FAIRFIELD SPORTS ASSOCIATION

Baseball and Softball is wrapping its season up but we have others around the corner. Summer Basketball is getting underway and we have Soccer and Volleyball in the Fall. We are making changes in two important areas. We have a new website so check it out. This is more user friendly especially for you MAC folks. We also have a new registration website. This one will allow your family to create a family account. Your contact info is retained as your children play in Fairfield Sports. No more entering in the same information for each sport and each year. Also its one stop checkout with one payment.

- Login is through the Fairfield Sports Website. <http://www.fairfieldsports.net>
- All families will be required to create an account the first time logging into our system. Please add all family members, players and parents by choosing the add children or add adult options (alternate contact information such as phone numbers and emails can be added when another adult is added to the account).
- This system will keep track of your account information for all sports that your children want to participate in. No more re-entering contact and address information each time you want to register.

- When each sport has its standard registration process usually 2-4 weeks before tryouts, you will be able to register and make payments for any of the available programs. Through the registration system you will have access to all account information, including payments due, payments received, due dates, outstanding balances, etc.

- ***If you have multiple players, please register them all at the same time. To do this after completing one registration click the continue shopping button to register another player.***

- The entire registration process occurs over a secure server using the highest security currently available.

FAIRFIELD SOCCER

Fairfield Soccer offers a fun and competitive program for 4-13 year olds (boys and girls). Soccer registration for another exciting year has begun. Our registration will go from June 19, 2010 to July 18, 2010. The fees for the 2010 season will be \$115 for 4-6 year olds and \$125 for 7-13 year olds, and individual sponsorship fees are \$15 per player. As teams have successfully done in the past, we recommend that you speak to local businesses and ask them for sponsorships (they will receive a plaque in recognition of

their generosity). Player assessments for 7 - 13 year olds begin July 27-29th.

Sports Quest is also offering a Soccer Camp here in Fairfield July 19-23rd. See www.sportsquesttraining.org for more details.

NEW FOR THIS SEASON

We upgraded the uniforms (images will be posed to the Fairfield Sports Association Facebook page.) In the spirit of the World Cup this summer, all uniforms will be part of an International Series from Xara Sports. We are very happy with the improved quality and look of the jerseys, and think you will agree. Also, this year we are including the jersey, socks, AND SHORTS, AND A SOCCER BALL with your fee. New, better quality jerseys, a complete uniform that includes socks and shorts, and a soccer ball; we hope you're as excited about the improvements in the uniforms as we are. The changes we've implemented also include a new training package for coaches. This package is optional to use, free, and will be included with your team uniforms when you pick them up.

START OF THE SEASON

The start of the season depends on the ability to have the fields ready on schedule. Three years ago, 10 people worked to prepare the fields and the work was complete in 4

hours. Two years ago we had 6 people and it took a day and a half. Last year only 3 people set up all of the fields and it took 4 days to complete. We are seeing negative participation in this effort, and I believe it is largely due to poor communication on our part, and your concern about the commitment when asked to volunteer. Therefore, this year I am scheduling Saturday, July 17th as the official field set up day, and I need 40 people to volunteer for only 1 hour. Just 60 minutes, and we'll have everything done... if we get enough people. I'm asking you to make this minimum commitment to make sure we can start the season on time (again, the committee will be short staffed this year). We will meet at the Schiel Road fields (Weaver Complex) at 9:00am (and you'll be done by 10:00am).

You Can Help Bring A Dog Park To 1960/Willowbrook Area

If you have ever taken your dog to a dog park you know how much fun they are for people and dogs too. You probably also know there is not one in our neck of the woods if you live in far NW Houston. The nearest off leash public dog park is Bill Archer Park in the Bearcreek Park area on Hwy 6 near I-10. If you have not ever been to a dog park you may soon get a chance to do so here in our own back yard. The Houston Dog Park Association (HDPa) is proud to be partnering with sponsor Barks 5th Avenue to bring a public dog park to far NW Houston. Land next to the Barks 5th Avenue facility on 1960 near Jones Rd. will be donated by the land owner to HDPa to build a public dog park on. HDPa will design, construct and manage the dog park. The plan is in preliminary stages now and more details will

be shared at the Kick Off and Fund Raising event to be held October 2nd in the parking lot of Barks 5th Avenue at 10620 FM 1960 West, Houston, TX 77070.

We will be announcing the event details on our web site soon but you can mark your calendar for Oct. 2nd now. Leashed pets will be invited to the event and we'll have lots of fun for people and doggies including a dog and car wash, frisbee dog demonstrations, doggie costume contest, and lots of local vendor tables with freebies and goodies to give away and win. We are seeking vendors and will also need volunteers to help setup and work at the event from washing cars and dogs to entertainment and set up/clean up. HDPa is also seeking sponsors and vendors

as well as entertainment for the event, contact HDPa to offer your services or reserve your space.

At Texas Emergency Care Center, you will always be seen by a physician who is Board Certified in Emergency Medicine. What's more, the average wait time is less than 20 minutes, depending on the severity of patients being treated.

Krone Earns Eagle Scout Award

Indianapolis native joins father as Eagle Scout

Joining Eagle Scout Patrick Krone, from left, are sister Amanda Krone, Patrick, mother Nancy Krone, and father and Eagle Scout Jeff Krone following Patrick's Eagle Court of Honor at Good Shepherd United Methodist Church in Cypress, Texas.

Patrick A. Krone, a Cypress resident and Indianapolis, Ind., native, has joined his father in earning the Eagle Scout Award, the Boy Scouts of America's highest honor.

A graduating senior at Cypress Woods High School, Patrick was awarded the Eagle Scout Award during Troop 533's Eagle Court of Honor at Good Shepherd United Methodist Church in Cypress. He was joined by his parents, Nancy and Jeff Krone and sister, Amanda.

Patrick joins his father, Jeff, as an Eagle Scout. Two Eagles in a family are a rarity. Only 3 in 100 that begin in Boy Scouts complete the rigorous requirements for Eagle Scout, making this accomplishment the more remarkable. Patrick is the 36th Eagle Scout in Troop 533, and has earned his Brotherhood in the BSA Order of the Arrow

honor society.

To become an Eagle Scout, a Scout must earn a minimum of 21 merit badges, including 12 of which are required. He must serve actively in a troop leadership position for a period of six months after achieving the rank of Life Scout. While a Life Scout, he must plan, develop, and carry out a service project helpful to a religious institution, school, or community in a manner worthy of an Eagle Scout. He must demonstrate, through the testimony of character references and otherwise, that he lives by the principles of the Scout Oath and Law in his daily life. He must participate in a Scoutmaster Conference. Finally, he must appear before a Board of Review.

Patrick has been in Troop 533 for 5½ years and in Troop 894 in West Newton, Indiana

FACTS YOU NEED TO KNOW ABOUT DROWNING

Drowning is the leading cause of unintentional injury-related death in children ages 1-4

DROWNING WILL AFFECT YOU OR SOMEONE YOU KNOW

Drowning is the 2nd leading cause of unintentional injury-related death ages 1-14.

For more information, check out our website at

www.colinshope.org

DROWNING CAN STILL OCCUR EVEN IF YOU KNOW HOW TO SWIM

NO ONE is "drown proof" – no matter their level of swimming ability.

Falls, entrapments, and injuries lead to drowning regardless of swimming level.

A majority of people overestimate their own and their child's ability to swim, especially in a panic event.

DROWNING IS QUICK AND SILENT

Drowning occurs in as little as 2 minutes.

Irreversible brain damage occurs in as little as 4 minutes.

Most children are out of sight or missing for less than 5 minutes and usually in the presence of 1 or both parents.

Most children die who are submerged for as little as 6-10 minutes.

Children who drown do not **scream, splash, or struggle**. They silently slip beneath the water, even with adults & lifeguards present.

RANCH RECORD

GIRL SCOUTS EARTH SAVER MESSAGE

The United States is the world's largest consumer of bottled water, purchasing 37 billion bottles in 2005. Bottled water produces up to 1.5 million tons of plastic waste per year. As much as 40 percent of bottled water comes from the tap. According to Food and Water Watch, "plastic requires up to 47 million gallons of oil per year to produce. Producing plastic bottles uses energy and emits toxic chemicals." While the plastic used to bottle beverages is of high quality and in demand by recyclers, over 86 percent of plastic bottles are simply thrown away. Plastic waste is now at such high volume that vast amounts of current-bound plastic trash is now spinning endlessly in the world's major oceans. This represents a great risk to marine life, killing birds and fish which mistake our garbage for food. Thanks to its slow decay rate, the vast majority of all plastics ever produced still exist somewhere. Breaking down these plastics can take thousands of years.

There's a simple alternative to bottled water: buy a stainless steel thermos, or a reusable water bottle and use it. If you don't like the way your local tap water tastes, inexpensive carbon filters will turn most tap water sparkling fresh at a fraction of bottled water's cost. STRATEGIES FOR A POSSIBLE LAYOFF

A family's most important financial strategies include defensive ones. What if you or your spouse might get laid off in the near future? But you might not get laid off too, so what types of things should a family do? The challenge is to protect your family's assets while staying on-plan to secure your future finances.

First, stay with your retirement savings plan. Keep on contributing because it reduces your taxes and your company may make matching contributions. Combined, these will do you more good than paying off consumer debt. And avoid borrowing against a retirement plan or worse, withdrawing funds early. The taxes and penalties for this are severe.

Next reduce your spending, say, by 10%. This is a good idea

regardless of your situation and the upside is you might reconnect with what is important. Distinguish between wants versus needs. Include the kids on the family decisions. Now that you have more money, it's time to boost your emergency fund. Everyone needs 3 to 6 months of expenses in a readily accessible account. This helps you avoid going into debt when emergencies arise.

Secure your life insurance. This protects your income stream. If you have a group life plan, it will disappear with a job loss. And group plans often have steep increases when you hit those magic milestones every 5 years after 40. Buying a policy outside the company is called portable insurance, and it's smart.

Next knock down your consumer debt. By that I mean anything with a "minimum payment" box – that's bad debt. Use debt-stacking techniques to get out of debt quicker while paying no more on a monthly basis. It's smart to open a home equity line of credit now but don't borrow against it. Think of it as a safety net.

Lastly, secure your home by refinancing while interest rates are low. While you could get a 15-year note, it's smart to get a 30-year loan and pay it off as though it were a 15-year note using higher payments. In this way if you get laid off you can always revert to the lower payments required by the 30-year note.
