- Your Board of Directors wants all owners to feel that they are welcome to attend the monthly board meetings of the POA. Your board does ask for you to let PCMI know that you will be attending at least 5 days prior to the meeting for Agenda purposes. Your board wants to insure that you have a packet to follow along with and can address any specific concerns you might have. Since these board meetings are not held at the PCMI offices your property manager might need to bring additional information specific to your concern to the meeting. This is another reason we ask to know what your concern is. Of course if you have a concern that comes up while you are at the meeting please feel free to ask.

With an RSVP your property manager will need the following information to place you on the Agenda. Again, this is merely for PCMI to gather the information pertinent to your concern. If it has to do with your home or a common area PCMI can place a map or gather the information beforehand. The last thing your board wants is for a homeowner to feel that they have wasted their time when attending a meeting and not get their concern addressed.

If you would just like to observe the meeting just simply include your name, address and that you will be observing via email to your property manager.

Examples below for your reference:

Email to shudson@stes.com or you may call 281-504-1311 for Sarah to include this information for the meeting.

Please place me on the Agenda for the next board meeting to speak about the budget restraints. My name is Lucy Wax and my address is 12345 Apple Canyon.
