sleep, which is when dreams happen. You might think sleepwalking would happen during active sleep, but a person isn't physically active during active sleep. Sleepwalking usually happens in the first few hours of sleep in the stage called slow-wave or deep sleep. Not all sleepwalkers actually walk. Some simply sit up or stand in bed or act like they're awake (but dazed) when, in fact, they're asleep! Most, however, do get up and move around for a few seconds or for as long as half an hour.

Sleepwalkers' eyes are open, but they don't see the same way they do when they're awake and often think they're in different rooms of the house or different places altogether. Sleepwalkers tend to go back to bed on their own and they won't remember it in the morning. Researchers estimate that up to 15% of kids sleepwalk regularly. Sleepwalking may run in families and sometimes occurs when a person is sick, has a fever, is not getting enough sleep, or is stressed.

IS SLEEPWALKING A SERIOUS PROBLEM?

If sleepwalking occurs frequently, every night or so, it's a good idea for your mom or dad to take you to see your doctor. But occasional sleepwalking generally isn't something to worry about, although it may look funny or even scary for the people who see a sleepwalker in action. Although occasional sleepwalking isn't a big deal, it's important, of course, that the person is kept safe. Precautions should be taken so the person is less likely to fall down, run into something, or walk out the front door while sleepwalking.

WHAT WILL THE DOCTOR DO?

There's no cure for sleepwalking, but the doctor can talk to you about what's happening and try to find ways to help you sleep more soundly. Most kids just grow out of sleepwalking.

For kids who sleepwalk often, doctors may recommend a treatment called scheduled awakening. This disrupts the sleep cycle enough to help stop sleepwalking. In rare cases, a doctor may prescribe medication to help someone sleep.

HERE ARE SOME TIPS TO HELP PREVENT SLEEPWALKING:

- Relax at bedtime by listening to soft music or relaxation tapes.
- Have a regular sleep schedule and stick to it.
- Keep noise and lights to a minimum while you're trying to sleep.
- Avoid drinking a lot in the evening and be sure to go to the bathroom before going to bed. (A full bladder can contribute to sleepwalking.)

HOW DO I TAKE CARE OF A SLEEPWALKER?

One thing you can do to help is to clear rooms and hallways of furniture or obstacles a sleepwalker might encounter during the night. If there are stairs or dangerous areas, a grown-up should close doors and windows or install safety gates.

You also might have heard that sleepwalkers can get confused and scared if you startle them into being awake. That's true, so what do you do if you see someone sleepwalking? You should call for a grown-up who can gently steer the person back to bed. And once the sleepwalker is tucked back in bed, it's time for you to get some shut-eye, too!
