## LETTER FROM THE EDITOR

Hello everyone! Wow it has been a wild and crazy summer already. You think summer is about relaxation but no way has it been that way for me - at least! All I know is that there are already school supplies at stores and I'm still trying to plan vacations on the calendar!

As you already can see our parks are being renovated. I'm not exactly sure of the completion date but just think how much more we will enjoy our parks. We just have to get through the construction part of it first. The good thing is when the nicer weather comes the park should be completed.

You will see an insert about a recycling company right here in our neighborhood. Please take a look. This is something that is very important to me so take a look and try to start recycling. This might be the easiest way to recycle for many of you.

Other than that have a wonderful rest of the summer. But get your little ones ready for school in August and don't forget to check school websites for Meet the Teachers coming up in August!

Cindy

.....

## CAR DECAL

Hi everyone.....I see more and more cars everyday with the car decals. Good job everyone and thank you for helping make RR a safer and more united neighborhood.

## FINANCIAL FOCUS

### *Investors Can Learn from World Cup Teams*

It's World Cup time, and soccer fans everywhere are focusing on South Africa, where 32 countries compete for what may be the most coveted championship in all of sports. As a spectator or casual athlete yourself, you can certainly admire the skills of the World Cup players — but as an investor, you can also learn a great deal from them.

### **Let's Look At Some Key Areas Of Soccer And See How They May Apply To Your Investment Philosophy And Techniques.**

- **Offense** — When a forward, or “striker,” scores a goal in a soccer game, it can look almost effortless. But it's not that simple. Before the striker could even make the kick, the ball had to be moved around, sometimes by almost the entire team, before it was in the right place for the striker to shoot. As an investor, you, too must position your portfolio properly so that, when the occasion arises, you can take some “good shots.” Specifically, stay invested in the market, so you'll be prepared to take advantage of good buying opportunities, as when prices drop.
- **Defense** — In soccer, the defenders, such as the fullbacks and the goalkeeper, must anticipate the opposing team's moves and then react to them. And as an investor, you must be ready to cope with threats, such as

## Financial Focus- (Continued from Cover Page)

market volatility, economic turmoil, inflation and so on. When these forces appear, you may need to adjust your portfolio in one way or another. However, your best defense is preparation — and one of the best ways to be prepared for any event that could affect your investments is to build a diversified portfolio. Diversification can help smooth out the ups and downs of the market to help reduce the effect any one investment may have on your portfolio. (Keep in mind, though, that diversification, by itself, cannot guarantee a profit or protect against a loss.)

- **Stamina** — As you watch World Cup matches, you will see very few substitutions. In fact, only three players can be substituted throughout the entire course of a game, which places a premium on players' stamina. As an investor, you also need to have the staying power to "go the distance," despite the bumps in the road you will encounter. But if you have the patience and discipline to keep investing for the long term, your efforts may be rewarded.
- **Teamwork** — For a World Cup team to succeed, it needs outstanding teamwork. The players must know one another's tendencies, must communicate well and must trust each other to make the right plays. When you invest, you can also benefit from working with a team, which may consist of your financial advisor, your tax advisor and your legal advisor. The investment world can be complex, with ever-changing laws and regulations, so you'll want to be confident that you're making the right moves at the right time.

You may never get to play in the World Cup, but, by observing the players and the games closely, you can learn some lessons that can apply to your portfolio.

## *Bus Buddies Volunteer Program In Cypress-fairbanks Schools*

### WHAT IS BUS BUDDIES?

Bus Buddies is a partnership between the Cy-Fair community and Cypress-Fairbanks Independent School District to provide assistance to elementary students to help them in getting off the bus at the correct location. The program requires one "Bus Buddy" per elementary bus the first three days of school. The approximate time commitment is from 2:45 p.m. – 4:45 p.m. on August 23, August 24 and August 25. Duties include assisting the bus driver with getting the children off the bus at their correct stops.

Training Sessions will be held at The Berry Center, 8877 Barker Cypress Rd., Cypress, TX. on Monday, Aug.16 (9:30 – 10:30 a.m.), Tuesday, Aug.17 (7:30 – 8:30 a.m.) and Wednesday, Aug.18 (6:30 – 7:30 p.m.).

The Partners in Education (PIE) department is looking for Bus Buddy support similar to the 2009-10 school year when approximately 400 volunteers in the Cy-Fair community rode buses to assist the nearly 9000 riders and their drivers.

Interested volunteers can RSVP and register for a training session by visiting <http://www.cfisd.net> and selecting Bus Buddies. For additional information about the program, please contact the CFISD Partners in Education Department at 281-894-3949.

### WHAT IS REQUIRED?

(1) Attend one of the training sessions, if not previously trained.

(2) Arrive and sign in at your assigned school where campus staff will assist you.

(3) Enjoy helping the kids and driver!
