RECREATIONAL FACILITIES CORNER

by Rick Anderson

Well, believe it or not we are rapidly coming to an end of a long, cold winter (yes I know it is hard to say that considering what the people in other parts of the country have experienced this winter but for most of us it was unusually cold this winter. Good news is that the bugs/mosquitoes should be less of an issue this year. Anyway it has been a while since I updated you all on what we are doing with the Recreational Facilities Committee.

We have spent a good part of the off-season evaluating the condition of our detention pond playground/picnic equipment, getting contractor bids for repairs/replacement of such and finally getting the work completed. You all may have noticed that we have spruced up the playground/picnic area by replacing broken/damaged pieces of equipment such as benches, repainting the playground equipment and picnic tables, adding some new benches, replacing the drinking fountain, adding more fall zone wood chips and replacing the soccer goal nets. We have also had all the trees trimmed around the detention pond area and will be installing new grass sod around the playground/picnic areas as well this spring.

We are also rapidly approaching the new swim season and will be planning our Pool Opening Party for May 1, 2010 and pool tag hand out as well for late April. So stay tuned. We will be having our first committee meeting sometime in late March to begin our planning for these events. We are also wanting to look at our next projects for updating and improving the facilities we have. So we really could use more help in this process and would welcome more volunteers. So if you are interested, please contact Rick Anderson at rick_anderson@efiglobal.com or call me at 281-890-4878. Thanks to you all for making this a great place to live.

BETWEEN THE LANE LINES:

It Has to Be Wortham

by Jonathan Armstrong

We moved! Yes, most of you who know Mindy and I know that we moved. If you didn't know, stop sweating, we didn't move far. Around the corner in fact. When our house went on the market, we couldn't go far without someone stopping us, worried that we were leaving. Except one person. She said, "Where in Wortham are you moving?" Thank you for the sentiment! We followed the trend in Wortham, and moved within. How could we leave? How could anyone leave unless they had to? Wortham is more than just a place to live, it is a true community, and we love it. We feel the same as when we were looking for our first house 11 years ago: It has to be Wortham.

Of course, the Wortham Whitesharks are a big part of that community. I may be a little biased, but not much. I even know people who moved to Wortham just because of Swim Team (myself included). The Whitesharks are a big family inside our great community. We are all inclusive, and cater to the parents and families as well as the swimmers (sorry, no adults are allowed to swim at the meets though!). Of course, for years I have tried to convince everyone with kids in the neighborhood to at least give the Whitesharks a try. Come be a part of our family. Give it a try. I have two quotes from parents I heard this last year that may help convince you:

"We have been avoiding swim team for a while, but our daughter really wanted to do it, and now we wish we had done this sooner! It's for the parents as well as the kids." As my mother used to say, "Do I not speak English?" I have been saying this for years. I hear this quote every year, usually from multiple people. Give it

a chance, and you will see I'm right. You just have to trust me. What have you got to lose?

And my favorite:

"Swim Meets are like tailgating with your neighbors." OK, so there are no adult beverages, but the thought is very true. We hang out on Saturday mornings. We cheer on our teammates and have fun. How can you miss out on that?

If you haven't experienced the reason why when we moved, we moved within Wortham, even if you have, and you have kids between 4 and 18 years old, come out and join the Whitesharks and fully experience Wortham at it's finest. Talk to one of our awesome Whiteshark families if you don't believe me. For those of you who are already a part of the experience, I hope you are getting excited for another season. In the meantime, I'll see you all around the 'hood.

The Wortham Whiteshark Swim Team's goal is to provide healthful recreation, teach responsibility, teamwork, and fair play, build self-confidence in an atmosphere of competitive sports, and above all to have FUN. We would love for you to be a part of it with us. Online registration starts March 1 at www.worthamwhitesharks.com. HOUSTON FAMILY ARTS CENTER PRESENTS:

Oliver!

Houston Family Arts Center presents:
Oliver!

Based on the novel *Oliver Twist* by Charles Dickens

Music, Lyrics, and Book by Lionel Bart
Performances at The Berry Center

8877 Barker Cypress Road, Cypress, TX 77433

March 5-14, 2010

Wortham Park residents, David Heaton and Veronica McLaren are performing in the cast of *Oliver!*, produced by Houston Family Arts Center (HFAC). HFAC is a non-profit theatre group that produces high-quality family-friendly entertainment.

Charles Dickens' greatest characters, *Oliver Twist*, Fagin, Nancy, Bill Sykes and Artful Dodger, spring to life on The Berry Center Stage in the Houston Family Arts Center (HFAC) production of *Oliver!*, Lionel Bart's adaptation of the classic Dickens novel *Oliver Twist*.

The musical chronicles the adventures of the orphaned boy Oliver as he escapes his bleak workhouse existence, journeys to London, and is taken in by a gang of pickpockets.

With its vivid characters and engaging plot, *Oliver Twist* has come to life through dramatic interpretations time and time again since the novel's first publication in 1838. The show debuted in London in 1960, was an instant hit, and after transferring to New York in 1963, became Broadway's longest-running British musical to date. The show's unforgettable songs include "Food, Glorious Food", "Consider Yourself", "Where is Love?", "You've Got to Pick a Pocket or Two", "I'd Do Anything", "Oom-Pah-Pah", and "As Long As He Needs Me". *Oliver!* was nominated for 10 Tony

awards and won three: Best Composer & Lyricist; Best Conductor & Musical Director; and Best Scenic Designer.

"The *Oliver!* cast includes children, teens, and adults ages 7 to

Chemical Imbalance.

No. Not that kind of imbalance. (Aren't all teenagers a little imbalanced anyway?)

We can help.

We're talking about Freon. Ozone. Stachybotrys mold. Tetraethyl chloride. And a bunch of other stuff we can't pronounce.

Let us give you a **free** Clean Air Inspection with your Energy Saving Tune-up. You can save energy and repair dollars, plus we can spot some things that might even help you save the planet. (Every bit helps.)

Most of it is in and around your home.

It all adds up to disastrous combinations of potentially hazardous chemicals swirling around your home, your air, and your planet.

We'll also check your duct work for leaks which not only send your energy bill through the roof, but allow all sorts of nasty things to enter your clean home. (Such as "Stachybotrys mold" which is absolutely deadly.)

Some of you have a good self-image (unlike our character above) and a strong desire to change that.
